MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of a circle with a thin blue lining along its circumference. The first layer of color towards the center of the circle is black with white spots - depicting outer space. Along the top semicircle of the black space are the words "THE AUTISM EXCHANGE". "THE" and "EXCHANGE" are in white type font. Each letter in "AUTISM" is a different color; "A" is purple, "U" is yellow, "T" is green, "I" is blue, "S" is red, "M" is orange. There is a globe, made up of puzzle pieces, in the center of the circle. The globe is blue and green, to demarcate what would be the ocean and land, respectively. There are lines running along the globe to resemble the texture of a puzzle. The globe is missing one piece in the center, the space of which has been filled in with a gray background and white question mark. The portion around the gray area has a faint white shadow-like residue. At the forefront of the image, there is an enlarged yellow puzzle piece, with the same grooves as the gray space on the globe, signifying this yellow piece to be the last piece in the puzzle. On the enlarged yellow puzzle piece at the forefront of the image, there are two lines of red font type. The first line reads: "Sharing Info". The second line reads: "Saving Time". There are yellow Saturn-like half rings around the globe. The ring on the right side of the globe cuts off at the gray space with the white questions mark - the part where one piece is missing. The left ring encircles the globe only half way until the point of the large yellow puzzle piece. There is a small white glare where the left ring and large yellow puzzle piece meet. **Color Drawing** Yes **Color Claimed** The color(s) blue, black, white, purple, yellow, green, red, orange and grey is/are claimed as a feature of the mark. **Disclaimer** "AUTISM" AND "EXCHANGE"
