Mark Literal(s) LAVENDER ROOSTER GOAT YOGA - EGGS - SMUDGES

CASE IDENTIFIERS

Serial Number 97142434 **Application Filing Date** Nov. 24, 2021 **Register** Principal **Mark Type** Service Mark Trademark **Publication Date** Jun. 13, 2023

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of the words "LAVENDER ROOSTER" above and arching around the head of a goat, that has horns with detailed lines, detailed lines in the ears showing dimension and texture, and lines and dots around the nose and chin indicative of whisker hair. There is a Lavender breed Rooster standing behind the goat's head, showing the breast above the horns and to the sides of the horns above the goat's ears; shows the rooster's neck and head of the rooster behind and above the goat head. The rooster is wearing a ribbon around its neck, with a small bow in front of 4 scallop edges on each side of the rooster's wattle. The goat has a lotus flower centered on its forehead, with a tiny 3 leaf design centered above the center lotus petal, and a tiny single leaf above each of the lotus petals to the left and right of the center lotus petal. There is a dried sage bundle in the goat's mouth that is burning smoke, which wafts up the left side, in a semicircle around the goat's ear, towards the rooster's head, ending with three dots and a semicircle/crescent moon shape with the points facing away from the rooster. To the right of the goat's mouth is a sprig of lavender that forms a semicircle around the right side of the goat's head, circling around the ear towards the rooster's head, ending in three dots and a semicircle/crescent moon shape, with the points facing away from the rooster. Between the smoke and the goat's head on the left side, and the lavender and the goat's head on the right side, there is the same design on each side consisting of a dot with a leaf in the middle then a dot on the other end, on the diagonal, placed at the same angle as the goat's cheek bones on each side. Underneath the design is the wording "GOAT YOGA", "EGGS", and "SMUDGES" with a dash in between. **Color Claimed** Color is not claimed as a feature of the mark. **Disclaimer** "GOAT YOGA"

GOODS AND SERVICES INFORMATION

For Telecommunications network management services, namely, the operation and administration of wireless telecommunication systems and networks connected to in-flight aircraft and devices of passengers traveling on aircraft; Telecommunications network management services, namely, the operation and administration of telecommunication systems and networks for others

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Downloadable computer software for facilitating broadband communication of voice, video, and data from or to users on aircraft; Downloadable computer software in the form of application programming interface (API) modules for retrieving data from one or more sources of aviation-related data; Downloadable computer software for data retrieval, and real-time data analysis, namely, computer software used for data mining of aviation-related data, and building charts, graphs, diagrams, maps, and data representations of aviation-related data; Downloadable software for use in the field of airspace management, namely, software for coordinating, integrating, and optimizing flight paths; Downloadable software for use in the field of air traffic control and airspace management modernization and automation, namely, software for coordinating, integrating, and optimizing flight paths; Downloadable software for testing and analyzing flight patterns for air traffic control optimization in the aerospace industry; Downloadable software for transmitting data over air-to-air channels; Computer hardware devices for the collection, programming, and distribution of aviation and airspace information for use in connection with modernizing and automating airspace management

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Providing wireless broadband communications services for the transmission of voice, video, and data from or to users on aircraft; Telecommunications services, namely, transmission of voice, data, graphics, images, audio and video by means of wireless communications networks provided to aircraft and users on aircraft; Telecommunication services, namely, providing internet access via broadband wireless networks to aircraft and users on aircraft; Wireless electronic transmission of aviation-related data; Telecommunication services, namely, transmission of voice, data, graphics, images, audio and video by means of wireless communication networks

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Providing air traffic information, namely, real-time and historical air traffic data for retrieval by software applications that generate charts, graphs, diagrams, maps, and other representations of the data alone or in combination with other sources of data

International Classes 39 - Primary Classes **US Classes** 100, 105 **International Class Title** Transportation and Storage

For Providing weather information, namely, real-time and historical weather data for retrieval by software applications that generate charts, graphs, diagrams, maps, and other representations of the data alone or in combination with other sources of data; Management of wireless communications networks for others; Providing online non-downloadable software for use in the field of airspace management, namely, software for coordinating, integrating, and optimizing flight paths; Providing online non-downloadable software for use in the field of air traffic control and airspace management modernization and automation, namely, software for coordinating, integrating, and optimizing flight paths; Providing online non-downloadable software for testing and analyzing flight patterns for air traffic control optimization in the aerospace industry; Providing online non-downloadable software for transmitting data over air-to-air data channels; Consulting and advisory services in the field of flight operations optimization in the aerospace industry in the nature of technical consulting in the field of flight operations engineering; Providing weather information, namely, atmospheric turbulence information for use in aviation applications; Providing meteorological information, namely, atmospheric turbulence information based on a submitted flight plan; Providing weather information, namely, atmospheric turbulence information

GOODS AND SERVICES INFORMATION

For Floor brushes; dusting brushes; hair brushes; brooms; mops; electric hair brushes; electric rotary hair brushes; electric hot styling hair brushes; electric heated hair brushes; combs; large-toothed combs for the hair; electric combs; electric toothbrushes; heads for electric toothbrushes; floss for dental purposes; soap dispensers; cases, boxes, bags and stands specially adapted for holding or carrying all of the aforesaid goods; Parts, fittings and accessories for the aforesaid goods **International Classes** 21 - Primary Classes **US Classes** 2, 13, 23, 29, 30, 33, 40, 50 **International Class Title** Housewares and Glass

For Hand dryers; electric hand drying apparatus for washrooms; hand and face dryers; electric hand dryers; over sink hand dryers; faucets incorporating hand drying apparatus; hand wash basins being parts of sanitary installations; sinks; taps being faucets; taps for washstands; faucets; filters, being parts of drying apparatus in the nature of hand dryers, hand and face dryers, and electric hand dryers; water heaters; water filtering apparatus; water purifying apparatus; water mineralizers in the nature of an apparatus for adding minerals to water; electric kettles; microwave ovens; electric toasters; electric coffee makers; electric espresso machines; appliances for drying hair; hair dryers; hair dryer attachments, namely, hair diffusers, smoothing nozzles, concentrator nozzles, hot air comb nozzles; stands for hair dryers; filters for hair dryers; heat-resistant mats specially adapted for holding hair dryers; electric fans; ceiling fans; free-standing electric fans; wall-mounted electric fans; electric fans for personal use; electric fans incorporating lighting apparatus; air cooling apparatus; air conditioning apparatus; air conditioners; air conditioners for vehicles; air sterilisers; air purifiers; electric air purifiers; portable air purifiers; personal air purifiers;

wearable air purifiers; head-mounted air purifiers; air purifiers with audio capabilities; smart air purifiers in the nature of air purifiers with automatic controls; adaptive air purifiers for personal use, namely, air purifiers reactive to a user's biometric data, body movement data, heart rate data, respiration rate data, and environmental data; face guards for air purifiers, namely, face guards in the nature of attachments specially designed for use with wearable air purifiers; air delivery guides for air purifiers, namely, air delivery guides in the nature of visors that direct air flow for wearable air purifiers; mask-shaped wearable air purifiers; air filtering apparatus for personal use; air deodorizing apparatus, namely, electric air deodorizer; humidifiers; dehumidifiers; electric extractor fans for household use; extractor hoods for kitchens; heat exchangers, not being parts of machines; space heating apparatus; electric heaters for commercial use; electric heaters for domestic use; electric space heaters; portable electric heaters; electric fans having combined heating and cooling capabilities; portable electric heaters having combined heating and cooling capabilities; air curtains, namely hot and cold air blowers for room openings; air washers; electric window fans; vehicle climate-control system for ventilation; air filters for domestic use; air filters for commercial use; electrostatic air filters for domestic use; electrostatic air filters for commercial use; air filters for air purifiers; air filters for air purifying apparatus for personal use; air filters for portable air purifiers; air filters, being parts of household or industrial installations; electric lamps; ceiling lights; desk lamps; floor lamps; spotlights; lighting installations; lighting fixtures; uplighters; downlighters; lamps; LED lighting apparatus, namely, LED lamps and LED lighting installations; Lanterns for lighting; light reflectors, light diffusers, and lenses for lights and lamps; light bulbs; LED light bulbs; Cases, boxes, bags and stands specially adapted for holding or carrying all of the aforesaid goods; parts and fittings for the aforesaid goods

International Classes 11 - Primary Classes **US Classes** 13, 21, 23, 24, 31, 34 **International Class Title** Environmental Control Apparatus

For Cleaning preparations for household purposes; cleaning preparations for floors, carpets, upholstery and fabrics; stain removal preparations for carpets and fabrics; preparations for removing dirt and odours from floors, carpets, upholstery and fabrics; floor shampoos; floor wax; floor polishing preparations; scale removing preparations for household purposes; toiletries for care and cleaning of hair; hair spray; hair lotions; hair straightening preparations; hair conditioners; hair waving and hair setting preparations; hair mousse; hair styling preparations; hair gel; hair wax; neutralizers for permanent hair waving in the nature of preparations for permanent hair waves; hair curling preparations; hair texturizers; sunscreen preparations; sun-tanning preparations; breath freshening preparations for personal hygiene; breath freshening sprays; breath freshening strips; dental bleaching gels; Teeth whitening strips impregnated with teeth whitening preparations; non-medicated mouthwash; non-medicated toothpaste

International Classes 3 - Primary Classes **US Classes** 1, 4, 6, 50, 51, 52 **International Class Title** Cosmetics and Cleaning Preparations

For Electronic devices for recording, organizing, transmitting, manipulating, reviewing, sending, receiving, playing, and displaying text, data, audio, image, video and digital files, namely, computers, portable computers, personal computers, wearable personal computers, tablet computers, handheld personal computers, personal digital assistant computers, pocket computers for note taking, and computer hardware and peripheral devices; audio apparatus, namely, audio recorders, audio speakers, audio amplifiers and audio cables; digital audio players; earphones; headphones; wireless earphones; wireless headphones; noise cancelling headphones; headphones for use with air purification apparatus; headphones with integrated air purification apparatus; headphones for use with air filtration apparatus; headphones with integrated air filtration apparatus;

headphones for use with respiratory masks, other than for artificial respiration; headphones with integrated respiratory masks, other than for artificial respiration; anti-pollution protective masks; breathing masks in the nature of protective air purifying respirator masks for the prevention of injury; air purifying respirator masks to prevent injury due to dust inhalation and pollution; non-medical respiratory mask filters; anti-pollution masks for respiratory protection; filters for non-medical respiratory masks; face guards for masks, namely, face guards in the nature of parts for anti-pollution protective masks; air delivery guides for respiratory masks, namely, air delivery guides in the nature of visors for delivering purified air, being parts of respiratory masks; apparatus for voice recording, voice command, and voice recognition, namely, digital voice recorders with speech recognition; microphones; remote controls for controlling computers, mobile telephones, mobile electronic devices, wearable electronic devices, smart watches, audio and video players and recorders, televisions, speakers, home automation systems, home theatre systems, and entertainment systems; wearable devices in the nature of headphones and earphones with remote controls for controlling computers, mobile telephones, mobile electronic devices, smart watches, audio and video players and recorders, televisions, speakers, home automation systems, home theatre systems, and entertainment systems; smart watches; wearable electronic sensors for measuring ambient air quality; environmental monitoring sensors, namely, pollutant sensors, temperature sensors, smoke sensors, gas sensors, humidity sensors and light sensors; electronic sensors for measuring ambient air quality; wearable activity trackers; wearable electronic sensors for gathering a user's biometric data, body movement data, heart rate data, respiration rate data, and environmental data; wearable devices in the nature of headphones and earphones for gathering a user's biometric data, body movement data, heart rate data, respiration rate data, and environmental data; electronic connectors, couplers, battery chargers, docking stations for personal electronic devices, and adapters, all being designed for use with all of the aforesaid electronic goods; cases specially adapted for earphones, headphones, smart watches, and respiratory masks; covers and sleeves specially adapted for earphones, headphones, smart watches, and respiratory masks; downloadable computer operating software for use in appliances and machines; recorded computer operating software for use in appliances and machines; recorded computer software, downloadable software and mobile software applications for the control of electrical appliances; recorded computer software, downloadable software and mobile software applications in the nature of computer operating software for use in environmental monitoring, analysis, control, and automation systems; recorded computer software, downloadable software and mobile software applications for controlling, analyzing and monitoring home automation systems; recorded computer software, downloadable software and mobile software applications for controlling and monitoring the functions of air purification apparatus; recorded computer software, downloadable software and mobile software applications for air quality analysis; recorded computer software, downloadable software and mobile software applications for controlling and monitoring the functions of personal air purification apparatus; recorded computer software, downloadable software and mobile software applications for controlling and monitoring the functions of respiratory masks, other than for artificial respiration; recorded computer software, downloadable software and mobile software applications for enabling the sharing and transmission of data and information between devices for the purposes of facilitating environmental monitoring, control, analysis, visualization, scheduling and automation; recorded computer software, downloadable software and mobile software applications for enabling the sharing and transmission of data and information between devices for the purposes of monitoring, controlling, analyzing, visualizing, scheduling and automation of electrical appliances; recorded computer software, downloadable software and mobile software applications for operating an online shop; recorded computer software, downloadable software and mobile software applications for processing electronic purchases, payments and transactions; recorded computer software, downloadable software and mobile software applications for enabling the local storage and connectivity to cloud-based

software and data; recorded computer software, downloadable software and mobile software applications for data visualization, analysis and reporting; recorded computer software, downloadable software and mobile software applications for accessing, browsing, searching, monitoring, tracking, saving and sharing information; recorded computer software, downloadable software and mobile software applications for social networking; recorded computer software, downloadable software and mobile software applications for accessing, browsing, searching, saving, and sharing information from online databases; recorded computer software, downloadable software and mobile software applications for providing product support and trouble-shooting information; recorded computer software, downloadable software and mobile software applications for accessing virtual assistant capabilities; recorded computer software, downloadable software and mobile software applications for personal information management; recorded computer software, downloadable software and mobile software applications for communication, messaging and alerting; batteries; rechargeable batteries; battery chargers; batteries, electric batteries, rechargeable batteries, battery chargers, all for portable electronic devices; batteries, electric batteries, rechargeable batteries, battery chargers, all for wearable electronic devices; batteries, electric batteries, rechargeable batteries, battery chargers, all for domestic appliances; batteries, electric batteries, rechargeable batteries, battery chargers, all for cordless, handheld or robotic vacuum cleaners; batteries, electric batteries, rechargeable batteries, battery chargers, all for fans, fan heaters, purifiers, humidifiers, hair dryers, hair styling apparatus, hair straighteners, headphones, smart watches, electric toothbrushes or lighting apparatus; vision systems, namely, video cameras; vision systems, namely, position determining sensors used in vacuum cleaner robots having visual function; vision systems, namely, computer systems that can determine position with video camera and infrared sensors; downloadable computer game software; recorded computer game software; parts and fittings for the aforesaid hard goods

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Electrical appliances for styling hair, namely, electric hand-held hair styling irons; electrical appliances for curling hair, namely, electric hand-held hair curling irons; curling irons; curling tongs; flat irons; electric irons for styling hair; electric hair curling irons; electric hair straightening irons; electric hair curlers in the nature of hand implements; electric hair crimper; electric hair cutters; electric hair trimmers; hair styling attachments designed for use with all the aforesaid goods; cases, boxes, bags and stands specially adapted for holding or carrying all of the aforesaid goods; parts, fittings and accessories all for the aforesaid goods

International Classes 8 - Primary Classes **US Classes** 23, 28, 44 **International Class Title** Hand Tools
