MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of two different fonts for the word "Juice" and for the word "Central". The word "Juice" is above and unaligned with the word "Central". The word "Central" juts out to the right of the word "Juice". The graphic element is in the space created by this shift, to the right of the word "Juice" and being above of the last few letters of the word "Central". The graphic element is an amorphous shape that most resembles a circle. Inside of this shape is a burst of 11 rays of different lengths that move from the center outwards in an asymmetrical manner. The ends of these rays have little buds that resemble seeds so that the graphic element in its entirety is somewhat of an abstract cross-section of an exotic fruit.
