FOREWORD

The preparation and prosecution of a patent application are undertakings that require knowledge of patent law and Patent and Trademark Office practices, as well as knowledge of technical aspects of the invention. For this reason, most inventors engage registered patent attorneys or agents to do the work for them.

The Patent and Trademark Office maintains a register of attorneys and agents who have demonstrated their qualifications and are recognized to practice before the Office.

Currency of information. This publication is an extract of the Official Patent and Trademark Office Register as of August 20, 1999, and contains the names and addresses of a majority of the individuals authorized to represent inventors before the Patent and Trademark Office as of that date. The names of persons registered subsequent to that date will appear in the next edition of this publication, and may appear in the electronic version of this publication on the Internet at *uspto.gov*.

The register of attorneys and agents was not published in 1997 and 1998.

Registration required to represent an inventor. Except for persons registered subsequent to October 27, 1998, individuals whose names do not appear in this publication are not recognized to practice before the Patent and Trademark Office, and such persons are not permitted by law to represent inventors before the Patent and Trademark Office in patent cases.

Patent agents and employees of the U.S. Government. In the listings in this publication, a number sign (#) appears beside the name of each registrant who is registered as a patent agent. An asterisk (*) appears in the listing beside the name of each registrant who is an officer or employee of the U.S. Government.

Registrants who are officers or employees of the U.S. Government cannot, other than in the discharge of their official duties, represent inventors before the Patent and Trademark Office (***18 U.S.C.*** *203* and *205*).

Registered "patent attorney". Those registered as a "patent attorney" [those listed without a number sign (#) or an asterisk (*) beside the name] are attorneys-at-law, except for some non-lawyers who were registered prior to 1938. The non-lawyers who qualified prior to 1938 have been, and continue to be, registered as patent attorneys.

Listings and arrangement. This publication is composed of two parts:

- Part one shows individual attorneys and agents arranged alphabetically by surname.
- Part two shows attorneys and agents arranged geographically by state or territory and then by ZIP code.
- For more complete information about an individual listed in a foreign country, refer to the end of the second section, which lists names alphabetically by

country. Listings in the second part include registration and telephone numbers (if a telephone number is supplied).

Corrections and suggestions. Care has been taken to provide accurate information. However, in a publication as extensive as this, mistakes may occur.

Corrections: Registered attorneys and agents may have reason to correct their information. These corrections must be made in writing and submitted to OED by mail or by facsimile. Corrections include address changes, name changes and a change in status from agent to attorney.

- To make an address change, submit your written request and registration number, with your previous and current addresses.
- To make a name change, provide the legal document showing evidence of a name change.
- To make a change in status from agent to attorney, provide a certificate of good standing from the Supreme Court of the state or commonwealth in which you practice.

Errors and changes in a listing can be corrected only with the signature of the listed attorney or agent and the date. Errors and corrections, as well as recommendations or suggestions for improvement, should be mailed to: Director, Office of Enrollment and Discipline, U.S. Patent and Trademark Office, Box OED, Washington, DC 20231 or faxed to: Director, Office of Enrollment and Discipline, (703) 306-4134.

All corrections and changes must include your registration number on the written request.
