GOODS AND SERVICES INFORMATION

For Building materials, not of metal, namely, precast concrete wall forms, lime building materials; non-metallic rigid pipes for building purposes; asphalt, pitch and bitumen; monuments, not of metal; Pipes of non-metal, rigid or flexible, for mining, extracting and transporting mineral materials and in particular petroleum and natural gas; chimney lengthening pieces not of metal, namely, bricks; cement for blast furnaces; refractory construction materials, not of metal; palisading, not of metal; drain traps neither of metal, or of plastic, namely, non-metal catch basins for attachment to sewer pipes to trap debris; mooring bollards, not of metal; floating docks, not of metal, for mooring boats; reinforcing materials not of metal for building; concrete; concrete building elements, namely, concrete blocks, concrete beams; shuttering, not of metal, for concrete, namely, non-metal shutters; bituminous products for building, namely, bitumen asphalt; lumber; bricks; caissons for construction work under water; framework, not of metal, for building, namely, non-metal window, wall and ceiling frames; materials for making and coating roads, namely, asphalt, glass granules for marking roads; lime, namely, limestone; chimneys not of metal; chimney shafts, not of metal; cement; cement posts; partitions not of metal for buildings; penstock pipes, not of metal, namely, hume pipes, non-metal sewer pipes; ducts not of metal for ventilating and air-conditioning installations; non-metallic materials for building, namely, non-metal piles; transportable, portable, buildings, not of metal; transportable buildings, not of metal; gutter pipes, not of metal; non-metal drainage pipes; water pipes not of metal; scaffolding, not of metal; branching pipes, not of metal; binding material for road repair, namely, asphalt, binding agents for road repair, namely, asphalt; pitch, asphalt; granite; gravel; insulating glass for building; poles, not of metal, for

electric power lines; masts, namely, utility poles, not of metal; construction materials, namely, sheet piles, not of metal; joists, not of metal; beams, not of metal; non-metallic lattices

International Classes 19 - Primary Classes **US Classes** 1, 12, 33, 50 **International Class Title** Non-metallic Building Materials

For Insurance underwriting in the field of life, health, accident, fire; financial affairs and monetary affairs, namely, financial information, management and analysis services; real estate affairs, namely, appraisal of real estate, real estate agencies; provident funds, namely, funds investment; real estate appraisal; building management; housing agencies; banking affairs, namely, banking services; financial transaction services, namely, providing secure commercial transactions and payment options; home banking; stock exchange brokerage; stock exchange quotations; brokerage in the field of art, insurance, stocks, commodities; insurance brokerage; brokerage of carbon credits; stock brokerage; savings bank services; financing services; financial management; financial consultancy; financial information

International Classes 36 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Insurance and Financial

For Printed matter, namely, paper signs, books, manuals, curricula, newsletters, informational cards, brochures, in the field of engineering, design, construction, project management, and process technologies; photographs; printed instructional or teaching material in the field of engineering, design, construction, project management, and process technologies; plastic materials for packaging, namely bags, sachet bags, films and sheets for packaging

International Classes 16 - Primary Classes **US Classes** 2, 5, 22, 23, 29, 37, 38, 50 **International Class Title** Paper Goods and Printed Matter

For Machines, namely, crushing machines in the nature of crushing machines for industrial purposes, robots in the nature of industrial robots, and machine tools for compacting powder materials, crushing rock; couplings for machines other than for land vehicles; aircraft engines, engines for aerostations; grinding machines, sharpening machines; agricultural machines, namely, cultivators, harvestors, disk harrows, seeders; air condensers; compressed air engines not for land vehicles; compressed air pumps; sizing machines; airplane engines; stands for machines; capstans; cowlings, namely, machine parts in the nature of cowlings; fuel economizers for motors and engines, namely, fuel pumps for land vehicles; fuel dispensing pumps for service stations; crankcases for machines, motors and engines; centrifugal pumps; derricks; loading ramps, namely, slides in the nature of powered ramps; boiler tubes, namely, tubes for engine boilers in the nature of heat exchanger tubes being parts of machines; control cables for machines, engines or motors, namely, pneumatic controls for machines, motors and engines; control mechanisms, namely, pneumatic controls for machines, engines or motors; compressors, namely, air compressors, gas compressors; compressors for refrigerators; condensing installations, namely, air condensers, axial fan condensers; steam condensers, namely, air condensers, axial fan condensers; catalytic converters; torque converters other than for land vehicles; hoppers for mechanical discharging; reduction gears other than for land vehicles; de-aerator machines for drinking water, namely, vacuum pumps, de-gasser machines for drinking water, namely, vacuum pumps; feedwater regulators being parts of machines; water separators, namely, centrifugal separators, oil-water separators for pneumatic controls being part of machines; exhausts for motors and engines; electricity generators; electric motors other than for land vehicles; wind turbines; filtering machines, namely, filtering machines for chemical processing; filters, namely, oil filters, fuel filters; filter presses, namely, oil filters, fuel filters; foundry machines, namely,

metal working machines; drilling bits, namely, drill bits for rock drilling; floating or non-floating drilling rigs; blowing machines for the compression, exhaustion and transport of gases; aerators being machines; cranes; hydraulic turbines; hydraulic engines and motors; hydraulic controls for machines, motors and engines; electromechanical machines for the chemical industry, namely, extracting machines, separating machines; exhaust manifolds for engines; handling apparatus, namely, front end loaders; metalworking machines, metalshaping machines, namely, metal forming machines, metal working machines; ore treating machines, namely, grinding machines for the treatment of metal; mine borers; mineworking machines, namely, mine borers; tools, namely, lathes; pneumatic transporters; pneumatic tube conveyors; pneumatic controls for machines, motors and engines; pumps as parts of machines, engines or motors; pump diaphragms; pumps, namely, electric pumps, rotary pumps; roller bridges, namely, road rollers, roller conveyors; presses, namely, fodder presses; propulsion mechanisms, namely, engines and motors other than for land vehicles; oil refining machines; jet engines other than for vehicles; regulators being parts of machines; springs being parts of machines; taps being parts of machines, engines or motors; electric welding machines; gas-operated welding apparatus, namely, gas welding machines; electric welding apparatus, namely, electric welding machines; bellows, namely, bellows being machines; forge bellows; valves being parts of machines; superheaters, namely, steam engine boilers; lathes; transmissions other than for land vehicles; conveyor belts; conveyors; turbines other than for land vehicles; turbocompressors, namely, centrifugal compressors; power-operated mechanical reels for flexible garden hoses; steam engines; engines for air cushion vehicles; motors and engines other than for land vehicles; jacks, namely, electric jacks, jacks, namely, power jacks; vacuum pumps; rubber vulcanization apparatus; rig bridges, namely, drilling rigs and parts thereof

International Classes 7 - Primary Classes **US Classes** 13, 19, 21, 23, 31, 34, 35 **International Class Title** Machinery

For Apparatus for lighting, namely, lanterns for lighting, apparatus for heating, namely, floor heating apparatus, apparatus for steam generating, namely, fabric steamers, apparatus for cooking, namely, industrial cooking ovens, apparatus for refrigerating, namely, refrigerating machines; apparatus for drying, namely, laundry drying machines; apparatus for ventilating, namely, ventilating louvers; apparatus for water distribution, namely, tap water faucets; burners, namely, burners for lamps; heating elements; fireplace hearths; air, beverage, cooling, and drying apparatus and installations, namely, drying apparatus for chemical processing; level controlling valves in tanks, namely, steam valves, immersion heaters; water softening apparatus and installations; hot air ovens, namely, cooking ovens; air cooling apparatus; air filtering installations; petrol burners; brackets for gas burners sold as an integral component of gas burners; faucets for pipes; solar thermal modules; solar collectors for heating; heat accumulators; heat regeneratros; boilers other than parts of machines, namely, boilers for heating installations, electric boilers; boiler pipes for heating installations; feeding apparatus for heating boilers, namely, heating pumps; hot water heating installations; heating boilers; heating apparatus, namely, heating installations for solid, liquid or gaseous fuels; electric heating apparatus, namely, heating installation; chromatography apparatus for industrial use; air conditioning apparatus; water pipe systems, namely, pipes being parts of sanitary facilities; control and safety accessories for gas pipes, namely, gas regulators; water desalination plants; desiccating units for producing dried fruits; water distillation apparatus, namely, distillation units, distillers; water distillation columns, namely, distillation units, distillers; water purification installations; water filtering apparatus; water cooling installations; pressurized water tanks, namely, water purification tanks, hot water tanks; water sterilizers; water

heaters; regulating accessories for water apparatus; lighting apparatus and installations, namely, lighting fixtures; gas scrubbing apparatus; evaporators; filters, namely, water filters, filters for air conditioners; coolers for furnaces, namely, evaporative air coolers; ovens, other than for experimental purposes, namely, dental ovens, baking ovens, industrial cooking ovens; ovens, other than laboratory ovens, namely, dental ovens, baking ovens, industrial cooking ovens; solar furnaces; refrigerating apparatus and machines; gas scrubbers; gas spigots, gas burners; industrial boilers, heating boiler installations, furnace boilers; gas lamps; regulating accessories for gas apparatus; gas condensers other than parts of machines; incinerators; laboratory burners; namely, Bunsen burners; cooling installations for liquids; installations for processing nuclear fuel and nuclear moderating material, namely, nuclear generators, nuclear reactors; oxyhydrogen gas burners; diving lights; polymerization installations, namely, heated polymerization units for dental restoration compounds; heat pumps; water purifying apparatus and machines; air-purifying apparatus and machines; refining towers for distillation, namely, water distillation units, distillation apparatus not for scientific purposes; nuclear reactors, atomic nuclear reactors; refrigerating apparatus and installations; cooling apparatus and installations, namely, air cooling apparatus, solar energy based cooling apparatus; regulating accessories for water or gas apparatus and pipes, namely, gas regulators, pressure regulators for water installations; mixer faucets for water pipes; driers, namely, clothes dryers, electric dish dryers; coils as parts of distilling, heating or cooling installations; fans as parts of air-conditioning installations; regulating accessories for water or gas apparatus and pipes; heat exchangers; flare stacks, namely, flares, acetylene flares; thermostatic valves as parts of heating installations; steam industrial and heating boilers, other than parts of machines; steam generating installations; steam accumulators

International Classes 11 - Primary Classes **US Classes** 13, 21, 23, 31, 34 **International Class Title** Environmental Control Apparatus

For Videotape editing; training services in engineering, design, construction, project management, and process technologies; entertainment services, namely, booking of entertainment halls|; sporting and cultural activities, namely, operation of sports camps, organization of cultural shows; publication of books, magazines; lending libraries; television show production; organization of competitions concerning education or entertainment, namely, sports competitions; organization of exhibitions for cultural or educational purposes; videotaping; nightclubs; Educational services, namely, organization and conducting of educational colloquiums in the field of computers, engineering, design, construction, project management and process technologies; educational services, namely, organization and conducting of conferences in the field of computers, engineering, design, construction, project management and process technologies; Educational services, namely, organization and conducting of congresses in the field of computers, engineering, design, construction, project management and process technologies; educational services, namely, conducting courses, seminars, in the field of computers, engineering, design, construction, project management and process technologies; education on information; production of films other than advertising films; practical training services in the field of computers, engineering, design, construction, project management and process technologies; organization and conducting of training workshops in the field of computers, engineering, design, construction, project management and process technologies; vocational guidance; party planning; vocational retraining in the fields of computers, engineering, design, construction, project management and process technologies; news reporters services; Educational services, namely, organization and conducting of seminars in the fields of computers, engineering, design, construction, project management and process technologies

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Chemical products for use in industry, science, and agriculture, horticulture and forestry except fungicides, herbicides, insecticides and parasiticides; unprocessed artificial resins, unprocessed plastics; fire extinguishing compositions; tempering preparations and soldering preparations, namely, soldering flux, soldering chemicals; chemical products used for preserving foodstuffs; adhesives for use in industry; thermoplastic elastomers as raw material, namely, thermoplastic elastomer resins in pellet form for use in further manufacture; acetone; acetylene; steel finishing preparations, namely, chemical product for neutralizing stainless alloys of steel; activated carbon for general industrial use; alkaline-earth metals; alkaline iodides, namely, alkaline metals, salts of alkaline metals for industrial use; alkaloids, namely, alkalies, ammonia for industrial purposes; allyl alcohol, benzyl alcohol; aldehydes; alumina in the nature of aluminum oxides; aluminum alum, namely, aluminate, aluminum hydrate; aluminum acetate; aluminum silicate; aluminum chloride; aluminum iodide; sal ammoniac, namely, ammoniacal salts; argon; nitrogen; nitrous oxide; nitrogenous fertilizers; nitric acid; bacteriological preparations for making fertilizers and other than for medical and veterinary use; barium; barium compounds, namely, barium chloride, barium nitrate; barium sulphate; bases, namely, benzene-based acids; concrete-aeration chemicals, namely, chemical compounds for curing concrete; concrete preservatives, namely, concrete additives, except paints and oils; biological preparations other than for medical or veterinary use, namely, biological preparation for use in cell cultures other than for medical or veterinary use; carbonates; carbon; carbon sulphide; chemical additives to motor fuel; biochemical, fluid cracking, catalysts; ketones; acid-proof chemical compositions, namely, metal plating chemical compositions; agricultural chemicals excluding fungicides, herbicides, insecticides and parasiticides; chemical products for facilitating the alloying of metals, namely, metal plating chemical compositions; combusting preparations, namely, chemical additives to motor fuels; fuel-saving products, namely, chemical additives for fuel, detergent additives for fuels; soil fertilizers, fertilizers for agriculture; enzyme preparations for use in the industrial and manufacturing fields; unprocessed epoxy resins; gas purifying products, namely, chemical gasoline additives; esters, namely, methyl esters, acetic acid esters; ethane; ethers, namely, ethyl ether, methyl ether; ethyl alcohol; fertilizing products, namely, fertilizers; filtering preparations for the beverages industry, namely, chemical preparations for use as a filtering media in the beverage industry; filtering materials, namely, microglass filter media for removing particulates in industrial in-plant equipment; carbon for filters; flocculants; foundry binding substances, namely, foundry sand, binding agents for the foundry, namely, foundry sand; drilling muds for use in oil well drilling; glycol ether; glycol; preparations for the separation of greases, namely, oil reclamation fluid for the separation of crude oil from soil and water; artificial, natural graphite for industrial use; chemical additives for oils; aluminum, namely, aluminate, aluminium oxide, carbonic hydrates; hydrogen; isotopes for industrial use; salts from rare earth metals; salts of precious metals for industrial use; salts of alkaline metals; methane; anti-knock substances for internal combustion engines; foundry molding products, namely, foundry sand; oxygen; phenol for industrial use; barium, boron, iron, phosphates, namely, barium phosphate; phosphoric acid; plasticizers; potash; potash water, namely, caustic potash; potassium, namely, potassium cyanate; softening products, namely, water softening chemicals; silver salt solutions for silvering, solutions for silvering, namely, silver salt solutions for silvering, salts for coloring metals, namely, complex salts, double salts; inorganic salts for industrial use; salts, namely, complex salts, double salts; protective gases for welding; welding chemicals; soldering fluxes; uranium

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Advertising; business management; business administration; providing office functions; business consultancy, information or inquiries; accounting; document reproduction; organization of exhibitions for commercial or advertising purposes; administrative business management of exhibition sites; business management and organization consultancy; business appraisals; professional business consultancy; administrative processing of purchase orders; transcription of communications, namely, message transcription commercial information and advice for consumers; business management assistance; project services, namely, business management services; business management consultancy; commercial or industrial management assistance; advisory services for business management; computerized file management; commercial information agencies; maintenance of data in computer database files for others; commercial administration of the licensing of the goods and services of others; market study; market research; business organization consultancy; personnel recruitment; employment agencies; economic forecasting; public relations; secretarial services; outsourcing services; television advertising; retail and wholesale store services for pharmaceutical, veterinary and sanitary preparations as well as for medical supplies

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Building construction; public works, namely, construction of oil and gas, petrochemical and energy refineries and plants; rural works, namely, building construction; rental of construction tools and equipment, namely, rental of drainage pumps, rental of oil well drilling machines; maintenance or cleaning of buildings and floors; upkeep, namely, maintenance or cleaning of various objects, namely, cars, facades, wells; laundering; repair of industrial plant equipment and machinery; drilling of wells; pier breakwater building; erection of naval scaffolding; road paving; airplane maintenance and repair; burner maintenance and repair; rental of construction equipment; heating equipment installation and repair; air-conditioning apparatus installation and repair; construction consultation; construction, namely, building, plant and refinery construction services; construction management; building construction information; demolition of buildings; scaffolding repair, erection; cleaning of building exterior surfaces; installation and repair of electric apparatus, namely, motors, heating apparatus; warehouse construction and repair; building sealing; mining extraction; drilling of deep oil or gas-wells; well drilling services on land and at sea; furnace installation and repair; fire alarm installation and repair; irrigation devices installation and repair; installation of building insulating; rental of cranes for construction purposes; rental of drainage pumps; installation, maintenance and repair of machinery; masonry; shipbuilding; street cleaning; pipeline construction and maintenance; harbor construction; drilling of wells; installation and repair of refrigeration apparatus; repair information of automobiles, furniture, watches; rustproofing; underwater construction; underwater repair; factory construction; construction consultation

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Apparatus and instruments for scientific, nautical, surveying, optical, measuring, signaling, verification, life-saving and teaching purposes, namely, microscopes, cameras; weighing apparatus and instruments; apparatus for recording, transmission or reproduction of sound or images; data processing apparatus and computers; fire extinguishers; electronic and scientific apparatus and devices for use in petroleum engineering, namely, microscopes; instruments for controlling, switching, transforming, accumulating, adjusting or controlling electricity, namely, capacitors, voltage regulators; electric accumulators; magnets; electromagnetic coils; air analysis apparatus; amplifiers; testing apparatus not for medical use, namely, apparatus for testing gas, testing apparatus for testing printed circuit boards; tape recorders; weighbridges, namely, weighing machines; electric coils; holders for electric coils; terminals, namely, computer terminals, electrical terminal blocks; life buoys; marking buoys; directional compasses; sheaths for electric cables; electric cables; junction sleeves for electric cables; battery starter cables for motors; coaxial cables; cameras; video cameras; integrated circuit cards; cathodes; life belts; photovoltaic cells; laboratory centrifuges; photography darkroom lamps; chemistry apparatus and instruments, namely, spectrograph apparatus; chromatography apparatus for laboratory use; electric collectors, namely, capacitors; electric installations for the remote control of industrial operations; electric control panels; commutators; electric apparatus for commutation, namely, commutators; comparators; condensers; optical condensers; electric conductors; materials for electricity mains, namely, electric wires and cables; electric contacts; electric regulating apparatus, namely, voltage regulators; electric converters, commutators; current rectifiers; detectors, namely, carbon dioxide detectors, gamma radiation detectors; distillation apparatus for scientific use; electrical distribution boxes; electrical distribution boards, namely, electrical distribution units; electrical distribution consoles; magnetic data media, namely, blank magnetic data carriers, prerecorded video tapes featuring music; optical data media, namely, blank DVDs, prerecorded DVDs featuring music; dosage dispensers, namely, machines for dispensing pre-determined dosages of medication, dosimeters; electricity conduits; electric ducts; electric connections, electric couplings; electric relays; electrolyzers; transmitters, namely, radio transmitters; distance measuring apparatus; time recording apparatus; gasoline gauges; optical fibers, light conducting filaments; fiber-optic cables; safety nets; electric wires; laboratory furnaces, furnaces for laboratory use; gas analysis apparatus, namely, residual gas analyzers; life jackets; laboratory storage trays in the nature of laboratory furniture; furniture especially made for laboratories; lasers not for medical use; electric measuring apparatus, namely, voltmeters; precision measuring apparatus, namely, hourglasses, distance measuring apparatus; measuring instruments, namely, hourglasses, distance measuring apparatus; measures, namely, hourglasses, distance measuring apparatus; measuring apparatus, namely, hourglasses, distance measuring apparatus; microprocessors; microscopes; breathing apparatus for underwater swimming; naval signaling apparatus, namely, electric warning lights; electric navigational instruments; navigation instruments for vehicles; satellite navigation apparatus, namely, a global positioning system (GPS); water level indicators; oxygen transvasing apparatus, namely, a global positioning system (GPS); particle accelerators; solar batteries; diving suits, wet suits, divers' apparatus, namely, diver masks; gloves for divers; divers' masks; pressure measuring apparatus; pressure recorders; central processing units, computer central processing units; recorded computer operating systems; protection devices for personal use against accidents, namely, gloves for protection against accidents; clothing for protection against accidents, irradiation and fire; protective helmets; protective face shields for workers; nets for protection against accidents; protective masks not for medical purposes; cathodic anti-corrosion apparatus, namely, electronic device for eliminating corrosion from a boat lift in sea water; protection devices in the nature of against X-ray apparatus not for

medical purposes, namely, clothing for the protection against X-ray radiation; protective helmets for sports; radar apparatus; life-saving rafts; radios; vehicle radios; cell switches, namely, electric switches; voltage surge protectors; breathing apparatus except for artificial respiration by divers, namely, rebreathers, buoyancy bladders; respiratory masks other than for artificial respiration for non-medical purposes; satellites for scientific use; life-saving devices, namely, life-saving rafts, rescue devices, namely, rescue flares, rescue sleds; sonars; sounding apparatus and machines, namely, sound reproduction apparatus, sound transmitting apparatus; echo sounding devices; probes for scientific use, namely, ultrasonic probes not for medical use, probes for testing semiconductors; marine depth finders; solderers' helmets; temperature indicators

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Legal services; arbitration services; litigation services; copyright management; intellectual property licensing; computer software licensing; mediation; intellectual property consultancy; security consultancy; safety inspection of factories

International Classes 45 - Primary Classes **US Classes** 100, 101 **International Class Title** Personal and legal services

For Telecommunications services, namely, information about telecommunications, rental of telecommunication lines; news and information agencies, namely, the transmission of news items to news reporting organizations; rental of access time to a global computer networks; communications by fiber-optic networks; wireless broadcasting services; provision of multiple-user access to global computer networks; provision of access to databases; message transmission; computer-aided transmission of messages and images; communications by computer terminals; satellite transmission; telecommunication information; teleconferencing services; telephone services; telephone communications; video teleconferencing services

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Passenger transport and freight transport by truck, train, air; furniture removal services; ferry operations; marine towing, unloading and salvaging of ships; wrapping of goods, namely, wrapping services for baggage protection during travel; travel information; tourism and travel agencies, namely, travel booking agencies, booking of seats for travel; rental of transport vehicles; storage of merchandise in a warehouse for safekeeping purposes; parking garages for vehicles; navigation services, namely, rental of navigation systems, GPS navigation services; air transport; freighting; boat transport; boat rental; boat storage; rental of diving bells; unloading of ship, cargo; storage of goods; supply of water; water distribution; electricity distribution; distribution of energy; storage of goods and warehousing services; rental of warehouses; freight forwarding services, transit services, namely, mass transit services for the general public; river transport by ship, boat; freight services, namely, freighting services, freight ship transport services; freight brokerage; launching of satellites for others; delivery of merchandise; distribution services, namely, delivery of oil and gas facility equipment; transportation logistics services, namely, arranging the transportation of goods for others; ship brokerage; marine transport; ferry-boat transport; salvage of ships; refloating of ships; transport by oil pipeline, transport by pipeline; passenger transport; boat and marine towing; rescue services; underwater salvage; rental of diving suits; rescue operations, namely, rescue services; transport and storage of waste; organization of organized travel

International Classes 39 - Primary Classes **US Classes** 100, 105 **International Class Title** Transportation and Storage

For Rural works, namely, agricultural and horticultural services in the nature of agricultural advice, horticultural services; medical, hygienic and beauty care; veterinary services, and agricultural services in the nature of agricultural advice, compost spreading; convalescent and rest homes; hairdressing and beauty salons; medical equipment rental; rental of farming equipment; tree planting for carbon offsetting purposes; health care services for treating cancer, Alzheimer's disease

International Classes 44 - Primary Classes **US Classes** 100, 101 **International Class Title** Medical, beauty and agricultural services

For Services for the treatment of hydrocarbons for the production of ethylene, namely, fuel treatment services, transformation of agricultural products for others, namely, processing of agricultural grain, distillation, namely, alcohol distillation services, sawing, namely, sawmill services, sawmill planning; dyeing of clothing, fabric, fur, cutting of cloth, fabric, textiles, burnishing by abrasion; preservation services resulting in changes in an object, namely, cryogenic preservation, fish preservation services; air purification and regeneration in the nature of air deodorizing, air freshening; dye separation treatment, namely, cloth dyeing; coppersmithing; chromium plating; waste treatment; decontamination of hazardous materials; treatment of water; production of energy; blacksmithing; flours milling; galvanization services; printing; laminating of metal plates, plastic sheets; rental of electricity generators; metal treating; metal tempering; metal casting; grinding; nickel plating; gold-plating; recycling of waste and trash; destruction of waste and trash; incineration of waste; treatment of paper; processing of petroleum, namely, petroleum gas liquefaction services; refining services, namely, oil and gas refining; plating by electrolysis; soldering, welding; treatment of textiles in the nature of mothproofing, textile treating in the nature of mothproofing; laser scribing; providing material treatment information

International Classes 40 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Material Treatment

For Industrial oils and greases; lubricants, namely, drilling, industrial lubricants; fuels and lighting fuel; fuel with an alcoholic base; benzene fuel; benzol; vaporized fuel mixtures, namely, gaseous fuels, methanol fuels; non- chemical additives to motor fuel; electrical energy; petrol, benzine; ethanol fuels; diesel oil; fuel gas; solidified gases; producer gas; gas for lighting, namely, gases for use as fuel; gasoline; lubricating oil; lubricating graphite; oil-gas, namely, producer gas, fuel gas; motor oils; mineral motor fuel; paraffin; petroleum ether, namely, benzyl ether; petroleum jelly for industrial purposes; raw or refined petroleum

International Classes 4 - Primary Classes **US Classes** 1, 6, 15 **International Class Title** Lubricants and Fuels

For Semi-processed thermoplastic elastomers, namely, thermoplastic elastomer resins in pellet form for use in further manufacture; raw or semi-worked rubber; synthetic rubber; insulating mineral wool for use as a building insulator, use in the manufacture of filter media; adhesive bands not for medical, stationery or household use; flexible compressed air pipe fittings, not of metal; floating anti-pollution barriers; watering hoses; water-tight rings for plumbing pipes; insulators for electric cables; non-conducting materials for retaining heat, namely, glass wool insulation; boiler compositions to prevent the radiation of heat, namely, fiberglass insulation; pipe gaskets; reinforcing materials, not of metal, for pipes; insulators for electric mains; cylinder joinings; elastic threads, not for use in textiles; carbon fibers, other than for textile use; plastic

fibers for non-textile use, namely, plastic fibers for use in the manufacture of tire cord; fiberglass fabrics for insulation; soldering threads of plastic materials, not for textile use; filtering materials, namely, open cell foam in sheet form; chemical compositions for repairing leaks, namely, rubber material repairing rubber membranes; soundproofing materials; insulating materials, namely, insulating tiles, insulating tapes; insulating oils; substances for insulating buildings against moisture, namely, building insulation, metal foil for building insulation; foils of metal for insulating; insulating paints; insulators, namely, insulators for electric mains; insulation materials, namely, fiberglass insulation, insulation for aircraft; seals, namely, cylinder joinings, rubber seals for jars; semi-processed plastic; connecting hose for vehicle radiators; compositions for preventing the radiation of heat, namely, fiberglass insulation; insulating refractory materials; padding materials of rubber or plastic, blocking materials of rubber or plastic, namely, acoustical tiles; stuffing of rubber or plastic, filling materials of rubber or plastic, namely, expansion joint fillers of rubber or plastic; semi-processed synthetic resins, semi-processed artificial resins; flexible pipes, not of metal; hoses of textile material; pipe muffs, not of metal for use with rigid pipes; non-metal junctions for pipes, namely, pipe gaskets; valves of rubber or vulcanized fiber; fiberglass for insulation; rubber solutions; liquid rubber

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of three rows of centered wording, with the top row consisting of a stylized letter "M" appearing in white in the center of a black rectangular shape with rounded corners. The second row consists of the stylized word "COUNT" appearing in white within a black rectangular shape with gray lines running horizontally behind the word "COUNT". Appearing in the center of the letter "N" of the word "COUNT" is a graphic element resembling a hexagon consisting of five equal triangular shaped segments with the sixth piece missing. The left portion of the hexagon consists of a pink triangle on top of a downward facing gray triangle. The right portion of the hexagon consists of a blue triangle on top of a downward facing white triangle. In the top center of the hexagon is a downward facing white triangle on top of the missing segment that is simply black. The third row consists of the stylized word "DOWN" appearing in white within a black rectangular shape with gray lines running horizontally behind the word "DOWN". There is gray shading appearing in all of the three rows of wording shown in white. Surrounding each row of wording, in varying degrees of thickness, is a border of white, pink and black. Within the border surrounding the bottom of the first row are two triangular shaped graphic elements, with the one on the left appearing in black and the one on the right appearing in black and white. Within the border surrounding the bottom of the second row are two blue triangular shaped graphic elements. Between the third row and the bottom border appears a triangle outlined in black. This triangle is divided into three graphic elements consisting of a large pink triangular shape to the left, a smaller white triangular shape to the right and a blue rectangular shape outlined in black separating the two. Behind the entire design consisting of the three rows of wording and borders appear graphic elements resembling triangular shaped points of stars in blue, gray, pink, white and black with various shading in each. **Color Drawing** Yes **Color Claimed** The color(s) white, black, pink, gray, and blue is/are claimed as a feature of the mark.
