## GOODS AND SERVICES INFORMATION

**For** Insurance services, namely, insurance brokerage, insurance claims processing; financial services, namely, clearing of secure financial transactions through online services; financial analysis and consultation, providing financial information, issuance of securities, commercial lending services, financial portfolio management, discount brokerage services, brokerage of shares and business ventures, brokerage of fund shares, securities consulting and safe keeping, brokerage of productive investments and funds; financial sponsorship of sports, educational and entertainment programs and events; real estate services, namely brokerage, management, leasing, appraisal of real property; customs brokerage for third parties; monetary exchange; credit card services; telephone calling card services; electronic commerce services, namely, electronic debit and credit card processing services, funds transfer and payment processing services; providing information via the telephone and the global communication networks in the field of finance

**International Classes** 36 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Insurance and Financial

**For** Printed matter, namely, telephone directories, books, newsletters, pamphlets, brochures, magazines and paperbacks all in the field of telecommunications, printed and stamped plastic and cardboard greeting, blank, note, and index cards; note paper and envelopes, rubber stamps, name tags and labels made from paper or cardboard, notebooks, diaries, note papers, note pads, address books, folders for letters and loose papers, clear hole reinforcements, student calendars, stamp albums and photo-albums; paper weights, letter openers, blotting pads; desk trays, desk stands and holders for holding stationery and office implements; printed instructional and teaching materials all in the fields of telecommunications, information technology, safety, news, sports, entertainment, culture, business and finance, weather and travel; stationery, drawing and ungraduated rulers, erasers, staplers, staples, paper clips, book markers, cutout samples and stencils; scratch pictures, paper, namely, bond paper and art paper, PVC stickers, gift wrap paper; blackboards, chalk sticks, adhesives for stationery or household purposes; drawing and painting materials, namely, pencils, drawing pencils, pens, drawing pens, paint trays, painting sets for artists, painting sets for children, craft paint kits, and pencil cases; non-magnetically encoded, prepaid telephone calling cards

**International Classes** 16 - Primary Classes **US Classes** 2, 5, 22, 23, 29, 37, 38, 50 **International Class Title** Paper Goods and Printed Matter

**For** Education and instruction, namely, educational services in the nature of classes and seminars in the fields of business, telecommunications and computers, and the distribution of course materials therewith; entertainment in the nature of visual and audio performances, namely, musical band, gymnastic, dance, and ballet performances; entertainment services, namely, providing musical, variety, news and comedy shows via a global computer information network; entertainment services, namely, providing on-line computer games for children and adults; providing entertainment information at the specific request of end-users by means of telephone or global communications networks; organizing community sporting and cultural events; publication of books, magazines, journals, manuals, brochures and leaflets on the subject of telecommunications; electronic publishing services, namely, publication of text and graphic works of others on telecommunications recorded on electronic media; organizing fairs and exhibitions in the field of visual and audio performances, namely, rock group, gymnastic, dance, and ballet performances

**International Classes** 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

**For** Telephone directory assistance; advertising services, namely, preparing and placing advertisements for others promoting the goods and services of others through printed advertising, printed directories, through encoded media, through the dissemination of promotional materials, through direct mail advertising, through electronic billboard advertising, preparing audio-visual presentations for use in advertising; business services, namely, business appraisals, business auditing, providing business information, namely, preparing business reports and conducting business research, analysis and surveys, business management planning, business management consultation, business management supervision, conducting business networking for others; business management and consulting services excluding agricultural business management and consulting services; business information services in the field of telecommunications, advertising, information technology, marketing and related fields; rental of automatic vending machines; organizing job fairs; rental of data processing equipment; professional consultancy in the field of data processing; providing information via the telephone and the global communication networks in the field of advertising and

business marketing

**International Classes** 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

**For** Electric, electronic, optical, measuring, signaling, controlling and teaching apparatus and instruments, all for use with telecommunications, namely, apparatus for producing sound, images or data, namely, magnetic and optical data carriers, data processors and computers, namely, microcomputers, minicomputers, computer central processors, computer monitors, computer keyboards, computer terminals, computer interface boards, computer memories, computer laser printers, computer impact printers, computer dot matrix printers, computer operating systems, computers and instructional manuals sold as a unit, computer interface apparatus, namely, computer modems, computer mouse and mouse pad, computer peripherals and parts thereof; computer programs and databases for use in operating telecommunications and business management systems and related instruction manuals sold as a unit; computer programs, namely, financial accounting system software, software used for the provision of online information services, network management software, computer proxy software for use with other software programs, computer programs and software for controlling access and alarm monitoring of homes, apartments, buildings and other properties, billing analysis software, and software for network access control and for creating and maintaining firewalls; computer programs for accessing a global computer network and interactive computer communications network; optical cables, optic filters, optical scanners, optical character readers, optical discs, optical fibers, optical glass for signal transmission, optic transmitters, optic receivers, optical signal processing apparatus, optic switches, optical attenuators, optical amplifiers, optical character recognition apparatus, and parts thereof; audio, video and data communications systems, namely, digital and analogue signal transmitters, receivers and converters, radio and telephone transmitters, receivers and servers, answering machines, telecommunication transmission, receiving and storage apparatus, namely, telecommunications transmitting sets, data transmitters, facsimile machines, electronic mail apparatus for electronic exchange of data images and messages, remote controls and set-top units for television, cinematographic television and amusement equipment, namely, signal decoders, electrical wire, electrical wire connectors, integrated circuits, printed circuits, electric circuits, circuit breakers, printed circuit boards, electric circuit boards, circuit connectors, electrical controllers, electrical converters, electrical fuses, electric luminescent display panels, electrical switch plates, electric plugs, antennas, electrical cables, computer cables, computer chips, silicon chips, chronographs for use as specialized time recording apparatus, electric coils, computer buffers, blank computer discs, blank computer floppy disks, computer hard discs, electrical conductors, acoustic conduits, electrical conduits, fiber optic conduits and parts thereof; compact disc players, audio and video tape recorders, audio and video tape players, audio and video cassette recorders, audio and video cassette players, blank audio and video tapes, cassettes, discs and microfiche; audio and videotapes, cassettes, discs and microfiche featuring information concerning telecommunications, and concerning personal and business management systems; audio and video recordings in the field of telecommunications, information technology, safety; television and television peripheral equipment, namely cameras, set boxes, remote control units for interactive and non-interactive use; computer memory, computer peripherals and modems; video monitors, automatic vending machines and timing mechanisms therefor, and parts thereof; machine readable, magnetically encoded cards, namely, prepaid telephone calling cards and credit cards; smart cards; data processors and readers, word processors, magnetic coded card readers, magnetic coded cards, namely, fidelity cards, electronic encryption units, lasers not for

medical use, light emitting diodes, light emitting diode displays, microprocessors, blank data carriers, demagnetizers for magnetic tapes, and parts thereof; computer, data and video networking and conferencing equipment, namely, teleconferencing equipment and audiovisual teaching equipment in the nature of overhead film, photographic and slide projectors, projection screens, computer based information display equipment, namely, computers which display information on an overhead screen, intercoms; telephones, telephone answering machines, telephone transmitters, telephone networks, telephone wires, teleprinters, teletypewriters, and parts thereof namely, caller identification boxes, dialing assemblies, telephone units, audio operated relays, audio operated relays, audio/video signal and optical filters, protectors and automatic signaling and control equipment, telemeters, wireless and cellular telephones, radio pagers, portable computer devices, namely laptops, handheld and pocket computers, facsimile transmitters and receivers, wireless fax machines, personal communications equipment, namely, personal digital assistants, calculators and related peripherals; satellite processors, satellites and satellite communication earth stations both stationary and moveable; audio and video recordings in the field of news, sports, entertainment, culture, business and finance, weather and travel; prerecorded compact discs, audio cassette tapes, video cassette tapes, digital audio tapes and digital video discs featuring musical, variety, news and comedy shows; computer game programs for children and adults; video and computer game cartridges

**International Classes** 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

**For** Telecommunications and information technology services, namely electric, digital, cellular and wireless transmission of voice, data, information, images, signals and messages and transmission of voice, data, images, audio, video and information via telephone, television and global communication networks; providing telecommunications connections over a global communications network, electronic mail, voice mail and messaging services, namely, the recording and storage and subsequent transmission of voice messages by telephone; rental of telecommunications equipment, namely, equipment for electronic access to global telecommunications network, equipment for transmitting, receiving, recording and monitoring voice, data, information, images, signals, messages, comprised of data and word processors, and telecommunications hardware and software and components and peripherals thereof for use in the telecommunications industry, and rental of equipment for transmitting, receiving, recording and monitoring computer programs for use in operating and accessing telecommunications systems; audio and video broadcasting featuring entertainment in the nature of live visual and audio performances, and musical, variety, news and comedy shows; providing multiple-user dial-up and dedicated access to the Internet; personal communications services; pager services; electronic mail services; transmission and broadcast of audio and video programming; providing multiple-user access to a global communication information network; leasing telecommunications equipment, components, systems and supplies; consulting in the field of telecommunications; consulting in the fields of telecommunications and global communication networks

**International Classes** 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

**For** Computer programming services for others; rental of software and hardware for online access; [ services of an Internet trust center, namely, assurance and administration of digital keys and/or digital certificates; ] web page hosting services; computer services, namely, creating indexes of information available on computer networks; consulting and design services in the field of information technology, and computer programming; design services in the fields of

telecommunications and global communication networks; installation, maintenance and repair of computer software; providing general information at the specific request of end-users by means of telephone or global communications networks

**International Classes** 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services
