MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 2 - AN ILLUSTRATION DRAWING WITHOUT ANY WORDS(S)/ LETTER(S) **Description of the Mark** The mark consists of three shapes that when viewed together appear like a small spaceship that has a window. The middle shape is an upside-down raindrop shape with a circle cut out of the circular section. This shape looks like a 'you are here' waypoint on a map. The other two shapes are semi-circles offset slightly from the base of the upside-down cascade. They are the same size so as to convey the fact that a circle has been split in half. The corner ends of these semi-circles are above the bottom of the middle shape, and not at the very base of it. Relatively, if the semi-circles were combined into a circle they would be about the same size as the circle cut-out inside of the raindrop. **Color Claimed** Color is not claimed as a feature of the mark.
