Mark Literal(s) THE NATIONAL CANNABIS POLICY SUMMIT

CASE IDENTIFIERS

Serial Number 88233631 **Application Filing Date** Dec. 18, 2018 **Register** Principal **Mark Type** Service Mark **Publication Date** Jul. 21, 2020

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of a circle which has the stylized wording "THE NATIONAL CANNABIS POLICY SUMMIT" contained mostly within its borders. The interior of the circle is primarily colored black, but it also has a thin white and grey border around its black center/interior. In turn, this white and grey border is bordered, itself, by a thicker blue outermost border that encircles the entire circle carrier. A stylized black, grey, and white design of the U.S. Capitol dome appears at the top center of the circle carrier, extending past its uppermost edge, and two white lightning bolts arc down from the Capitol dome design, on either side of it, located within the black interior portion of the circle carrier. Below where these two lightning bolts arc down are two five-pointed, red stars that are bordered in white, one on each side of the Capitol dome design. Underneath Capitol dome design, lightning bolts, and red-and-white stars, is an incomplete, white, rectangle with rounded corners, which has a black interior and the white, stylized and vertically stacked wording "THE NATIONAL" within it. Underneath this wording and extending slightly past the left and right edges of the circle carrier, is the red, white, and black stylized wording "CANNABIS". And underneath this, at the bottom of the circle carrier and extending slightly past the left and right edges of it, is another white rectangle having rounded corners and an interior colored black. Within this lower rectangle is the white, stylized wording "POLICY SUMMIT". The unenclosed white space in the mark drawing, which has not previously been referenced, is background only and is not claimed as a feature of the mark. **Color Drawing** Yes **Color Claimed** The color(s) blue, red, grey, black and white is/are claimed as a feature of the mark. **Disclaimer** "NATIONAL CANNABIS POLICY SUMMIT"

GOODS AND SERVICES INFORMATION

GOODS AND SERVICES INFORMATION

For Diagnostic reagents and diagnostic preparations for medical or veterinary use; Chemical reagents for medical or veterinary use; chemical preparations for medical or veterinary purposes, namely, for testing of biological samples; Biochemical reagents for medical use, namely, diagnostic reagents for medicinal use; enzymes for use in medical analysis; Testing reagents and preparations for medical or veterinary use, namely, medical diagnostic reagents and assays for testing of body fluids including blood and/or tissues; reagents for genetic testing for medical or veterinary purposes; preparations for detecting mutations in genes for medical or veterinary purposes; diagnostic biomarker reagents for medical or veterinary use; Diluents for medical or veterinary use, namely, for diluting samples or reagents used in genetic testing; Quality control materials, namely, fluids, frozen or lyophilized materials for testing and calibrating genetic testing analyzers for medical or veterinary use; Quality control standard solutions and materials for testing and calibrating medical or veterinary apparatus, namely, artificial DNA or synthetic nucleic acid; detergents for medical or veterinary use; Cleaning solutions for medical or veterinary use, namely, for cleaning medical apparatus and instruments; Cleaning preparations for medical or veterinary use, namely, for cleaning medical apparatus and instruments; Medical diagnostic solutions, namely, sheath solutions for use in medical analysis; magnetic beads for use in medical analysis for nucleic acid isolation and/or purification; DNA polymerase for use in medical analysis; Chemical preparations containing DNA fragments for use in medical analysis for genetic testing; Chemical reagents for cell analysis tests for medical or clinical use; Chemical reagents for protein analysis tests for medical or clinical use

International Classes 5 - Primary Classes **US Classes** 6, 18, 44, 46, 51, 52 **International Class Title** Pharmaceuticals

For Medical and veterinary apparatus and instruments for use in sample analysis procedures; Testing apparatus and instruments for medical or clinical use for diagnostic use, namely, apparatus for medical diagnostic testing in the fields of genetic testing; diagnostic apparatus and instruments for medical or clinical use for diagnosing gene mutation; Flow cytometers for diagnostic medical or clinical use; flow-based particle analyzers providing cell and particle analysis, detection, or counting for medical or clinical use; particle counters, namely, flow cytometers or flow-based analyzers, for medical or clinical use; genetic testing apparatus and instruments for medical or clinical diagnostic use, namely, apparatus for medical diagnostic testing in the field of gene analysis; gene amplification analyzers for detecting gene mutation for medical or clinical use; DNA sequencer for medical or clinical use, namely, for gene analysis; biological sample pretreatment apparatus and instruments for medical or clinical use; measurement sample preparation apparatus and instruments for medical or clinical use; pretreatment apparatus and instruments for genetic testing for medical or clinical use, namely, body fluids including blood and/or tissue pretreatment apparatus and instruments for medical use; Dropping pipettes for medical purposes; measuring apparatus and instruments for use in medical analysis for detecting gene mutation; medical containers especially adapted and designed for use with samples for in vitro diagnosis sold empty; medical sampling bottles especially designed for use in medical analysis, namely, for collecting and/or preserving biological samples; medical devices, namely, disposable beakers especially designed for use in medical analysis, namely, blood or tissue analysis, not for laboratory use; cell analysis apparatus and instruments for medical or clinical use, namely, flow cytometers, flow-based analyzers; protein analysis apparatus and instruments for medical or clinical use, namely, flow cytometers, flow-based analyzers

International Classes 10 - Primary Classes **US Classes** 26, 39, 44 **International Class Title** Medical Apparatus

For Detergents for cleaning apparatus and instruments for genetic testing; Chemical cleaning solutions for genetic testing; cleaning preparations; Cleaning solutions for apparatus and instruments for genetic testing; cleaning preparations for apparatus and instruments

International Classes 3 - Primary Classes **US Classes** 1, 4, 6, 50, 51, 52 **International Class Title** Cosmetics and Cleaning Preparations

For Chemical reagents, other than for medical or veterinary use; chemical preparations, for scientific purposes, other than for medical or veterinary use; Biochemicals for scientific or research use, namely, reagents for testing biological samples; biochemical reagents for non-medical use; enzymes for scientific and research use; Testing reagents and preparations, namely, biological sample testing reagents used for non-medical purposes; Reagents for genetic test, namely, gene mutation tests comprised of reagents for non-medical use; diluents for diluting samples or reagents for scientific or laboratory purposes, other than for medical or veterinary use; Buffer solutions used for testing of biological samples other than for medical or veterinary use; Surfactants for pretreatment of samples for genetic testing; chemical reference materials for scientific or research use; Quality control materials, namely, fluids, frozen or lyophilized materials for testing and calibrating scientific or laboratory apparatus; Emulsifying agents used for preparing emulsion for genetic testing for non-medical purposes; chemical products for forming emulsion; chemical products for breaking emulsion; magnetic beads for use in scientific or research analysis for nucleic acid isolation and/or purification; DNA polymerase for scientific research purposes; Chemical preparations containing DNA fragments for scientific purposes; Chemical reagents for cell analysis tests for non-medical use; Chemical reagents for protein analysis tests for non-medical use; Detergents for laboratory use; Detergents for apparatus and instruments used in

laboratories

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Testing apparatus and instruments for scientific, research or laboratory use, namely, instruments for genetic analysis; Laboratory apparatus and instruments, namely, instruments for genetic analysis; Measuring or testing machines and instruments for use in genetic testing; laboratory apparatus and furniture for use in genetic testing; Flow cytometers providing cell and particle analysis, detection, or counting for scientific and laboratory use; particle analyzers for scientific, research or laboratory use; genetic analyzer for scientific, research or laboratory use; particle counters, namely, flow cytometers and image analyzers for scientific, research or laboratory use; Genetic testing apparatus and instruments for scientific, research or laboratory use, namely, downloadable computer software for scientific analysis of genetic sequences, and devices for detecting gene mutation; Gene amplification analyzers for scientific, research or laboratory use, namely, for genetic analysis; DNA sequencer for scientific, research or laboratory use, namely, devices and/or downloadable computer software reading DNA base sequencing; biological sample pretreatment apparatus and instruments for scientific, research or laboratory use; measurement sample preparation apparatus and instruments for scientific, research or laboratory use; pretreatment apparatus and instruments for genetic testing for scientific, research or laboratory use; Testing instruments for genetic testing, namely, thermal cyclers and/or flow cytometers for scientific, research or laboratory use; laboratory instruments for extracting nucleic acid in a biological sample for scientific, research or laboratory use; microplates for laboratory experiment; test tubes for scientific, research or laboratory use; pipette tips for scientific, research or laboratory use; Computers; Downloadable computer programs for use in the field of scientific and laboratory analysis; Downloadable computer program for use in the field of medical, clinical or diagnostic analysis; Electronic downloadable publications in the nature of magazines and manuals in the field of genetic testing; Downloadable computer programs for genetic, cell and protein analysis; Cell analysis apparatus and instruments for scientific, research or laboratory use, namely, flow cytometers, flow-based analyzers and image analyzers; Protein analysis apparatus and instruments for scientific, research or laboratory use, namely, flow cytometers, flow-based analyzers and image analyzers

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Providing medical information; medical diagnostic testing and reporting services pertaining to the monitoring, diagnosis and treatment of disease; medical diagnostic services to assist in the design, development and management of in-vitro diagnostic tests; providing medical data/information to healthcare professionals; testing services to provide information regarding disease conditions and disease prevention for medical purposes; diagnostic services, namely, medical diagnostic testing for diseases and disorders

International Classes 44 - Primary Classes **US Classes** 100, 101 **International Class Title** Medical, beauty and agricultural services

For Scientific and technological research in the fields of genetic testing and oncology; scientific research, scientific analysis, and design relating thereto in the field of genetic testing and oncology; design and development of diagnostic products and service; diagnostic and analytical testing services for others, namely, performing genetic testing and diagnostic testing in the field of oncology; clinical trial services; testing services to detect or quantify gene mutations, gene variations, gene amplification, gene loss and gene fusion for scientific and research purposes; molecular biomarker testing services for scientific and research purposes; DNA sequencing services for scientific and research purposes; scientific and technological

research to assist in the design, development and management of in-vitro diagnostic tests for scientific and research purposes; testing services for research in gene analysis; testing services to assist in treatment decision-making in diseases for scientific and research purposes; testing services for companion diagnostics for scientific and research purposes; testing and research relating to cell analysis for scientific purposes; Testing and research relating to protein analysis for scientific purposes; clinical laboratory testing services and reporting of results for scientific and research purposes; providing online non-downloadable computer programs for use in the field of scientific and laboratory analysis; providing online non-downloadable computer program for use in the field of medical, clinical or diagnostic analysis; providing online non-downloadable computer programs for genetic, cell and protein analysis

International Classes 16 - Primary Classes **US Classes** 2, 5, 22, 23, 29, 37, 38, 50 **International Class Title** Paper Goods and Printed Matter **First Use** Aug. 01, 2003 **In Commerce** Aug. 01, 2003

For active chemical ingredients and solvents for use in the manufacture of insecticides; adjuvants for use with agricultural chemicals; alkyl benzene for use as chemical intermediates in the manufacture of surface active agents alkylalkanolamines, namely, methyl diethanolamine, aminoethyl ethanolamine, and monomethyl ethanolamine for use in industrial and manufacturing applications; alkylalkanolamines, such as methyl diethanolamine, aminoethyl ethanolamine, and monomethyl ethanolamine; amine and amine derivatives for general industrial use, namely, morpholine, n-methylmorpholine, n-ethylmorpholine, n-methylmorpholine oxide, n-aminoethylpiperazine, and 2-(2-aminoethoxy) ethanol; ethanolamines, namely, monoethanolamine, diethanolamine, triethanolamine, and dimethylethanolamine, all for use in industrial and manufacturing applications; amine and amine derivatives for general industrial use, namely, morpholine, n-methylmorpholine, n-ethylmorpholine, n-methylmorpholine oxide, n-aminoethylpiperazine, and 2-(2-aminoethoxy) ethanol; heat transfer fluids for use in a wide variety of industrial uses, metal working fluids containing a glycol, namely, ethylene glycol and or propylene glycol, aromatic distillate, auxiliary products for use in the textile industry, namely, fixing agents catalysts for the manufacture

of flexible foams, rigid foams, coatings, elastomers, and plastics; catalysts for use in the manufacture of maleic anhydride; chemical additives and surfactants for use as tank-added adjuvants and compatibilizers in the agrochemical field; chemical additives for fuel treatment; chemical additives for use in the manufacture of agrochemicals; chemical additives for use in the manufacture of polymer and copolymer resins; chemical agents for removal of unwanted contaminants from non-liquid gas streams; chemical components for use in the manufacture of polyureas; chemical compound 2-(2-aminoethoxy) ethanol for use as a natural gas treating agent and as a chemical intermediate for the production of surface active agents and polyether polyol condensation polymers; chemical granulates used in the production of thermoplastic polyurethanes for extrusion, injection molding and producing films; chemical motor fuel additives for controlling deposits on internal combustion engines; chemical preparations for stabilizing soil; chemical preparations for use in agriculture, horticulture and forestry, namely, chemical preparations for the treatment of seeds; chemical products for use as auxiliary agents in the textile, leather, and paper industries, chemical products for use in the textile, paper, leather, plastics, animal skin and artificial leather industry; chemical products used in industry, namely, unprocessed artificial resins and plastics used as sealants of plastic, rubber and wax, and as release agents in the production of models, molds, tools and other shapes; chemical products used to modify or improve the physical or chemical properties of polyurethane amine catalysts or polyurethane foams; chemicals for manufacturing rigid polyurethanes; chemicals for the preparation of such polyurethane elastomers; chemicals for use as dispersants and stabilizers in the coating, paint, and ink fields; chemicals for use as plasticizers, solvents, thickening agents, frothing agents, hydraulic fluid and chemical intermediates; chemicals for use in industry, all for use in the manufacture of polyurethane foam; chemicals for use in metal treating applications; chemicals for use in the field of oil exploration and production; chemicals for use in the manufacture and treatment of paper, textiles, and fabrics; chemicals for use in the manufacture of ceramic articles; chemicals for use in the manufacture of pesticide and adjuvant formulations; chemicals for use in the manufacture of pharmaceuticals, cosmetics, herbicides, and pesticides; chemicals for use in the manufacture of polyurethanes; chemicals for use in the manufacture or treatment of microchips, circuit boards, and other electronic articles; chemicals for use in the electronics industry; chemicals for use in the mining and mineral processing industries; chemicals for use in the preparation of polyurea and polyurethane systems; chemicals for use in the textile industry, namely, pre-treatment agents, penetrating agents, solvents, wetting agents, emulsifying agents, dispersing agents, and agents for bleaching and scouring; chemicals solvents for equipment cleaning purposes; chemicals used as additives for bleaching agents; stabilizers, namely, dye stabilizers, color stabilizers for textile wetting agents; chemicals used in industry including surface active agents for use in the mining, minerals and mineral treatment industries; chemicals used in the manufacture of textiles, namely, fastness improvers and wet fastness improvers for dyeing textile and fabrics made from cellulose fibers; chemicals used in the manufacture of textiles, paper, leather, animal skin and artificial leather, namely, dye bath conditions; chemicals used in the process of dyeing textiles as fastness improvers and fixing agents; chemicals, namely, maleic anhydride; curing agents for use in the manufacture of polymeric materials; detergents for industrial purposes; dyestuffs, coloring matters, chemical products for use as auxiliary agents in the textile industry; epoxy resins; ethanolamines, namely, monoethanolamine, diethanolamine, triethanolamine, and dimethylethanolamine, all for use in industrial and manufacturing applications; ethylene oxide, propylene oxide, and synthetic surface active agents, all for use in detergents, cleaning compounds, paints, agricultural emulsifiers, paper applications, paper deinking, oilfield applications, metal treating applications, corrosion inhibition, mold release agents, and mineral processing; ethylene; flame proofing agents; glycol bottoms, aromatic distillate, glycols, namely, monoethylene glycol, diethylene glycol, triethylene glycol, propylene glycol, dipropylene glycol, and other polyoxyalkylene glycols, polyethylene gycols and polypropylene glycols, all for use in industrial and manufacturing applications; glycols, such as monoethylene glycol,

diethylene glycol, triethylene glycol, propylene glycol, dipropylene glycol, and otherheat transfer fluids and metal working fluids, containing a glycol, namely, ethylene glycol and propylene glycol; heat transfer fluids containing a glycol, such as ethylene glycol and propylene glycol; hydroxy alkyl carbamates for use in coatings/resins systems in automotive and other applications hydroxy terminated polyoxyalkalene ethers for use as polyurethane raw material and for use in the manufacture of foams, paints, coatings, elastomers, plastics and a wide variety of other industrial uses; ink dispersing agents; isocyanates for use in rigid and flexible foams, elastomers, coatings, adhesives, and composite wood products; maleic anhydride and fumaric acid for use in a wide variety of industrial and manufacturing applications; metal working fluids containing a glycol, such as ethylene glycol and propylene glycol; methyl tertiary butyl ether for use in reformulated motor fuels; mixtures of synthetic latex, synthetic resins, and derivatives of ethyleneamines for use in the manufacture of ceramic composites; mold release agents for natural and synthetic products; motor fuel additives for controlling deposits on internal combustion engines; n-methylmorpholine oxyde, n-aminoethylpiperazine, and 2- (2-aminoethoxy) ethanol; nonylphenol and dinonylphenol for use in the manufacture of surface-active agents or as detergents, light stabilizers, petroleum demulsifiers, oil-soluble phenolic resins, plasticizers, dyestuffs, germicides, insecticides, and aromatic oils; optical bleaching agent organic carbonates, namely, ethylene carbonate and propylene carbonate, for use as solvents for use in a wide variety of industrial uses organic carbonates, such as ethylene carbonate and propylene carbonate, for use as solvents; polyether amines, for use in curing and hardening agents for epoxy resins and adhesives, and in the manufacture of flexible foams, rigid foams, coatings, elastomers, and plastics polyetheramines for use in modifying polymers; polymide and bis-phenol-a compounds for use in the manufacture of synthetic resins; polyols, namely, propylene oxide and ethylene oxide based polyols for polyurethane, elastomer, and thermoplastic urethane applications; polyoxyalkylene glycols, polyethylene glycols and polypropylene glycols; polyoxyalkylene glycos for use as chemical intermediates, plasticizers, humectants, and dye carriers; polyoxyalkylene polyamines used as curing and hardening agents for epoxy resins; polyurethane adhesive for use in the automotive industry and for other industrial bonding applications; polyurethane elastomers used in the manufacture of shoes and shoe parts; pre-formed epoxy syntactic inserts to reinforce honeycomb structures; propylene; reduction inhibitors used to protect fabrics and textiles in the dying process; silicone based chemical agents in the textile industry used in treating textiles for textile resilience, textile crease resistance, and for improving sewability and making textiles softer; surface active compounds for general use in industry and manufacturing, namely, as wetting, spreading, emulsifying, dispersing and penetrating agents; surfactants for use in connection with agricultural pesticides; synthetic and formulated polymers for use in industry, namely, in coatings, construction, electronics, adhesives, power transmission and distribution, aerospace, wind energy, and automotive applications; synthetic epoxy resins for use in the manufacture of coatings, industrial paint, composites, sealants, laminating, bonding, castings, adhesives and industrial encapsulating compositions; synthetic resin plastics in sheet, rod, tube, granular and/or liquid form for industrial use; synthetic resinous adhesives for bonding metals, glass, ceramics, and/or plastics; synthetic resins for use in the manufacture of coatings, industrial paint, composites, sealants, laminating, bonding, casting and adhesives; synthetic resins in liquid and particle form used by the electronics industry as capsulents, substrates and adhesives for electrical circuit boards and electronic components synthetic resins in solid or liquid form for use in the manufacture of polymeric products, namely, polyurethanes and polyureas for use in further manufacture; synthetic surface active agents used in detergents, cleaning compounds, paints, agricultural emulsifiers, paper applications, paper deinking, oilfield applications, metal treating applications, corrosion inhibition, mold release agents, and mineral processing; systems comprising chemical components, namely methylene diphenyl isocyanates, polyols and isocyanate-reactive components for manufacturing polyurethane; chemical components of

said system sold separately and in any combination, namely, methylene diphenyl isocyanates, polyols and isocyanate-reactive components; textile finishing chemicals and catalysts employed in their application; thermoplastic polyurethane granulates for use in extrusion, injection molding and producing films; unprocessed artificial resins and plastics for the production of models, molds, tools and other shapes; unprocessed artificial resins and synthetic resin plastics in the form of powders, pastes, liquids, emulsions, dispersions, pellets and granulates; unprocessed thermoplastic polyurethane polymers for use in coating magnetic tapes washing and bleaching agents for industrial purposes; chemical products suitable for dyeing purposes

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

GOODS AND SERVICES INFORMATION

For Pharmaceutical preparations for human use for the treatment of respiratory disorders; nasal spray preparations; Opium alkaloid preparations; pharmaceutical anti-allergic preparations and substances; pharmaceutical antitussive-cold preparations; pharmaceutical preparation for the treatment of gout; pharmaceutical preparations acting on the central nervous system; pharmaceutical preparations and substances for the treatment of gastro-intestinal diseases; pharmaceutical preparations for animal skincare; pharmaceutical preparations for inhalation for the treatment of pulmonary hypertension; pharmaceutical preparations for skin care; pharmaceutical preparations for the prevention and treatment of disorders of the nervous system, the immune system, the cardio-vascular system, the metabolic system, the respiratory system, the musculo-skeletal system, the genitourinary system, for the treatment of inflammatory disorders, for use in dermatology, oncology, hematology and in tissue and organ transplantation, in ophthalmology and for gastroenterological disorders; pharmaceutical preparations for the prevention and treatment of ocular disorders or diseases, for the treatment of bacteria-based diseases, and for the treatment of diabetes, and anti-infective preparations, antiviral preparations, antibiotics, antifungal preparations and vaccines; pharmaceutical preparations for the treatment of eye diseases and conditions; pharmaceutical preparations for the treatment of heart rhythm disorders; pharmaceutical preparations for the treatment of hormonal disorders and the prevention of osteoporosis; pharmaceutical preparations for the treatment of infectious diseases; pharmaceutical preparations for treating allergic rhinitis and asthma; pharmaceutical preparations for treating diabetes; pharmaceutical preparations for treating skin disorders; pharmaceutical preparations for use in chemotherapy; pharmaceutical preparations for use in dermatology; pharmaceutical preparations for use in urology; pharmaceutical preparations for wounds; pharmaceutical preparations, namely, antidepressants; pharmaceutical preparations, namely, appetite suppressants; pharmaceutical preparations, namely, a blood clotting aid and delivery system for use in human and veterinary medicine; pharmaceutical preparations, namely, a drug delivery system comprising polymer-based oral tablets for the continuous release of a wide variety of therapeutic agents; pharmaceutical preparations, namely, anticoagulants; pharmaceutical products and preparations against dry skin caused by pregnancy; pharmaceutical products and preparations for chloasma; pharmaceutical products and preparations for hydrating

the skin during pregnancy; pharmaceutical products and preparations for pregnancy blemishes; pharmaceutical products and preparations for preventing skin blemishes during pregnancy; pharmaceutical products and preparations to prevent stretch marks; pharmaceutical products and preparations to prevent swelling in the legs; pharmaceutical products for ophthalmological use; pharmaceutical products for skin care for animals; pharmaceutical products for the treatment of bone diseases; pharmaceutical products for the treatment of joint disease; pharmaceutical products for the treatment of viral and infectious diseases; pharmaceutical products for treating respiratory diseases and asthma; pharmaceutical skin lotions; pharmaceutical solutions used in dialysis; pharmaceuticals for the treatment of erectile dysfunction; pharmaceuticals, namely, anti-infectives; pharmaceuticals, namely, antihelmintics; pharmaceuticals, namely, inducers of erections; pharmaceuticals, namely, lipid lowering agents; preparation for the relief of pain; preparations for the treatment of asthma

International Classes 5 - Primary Classes **US Classes** 6, 18, 44, 46, 51, 52 **International Class Title** Pharmaceuticals

For SPIROMETER; INHALERS for therapeutic use; NEBULIZERS for medical purposes; DIAGNOSTIC APPARATUS FOR MEDICAL PURPOSES, namely, medical diagnostic apparatus for testing DNA and RNA samples

International Classes 10 - Primary Classes **US Classes** 26, 39, 44 **International Class Title** Medical Apparatus

For Educational services, namely, providing workshops and seminars in the fields of cancer treatment, oncology, immunology and pain management; publication of journals featuring the results of clinical trials for pharmaceutical preparations; Education services, namely, conducting online instruction and courses in the fields of healthcare, the use of pharmaceuticals and medical devices, medical research, surgery, medical science, medicine, medical diseases, disorders and related treatments; provision of educational content, namely, providing on-line instruction in the fields of healthcare, the use of pharmaceuticals and medical devices, medical research, surgery, medical science, medicine, medical diseases, disorders and related treatments; training in the use and operation of medical devices, medical imaging apparatus and medical research apparatus and consultation relating thereto; educational services, namely, conducting live and online seminars, classes, workshops, lectures, panel discussions, and training programs in the field of pharmaceutical products, healthcare and medical diseases, disorders and related treatments; educational services, namely, providing non-downloadable webinars in the field of health and medical information and distribution of course material in connection therewith; education services, namely, developing, arranging and conducting educational programs and providing courses of instruction in the fields of healthcare, pharmaceuticals, medical devices, medical research, surgery, medical science and medicine; providing training programs and developing training programs relating to the use and operation of medical devices, medical research apparatus and consultation relating thereto; providing online publications, namely, instructional materials in the field of pharmaceutical products, healthcare and medical disease, disorders and related treatments; conducting educational seminars in the fields of healthcare, the use of pharmaceuticals, and medical devices, medical research, surgery, medical science and medicine

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Skin soaps; SHAMPOOS; SUNSCREEN FOR COSMETIC USE; PERFUMERY; ESSENTIAL OILS; BODY POWDER; COSMETICS; ANTI-AGING CREAMS; HAIR LOTION; SKIN CREAMS; SKIN moisturizing GELS; non-medicated soaps for face; moisturizing body lotions; NON-MEDICATED MOUTHWASHES

International Classes 3 - Primary Classes **US Classes** 1, 4, 6, 50, 51, 52 **International Class Title** Cosmetics and Cleaning Preparations

For Licensing of patents, trademarks and intellectual property

International Classes 45 - Primary Classes **US Classes** 100, 101 **International Class Title** Personal and legal services

For PROVIDING INFORMATION IN THE FIELD OF MEDICINE AND HEALTH; MEDICAL SERVICES; MEDICAL ASSISTANCE; HYGIENE CARE FOR HUMAN BEINGS; MEDICAL CLINIC SERVICES; disseminating medical information to patients for better lifestyle management to handle the treatment of side effects in the course of treatment of cancer, pain management, skin care, management of diabetes, management of asthma, Chronic Obstructive Pulmonary Disease (COPD) and respiratory diseases

International Classes 44 - Primary Classes **US Classes** 100, 101 **International Class Title** Medical, beauty and agricultural services

For Scientific research for medical purposes; Providing medical and scientific research information in the field of pharmaceuticals and clinical trials; Scientific and technological services, namely, scientific research, analysis, testing in the field of oncology, immunology and pain management; Medical research in the fields of oncology, immunology and pain management; clinical research in the fields of oncology, immunology and pain management; scientific research and development; pharmaceutical drug development services; pharmaceutical research and development; research and development for new products for others; Scientific and technological services, namely, scientific research and analysis in the field of chemicals, pharmaceutical preparations, dietetic preparations, demo-cosmetic preparations, and biotechnology; design and testing for new product development; Medical research, namely, diagnostic testing and analysis for industrial purposes; scientific research in the fields of chemistry, biotechnology and pharmacology; MEDICAL AND PHARMACEUTICAL RESEARCH SERVICES; SCIENTIFIC RESEARCH SERVICES FOR MEDICAL PURPOSES INCLUDING AND NOT LIMITED TO BACTERIOLOGICAL RESEARCH SERVICES; BIOMEDICAL RESEARCH SERVICES; LABORATORY RESEARCH SERVICES in the field of cancer treatment, oncology, immunology and pain management; conducting clinical trials for others; Scientific research in the field of pharmacology; medical research services conducted in a laboratory; Scientific and technological services, particularly scientific research and analysis, in the fields of medicine, health, fitness, exercise and wellness

For Education, namely, providing live and online seminars and conferences in the field of business and e-commerce; providing of training in the field of business and e-commerce; entertainment, namely, providing online video games and non-downloadable playback of digital music; organizing community sporting and cultural events; publication of texts, books and journals; organizing sporting events, namely, baseball games, soccer matches, tennis tournaments, basketball games, golf tournaments and swimming competitions; organizing cultural events and shows; publication of newspapers, magazines and periodicals containing diagrams, images and photographs; education, namely, training courses and instructional classes in the field of telecommunications hardware and software, operation of computers, computer programming, web site design, e-commerce, cloud computing, financial management, business management and advertising; providing education, instruction and training via online interactive and non-interactive courses, classes, workshops and seminars in the field of business and e-commerce; design of educational courses, namely, development of curriculum and educational examinations for others in the field of business and e-commerce; entertainment provided via electronic and digital interactive media, namely, providing online computer games; electronic games services provided by means of the Internet, namely, providing online computer games; providing information about education and entertainment; providing information in the field of sports, sporting events, recreation activities, leisure activities, cultural activities and exhibitions; providing online non-downloadable electronic publications, namely, books, journals, newsletters and articles in the field of business and e-commerce; arranging, organizing, hosting and conducting singing competitions; arranging, organizing, hosting and conducting musical concerts; arranging, organizing, hosting and conducting events and competitions for education purposes, namely, providing educational conferences, competitions and symposia in the field of business and e-commerce; entertainment services, namely, production and distribution of a game show; entertainment ticket agency services; providing entertainment information and education information from a computer database or the Internet; providing non-downloadable prerecorded digital music from the Internet; providing non-downloadable prerecorded digital music from MP3 Internet web sites; entertainment and education services, namely, conducting courses of instruction relating to planning, production and distribution of sound, images, digital music, movies, live or recorded audio, visual or audiovisual material for broadcasting on terrestrial cable, satellite channels, the Internet, wireless or wire-link systems and other means of communications; music entertainment services, namely, live music concerts; rental of sound recordings; entertainment in the nature of on-going television programs in the fields of business and e-commerce; producing entertainment, educational, documentary and news television programs in the fields of business and e-commerce for broadcasting; news reporters services; providing news in the field of sporting or cultural events, and in the field of current events reporting provided by satellite television transmission, the Internet or radio; production of television and radio programs and film production; production of television programs; provision of information, data, graphics, sound, music, videos, animation and text for entertainment purpose, namely, production of animation movies rendered by means of a global computer network; provision of recreational activities, sporting and gymnasium facilities; live performances by a musical band; night club services; discotheques; fashion shows for entertainment purposes; club services relating to entertainment;

education services, namely, arranging and conducting educational conferences, conventions, seminars and training workshops in the field of business, e-commerce, telecommunications, computers, computer programs, cloud computing, web site design, financial management and advertising; providing research in the field of education and information about education; organizing and conducting exhibitions for cultural or educational purposes; art exhibition services; art gallery services, namely, rental of artwork; training services in the field of occupational health and safety, and environmental conservation; provision of cigar appreciation classes, wine tasting classes; providing research in the field of education; providing information relating to research in the field of education; arranging, organizing, planning and running of educational seminars in the field of business and e-commerce; animal training; direction in producing broadcasting programs, namely, production of television and radio programs and film production; instructional services, namely, providing training in operation of audiovisual machines and equipment used for the production of broadcasting programs; providing audio and visual studios; providing sports facilities; providing facilities for movies, shows, plays, music or educational training; entertainment booking agencies, namely, booking of seats for shows and sports events; rental of motion pictures; rental and leasing of musical instruments; rental and leasing of television programs in the nature of provision of non-downloadable television programs via video on-demand service; rental and leasing of television sets; lending libraries; archive library services; subtitling services, namely, preparing subtitles for movies; sign language interpretation services; rental of entertainment software, namely, rental of computer game software; providing non-downloadable music and non-downloadable movies in the field of animation, children's entertainment, family entertainment, comedy, drama, documentary, action, adventure, fantasy and horror via the internet; providing online computer games; entertainment services, namely, conducting contests; rental of pre-recorded video tapes; rental and leasing of game machines; rental of arcade game machines; photography; translation; language interpretation; providing educational and training programs in the field of risk management; lottery services; provision of facilities for shows and performances, namely, performance venues, studios, sets, dressing rooms; providing educational and training programs in the field of certification for information technology, computer security, business management, law, financial management and financial planning; providing on-line non-downloadable videos in the field of news, sports, entertainment, popular culture, lifestyles, music, artwork, education, information technology, finance, architecture, law, psychology, business administration, marketing, financial literacy and financial planning; providing tutoring in the field of business, e-commerce, music, artwork, education, information technology, finance, architecture, law, psychology, business administration, marketing, financial literacy and financial planning; and providing consultancy, information and advisory services in connection with the aforesaid services; provision of the services of on-line electronic publications streaming from the internet or on a computer network or a computer database in connection with the services of providing the online publications of newsletters, articles, research reports, journals, books, and magazines in the field of shopping, purchasing, fashion and style, communication, product and service reviews, entertainment, health and fitness, personal care, lifestyle, popular culture, media and video, music and audio, photography, social network, technology, and business

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Advertising services; business administration; providing office functions; administration of customer loyalty programs and incentive award programs that provide discounts, coupons, rebates, vouchers and special offers for the goods of others; advertising services provided via the Internet; preparing television and radio advertisements; accountancy services; auctioneering; consultation relating to trade fairs; public opinion polling; data processing services; provision of business

information via global computer networks; advertising agency services; advertising services provided for others; database management; compilation of information into computer databases in the field of business and e-commerce; business consulting services in the field of e-commerce; business consulting services in the field of web based events, conferences, training programs, learning programs, and seminars; business consulting services in the field of delivering web-based knowledge; business consulting services in the field of online collaboration and collaboration technologies; business consulting services in the fields of sales and marketing; business management services, namely, business project management services, the development, set up, staging, production, recording, monitoring and follow-up for web based events, conferences, training programs, learning programs and seminars; market research and business consulting services in the field of business and e-commerce; business consultancy services relating to business issues concerning facilitating the transaction of business via local and global computer networks by locating and providing referrals for the delivery of a wide variety of business and consumer products and services; providing business information concerning the goods and services of others via local and global computer networks; business consultancy services in the field of global computer web sites where third parties can offer and source goods and services, place, determine the status of and fulfill trade leads and orders, enter into contracts and transact business; providing computerized online ordering services featuring a wide variety of general consumer, business, and industrial products and merchandise; advertising of goods and services of others via local and global computer networks; international import and export agency services; rental of advertising space on communication media; online trading services in which sellers post products to be auctioned and bidding is done via the Internet, and providing online business evaluation relating thereto; online retail store services featuring a wide variety of consumer goods of others; providing an online business directory of third party web sites to facilitate business transactions; business consultancy services in the field of operating an electronic marketplace for the buyers and sellers of goods and services on a global computer network; business assistance for others concerning business issues relating to facilitating business transaction via local and global computer networks; corporate business management consultancy services; marketing and promotion services; publication of publicity materials; marketing services, namely, providing videos to promote vacant premises; dissemination of advertising materials, updating of advertising materials, and compilation of advertisements for use as web pages on the Internet; rental of advertising space; computer data processing; providing information concerning commercial sales, providing business information, providing a database of information pertaining to the promotional products industry; telephone answering service; auctioneering provided on the Internet; personnel management; provision of commercial sales, business, advertising and promotional information through a global computer network and via the Internet; presentation of goods of others for retail purposes via the Internet, namely, retail store service featuring a wide variety of consumer goods of others; the bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from a general merchandise Internet web site particularly specializing in the marketing of the sale of goods and services of others; the bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from a general merchandise catalogue by mail order or by means of telecommunications in the field of clothing, lingerie, cosmetics, jewelry, watches, music and media products, food and beverages, home entertainment electronics, home appliances, phones, PDAs, MP3 players, video games, consoles, books, crafts, furniture, tools, house wares, photographic equipment, computers, kitchen wares, toys, sporting goods, bikes and automobiles; the bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from retail in the field of clothing, lingerie, cosmetics, jewelry, watches, music and media products, food and beverages, home entertainment electronics, home appliances, phones, PDAs, MP3 players, video games, consoles, books, crafts, furniture, tools, house wares, photographic equipment, computers,

kitchen wares, toys, sporting goods, bikes and automobiles; retail and wholesale store services in the field of bleaching preparations and other substances for laundry use, leather bleaching preparations, fabric softeners for laundry use, cleaning, polishing, scouring and abrasive preparations, shining preparations, abrasive cloth, polishing paper, glass cloth, glass paper, floor wax, shoe wax, polish for furniture and flooring, detergents other than for use in manufacturing operations and for medical purposes, dry-cleaning preparations, canned pressurized air for cleaning and dusting purposes, color-removing preparations, varnish-removing preparations, wallpaper cleaning preparations, windscreen cleaning liquids, air fragrancing preparations, joss sticks, soaps, medicated soap, perfumery, extracts of flowers, essential oils, massage gels other than for medical purposes, sunscreen preparations, sun-tanning preparations, cosmetics, lipsticks, lipstick cases, cosmetic preparations for skin care, cosmetic preparations for slimming purposes, adhesives for cosmetic purposes, nail care preparations, make-up removing preparations, shampoos, dry shampoos, shampoos for pets, hair lotions, after-shave lotions, shaving preparations, dentifrices, dental bleaching gels, mouth washes not for medical purposes, hair spray, hair dyes, antiperspirants, deodorants for human beings or for animals, pharmaceutical and veterinary preparations, vaccines, sunburn ointments, sanitary preparations, sterilizing preparations, solutions for contact lenses, panty liners, remedies for foot perspiration, dietetic food and substances adapted for medical or veterinary use, yeast for pharmaceutical purposes, sugar for medical purposes, royal jelly dietary supplements, food for babies, dietary supplements for humans and animals, nutritional supplements, vitamin preparations, tanning pills, slimming pills, tobacco-free cigarettes for medical purposes, plasters, materials for dressings, surgical cloth, surgical implants, material for stopping teeth, teeth filling material, dental wax, mouthwashes for medical purposes, disinfectants, preparations for destroying vermin, fungicides, herbicides, rat poison, repellents for dogs, telephones, mobile phone handsets, mobile phone accessories, electronic and telecommunications goods, automobile navigation systems, satellite navigational apparatus, global positioning system (GPS) navigation devices, navigational instruments, computer hardware and computer software, batteries, battery chargers, apparatus and instruments for recording, receiving, transmitting and/or reproducing data, information, pictures, images and/or sound, surgical, medical, dental and veterinary apparatus and instruments, obstetric apparatus, X-ray apparatus for medical purposes, hot air therapeutic apparatus, electric blankets for medical purposes, testing apparatus for medical purposes, blood testing apparatus, hearing aids for the deaf, hearing protectors, massage apparatus, air pillows for medical purposes, air cushions for medical purposes, physical exercise apparatus for medical purposes, vaporizers for medical purposes, fumigation apparatus for medical purposes, thermal packs for first aid purposes, armchairs for medical or dental purposes, artificial limbs, eyes and teeth, orthopedic articles, suture materials, supportive bandages, babies' bottles, tongue scrapers, X-ray photographs for medical purposes, precious metals, jewelry, precious stones, printed matter, stationery, magnetically and non-magnetically encoded cards, furniture, picture frames, household and kitchen utensils, glassware, porcelain and earthenware, textiles, clothing, footwear, headgear, laces and embroidery, buttons, ribbons, pins and needles, artificial flowers, carpets, rugs, games and electronic toys, chemicals used in industry, chemicals used in science, chemicals used in photography, chemicals used in agriculture, paints, varnishes and lacquers, personal hygiene products, hair and body lotions, cleaning and bleaching preparations, lubricants, fuels, candles, ironmongery and small items of metal hardware, machines and machine tools, cutlery, razors and hand tools, computers, calculating machines, electrical, photographic, cinematographic and optical apparatus and instruments, spectacles and sun glasses, surgical and medical apparatus and instruments, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, vehicles, firearms, fireworks, silverware, horological and chronometric instruments, musical instruments, magazines, cards, paper and cardboard products, namely, computer paper,

cardboard boxes, paper office stationery, pictures, typewriters and office requisites, packaging materials, rubber and plastics for manufacturing use, packing and insulating materials, leather and imitations of leather, handbags, purses, wallets, leather holders, bags, luggage, umbrellas, mirrors, ropes, string, nets, tents, yarns and threads for textile use, coat hangers, place mats, dressmaker's articles, bed and table covers, playthings and sporting articles, foodstuffs and beverages, meat, fish, poultry, preserved, dried and cooked fruits and vegetables, jams and fruits sauces, eggs, milk and milk products, edible oils and fats, coffee, tea, cocoa, sugar, rice, flour, bread and cakes, condiments, fresh fruit and vegetables, beer, mineral water, fruit juices and other non-alcoholic drinks, alcoholic beverages, floral products, tobacco, smokers' articles and matches; direct mail advertising services; purchasing and procurement services, namely, buying and selling agency services in the nature of purchasing a wide variety of consumer, business and industrial products and services for others, and selection of goods and procurement of goods for individuals and businesses, namely, purchasing of a wide variety of consumer, business and industrial products and services for individuals and businesses; online ordering services featuring a wide variety of consumer goods of others; retail department store services; retail supermarket services; secretarial services; provision of business statistical information; organization of exhibitions for commercial or advertising purposes; business assistance services, namely, preparing marketing mailing lists and rental of advertising material in the nature of marketing mailing lists; business investigation; business administration consultation services in the field of processing of sales made on the Internet; business networking referral services, namely, promoting the goods and services of others by passing business leads and referrals among group members; personnel placement; import-export agency services; arranging newspaper subscriptions for others; document reproduction; transcription, namely, conference call, message and stenographic transcription; rental of office equipment; customer relationship management; business management services relating to electronic commerce; business management and administration services relating to promotional sponsorship programs; accounting services; charitable services, namely, organizing and conducting volunteer programs and community service projects; providing an online marketplace on a global computer network by which third parties can offer goods and services, place and fulfill commercial orders in the field of e-commerce and online ordering featuring a wide variety of general consumer, business, and industrial products and merchandise, negotiate contracts with service providers, buyers and sellers in the field of e-commerce and online ordering featuring a wide variety of general consumer, business, and industrial products and merchandise, and transact business in the field of e-commerce and online ordering featuring a wide variety of general consumer, business, and industrial products and merchandise; rental of sales stands; provision of commercial and business contact information; search engine optimization for sales promotion; web site traffic optimization; pay per click advertising; commercial intermediation services, namely, negotiation and settlement of commercial transactions for third parties, business management advisory services relating to franchising, provision of commercial and business contact information; business management for freelance service providers; negotiation and conclusion of commercial transactions for third parties; updating and maintenance of data in computer databases; business project management services for construction projects; providing business information via a web site; import-export clearance agencies namely, customs clearance services

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Scientific, nautical, photographic, optical, signaling, measuring, checking as in supervision, life-saving apparatus and instruments, namely, telephones, punch clocks, time recording devices, namely, time clocks, weighing equipment, namely, scales and balances, graduated rulers, electronic pocket translators, neon signs, electronic notice boards, transparency projection apparatus, kilometer recorders in the nature of odometers for vehicles, telescopes, mechanisms for counter operated apparatus, namely, point-of-sale terminals, fire extinguishers, acoustic alarms, namely, smoke and fire alarms, eyeglasses, batteries, exposed files, namely, exposed camera film; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, namely, electric wires, electric switches, electrolysis apparatus for electroplating purposes, and electrified fences, namely, electric fences; apparatus for recording, transmission or reproduction of sound or images; blank magnetic data carriers and recording discs, namely, CD-R, CD-RW, DVD-R and DVD-RW discs; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; downloadable software for processing electronic payments to and from others; downloadable authentication software, namely, downloadable software for authenticating the identity of a payer; downloadable computer software applications for mobile devices and computers, namely, downloadable software for financial analysis, planning and management, downloadable software for securing and protecting data on mobile devices and computers, downloadable software for authenticating user identification, software for controlling access to and monitoring communications between mobile devices and computers; downloadable software applications for use with mobile devices, namely, downloadable software for use in database management, for use as a spreadsheet, for word processing, for recording, collecting, organizing, storing, archiving, reproducing, searching, retrieving and displaying digital data in the field of shopping, purchasing, communication, product and service reviews, entertainment, health and fitness, lifestyle, media and video, music and audio, photography and social network; downloadable computer software that may be downloaded from a global computer network for posting information, creating electronic product catalogs, responding to requests and placing and fulfilling orders for products, services and business opportunities via local and global computer networks, for use in document management, for searching, browsing and receiving transmissions of text, electronic documents, graphics and audiovisual information on local and remote area networks and global computer networks, on intranets, or on directories of information available on computer networks, for use in software development and web authoring, for use in exchanging information via global computer networks and online from a downloadable computer database and the internet, for business use for financial management, financial planning, business management, customer relationship management (CRM), inventory management, sales force management, planning and management of personal and business finances, and marketing information management, for data mining, for high-speed massive e-commerce data processing, and for data customization, all of the foregoing for use by third parties in connection with an interactive website in the field of e-commerce; downloadable computer software applications for use with mobile devices and computers, namely, downloadable software for use in database management, for use as a spreadsheet, for word processing, for recording, collecting, organizing, storing, archiving, reproducing, searching, retrieving and displaying digital data in the field of e-commerce, data management, customer relationship management, entertainment, education and telecommunications provided via the Internet; on-line downloadable electronic publications in the nature of magazines, articles, brochures, leaflets, datasheets, informational materials, instructional materials in the field of business, e-commerce, information technology, cloud computing, telecommunications, the Internet, business and e-commerce training, business, sales, marketing and financial management; downloadable instant messaging software; downloadable file sharing software; downloadable communications software for electronically exchanging data, audio, video, images and graphics via computer,

mobile, wireless and telecommunication networks; downloadable computer software for processing images, graphics, audio, video and text; downloadable computer software applications for downloading and transmitting video files, audio files, films, movies and television programs featuring children's entertainment, family entertainment, drama, action, adventure and fantasy; downloadable computer software for use in the field of business for financial management and financial planning; downloadable computer software applications for downloading and transmitting video files, audio files, films, movies and television programs featuring children's entertainment, family entertainment, drama, action, adventure and fantasy; downloadable cloud-computing software for deploying virtual machines to a cloud computing platform, managing virtual machines on a cloud computing platform; downloadable cloud-based software for storing and managing electronic data, accessing databases and internet security; downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; downloadable computer software for accessing, viewing and controlling remote computers and computer networks; downloadable computer software for use in the search and retrieval of computerized information from global information networks and network systems about hobbies, collectibles, auctions and products; downloadable data storage programs, namely, downloadable software used for the storage of electronic data and documents and data on hard discs, compact discs, tapes and optical discs; computer peripherals; notebook computers; laptop computers; portable computers; handheld computers; personal digital assistants; personal portable media players; mobile telephones; smart phones; digital cameras; batteries, battery chargers; computer workstations comprising computers and computer monitors; servers, namely, computer servers; computer and telecommunications networking computer hardware; computer network adaptors, switches, routers, hubs; wireless and wired modems and communication cards and devices, namely, cable modems, computer fax modem cards, external modems, internal modems, modem cables, modems; laptop holders in the nature of protective sleeves and carrying cases, computer bags; fire-extinguishing apparatus; computer hardware and firmware for use in the field of business for financial management and financial planning; downloadable computer software for use in the field of business for financial management and financial planning; downloadable computer software for use with global positioning system (GPS) navigation systems for navigation, route guidance and electronic mapping; downloadable computer software for use with route planners, electronic maps and digital dictionaries for navigation and translation purposes; satellite-aided navigation systems in the nature of automobile navigation system featuring interactive digital map displays, interactive instructions and user generated information; compact discs featuring music; downloadable computer programs and downloadable computer software for financial management, financial planning, business management, customer relationship management (CRM), inventory management, sales force management, planning and management of personal and business finances and marketing information management, all in the field of e-commerce and business; digital music downloadable from the Internet; telecommunications apparatus, namely, VOIP phones, network telephones, electronic facsimile machines, portable digital electronic device for sending and receiving electronic mails, and instant messaging communication tool in the nature of portable telecommunication instant messaging devices; mouse pads; mobile phone handsets; mobile phone accessories, namely, battery chargers, cases, covers, ear phones, headsets and hands-free calling devices; downloadable computer game software; downloadable pictures in the field of aircrafts, automobiles, buildings, natural scenery and pets, motion pictures and movies in the field of children's entertainment, family entertainment, drama, action, adventure and fantasy and music via the internet and wireless devices; alarm monitoring systems; security cameras; mobile radio and television broadcasting units, namely, transmitting and receiving apparatus for radio and television broadcasting and for long-distance transmission; television broadcasting equipment, namely, video cameras, film cameras, monitors, flat panel display screens, audio monitors, audio recorders, video recorders, electronic

switchers, cables for the transmission of sounds and images, lights for use with video cameras and film cameras, camera lenses, camera tripods, camera cases, blank videotape, audio mixing boards and video editing computer hardware; cameras; video cameras; headphones; ear pieces, namely, ear buds; speakers, namely, loud speakers; global positioning system (GPS) apparatus and equipment, namely, GPS systems; downloadable computer game programs, electronic and video games programs and software game programs via the Internet; liquid crystal displays for telecommunications and electronic equipment; set top box; remote control for radios, televisions, stereos, computers, video recorders, audio systems and playback machines; spectacles and sunglasses; electronic signboards; magnetically encoded bank credit, debit, cash and identification cards; automatic teller machines, cash dispensers; electronic book readers; digital media streaming devices; computer applications for streaming videos, music and images

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Telecommunications services, namely, providing telephone communication, Internet telephony services, network telephone, electronic facsimile, electronic transmission of electronic mails, and instant messaging communication services; telecommunications services, namely, transmission and delivery of digital data, photographs, audio files, data, information and image signals by means of computers, cable radio and satellite transfer; providing web-based multimedia teleconferencing and videoconferencing that allow simultaneous and asynchronous viewing, sharing, editing, and discussion of documents, data, and images by participants via a web browser; providing customers with multiple user access to a global computer network to access online reports regarding the performance, effectiveness, and status of web-based applications, teleconferences, videoconferences, and meetings; providing users with secure remote access via the Internet to private computer networks; providing information in the fields of secured transmission of data and information; consulting services in the fields of secured data and information transmission services; providing online collaboration services, namely, providing multiple user access to global computer network which allows users to access applications, platforms, jointly-shared documents, data, task lists, and discussion forums; Internet broadcasting services; Internet service provider services; provision of telecommunication access and on-line communications links to computer databases, the Internet and world-wide web; electronic communication services, namely, information transmission via electronic communication networks; interactive telecommunications services, namely, transmission of voice, audio, visual images, audio-visual content, text and SMS messages, documents, and data by communication networks; telecommunication of information in the nature of transmission of database information via telecommunication networks; providing telecommunication connections to the Internet or databases; communication by computer terminals; communication by fibre optic networks; electronic transmission of messages and images by computer; facsimile transmission; paging services; rental of modems; transmission of data by electronic means; rental of telecommunication equipment; electronic message sending, receiving and forwarding services; electronic exchange of voice, data, audio, video, text and graphics accessible via computer and telecommunication networks; instant messaging services; mobile phone communication services; transmission and delivery of data by electronic means; electronic transmission and delivery of mail messages, still picture and moving picture information, namely, characters, messages, music and images, telegrams, information, and data by electronic, telephone, telegraph, cable, computer and satellite means; transmission, broadcast and reception of audio, video, still and moving images and data via telecommunication means whether in compressed or uncompressed form and whether in real or delayed time; electronic messaging services; telephone, video and web conferencing services; electronic order transmission services; video conferencing services; electronic bulletin board

services, namely, providing an electronic bulletin board for real-time interactive talk in the nature of communication among users between a computer terminal and an electronic board for transmission of still picture and moving picture information and voice information, including characters in the field of general interest; providing electronic bulletin boards and message boards for transmission of messages among users concerning business and e-commerce; provision of online discussion forums for transmission of messages among computer users concerning business and e-commerce; television broadcasting services; broadcasting and transmission of radio and television programs; music broadcasting; transmission of music, films, interactive programs, videos, electronic computer games via a global computer network or the internet; electronic transmission of information in the field of online shopping and general retail services; video-on-demand transmission services; news agency services for electronic transmission; providing access to computer database on the global computer network for searching and retrieving information, data, web sites and resources available on computer networks; providing multiple user access to a computer database containing electronic publications, bulletin boards, database and information accessible via computer; providing chat room services for transmission of messages among computer users concerning business and e-commerce; providing multiple user access to global computer information networks for the transfer and dissemination of a wide range of information; providing access to an interactive website on a global computer network for third parties to post information, respond to requests and place and fulfill orders for products, services and business opportunities; communication services, namely, text and numeric wireless digital messaging services; transmission of information by data communications for assisting decision making; transmission of information through video communication systems; web conferencing services; electronic communication services, namely, virtual chat rooms established via text messaging; providing electronic bulletin boards for the posting and transmission of messages among and between computer users concerning consumer products, services and business leads and opportunities; providing an online interactive bulletin board for the posting, promotion, sale and resale of items in the field of clothing, personal care products, computers, computer equipment, computer software, telecommunication apparatus, game machines, food and beverages via a global computer network; electronic transmission of e-mail services; transmission, broadcasting and streaming of audio and video via computers, computer networks and global communication network; providing computer access to online interactive bulletin boards and databases; providing access to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; teleconferencing services, namely, distant video and telephone conferencing; providing access to electronic calendar, address book and notes feature, via local and global computer networks; providing facilities and equipment for video and telephone conferencing; providing computer links in the nature of on-line communication links to third party web sites to facilitate e-commerce and real world business transactions; computerized communication network security services in the nature of providing private and secure real time electronic communication over a computer network; and consultancy, information and advisory services provided in connection with the aforesaid services; transmission, broadcasting and streaming of audio and video via computers, computer networks and global communication network; streaming of data; video, audio and television streaming services; providing data streaming capacity to others, namely, providing others with access to remotely stored data and software; streaming of audio material on the Internet; streaming of video material on the Internet

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Scientific and technological services, namely, research and design in the fields of telecommunication software and hardware design, Internet technology, the design of websites for advertising, software design, and e-commerce software and hardware design, and industrial research and analysis services in the field of e-commerce computer software networking systems; industrial research services in the field of business and e-commerce; scientific, technological, research and design services related to telecommunication and navigation signals; design and development of computer hardware and software; software as a service (SaaS) services for monitoring and management of computer-based information systems and networks; software as a service (SaaS) services featuring software for database management, data analysis, document management, document analysis, project management, project planning, budget management and electronic storage of data; providing temporary use of on-line non-downloadable cloud computing software for database management, data analysis, document management, document analysis, project management, project planning, budget management and electronic storage of data; cloud computing featuring software for database management, data analysis, document management, document analysis, project management, project planning, budget management; providing temporary use of on-line non-downloadable cloud-based software for storing and managing electronic data, accessing databases and internet security; providing virtual computer systems and virtual computer environments through cloud computing; computer services, namely, design and development of computer systems for transmitting information, data, documents and images over the Internet; application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services featuring software for web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; providing technical support services, namely, providing backup computer programs and facilities, troubleshooting of computer software problems to end users by means of telephone or global computer network; computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, and engage in social networking; computer technology advice provided to Internet users by means of a support hotline; computer services, namely, creating indexes of information, sites and resources on computer networks; providing search engines for the Internet; design of computers, notebook computers, laptop computers, portable computers and handheld computers; design of personal digital assistants and personal media players for others; design of mobile telephones and smart phone for others; design of digital cameras for others; computer services, namely, computer system administration for others; computer programming; computer systems integration services; computer systems analysis services; computer programming in relation to the defense against virus, namely, computer virus protection services; computer system software services, namely, design and development of online computer software systems; providing direct connection services between computer users for exchanging data, namely, providing temporary use of online non-downloadable software for the exchange of data; computer software design; computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for others for use in searching and retrieving information from databases and computer networks; computer software consultancy; computer services, namely, providing customized searching services in the nature of searching and retrieving information from computer databases and websites at the customer's specific request via the Internet, creating, maintaining and hosting websites for others, creating an online community for registered users to develop and collaborate on address books and calendars, software design and development for others, hosting online interactive public calendars, address books and notes that allow multiple participants to share event schedules, facility reservations and transportation requests via local and global computer network; customized searching of computer databases

and websites, namely, providing customized online web pages featuring user-defined information which includes online links to third party web sites; customized searching of computer databases and websites, namely, providing search engines for obtaining data from computer files on a global computer network; computer and electronic signal coding and decoding; computer code conversion for others; conversion of physical data and documents into electronic media format; testing and evaluation services of the goods and services of others to assure compliance with industry standards; architectural design services; interior design services of buildings, offices and apartments; computer security services, namely, the provision of user certification authority services for others to ensure the security of transmitted information, namely, providing a website that features technology that enables the secure exchange of information by users; providing technological information about computers and computer networks in the field of business and e-commerce; computer security risk management programs, namely, updating of computer software relating to computer security and prevention of computer risks; computer security information, knowledge and testing services, namely, computer security consultancy in the field of scanning and penetration testing of computers and networks to assess information security vulnerability; providing quality assurance services in the field of computer software; computer security service, namely, restricting access to and by computer networks to and of undesired web sites, media and individuals and facilities; providing platform as a service (PAAS) services, namely, providing web-based computer software platform for complaint submission; computer consultancy in the field of data security; consultancy concerning securing telecommunications technology; electronic document and e-mail authentication services; computerized communication network security services, namely, providing temporary use of non-downloadable computer software for conducting private and secure electronic communication over a private or public computer network; providing technological information in the field of Internet, the world wide web, and computerized communication network security; computer security consultancy, namely, consulting services in the fields of Internet, world wide web and computerized communication network security services, information security services; authentication in the field of computer security, namely, authentication of user identity for computer security; computer services in relation to on-line authentication of electronic signatures, namely, design, development, and implementation of software for authenticating digital signatures; off-site data backup; electronic data storage, namely, archiving business documents, personal documents and corporate documents; providing information on computer technology and programming via a web site; cartography services; rental of entertainment software; consultancy, information and advisory services relating to the aforesaid services; providing on-line non-downloadable computer software and computer applications for streaming videos, music and images
