MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of a black contor line drawing on a white background of a human facing right with their left leg bent and right leg straight, each arm raised above the shoulder with the right hand on the same horizontal plane with the left shoulder and left hand above the human's head holding a fireball. The human is shown in profile with the face pointing to the right of the mark and black contour lines for the eye, nose, ear and right side of the neck. The fireball starts in the humans right hand on the left side of the mark and splits into five lines that emerge from a single point in the humans right hand on the left side of the mark and expand over the head of the human and gradually get thicker as they move from one hand to the other and end at the left side of the fireball where the orange outside line of the fireball begins but does not touch or connect with the fireball. The fireball consists of two unconnected semicircle orange lines to form an almost touching yet incomplete circle. Inside the incomplete orange lined circle are two more semicircular lines that create the fireball image, the first line inside each of the two outer orange lines are yellow and the second line inside the first yellow lines are a different shade of yellow. All of the lines that form the circular fireball start out at a single point and get thicker as they move around the circle clockwise. The center of the fireball is blank showing the white background. Beneath the human holding the fireball is the black word "Divine" in all capitalized stylized lettering. Beneath the word "Divine" there is a gradient orange line, the same color orange as used in the outside lines of the fireball, that is thickest at the center and gets thinner on both the right and left side of the mark. The gradient line stretches horizontally from beneath the "D" in word "Divine" and terminates under the "E" in the word "Divine" with the thickest part of the gradient line appearing beneath in the space between the letters "I" and the "V" in the word "Divine". Beneath the gradient line, in smaller all capitalized stylized lettering, is the black word "Lighting" that stretches the same horizontal distance as both the gradient line and the word "Divine". **Color Drawing** Yes **Color Claimed** The color(s) black, white, yellow, and orange is/are claimed as a feature of the mark. **Disclaimer** "LIGHTING"
