MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of the literal element "DON'T BE AFRAID OF THE DARK" in black upper case letters centered below a design of a stylized moon hugging the Earth. The Earth is outlined in black as are the land masses depicted on the Earth and the landlocked areas of water. The land areas are shades of green which progressively change between dark green, green, and light green. The water surrounding the land and appearing within the land is blue in color with spots of light blue. The moon is highly stylized with a round head upon which is a face and stocking cap. The head rests upon arms and hands. The entirety of the moon design is outlined in black. The hands and arms stretch around the circumference of the Earth with the fingers of each hand nearly touching on the opposite side of the Earth. The left arm and hand are completely visible with just a portion of the right hand being visible. The arms and hands are gold and the face and stocking cap are primarily yellow with highlights of gold. The upturned nose and smile on the face are created by black lines. Black eyes, with white stars in the middle, are rimmed on the left edges in white. The eyelids are slightly closed and detailed with black outline. The moon's gold arms are overlaid with stars and circles that are outlined in black and are yellow and gold in color. The color white, except when otherwise identified as a feature of the mark, is not part of the mark but represents a transparent background. **Color Drawing** Yes **Color Claimed** The color(s) light blue, blue, dark green, green, light green, yellow, gold, black and white is/are claimed as a feature of the mark.
