CASE IDENTIFIERS

Serial Number 86745328 **Application Filing Date** Sep. 02, 2015 **Register** Principal **Mark Type** Service Mark **Publication Date** Feb. 16, 2016

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of the words "TITO'S PLAYLAND" beneath a dog and collar design. The wording "TITO'S" appears in yellow and orange font with black bold outlining around the entire word "TITO'S" followed by orange outlining along the top and side of the wording "TITO'S". The yellow and orange lettering of "TITO'S" is highlighted in white along the inside edges of the letters. Beneath the word "TITO'S" is the wording "PLAYLAND", which overlaps the bottom of the first "T" and the "S" in "TITO'S". The wording "PLAYLAND" is in white with bold black outlining and orange outlining along its bottom edge. The orange outlining connects with the orange outlining of "TITO'S" so that all of the wording is joined by the orange outlining. A dog's head and neck appears at the top of the wording "TITO'S". The dog has a brown and tan face and neck, with a dark brown nose, light brown ears, with tan hair sticking out of its pointy ears. The dog is wearing a teal mask that covers its entire face and upper neck, with holes for the dog's muzzle, eyes, and ears. The mask has yellow along the edge where the dog's mouth appears, and yellow around the dog's eyes. The dog's face is pointing right, so that only the left side of the dog's face is fully visible. The yellow circle around the dog's left eye has three wavy yellow lines extending down the dog's left face. The top of the yellow circle and the tips of the yellow lines are pink. The yellow and pink design appears to be like a yellow and pink fire ball around the dog's eye. The dog's eyes are imperfect circles, each is white with black and white pupils. The right eye also is surrounded by yellow and pink. There is a dashed dark teal line extending vertically from the top of the dog's mask to the dog's nose, between the dog's eyes. There is a light blue curve above the pink and yellow design surrounding the dog's left eye. The dog is wearing a yellow collar with a yellow star with a white smaller star on top, the yellow star extends down over the second "T" in "TITO'S". The dog is also wearing a teal cape. The dog appears on an orange background with orange lines extending out beyond the dog's head in a starburst pattern. Around the orange circular background is a purple border that appears to be in the style of a large collar. The top half of the purple collar is obscured by the dog's head. The bottom half of the purple collar is obscured by the wording "TITO'S". On the purple collar are

small blue and white circles evenly spaced around the collar. The entire collar and the blue circles are outlined in black. The purple collar has thick black outlines on both edges of the collar. The outer edge of the collar also has an orange outline. The orange lines extending from the dog's head are obscured by the purple collar, but then continue past the outer orange border around the top three quarters of the purple collar design. The left side of the dog's face and body appears shaded. The dog, its mask, cape, and collar are all outlined in black. The white appearing around the edges of the overall design is background and is not claimed as a feature of the mark. **Color Drawing** Yes **Color Claimed** The color(s) orange, yellow, black, brown, tan, dark brown, light brown, teal, white, pink, purple, dark teal, light blue and blue is/are claimed as a feature of the mark. **Disclaimer** "PLAYLAND"
