MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** of three parts. The main portion is a yin yang 3-Dimensional sphere; the words "Tai Chi Wellness" spread evenly circle around the top of the sphere and "SPA plus+" spread horizontally in a straight line just below the bottom of the sphere. The center of the sphere has a ying yang symbol with the top half of the symbol (the ying) fading from dark blue to white and a Chinese character of "Tai" in black on the top left of the ying symbol. There is a small blue circle located in the center of the ying symbol between the blue and white. The bottom right half of the symbol (or the yang) fades from black to dark blue with a blue circle centered at the bottom and a Chinese character of "Ji" or "Chi" in white on the bottom right half of the yang symbol. The mark consists of the logo "Tai Chi Wellness" in a semi- circle over a dark blue circle encompassing 2/3rds of the sphere. Below the entire dark blue circle is the logo "SPA PLUS +". The wording appears in dark blue with a black border and gray shadowing. The overall sphere appears in blue. **Color Drawing** Yes **Color Claimed** The color(s) Dark blue, light blue, grey, white and black is/are claimed as a feature of the mark. **Disclaimer** "TAI CHI WELLNESS SPA" **Transliteration** The non-Latin characters in the mark transliterate to "Tai" and "Ji" (or "Chi") and this means "TAI CHI" in English.

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of a black rectangular background with an inner textured blue rectangle featuring a stretching male athlete. The athlete has yellow hair, beige skin, pink cheeks, white and yellow shirt, pants, and shoes with grey shadows. His face is tilted up and to his left, mostly in profile, with eyes closed and mouth open. His left arm, which is stretching up, holds one end of a garland of a green plant, which streams down, behind the athlete's back, through his left hand and straight down on the left side of the mark. The athlete and the garland cast black shadows on the blue textured background. Centered at the top, in red stylized letters with white highlights, are the words "OLYMPIC GAMES" and centered below that, from left to right, "JULY 30", "1932", and "AUGUST 14". "1932" is written in red stylized letters with white highlights; the other dates are written in green stylized letters with white highlights. To the right of the athlete, by his knees, are the words "CALL TO" over "THE GAMES" over "OF THE" over "XTH OLYMPIAD", written in red with white highlights. Below the man is a band of textured orange background with the words "LOS ANGELES" over "CALIFORNIA" written on two lines in red stylized letters with white highlighting; to the left and right of those words are diagonal red slashes with white highlights. Below the orange band is a five interlocking ring design in colors from left to right of blue, yellow, grey, green, and red. A green plant with red berries is threaded through the rings. In the opening of the blue ring, below the grey ring, and in the opening of the red ring, are three stylized white scrolls. Written on the scrolls in black stylized letters, one word on each, from left to right, are the words "CITIUS", "ALTIUS", "FORTIUS" respectively. The small faint signature "KILENYI" appears at the bottom left of the mark in the color grey. **Color Drawing** Yes **Color Claimed** The color(s) yellow, beige, pink, white, grey, green, black, red, orange and blue is/are claimed as a feature of the mark. **Disclaimer** "JULY 30" AND "AUGUST 14" **Translation** The English translation of the various foreign words in the mark is as follows: "CITIUS ALTIUS FORTIUS" translates to "Faster, Higher, Stronger". **Name Portrait Consent** The name "KILENYI" contained in the mark does not identify a living individual.

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of two flags positioned diagonally against a turquoise and light blue sky background with a beige outline and with a grey and white cloud toward the bottom right side of the image. The front flag is white with grey shading and with five interlocking rings in colors left to right of light blue, yellow, black, green, and red. Appearing behind, to the left, and slightly below the white flag is a red flag with a dark blue horizontal stripe in the center outlined in white. The posts of the flag are upside down brown and beige bamboo ski poles with a white and grey basket and tip at the top of each post. Below the flags centered at the bottom of the image against beige hills is the golden wording "VI OLYMPIC WINTER GAMES", over "14.-25. FEBRUARY" and "NORWAY 1952" in red, and "OSLO" in turquoise in between. Three small beige towers are on the hill to the left. The bottom left-hand corner has an emblem with a design of five interlocking rings in colors left to right of dark blue, yellow, black, green, and red positioned in the center of two grey concentric circles and against a white rectangular block with two white rectangular towers, each of which casts a shadow towards the center of the circle. The rectangular block and towers are against a light blue background that fills the innermost circle which is surrounded by a thin grey double border. Encircling the circle is the stylized wording "DE VI. OLYMPISKE VINTRLEKER" across the top of the circle and "OSLO 1952" across the bottom of the circle in grey against a white background. The small faint signature "KNUT YRAN" appears at the bottom right corner of the mark in dark blue. **Color Drawing** Yes **Color Claimed** The color(s) turquoise, light blue, brown, grey, red, white, dark blue, black, yellow, green, golden, and beige is/are claimed as a feature of the mark. **Disclaimer** "14.-25. GOODS AND SERVICES INFORMATION

For [Non-metallic building materials, namely, concrete blocks, bricks, building stone, refractory bricks and blocks, gravel, alabaster, marvel, granite, limestone, sandstone, cobbles and boulders, pitch, asphalt, bitumen asphalt, coal-tar, concrete, mortars, adhesive mortar for building purposes, refractory concrete and mortars, non-metallic minerals for building and construction, sand, quartz, calcite, magnesia cement, asphalt-based mastic for foundations of buildings, cement mixes, filling cement, plaster, gypsum, fire proved tiles, concrete walls for building, ceramic tiles for flooring and lining, non-metal cladding for construction and building, non-metal wainscoting, asphalt roofing paper and felt, asphalt patching compound made of a tar base, concrete floors, concrete slaps, non-metal casting forms for concrete, frame work not of metal for building, construction elements not of metal, namely, supports and braces, non-metal lattices, non-metal chimneys, wood boards, joists not of metal, beams not of metal, non-metal laths, timber, artificial timber, plywood, wood panelling, planks, pipes of cement, non-metal gutter pipes, non-metal water pipes, rigid-pipes, not of metal, non-metal air-conditioning ducts, non-metal ducts, not for electrical circuits, non-metal roofing, roofing cement, asphalt roof coverings, asphalt-based roofing mastics, bituminous coating for roofing and roofing sealants, tar-based sealants for roofing, non-metal roofing tiles, non-metal gutters, non-metal shingles, non-metal roofing hips, non-metal ceiling panels and wood boards, non-metal windows, non-metal window casements, frame, screens and sills, glass blocks and bricks for building, safety glass, plate glass for building, insulated glass for building, non-metal shutters, non-metal jalousies, non-metal lintels, door casings, not of metal, door jambs, not of metal, door panels, not of metal, door frames, not of metal, stair-treads, not of metal, stair cases, not of metal, balustrades not of metal, non-metal gates and fences, non-metal floors, non-metal scaffolding, non-metal posts, cement posts; non-metal

transportable buildings; non-metallic prefabricated fixed buildings; asphalt, pitch or bitumen; non-metallic rigid pipes for building; monuments, not of metal; materials for making and coating roads, namely, asphalt, tar, pitch, bitumen, bitumen asphalt, bitumen and/or tar-based driveway and asphalt-sealants, coal-tar, asphalt composition paving, paving blocks not of metal, concrete road pavement boards, geotextiles for use in connection with road construction, glass granules for marking roads; coverings, not of metal, for building, roof coverings and roofs not of metal; floating docks; scaffolding, not of metal; mad marking materials, namely, glass granules for marking roads, colors for mad marking; crash barriers, not of metal, for roads]

International Classes 19 - Primary Classes **US Classes** 1, 12, 33, 50 **International Class Title** Non-metallic Building Materials

For [Insurance brokerage, consultation and information; financial affairs, namely, financial analysis, consultation and advice; real estate affairs, namely, real estate brokerage, consultation and financing; monetary affairs, namely, banking and money lending; real estate management, in particular management of properties/land, buildings including their equipment; evaluation of real estate taking into account both the requirements of owners/users and the subsequent optimal costs operation of real estate, in particular by operating and managing real estate, in particular by operating and management real estate during the usage phase, including the financial evaluation of ancillary costs and consumption costs; infrastructure services, namely, building management; financial preparation of financial statements and reports for building projects; rental and leasing of offices and land in the nature of real estate; property and building management; rental of office space; brokerage services, namely, brokerage of bonds and financial investments]

International Classes 36 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Insurance and Financial

For Machines, machine tools, and component and replacement parts therefor all for forming, riveting. swaging, and flaring of metal and plastics, removing waste material, breaking up road surface material, cutting and forming of material, conveying solids, separating recyclable materials, compacting powder materials, crushing rock, cuffing and forming of materials; motors and engines except for land vehicles, machine coupling and transmission components except for land vehicles; agricultural implements other than hand-operated, namely, cultivators, harvesters, disk harrows, seeders; automatic vending machines; machines and mechanical apparatus for crushing combustible materials and raw materials, in particular mills of all kinds; conveying installations, namely, conveyors; mechanical blowing machines; dust removing installations comprised of machines for cleaning purposes; power-generating apparatus and machines, namely, electric power generators; electric and air compressors; turbines, namely, steam and gas turbines; steam condensers; steam superheaters; pumps for machines; separators, in particular wet scrubbers in the nature of hydrocyclone installations and electrostatic separators; machines and mechanical apparatus and installations consisting thereof and individual parts thereof for separating, sorting, convoying, pressing and comminuting fuels and raw materials in the nature of common metals

International Classes 7 - Primary Classes **US Classes** 13, 19, 21, 23, 31, 34, 35 **International Class Title** Machinery

For Apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, namely, lighting installations, electrical space heaters, air cleaning units, air conditions, hollers for heating installations, central air-condition installations, combination steamers and ovens, dehumidifier, water coolers, heating installations; purification installations for sewage; watering machines for agricultural purposes; desalination units; air ionizing apparatus; water purification installations; burners, namely, burners for lamps, oil and gas burners for domestic and commercial use; air valves for steam heating installations; furnaces * being parts of heating systems or stoves *; electrochemical hot gas generators *being parts of heating systems or stoves *; air filters as parts of industrial installations * being parts of heating systems or stoves *; waste heat boilers * being parts of heating systems or stoves *, electric air preheaters * being parts of heating systems or stoves *, electric rotary air heaters * being parts of heating systems or stoves *; heating surfaces, namely, heating installations; heating boilers; gas condensers * being parts of heating systems or stoves *; refrigeration installations; refrigerating apparatus; nuclear [and solar] reactors; air-conditioning fans; firing technology machines in the nature of spark igniters for solid, liquid and gaseous fuels; burner valves; preheating apparatus, namely, electric air preheaters; gas reduction apparatus, namely, regulating accessories for gas pipes and lines * being parts of heating systems or stoves *; gas-oil combined burners and gas surface burners for industrial, commercial and domestic use; flue gas cleaning installations, namely, separators for the cleaning and purification of gases; water and waste water treatment installations, namely, waste water purification apparatus, installations and tanks, water filtration units; water and waste water conditioning installations and component and replacement parts therefore for purification of waste water; generators for gases to be used in industry, namely, oxygen generator for processing water by increasing oxygen content in the water, hydrogen generators, ozone, generators that kill mold and mildew, oxygen generator based on thermal decomposition of oxygen rich salts, acetylene generators, electrochemical gas generators [; hydrogen generators]

International Classes 11 - Primary Classes **US Classes** 13, 21, 23, 31, 34 **International Class Title** Environmental Control Apparatus

For [Chemicals used in industry, sciences and photography, as well as in agriculture, horticulture and forestry except fungicides, herbicides, insecticides and parasiticides; unprocessed artificial resins, unprocessed plastics; manures; fire extinguishing compositions; tempering preparations and soldering preparations in the nature of chemicals and fluxes; chemical substances for preserving foodstuffs; tanning agents for use in the manufacture of leather; adhesives used in industry; oil separating chemicals; concrete-aeration chemicals; agglutinants for concrete]

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For [Advertising; business management; business administration; office functions; business organizational preparation of building projects; business organizational consultancy; business organizational project management; office machines and equipment rental; office personnel placement; layout services for advertising purposes; arranging and conducting of commercial exhibitions; collating of data in computer databases; development of marketing strategies and concepts for real estate; business management and organization of vehicle fleets; business organization consultancy; maintenance of data in computer data bases; business organization consultancy in the field of the management of a building in the nature of facility services also via subcontractors and cooperation partners; document copying services; personal management services, namely, recruiting and placement of subcontractors; commercial management assistance in relation to building projects, including area management, contract management, in particular the arranging of contracts for the rental of real estate including house rental]

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For [Building construction; repair of buildings, construction machines, construction equipment, water vehicles in the nature of boats, floating cranes, barges, pontoons, rafts, floating movable bridges and process technology installations for environmental technology in the nature of water, air and soil pollution treatment equipment; installation services, namely, installation of business and office machinery and equipment, computer networks and systems, telephone lines, electric generating machinery, freezing apparatus, cleanroom facilities and equipment, elevators, furnaces, appliances, windows, doors, panelling, shuttering, blinds, air-conditioning apparatus, condensing apparatus, steam condensers, radiators for motors and engines, air reheaters, boiler tubes, basement water proofing, building ceiling, burglar and/or fire-alarms, security systems, ballustrading, shutters, Jalousies, wood panelling, gates, chimneys, wall-claddings, palings, insulating materials, electrical systems, irrigation systems; exterior and interior cleaning of buildings, windows, vehicles, textiles; maintenance, repair and servicing of real estate, namely, buildings; installation, maintenance and repair of conveying, refrigerating and heating facilities; maintenance services, in particular servicing of buildings; maintenance of technical building installations in the nature of construction machines, construction equipment, water vehicles in the nature of boats, floating cranes, barges, pontoons, rafts, floating movable bridges and process technology installations for environmental technology in the nature of water, air and soil pollution treatment equipment; caretaker services, namely, carrying out minor repairs in the nature of handyman services; servicing of outdoor installations, in particular building facade maintenance; building construction information; management and supervision of construction works; conducting building projects; demolition of buildings; cleaning of buildings, interior and exterior; rental of construction machinery; home and building maintenance, repair and cleaning in the nature of caretaker services; assembly services relating to the installation of and maintenance and repair of computer hardware, office equipment and electrical equipment, mining extraction; road paving]

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Apparatus for recording, transmission or reproduction of sound or images; blank magnetic data carriers; pre-recorded magnetic data carriers featuring infrastructure projects, audio and video; blank recording optical discs; pre-recorded optical discs featuring infrastructure projects, audio and video; blank compact discs: pre-recorded compact discs featuring infrastructure projects, audio and video; blank DVDs and other digital recording media, namely, blank digital storage media; pro-recorded DVD's and other digital recording media, namely, pro-recorded digital storage media featuring infrastructure projects, audio and video; mechanisms for coin-operated apparatus; cash registers, calculating machines; data processing computer hardware, computers; computer software for operating system programs, computer system and application development, deployment and management, monitor and control factory manufacturing processes, collecting, editing, organizing, modifying. bookmarking, transmission, storage and sharing of information; [tire-extinguishing] * fire-extinguishing * apparatus; data-processing equipment and computers; alarm installations and alarms; electromechanical and electronic controls for the remote control of industrial operations, heating and energy management, control of door ingress and egress, control systems for machines; recorded computer operating programs; blank magnetic and optical data carriers; clothing, gloves, and shoes for protection against accidents * for personal use *

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For [Transport, namely, transport of goods and passengers; transportation by land, sea and by air, of documents and parcels; packaging; storage and delivery of goods; courier services; freighting; transport and sending of freight; customs brokerage in connection with the transport and shipment of goods; passenger transport services, namely, passenger vehicle fleet management, collection and delivery of seeds services, supply chain logistics and reverse logistics services, namely, the acceptance, packaging, thermal bonding, labelling, storing, managing, sending, commissioning and arranging of goods; distribution and collection of mail, delivery and disposal services, in particular of auxiliary materials and raw materials; rental of vehicles; transport and storage of waste; car parking; distribution of electricity. energy and water]

International Classes 39 - Primary Classes **US Classes** 100, 105 **International Class Title** Transportation and Storage

For [Treatment of materials in the field of industrial toxic waste disposal, nuclear waste treatment; water treating; electroplating; metal tempering; soldering; metal treatment; waste processing services; soiling of waste and recyclable material; destruction of waste and rubbish; recycling of waste and rubbish, in particular treatment of building rubble and incineration of waste and trash in incineration installations; printing services; generation of energy; air freshening; air purification; rental of room heaters]

International Classes 40 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Material Treatment

For Scientific and technological services, namely, planning of buildings and infrastructure systems for buildings, industrial design services, design and technical planning of tunnels and underground structures, foundation engineering, engineering services for the construction of water treatment and purification plants, solid waste treatment plants and other municipal infrastructure facilities, design for others in the fields of engineering, infrastructure projects, railways, roads, tunnels, bridges, foundations, harbor facilities, locks and dams, stadiums and airports, gas and oil utility plants, power plants and industrial facilities, retaining walls, excavation pits, dewatering systems, slopes, and ships, engineering services for building and property condition assessment, facility management, repair and restoration and building instrumentation and monitoring, and environmental consultancy, hydrologic and engineering modeling and design of measures to protect areas likely to be inundated by storm water and flat-waters, hydrologic and hydraulic modeling and design of storm drainage infrastructure, materials testing, analyzing, and evaluation, evaluation and testing of real estate for the presence of hazardous material, surveying, data automation and collection service using proprietary software to evaluate, analyze and collect service data; computer software design; architectural services; architectural consultancy; consultancy in the field of computers; installing, duplication, updating, rental of computer software; rental of and maintenance for computer hardware; engineering; industrial design and interior design; measurement evaluations in the field of infrastructure projects, environmental testing and inspection services, designing plant components and equipment for nuclear, chemical and petrochemical, solar, oil, and gas power plants, testing or research on civil engineering, testing of jet engines, land use planning services, urban planning; consultancy relating to the conservation of energy; providing of geological expertise in the nature of research, estimations, prospecting and surveying; design and maintenance of websites for third parties; construction drafting; land surveying; urban planning; research and development for others in the fields of civil engineering, computer hardware, computer software, building construction, power generating, environmental protection; research on building construction featuring preparation of reports

relating to technical project studies for construction projects; research in building construction or city planning featuring technical project studies in the field of real estate; development of energy management systems for optimizing energy consumption; structural and civil engineering; inspection of technical building installations for quality control

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

For Metal building materials, namely, metal drain pipes, metal pipes, metal sewer pipes, metal connector pipes, pipes and tubes of metal, stainless steel pipes, cladding of metal for construction and building, construction elements made of metal, namely, shores, supports and braces, metal reinforcement materials for building; transportable buildings of metal; materials of metal for railway tracks; non-electric cables and wires of common metal; ironmongery, small items of metal hardware, namely, pulleys, springs, nuts, screws, bolts and washers; metal containers for the storage and transportation of goods; storage tanks and vats of metal; metal structures, namely, metal shelter structures, metal structures for mounting solar panels; common metals and their alloys; metal ores; pipework of metal; pipes and tubes of metal and pipeline systems consisting thereof; coated pipes and tubes of metal protected against corrosion and erosion; membrane walls of metal * for building industry *; closures of metal for containers; metal combustion grates
