CASE IDENTIFIERS

Serial Number 88720619 **Application Filing Date** Dec. 09, 2019 **Register** Principal **Mark Type** Trademark **Publication Date** Dec. 29, 2020

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 2 - AN ILLUSTRATION DRAWING WITHOUT ANY WORDS(S)/ LETTER(S) **Description of the Mark** The mark consists of four groups of non-Latin characters, each group having a different color scheme, followed by a hand-drawn design of a hot dog on a stick. From left to right, the first group consists of black Korean characters with a gold four-petal flower-shaped symbol centered above and between the first and second Korean character. The second group consists of white Chinese characters within a red oval background that is positioned above the Korean character on the right end of the first group. The third group consists of a white Korean character, within a red background having the shape of a square with rounded corners. The fourth group consists of gold Korean characters. To the right of the gold Korean characters is a hand-drawn design of a gold hot dog, outlined in black, with a black stick extending from the bottom of the hot dog. There are two black wavy lines in the center of the hotdog. **Color Drawing** Yes **Color Claimed** The color(s) black, gold, red, and white is/are claimed as a feature of the mark. **Disclaimer** THE NON-LATIN CHARACTERS THAT TRANSLITERATE TO "SSAL HOT DO GEU" **Translation** The English translation of "CHUNG CHUN GAM SUNG", "SSAL" and "HOT DO GEU" in the mark is "YOUTHFUL EMOTION", "RICE" and "HOTDOG", respectively. **Transliteration** The non-Latin characters in the mark transliterate to "CHUNG CHUN GAM SUNG SSAL HOT DO GEU" and this means "YOUTHFUL EMOTION RICE HOTDOG" in English.

Mark Literal(s) FREAKSHOW A MICHAEL DAVID JOINT LODI VINTAGE 2017 ZINFANDEL CALIF.

CASE IDENTIFIERS

Serial Number 88731861 **Application Filing Date** Dec. 18, 2019 **Register** Principal **Mark Type** Trademark **Publication Date** Dec. 29, 2020

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of a rectangle with the word "FREAKSHOW" in red lettering and outlined in gold with gold dots inside at the top of the mark in large stylized letters arched and the wording "A MICHAEL DAVID JOINT" in white, in smaller stylized letters. Below the wording are three circus tents in red and white stripes with a dark teal and black sky and a blue, brown, grey, red, yellow and white crowd backdrop and in the front center is a teal platform with orange trim, orange stylized fire designs, and black lines which is surrounded by orange fire on the brown and orange ground. A red and blue matchbox appears on the platform. Standing on top of the platform is a woman with tan skin, brown hair and wearing a yellow and red headdress, a yellow and orange leotard, yellow bracelet and green tights and black shoes. In both hands are black wands on fire with orange and yellow flames. To the right of the woman is a brown and black chimpanzee wearing a black and white top hat and a blue and white tuxedo with black pants and black and white shoes holding a grey and black newspaper. To the left is an orange gasoline can. A white banner outlined in red appears behind the woman featuring stylized red wording "LODI VINTAGE 2017 ZINFANDEL CALIF". At the bottom of the mark is a green and yellow line. **Color Drawing** Yes **Color Claimed** The color(s) red, gold, white, yellow, teal, black, blue, brown, grey, orange, tan, green is/are claimed as a feature of the mark. **Disclaimer** "LODI CALIF." AND "VINTAGE 2017 ZINFANDEL" **Name Portrait Consent** The name(s), portrait(s), and/or signature(s) shown in the mark does not identify a particular living individual.

information via global computer networks; advertising agency services; advertising services provided for others; database management; compilation of information into computer databases in the field of business and e-commerce; business consulting services in the field of e-commerce; business consulting services in the field of web based events, conferences, training programs, learning programs, and seminars; business consulting services in the field of delivering web-based knowledge; business consulting services in the field of online collaboration and collaboration technologies; business consulting services in the fields of sales and marketing; business project management services, namely, the development, set up, staging, production, attendance-recording, monitoring and follow-up for business purposes, for web based business events, conferences and programs; market research and business consulting services in the field of business and e-commerce; business consultancy services relating to business issues concerning facilitating the transaction of business via local and global computer networks by locating and providing referrals for the delivery of a wide variety of business and consumer products and services; providing business information concerning the goods and services of others via local and global computer networks; business consultancy services in the field of global computer web sites where third parties can offer and source goods and services, place, determine the status of and fulfill trade leads and orders, enter into contracts and transact business; providing computerized online ordering services featuring a wide variety of general consumer, business, and industrial products and merchandise; advertising of goods and services of others via local and global computer networks; international import and export agency services; rental of advertising space on communication media; commercial administration of the licensing of the goods and services relating to semi-conductors, microcontrollers, computer chips and central processing units of others; corporate business management consultancy services; marketing and promotion services; publication of publicity materials; marketing services, namely, providing videos to promote vacant premises; dissemination of advertising materials, updating of advertising materials, and compilation of advertisements for use as web pages on the Internet; rental of advertising space; computer data processing; providing information concerning commercial sales, providing business information, providing a database of business information pertaining to the promotional products industry; telephone answering service; auctioneering provided on the Internet; personnel management; provision of commercial sales, business, advertising and promotional information through a global computer network and via the Internet; presentation of goods of others for retail purposes via the Internet, namely, retail store service featuring a wide variety of consumer goods of others; the bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from a general merchandise Internet web site particularly specializing in the marketing of the sale of goods and services of others; the bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from a general merchandise catalogue by mail order or by means of telecommunications in the field of clothing, lingerie, cosmetics, jewelry, watches, music and media products, food and beverages, home entertainment electronics, home appliances, phones, PDAs, MP3 players, video games, consoles, books, crafts, furniture, tools, house wares, photographic equipment, computers, kitchen wares, toys, sporting goods, bikes and automobiles; the bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods from retail in the field of clothing, lingerie, cosmetics, jewelry, watches, music and media products, food and beverages, home entertainment electronics, home appliances, phones, PDAs, MP3 players, video games, consoles, books, crafts, furniture, tools, house wares, photographic equipment, computers, kitchen wares, toys, sporting goods, bikes and automobiles; retail and wholesale store services in the field of bleaching preparations and other substances for laundry use, leather bleaching preparations, fabric softeners for laundry use, cleaning, polishing, scouring and abrasive preparations, shining preparations, abrasive cloth, polishing paper, glass cloth, glass paper, floor wax, shoe wax, polish for furniture and flooring, detergents other than for use in

manufacturing operations and for medical purposes, dry-cleaning preparations, canned pressurized air for cleaning and dusting purposes, color-removing preparations, varnish-removing preparations, wallpaper cleaning preparations, windscreen cleaning liquids, air fragrancing preparations, joss sticks, soaps, medicated soap, perfumery, extracts of flowers, essential oils, massage gels other than for medical purposes, sunscreen preparations, sun-tanning preparations, cosmetics, lipsticks, lipstick cases, cosmetic preparations for skin care, cosmetic preparations for slimming purposes, adhesives for cosmetic purposes, nail care preparations, make-up removing preparations, shampoos, dry shampoos, shampoos for pets, hair lotions, after-shave lotions, shaving preparations, dentifrices, dental bleaching gels, mouth washes not for medical purposes, hair spray, hair dyes, antiperspirants, deodorants for human beings or for animals, pharmaceutical and veterinary preparations, vaccines, sunburn ointments, sanitary preparations, sterilizing preparations, solutions for contact lenses, panty liners, remedies for foot perspiration, dietetic food and substances adapted for medical or veterinary use, yeast for pharmaceutical purposes, sugar for medical purposes, royal jelly dietary supplements, food for babies, dietary supplements for humans and animals, nutritional supplements, vitamin preparations, tanning pills, slimming pills, tobacco-free cigarettes for medical purposes, plasters, materials for dressings, surgical cloth, surgical implants, material for stopping teeth, teeth filling material, dental wax, mouthwashes for medical purposes, disinfectants, preparations for destroying vermin, fungicides, herbicides, rat poison, repellents for dogs, semi-conductors, semi-conductor integrated circuits, semi-conductor memory chips, semi-conductor memory controllers, semi-conductor memory integrated circuits, semi-conductor processor chips, semi-conductor processors, microcontrollers, microcontroller units, low power microcontrollers, circuit chips, computer chips, CPU (central processing unit), RISC-V computer chips and central processing units, computer chips and central processing units with instruction set architecture, telephones, mobile phone handsets, mobile phone accessories, electronic and telecommunications goods, automobile navigation systems, satellite navigational apparatus, global positioning system (GPS) navigation devices, navigational instruments, computer hardware and computer software, batteries, battery chargers, apparatus and instruments for recording, receiving, transmitting and/or reproducing data, information, pictures, images and/or sound, surgical, medical, dental and veterinary apparatus and instruments, obstetric apparatus, X-ray apparatus for medical purposes, hot air therapeutic apparatus, electric blankets for medical purposes, testing apparatus for medical purposes, blood testing apparatus, hearing aids for the deaf, hearing protectors, massage apparatus, air pillows for medical purposes, air cushions for medical purposes, physical exercise apparatus for medical purposes, vaporizers for medical purposes, fumigation apparatus for medical purposes, thermal packs for first aid purposes, armchairs for medical or dental purposes, artificial limbs, eyes and teeth, orthopedic articles, suture materials, supportive bandages, babies' bottles, tongue scrapers, X-ray photographs for medical purposes, precious metals, jewelry, precious stones, printed matter, stationery, magnetically and non-magnetically encoded cards, furniture, picture frames, household and kitchen utensils, glassware, porcelain and earthenware, textiles, clothing, footwear, headgear, laces and embroidery, buttons, ribbons, pins and needles, artificial flowers, carpets, rugs, games and electronic toys, chemicals used in industry, chemicals used in science, chemicals used in photography, chemicals used in agriculture, paints, varnishes and lacquers, personal hygiene products, hair and body lotions, cleaning and bleaching preparations, lubricants, fuels, candles, ironmongery and small items of metal hardware, machines and machine tools, cutlery, razors and hand tools, computers, calculating machines, electrical, photographic, cinematographic and optical apparatus and instruments, spectacles and sun glasses, surgical and medical apparatus and instruments, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, vehicles, firearms, fireworks, silverware, horological and chronometric instruments, musical instruments, magazines, cards, paper and cardboard products, namely, computer paper,

cardboard boxes, paper office stationery, pictures, typewriters and office requisites, packaging materials, rubber and plastics for manufacturing use, packing and insulating materials, leather and imitations of leather, handbags, purses, wallets, leather holders, bags, luggage, umbrellas, mirrors, ropes, string, nets, tents, yarns and threads for textile use, coat hangers, place mats, dressmaker's articles, bed and table covers, playthings and sporting articles, foodstuffs and beverages, meat, fish, poultry, preserved, dried and cooked fruits and vegetables, jams and fruits sauces, eggs, milk and milk products, edible oils and fats, coffee, tea, cocoa, sugar, rice, flour, bread and cakes, condiments, fresh fruit and vegetables, beer, mineral water, fruit juices and other non-alcoholic drinks, alcoholic beverages, floral products, tobacco, smokers' articles and matches; direct mail advertising services; purchasing and procurement services, namely, buying and selling agency services in the nature of purchasing a wide variety of consumer, business and industrial products and services for others, and selection of goods and procurement of goods for individuals and businesses, namely, purchasing of a wide variety of consumer, business and industrial products and services for individuals and businesses; online ordering services featuring a wide variety of consumer goods of others; retail department store services; retail supermarket services; secretarial services; provision of business statistical information; organization of exhibitions for commercial or advertising purposes; organization of fashion shows for commercial purposes; organization of fashion shows for promotional purposes; business assistance services, namely, preparing marketing mailing lists and rental of advertising material in the nature of marketing mailing lists; business investigation; business administration consultation services in the field of processing of sales made on the Internet; business networking referral services, namely, promoting the goods and services of others by passing business leads and referrals among group members; personnel placement; import-export agency services; arranging newspaper subscriptions for others; document reproduction in the nature of photocopying services; transcription, namely, conference call, message and stenographic transcription; rental of office equipment; customer relationship management; business management and administration services relating to promotional sponsorship programs; accounting services; charitable services, namely, organizing and conducting volunteer programs and community service projects; rental of sales stands; provision of commercial and business contact information; pay per click advertising; commercial intermediation services, namely, negotiation and settlement of commercial transactions for third parties, business management advisory services relating to franchising, provision of commercial and business contact information; business management for freelance service providers; negotiation and conclusion of commercial transactions for third parties; updating and maintenance of data in computer databases; business project management services for construction projects; import-export clearance agencies, namely, customs clearance services

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Scientific, research, navigation, photographic, optical, signaling, measuring, checking as in supervision, life-saving apparatus and instruments, namely, electronic notice boards, fire extinguishers, acoustic alarms, namely, smoke and fire alarms, eyeglasses, batteries; downloadable software for processing electronic payments to and from others; downloadable authentication software, namely, software for authenticating the identity of a payer; downloadable computer software applications for mobile devices and computers, namely, software for financial analysis, planning and management, software for securing and protecting data on mobile devices and computers, software for authenticating user identification, software for controlling access to and communications with mobile devices and computers; downloadable software applications for use with mobile devices, namely, software for use in database management, for use as a spreadsheet, for word processing, for recording, collecting, organizing, storing, archiving, reproducing, searching, retrieving and displaying digital data in the field

of shopping, purchasing, communication, product and service reviews, entertainment, health and fitness, lifestyle, media and video, music and audio, photography and social network; computer software that may be downloaded from a global computer network for posting information, creating electronic product catalogs, responding to requests and placing and fulfilling orders for products, services and business opportunities via local and global computer networks, for use in document management, for searching, browsing and receiving transmissions of text, electronic documents, graphics and audiovisual information on local and remote area networks and global computer networks, on intranets, or on directories of information available on computer networks, for use in software development and web authoring, for use in exchanging information via global computer networks and online from a computer database and the internet, for business use for financial management, financial planning, business management, customer relationship management (CRM), inventory management, sales force management, planning and management of personal and business finances, and marketing information management, for data mining, for high-speed massive e-commerce data processing, and for data customization, all of the foregoing for use by third parties in connection with an interactive website in the field of e-commerce; downloadable computer software applications for use with mobile devices and computers, namely, software for use in database management, for use as a spreadsheet, for word processing, for recording, collecting, organizing, storing, archiving, reproducing, searching, retrieving and displaying digital data in the field of e-commerce, data management, customer relationship management, entertainment, education and telecommunications provided via the Internet; downloadable instant messaging software; downloadable file sharing software; downloadable communications software for electronically exchanging data, audio, video, images and graphics via computer, mobile, wireless and telecommunication networks; downloadable computer software for processing images, graphics, audio, video and text; downloadable computer software applications for downloading and transmitting video files, audio files, films, movies and television programs featuring children's entertainment, family entertainment, drama, action, adventure and fantasy; downloadable computer software for use in the field of business for financial management and financial planning; downloadable cloud-computing software for deploying virtual machines to a cloud computing platform, managing virtual machines on a cloud computing platform; downloadable cloud-based software for storing and managing electronic data, accessing databases and internet security; downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; downloadable computer software for accessing, viewing and controlling remote computers and computer networks; downloadable computer software for use in the search and retrieval of computerized information from global information networks and network systems about hobbies, collectibles, auctions and products; data storage programs, namely, downloadable software used for the storage of electronic data and documents and data on hard discs, compact discs, tapes and optical discs; downloadable computer software for use with global positioning system (GPS) navigation systems for navigation, route guidance and electronic mapping; downloadable computer software for use with route planners, electronic maps and digital dictionaries for navigation and translation purposes; downloadable computer programs and computer software for financial management, financial planning, business management, customer relationship management (CRM), inventory management, sales force management, planning and management of personal and business finances and marketing information management, all in the field of e-commerce and business; digital music downloadable from the Internet; downloadable computer game software and pictures in the field of aircrafts, automobiles, buildings, natural scenery and pets, downloadable motion picture films and movies in the field of children's entertainment, family entertainment, drama, action, adventure and fantasy and music via the internet and wireless devices; downloadable computer game programs, electronic and video games programs and software game programs via the Internet; downloadable and recorded computer board game software; computer game software,

downloadable; computer game software, recorded; downloadable and recorded computer video game programs; downloadable and recorded computer applications for streaming videos, music and images; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, namely, electric wires, electric switches, and electrified fences, namely, electric fences; apparatus for recording, transmission or reproduction of sound or images; blank magnetic data carriers and recording discs, namely, CD-R, CD-RW, DVD-R and DVD-RW discs; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; downloadable publications, namely, magazines, articles, brochures, leaflets, datasheets, informational materials, instructional materials featuring business, e-commerce, information technology, cloud computing, telecommunications, the Internet, business and e-commerce training, business, sales, marketing and financial management recorded on computer media; semi-conductors; semi-conductor integrated circuits; semi-conductor memory chips; semi-conductor memory controllers; semi-conductor memory integrated circuits; semi-conductor processor chips; semi-conductor processors; microcontrollers; microcontroller units; low power microcontrollers; circuit chips; computer chips; CPU (central processing unit); RISC-V computer chips and central processing units; computer chips and central processing units with instruction set architecture; computer peripherals; notebook computers; laptop computers; portable computers; handheld computers; personal digital assistants; personal portable media players; mobile telephones; smart phones; digital cameras; batteries, battery chargers; computer workstations comprising computers and computer monitors; servers, namely, computer servers; computer and telecommunications networking computer hardware; computer network adaptors, switches, routers, hubs; wireless and wired modems and communication cards and devices, namely, cable modems, computer fax modem cards, external modems, internal modems, modem cables, modems; laptop holders in the nature of protective sleeves and carrying cases, computer bags; fire-extinguishing apparatus; computer hardware and firmware for use in the field of business for financial management and financial planning; satellite-aided navigation systems in the nature of automobile navigation system featuring interactive digital map displays, interactive instructions and user generated information; compact discs featuring music; telecommunications apparatus, namely, VOIP phones, network telephones, electronic facsimile machines, portable digital electronic device for sending and receiving electronic mails, and instant messaging communication tool in the nature of portable telecommunication instant messaging devices; mouse pads; mobile phone handsets; mobile phone accessories, namely, battery chargers, cases, covers, ear phones, headsets and hands-free calling devices; alarm monitoring systems; security cameras; mobile radio and television broadcasting units, namely, transmitting and receiving apparatus for radio and television broadcasting and for long-distance transmission; television broadcasting equipment, namely, video cameras, film cameras, monitors, flat panel display screens, audio monitors, audio recorders, video recorders, electronic switchers, cables for the transmission of sounds and images, lights for use with video cameras and film cameras, camera lenses, camera tripods, camera cases, blank videotape, audio mixing boards and video editing computer hardware; cameras; video cameras; headphones; ear pieces, namely, ear buds; speakers, namely, loud speakers; global positioning system (GPS) apparatus and equipment, namely, GPS systems; liquid crystal displays for telecommunications and electronic equipment; set top box; remote control for radios, televisions, stereos, computers, video recorders, audio systems and audio and video playback machines; spectacles and sunglasses; electronic signboards; magnetically encoded bank credit, debit, cash and identification cards; automatic teller machines, cash dispensers; electronic book readers; digital media streaming devices; diving suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Telecommunications services, namely, providing telephone communication, Internet telephony services, network telephone, electronic facsimile, electronic transmission of electronic mails, and instant messaging communication services; telecommunications services, namely, transmission and delivery of digital data, photographs, audio files, data, information and image signals by means of computers, cable radio and satellite transfer, all in particular for navigation systems, route planners and the use of electronic maps; providing web-based multimedia teleconferencing and videoconferencing that allow simultaneous and asynchronous viewing, sharing, editing, and discussion of documents, data, and images by participants via a web browser; providing customers with multiple user access to a global computer network to access online reports regarding the performance, effectiveness, and status of web-based applications, teleconferences, videoconferences, and meetings; providing users with secure remote access via the Internet to private computer networks; providing information in the fields of secured transmission of data and information; consulting services in the fields of secured data and information transmission services; providing online collaboration services, namely, providing multiple user access to global computer network which allows users to access applications, platforms, jointly-shared documents, data, task lists, and discussion forums; Internet broadcasting services; Internet service provider services; provision of telecommunication access and on-line communications links to computer databases, the Internet and world-wide web; electronic communication services, namely, information transmission via electronic communication networks; interactive telecommunications services, namely, transmission of voice, audio, visual images, audio-visual content, text and SMS messages, documents, and data by communication networks; telecommunication of information in the nature of transmission of database information via telecommunication networks; providing telecommunication connections to the Internet or databases; communication by computer terminals; communication by fibre optic networks; electronic transmission of messages and images by computer; facsimile transmission; paging services; rental of modems; transmission of data by electronic means; rental of telecommunication equipment; electronic message sending, receiving and forwarding services; electronic exchange of voice, data, audio, video, text and graphics accessible via computer and telecommunication networks; instant messaging services; mobile phone communication services; transmission and delivery of data by electronic means; electronic transmission and delivery of mail messages, still picture and moving picture information, namely, characters, messages, music and images, telegrams, information, and data by electronic, telephone, telegraph, cable, computer and satellite means; transmission, broadcast and reception of audio, video, still and moving images and data via telecommunication means whether in compressed or uncompressed form and whether in real or delayed time; electronic messaging services; telephone, video and web conferencing services; electronic order transmission services; video conferencing services; electronic bulletin board services, namely, providing an electronic bulletin board for real-time interactive talk in the nature of communication among users between a computer terminal and an electronic board for transmission of still picture and moving picture information and voice information, including characters in the field of general interest; providing electronic bulletin boards and message boards for transmission of messages among users concerning business and e-commerce; provision of online discussion forums for transmission of messages among computer users concerning business and e-commerce; television broadcasting services; broadcasting and transmission of radio and television programs; music broadcasting; transmission of music, films, interactive programs, videos, electronic computer games via a global computer network or the internet; electronic transmission of information in the field of online shopping and general retail services; video-on-demand transmission services; news agency services for electronic transmission; providing access to

computer database on the global computer network for searching and retrieving information, data, web sites and resources available on computer networks; providing multiple user access to a computer database containing electronic publications, bulletin boards, database and information accessible via computer; providing chat room services for transmission of messages among computer users concerning business and e-commerce; providing multiple user access to global computer information networks for the transfer and dissemination of a wide range of information; providing access to an interactive website on a global computer network for third parties to post information, respond to requests and place and fulfill orders for products, services and business opportunities; communication services, namely, text and numeric wireless digital messaging services; transmission of information by data communications for assisting decision making; transmission of information through video communication systems; web conferencing services; electronic communication services, namely, virtual chat rooms established via text messaging; providing electronic bulletin boards for the posting and transmission of messages among and between computer users concerning consumer products, services and business leads and opportunities; providing an online interactive bulletin board for the posting, promotion, sale and resale of items in the field of clothing, personal care products, computers, computer equipment, computer software, telecommunication apparatus, game machines, food and beverages via a global computer network; electronic transmission of e-mail services; transmission, broadcasting and streaming of audio and video via computers, computer networks and global communication network; providing computer access to online interactive bulletin boards and databases; providing access to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; teleconferencing services, namely, distant video and telephone conferencing; providing access to electronic calendar, address book and notes feature, via local and global computer networks; providing facilities and equipment rental for video and telephone conferencing; providing computer links in the nature of on-line communication links to third party web sites to facilitate e-commerce and real world business transactions; computerized communication network security services in the nature of providing private and secure real time electronic communication over a computer network; and consultancy, information and advisory services provided in connection with the aforesaid services; streaming of data; video, audio and television streaming services; providing data streaming capacity to others, namely, providing others with access to remotely stored data and software

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Scientific and technological services, namely, research and design in the field of telecommunication software and hardware design, Internet technology, the design of websites for advertising, software design, and e-commerce software and hardware design, and industrial research and scientific analysis services in the field of e-commerce computer software networking systems; industrial research services in the field of business and e-commerce; scientific and technological services, namely, technology research and product design services related to telecommunication and navigation signals; design and development of computer hardware and software; software as a service (SaaS) services featuring software for monitoring and management of computer-based information systems and networks; software as a service (SaaS) services featuring software for database management, data analysis, document management, document analysis, project management, project planning, budget management and electronic storage of data; providing temporary use of on-line non-downloadable cloud computing software for database management, data analysis, document management, document analysis, project management, project planning, budget management and electronic storage of data; cloud computing featuring online non-downloadable software for database management, data analysis, document management, document analysis, project management, project planning, budget management; providing temporary use of on-line non-downloadable cloud-based software for storing and managing

electronic data, accessing databases and internet security; providing virtual computer systems and virtual computer environments through cloud computing; computer services, namely, design and development of computer systems for transmitting information, data, documents and images over the Internet; computer services, namely, design and development of semi-conductors, semi-conductor integrated circuits, semi-conductor memory chips, semi-conductor memory controllers, semi-conductor memory integrated circuits, semi-conductor processor chips, semi-conductor processors, microcontrollers, microcontroller units, low power microcontrollers, circuit chips, computer chips, CPU (central processing unit), RISC-V computer chips and central processing units, computer chips and central processing units with instruction set architecture; application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services featuring software for web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; providing on-line non-downloadable computer software and computer applications for streaming audio materials, video materials, videos, music and images; providing technical support services, namely, providing backup computer programs and facilities, troubleshooting of computer software problems to end users by means of telephone or global computer network; computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, and engage in social networking; computer technology advice provided to Internet users by means of a support hotline; computer services, namely, creating online indexes of information, sites and resources on computer networks; providing search engines for the Internet; design of computers, notebook computers, laptop computers, portable computers and handheld computers; design of personal digital assistants and personal media players for others; design of mobile telephones and smart phone for others; design of digital cameras for others; computer services, namely, computer system administration for others; computer programming; computer systems integration services; computer systems analysis services; computer programming in relation to the defense against virus, namely, computer virus protection services; computer system software services, namely, design and development of online computer software systems; design, development, updating and upgrading of computer and video games software; providing direct connection services between computer users for exchanging data, namely, providing temporary use of online non-downloadable software for the exchange of data; computer software design; computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for others for use in searching and retrieving information from databases and computer networks; computer software consultancy; computer services, namely, providing customized searching services in the nature of searching and retrieving information from computer databases and websites at the customer's specific request via the Internet; creating, maintaining and hosting websites for others, creating an online community for registered users to develop and collaborate on address books and calendars; software design and development for others; hosting online interactive public calendars, address books and notes that allow multiple participants to share event schedules, facility reservations and transportation requests via local and global computer network; customized searching of computer databases and websites, namely, research in the fields of artificial intelligence, database management and cloud storage of data; webpage development services, namely, providing customized online web pages featuring user-defined information which includes online links to third party web sites; customized searching of computer databases and websites, namely, providing search engines for obtaining data from computer files on a global computer network; computer and electronic signal coding and decoding; computer code conversion for others; conversion of physical data and documents into electronic media format; testing and evaluation services of the goods and services of others to assure compliance with industry standards; architectural design services; interior design services of buildings, offices and apartments; computer

security services, namely, the provision of user certification authority services for others to ensure the security of transmitted information, namely, providing a website that features technology that enables the secure exchange of information by users; providing technological information about computers and computer networks in the field of business and e-commerce; computer security risk management programs, namely, updating of computer software relating to computer security and prevention of computer risks; computer security information, knowledge and testing services, namely, computer security consultancy in the field of scanning and penetration testing of computers and networks to assess information security vulnerability; providing quality assurance services in the field of computer software; computer security service, namely, restricting access to and by computer networks to and of undesired web sites, media and individuals and facilities; providing platform as a service (PAAS) services, namely, providing web-based computer software platform for complaint submission; computer consultancy in the field of data security; consultancy concerning data security in the field of telecommunications technology; electronic document and e-mail authentication services; computerized communication network security services, namely, providing temporary use of non-downloadable computer software for conducting private and secure electronic communication over a private or public computer network; providing technological information in the field of Internet, the world wide web, and computerized communication network security; computer security consultancy, namely, consulting services in the fields of Internet, world wide web and computerized communication network security services, information security services; authentication in the field of computer security, namely, authentication of user identity for computer security; computer services in relation to on-line authentication of electronic signatures, namely, design, development, and implementation of software for authenticating digital signatures; off-site data backup; electronic data storage, namely, archiving business documents, personal documents and corporate documents; providing information on computer technology and programming via a web site; cartography services; rental of entertainment software; consultancy, information and advisory services relating to the aforesaid services; quality control monitoring and follow-up for web based events, conferences, training programs, learning programs and seminars; document reproduction in the nature of digitization of documents

CASE IDENTIFIERS

Serial Number 88830242 **Application Filing Date** Mar. 11, 2020 **Register** Principal **Mark Type** Trademark **Publication Date** Dec. 29, 2020

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 2 - AN ILLUSTRATION DRAWING WITHOUT ANY WORDS(S)/ LETTER(S) **Description of the Mark** The mark consists of a three-dimensional configuration comprising a specific design feature of the product packaging for a wine bottle that is a foil cap and label that wraps around and covers the entire bottle. The label consists of a white circle in the lower front middle of the bottle; inside the white circle is a thin pink circle, then outside the white circle is a fixed pattern of diagonal stripes of red, dark blue, light blue, green, yellow, purple, orange, pink, red, dark blue, light blue, green, yellow, purple, and orange going from top to bottom. At the base of the neck of the bottle, there is a white stripe, and the neck and cap are covered in purple foil. The shape of the bottle is not claimed a feature of the mark, and is depicted in dotted lines for the purpose of showing the position of the mark on the goods. **Color Drawing** Yes **Color Claimed** The color(s) white, pink, orange, red, purple, light blue, dark blue, green and yellow is/are claimed as a feature of the mark.

Mark Literal(s) U.S. CUSTOMS AND BORDER PROTECTION TRADE

CASE IDENTIFIERS

Serial Number 88872513 **Application Filing Date** Apr. 15, 2020 **Register** Principal **Mark Type** Service Mark **Publication Date** Dec. 29, 2020

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of a circle with two bands at the outer edges, one narrow and one wide and solid. The words "U.S. CUSTOMS AND BORDER PROTECTION" appear across the top of the solid, wide band. The word "TRADE" appears on the bottom of the circle across the solid, wide band. Three five-pointed stars appear before and after the word "TRADE" across the solid wide band. The interior of the circle includes a variation of the Department of Homeland Security Seal, a graphically styled white American eagle on a partial globe with shaded outlines of continents in a field with longitude and latitude lines. The eagle's wings stretch across the outline of the continents. The eagle's talon on the left holds an olive branch with 13 leaves and 13 seeds while the eagle's talon on the right grasps 13 arrows. Centered on the eagle's breast is a shield divided into three sections. The top section, a sky, contains 22 five pointed stars. The bottom left section contains mountains behind a plain underneath a sky. The bottom right section contains four wave shapes alternating light and dark separated by lines. Below the horizontal bar where the eagle stands appear four vertical bars each containing single five-pointed stars. The black, white, and/or gray in the drawing represents background, outlining, shading, and/or transparent areas and is not part of the mark. **Color Claimed** Color is not claimed as a feature of the mark. **Acquired Distinctiveness** In part **Distinctiveness Limitation Statement** as to "U.S. CUSTOMS AND BORDER PROTECTION TRADE"
