GOODS AND SERVICES INFORMATION

For Biological and chemical preparations for medical, veterinary medical, and pharmaceutical purposes, namely lipids, polymers, solid-state supported membranes, lipid membranes, fluid membranes

International Classes 5 - Primary Classes **US Classes** 6, 18, 44, 46, 51, 52 **International Class Title** Pharmaceuticals

For Medical and veterinary medical apparatus and instruments, namely microscopes, spectroscopes, IR spectroscopes, UV spectroscopes, mass spectroscopes, elisa readers, fluorescence readers, light absorption spectroscopes, light detectors, photodiodes, semiconductor diodes, density meters, conductivity meters, ionic strength meters, flow meters, electric meters, flow control units, micro flow control units, voltmeters, ammeters, impedance meters, lasers, laboratory filters, fluorescence filters, optical lenses, optical mirrors, cameras for medical use, camera shutters for medical use, laser filters, medical examination lamps, micro-channels, micro-chambers, and micro-flow-chambers; electrophoresis chambers, cell culture chambers; Medical apparatus and instruments for DNA analysis, namely, electrophoresis apparatus, gel electrophoreses apparatus, capillary electrophoresis chips, plotters, DNA plotters, DNA micro-arrays, DNA micro-array plotters, DNA Chips, DNA Bio-Chips, and DNA-semiconductor-chips, PCR-apparatus, namely, systems consisting of DNA amplifiers and DNA replicators that create different temperatures in DNA Chips, PCR Chips, DNA Hybridization Chips, DNA purification chips, integrated DNA purification and analysis chips, microfluidic chips; Medical apparatus and

instruments for electrophoresis, namely, gel-electrophoresis systems comprising gel-electrophoresis apparatus and gel-electrophoresis chips, gel-electrophoresis chips, protein electrophoresis apparatus, protein electrophoresis chips, micro-structured electrophoresis chips, capillary electrophoresis chips, membrane electrophoresis apparatus, membrane electrophoresis chips, supported membrane electrophoresis chips for trans-membrane electrophoresis, and micro fluidic chips; Medical apparatus and instruments for gene analysis, namely, DNA-chips, PCR-chips, PCR apparatus, namely, machinery for providing amplification of DNA by creating different temperatures in DNA Chips, DNA-arrays, DNA-array-chips, DNA array plotters, DNA-cleaning chips, Lab-On-Chip-systems comprising a sample collector, a sample concentrator, and a sample analyzer, Total Analysis Systems comprising a sample collector, a sample concentrator, and a sample analyzer, and micro fluidic chips; Apparatus and instruments for medical, veterinary medical, and pharmaceutical purposes, namely, cover slides, cover slips, microscope slides, glass slides, plastic slides, cell incubation systems comprising a microscope and a heater, Petri dishes, cell culture plastic ware, namely, cell culture dishes, multi-well cell culture plates, cell culture flasks, separating filters, and Petri dishes, multi-tier plates, incubators, growing media, namely, cell propagation growth media, pipettes, low auto-fluorescence plastics, low birefringence plastics for cell analysis

International Classes 10 - Primary Classes **US Classes** 26, 39, 44 **International Class Title** Medical Apparatus

For Biological and chemical preparations for laboratories, laboratory analyses, and scientific purposes, namely, lipids, solid-state supported membranes, lipid membranes, fluid membranes; fluorescence colorings and dyes; biological and chemical products, proteins, and DNA, for electrophoresis

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Scientific apparatus and instruments, namely, microscopes, spectroscopes, IR spectroscopes, UV spectroscopes, mass spectroscopes, elisa readers, gel readers, DNA readers, protein readers, fluorescence readers, light absorption spectroscopes, light detectors, photodiodes, semiconductor diodes, density meters, conductivity meters, ionic strength meters, flow meters, electric meters, flow control units, micro flow control units, voltmeters, ammeters, impedance meters, power supplies, lasers, laboratory filters, fluorescence filters, optical lenses, optical mirrors, cameras, camera shutters, laser filters, scientific lamps, micro-channels, micro-chambers, and micro-flow-chambers; electrophoresis chambers, cell culture chambers; apparatus and instruments for DNA analysis, namely, electrophoresis apparatus, gel electrophoreses apparatus, capillary electrophoresis chips, plotters, DNA plotters, DNA micro-arrays, DNA micro-array plotters, DNA Chips, DNA Bio-chips, and DNA-semiconductor-chips, PCR-apparatus, namely, systems consisting of DNA amplifiers and DNA replicators that create different temperatures in DNA Chips, PCR Chips, DNA Hybridization Chips, DNA purification chips, Integrated DNA purification and analysis chips, microfluidic chips; apparatus and instruments for electrophoresis, namely, gel-electrophoresis systems comprising gel-electrophoresis apparatus and gel-electrophoresis chips, gel-electrophoresis chips, protein electrophoresis apparatus, protein electrophoresis chips, micro-structured electrophoresis chips, capillary electrophoresis chips, membrane electrophoresis apparatus, membrane electrophoresis chips, supported membrane electrophoresis chips for trans-membrane electrophoresis, and micro fluidic chips; apparatus and instruments for gene analysis, namely, DNA-chips, PCR-chips, PCR apparatus, namely, machinery for providing amplification and replication of DNA by creating different temperatures in DNA Chips, DNA-arrays, DNA-array-chips, DNA array plotters, DNA-cleaning chips, Lab-On-Chip-systems comprising a sample collector, a sample concentrator, and a sample analyzer,

Total Analysis Systems comprising a sample collector, a sample concentrator, and a sample analyzer, and micro fluidic chips; Apparatus and instruments for protein analysis, namely, protein-chips, protein-array chips, protein micro array chips, protein purification chips, protein purification kits, protein beads, coated beads for protein purification, columns for protein purifications, micro-columns; Apparatus and instruments for cell analysis, namely, cover slides, cover slips, microscope slides, glass slides, plastic slides, cell incubation systems comprising a microscope and a heater, Petri dishes, cell culture plastic ware, namely, cell culture dishes, multi-well cell culture plates, cell culture flasks, separating filters, and Petri dishes, multi-timer plates, incubators, growing media, namely, cell propagation growth media, pipettes, low auto fluorescence plastics, low birefringence plastics, polycarbonates, polysterol, polypropylene, polyethylene, PMMA, acryl, nylon, and derivates of these plastics covered with adhesion factors for cell growth; Apparatus and instruments for diagnosis and analysis in the biochemical and biophysical field, namely, flow chambers, pipettes, pipette adapters, plastics, namely, polycarbonates, polysterol, polypropylene, polyethylene, PMMA, acryl, nylon, and derivates of these plastics, surface-modified plastics, namely, polycarbonates, polysterol, polypropylene, polyethylene, PMMA, acryl, nylon, and derivates of these plastics, flow chambers with integrated reservoirs for liquids, physically modified surfaces, and chemically modified surfaces; Apparatus and instruments for microscopy, namely, cover slides, cover slips, microscope slides, glass slides, plastic slides, lasers, plastic optical lenses, optical mirrors, optical lenses, objectives, namely, combinations of optical lenses, and microscopy equipment, namely, microscopes; Biochips, namely, biochips made of synthetic material and composite materials, biochips made of plastics, biochips with integrated flow systems, biochips with integrated adapters for connecting with pipettes or shots, biochips with integrated chemicals, biochips with integrated optics, namely, lenses, mirrors, and filters, biochips with a high optical quality, biochips for use with DIC, phase contrast, dark field, and fluorescence microscopy, biochips with integrated electrodes, biochips with integrated DNA, proteins, and cells, biochips with integrated semiconductor material, namely, Si and Ga, integrated analysis chips, biochips with integrated computer chips, biochips with structures in the nm order of magnitude, Lab-on-chip systems comprising computer driven substrates and chips with software for reading out data, namely image processing software, light intensity analyzing software, micro-array analyzing software, single photon analyzing software; Software for image processing, image analyzing, image saving, intensity analyzing, color analyzing, for use in connection with microscopes, fluorescence detectors, and spectroscopes, for protein analysis, DNA analysis, and cell analysis; Apparatus and instruments for the production of biochips, bonding biochips, spotting biochips with DNA, proteins or cells, coating biochips with biomaterial, the modification of surfaces, the physical modification of surfaces, the chemical modification of surfaces, controlling the quality of biochips, packing of biochips, and sterilization of biochips

For Air conditioning apparatus; air conditioning installations; air cooling apparatus; electric air deodorising apparatus; air filtering installations; air purifying apparatus and machines; air sterilizers, namely, air purifiers; ash pits for furnaces; electrical boilers, furnace boilers, and heating boilers, other than parts of machines; coolers for furnaces; cooling appliances and installations, namely, cooling domes; cooling installations and machines, namely, evaporative air coolers; water desalination plants; distillation apparatus; drying apparatus, namely, electric hand drying apparatus for washrooms; electric lamps; evaporators; filters for air conditioning; air filters for household or industrial installations; fire bars, namely, gas grills, fireplaces; fittings, shaped, for furnaces, namely, cocks, baffles; flushing apparatus, namely, flush levers; flushing tanks, namely, toilet tanks; framework of metal for ovens; fuel economizers for use in boilers, furnaces, smelters, heating systems, turbines and combined heat and power units; furnace ash boxes; furnace grates; furnaces; cooling vats for furnaces; gas scrubbers; gas scrubbing apparatus, namely, gas scrubbers; heat exchangers, not parts of machines; heating apparatus for solid, liquid or gaseous fuels, namely, space heaters; heating elements; hot water heating installations; hot air apparatus, namely, hot air space heating apparatus, hot air blowers; lighting apparatus and installations, namely, lighting fixtures, landscape lighting fixtures; loading apparatus for furnaces; mixer taps for water pipes; oven fittings made of fireclay; pasteurisers for use in food, beverage, pharmaceuticals; water purification installations for sewage; refrigerating apparatus and machines, namely, gas refrigerators; refrigerating appliances and installations; refrigerating cabinets;

regulating accessories for water apparatus and pipes; regulating and safety accessories for water apparatus, namely, metered valves; safety accessories for water apparatus and pipes, namely, emergency valves for plumbing; sanitary apparatus and installations, namely,bath tubs, toilet stool units with a washing water squirter; gas scrubbers; steam generating installations; toilets; water distribution installations, namely, tap water faucets; water filtering apparatus; water flushing installations, namely, flush levers; water purification installations; water purifying apparatus and machines; water sterilizers; water heaters as parts of machines; gas pressure regulator; fuel pressure regulator

International Classes 11 - Primary Classes **US Classes** 13, 21, 23, 31, 34 **International Class Title** Environmental Control Apparatus

For Unprocessed acrylic resins; adhesives for industrial purposes; alkalies; alkaline iodides for industrial purposes, namely, namely, aluminum iodide, silver iodide; alkaline metals, namely, sodium, potassium; alkaline-earth metals, namely, calcium, strontium; alumina; aluminum chloride; aluminum hydrate; aluminum silicate; ammonia for industrial purposes; anhydrides, namely, phosphoric anhydride, phthalic anhydride; argon; unprocessed artificial resins; auxiliary fluids for use with abrasives for general industrial use; barium compounds, namely, barium chloride, barium hydroxide; barytes; bentonite; benzene derivatives for use in biotechnology, pharmaceuticals; benzoic acid; brazing fluxes; catalysts for use in the manufacture of industrial chemicals; ceramic glazings; compositions for the manufacture of technical ceramics, namely, ceramic powders for manufacturing; chemical preparations for facilitating the alloying of metals; dry ice; unprocessed epoxy resins; fertilizers; helium; hydrogen; industrial chemicals; krypton; lime carbonate; magnesium carbonate; naphthalenes; neon; nitrogen; oxygen; phenol for industrial purposes; unprocessed plastics; rare earths; chemical reagents other than for medical or veterinary purposes; salts from rare earth metals, namely, raw salt, salts as chemical preparations, salts as fertilizers, salts for industrial purposes; salts from rare earth metals, namely, salts of alkaline metals, salts of precious metals for industrial purposes; silicates, namely, aluminum silicate, zinc silicate; silicon; soda ash; soldering fluxes; sulphur; sulphuric acid; unprocessed synthetic resins; titanium dioxide for industrial purposes; toluene; welding chemicals, namely, metal welding flux; xenon; zirconia; welding fluxes; ammonium sulphate; calcium silicate; silica gel; methanol; anthracene; styrene monomer; cyclohexene; chemicals for industrial use, namely, biphenyl, acenaphthenes, terphenyl, decahydronaphthalene, tetrahydronaphthalene, methylnaphthalenes, pyrene, fluorene, bisphenol A, para-benzylbiphenyl, indoles, skatole, coumarin, dihydrocoumarin, indenes, isoquinolines, quinaldine, tetrachlorophthalic anhydride, divinylbenzene, diphenylbenzene; coumarone resin; phenanthrene; cyclohexane; cresol; xylenol; phthalic anhydride; carbazole; thiophene; pyridine; cement blending agents, namely, contact cements, oil cement; soil improving agents; phenolic resins; polyamide resins; polystyrene resins; polypropylene resins; organometallic compounds, namely, tetraethyl lead; ammonium sulphate fertilizer; liquid crystal for use in liquid crystal display; resists for color filter of liquid crystal display

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Air conditioning apparatus installation; installation, maintenance and repair of computer hardware; building construction; construction of airports; construction of aquatics facilities; construction of telecommunication towers; harbor construction; pier construction; residential and commercial building construction; road construction; earthworks or concrete construction; steel structure construction; warehouse construction; construction of artificial islands; construction of tunnels; construction of stadiums; construction of storage tanks; drilling of wells; factory construction; furnace installation;

machinery installation; pipeline construction; plumbing; riveting; underwater construction; construction of natural oil drilling platform; construction of natural gas drilling platform; bridge construction; construction of offshore structure; construction of coastal structure; installation of electrical power plant; installation of chemical plant; installation of steel plant; installation of waste treatment plant; installation of PCB treatment plant; installation of recycling plant; installation of energy plant; installation of LNG plant

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Electronic agendas; anodes; bar code readers; batteries, electric; capacitors; cathodes; central processing units; integrated circuit chips; cinematographic cameras; computer operating programs, recorded; computer peripheral devices; downloadable software for database management; computer software for database management recorded on data media; computers; electric connections; connections for electric lines; electric contacts; electric contacts of precious metal; data processing apparatus; electric distribution consoles; electric arc cutting apparatus, namely, electric arc welders; electric arc welding apparatus; electric loss indicators; electrolysers; smart cards, namely, integrated circuit cards; integrated circuits; intercommunication apparatus; accumulator jars; juke boxes for computers; junction sleeves for electric cables; lasers, not for medical purposes; blank magnetic data media; magnetic encoders; material testing instruments and machines, namely, radiation-measuring instruments, metal compression testing machines, metal hardness testing machines, metal strength testing machines; mathematical instruments, namely, measuring cups; measuring apparatus, namely, bevels, rain gauges, pressure gauge, accelerometers, concentration meters, surface roughness testing machines and instruments; measuring instruments, namely, resistance measuring instruments, instruments for measuring length; scientific and technical apparatus, namely, optical mirrors; computer software to monitor and control factory manufacturing processes; optical apparatus and instruments, namely, optical inspection apparatus for industrial use; optical character readers; optical condensers; optical data media, namely, blank optical disks; optical goods, namely, optical cables; photographic, electrostatic, thermic photocopiers; plates for batteries; portable telephones; printed circuits; prisms; data processing readers, namely, smart card readers; electric resistances; semi-conductors; solar batteries; telephone apparatus; telecommunications transmitters; telecommunications transmitting sets; video telephones; silicon wafers; welding electrodes; color filters for liquid crystal display; flexible print circuits; flexible print circuit materials; electrical coils; metal surface galvanizing machines; high pressure regulator for air

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Coke; foundry coke; industrial oil; all purpose lubricants, automotive lubricants; lubricating grease; lubricating oil; ester base oil for lubricating, industrial use; cutting oils; all purpose solid lubricants, automotive solid lubricants; benzene fuel; xylene for fuel; carbon, namely, coal; carbon black for industrial purposes, namely, coal for industrial purposes; carbon for filters, namely, coal for filters

International Classes 4 - Primary Classes **US Classes** 1, 6, 15 **International Class Title** Lubricants and Fuels

For Insulating materials; insulating oils; plastic film other than for wrapping, namely, plastic film for use in laminating paper, plastic film for commercial or industrial packaging; semi-processed plastics; soundproofing materials for buildings and machines; semi-worked synthetic resin as semi-finished products in form of pellets, rods, foils, foams, fibers, films and sheets, for industrial use

International Classes 17 - Primary Classes **US Classes** 1, 5, 12, 13, 35, 50 **International Class Title** Rubber Goods

For Architectural consultation; architecture; computer programming; computer software design; computer system design; computer virus protection services; construction drafting; maintenance of computer software; updating of computer software; urban planning; engineering services in the field of electrical power plant; engineering services in the field of chemical plant; engineering services in the field of steel plant; engineering services in the field of waste treatment plant; engineering services in the field of PCB treatment plant; engineering services in the field of recycling plant; engineering services in the field of energy plant; engineering services in the field of receiving and storage plant; engineering services in the field of floating structure; engineering services in the field of offshore steel structure

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

For Alloys of common metal, namely, aluminum alloy, brazing alloys; aluminum; aluminum foil; aluminum wire; balls of steel; boxes of common metal; brackets of metal for building; brass, unwrought or semi-wrought; brazing alloys; rods of metal for brazing; building boards of metal; building or furniture fittings of nickel-silver; prefabricated buildings of metal; cable joints of metal, non-electric; cast iron, unwrought or semi-wrought; cast steel; common metals, unwrought or semi-wrought, for futher manufacture; containers of metal for storage; copper, unwrought or semi-wrought; crash barriers of metal for roads; fittings of metal for building; flange collars of metal; framework of metal for building; gold solder; indium; ingots of common metal; iron ores; iron, unwrought or semi-wrought; iron wire; joists of metal; lead, unwrought or semi- wrought; linings of metal for buildings, namely, sheet metal linings; manhole covers of metal; manifolds of metal for pipelines; materials of metal for funicular railway permanent ways; metals in powder form; nickel; niobium; nuts of metal; pillars of metal for buildings; pipe muffs of metal; poles of metal; posts of metal; construction support props of metal; railroad ties of metal; rails of metal; railway material of metal, namely, railway points, railway sleepers of metal, railway switches, turntables for railways; reinforcing materials of metal for building; sheet piles of metal; sheets and plates of metal; silver plated tin alloy; silver solder; metal hardware, namely, cable junction sleeves; soldering wire of metal; metal hardware, namely, springs; steel alloys; steel buildings; steel pipes; steel sheets; steel strip, namely, rolled steels; steel, unwrought or semi-wrought; steel wire; ladders of metal; stop collars of metal; stops of metal, namely, metal valves; strap-hinges of metal; tantalum metal; tin; tinfoil; tinplate; tinplate packings; titanium; titanium iron; tombac; trellis of metal; tubes of metal; tungsten; vanadium; rods of metal for welding; wire gauze; wire of common metal; wire of common metal alloys, except fuse wire; wire rope; common metals, namely, zirconium; steel bars; steel strands; steel cables; steel shapes; wire of metal for welding; heavy plate steel; hot-rolled steel sheets and coils; cold-rolled steel sheets and coils; tin free steel sheets and coils; electrical steel sheets; galvanized sheets and coils; metal water conduit installations

For Meerschaum; drinking straws; inflatable publicity objects; flagpoles; memorial cups in the nature of trophies, not of metal, not of metal; non-metal garden stakes for plants and trees; ladders for library, not of metal; embroidery frames; reeds; bamboo poles, not for building; non-metal, non-masonry containers for aromatics sold empty for commercial use; plastic boxes; bottle stoppers of wood or plastics; hinges of plastic; non-magnetic key cards of plastic; sculptures made of plastic; water-pipe valves of plastics other than parts of machines; jewellery cases not of precious metal; stuffed animals; picture frames; wind chimes; pillows; hand fans; screws not of metal; locks other than electric, not of metal; mirror tiles; draftsman's tables; hairdressers' chairs; honeycombs in the nature of beehives; wall-mounted gun racks; playpens for babies; sleeping bags for camping; fishing baskets; mannequins for clothing display; hampers; pet cushions; knitting frames in the nature of non-metal storage racks for knitting supplies; tortoiseshell; wood boxes; saw horses; non-metal weather vanes; imitation model foods samples of plastic materials for use as point of purchase displays; mannequins

International Classes 20 - Primary Classes **US Classes** 2, 13, 22, 25, 32, 50 **International Class Title** Furniture and Articles Not Otherwise Classified

For rental of video tapes; movie studios; publication of books; publication of electronic books and journals on-line; providing of game centers, namely, amusement arcades; providing karaoke services; cinema theaters for video exhibition; recreational services in the nature of children's playgrounds; entertainment services, namely, providing an on-line computer game; presentation of live show performances; presentation of play performances; providing instruction in the field of animal training; publication of texts other than publicity texts; photographic reporting; cabaret services; boarding schools; instruction in cosmetic beauty; organization of exhibitions for cultural or educational purposes, namely, dance performances, art exhibitions; arranging of fashion shows; photography; and conducting educational conferences in the nature of colloquiums; production of video films; video tape editing; circus performances; entertainment in the nature of on-going television programs in the field of news, comedy, variety; discotheque services; educational examination; microfilming; night clubs; video recording services; providing information on-line relating to computer games and computer enhancements for games for communities of people that play multiplayer online games; providing interactive online computer games via the worldwide web; providing information about online computer games and video games via the worldwide web; arranging and conducting competitions for video gamers and computer game players; providing multiplayer interactive computer games provided over the internet; tracking the status of various users of online interactive gaming services and matching online game players with other players of similar skill levels; arranging online competitions for interactive game players; providing fan club services

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Baby powders; baby oils; hand creams; bath soaps; shampoo; soap powders; hair rinses; cosmetic soaps

International Classes 3 - Primary Classes **US Classes** 1, 4, 6, 50, 51, 52 **International Class Title** Cosmetics and Cleaning Preparations

For Ra-myun, namely, instant noodle; pizzas; dry cakes; biscuits; sweetmeats, namely, candy; ice cream; cookies; bean jam buns; bread; cream buns; muesli; potato flour for food; capers; uncooked noodles; dumpling shells; leaven; malt for food; honey; royal jelly for human consumption, not for medical purpose; soya sauce; chemical seasoning; marinade; ketchup sauce; cake flavourings not in the nature of essential oils ; spiced salt; tea leaves; coffee-based beverage; edible ices; gravies; meat tenderizers, for household purpose

International Classes 30 - Primary Classes **US Classes** 46 **International Class Title** Staple Foods

For Amusement apparatus adapted for use with television receiver only; electric vending machine; electronic vending machines, cassette player; video disc player; digital versatile disc player; computer game joysticks; blank CD-ROMs for sound or video recording; compact discs recorded with music; exposed and unexposed slide film; machines for dispensing pre-determined dosages of medication; optical lenses; slide rule; electric lock; verniers scales; pipette; photography slides; cinematographic cameras; rules for measuring; compasses; egg timer; goggle for sports; adding machine; vending machine other than electric or electronic; flotation belts for swimming; electric alarm bells; safety products, namely, reflective safety discs to be worn on the body, for the prevention of traffic accident; diver's masks; life boats; cigar lighters for automobiles; egg-candler; photovoltaic cells; facsimile machine; voice frequency transmission machine and apparatus, namely, apparatus for transmission of communication; walkie-talkie; satellite navigation equipment in the nature of a Global positioning system (GPS); remote controls for televisions; blank videotapes; prerecorded video cassettes featuring children's entertainment; recorded and downloadable computer software for computer games; electric discharge tubes, other than for lighting, namely, phototubes; printed circuit board; cover for electric outlets; whistle for sports; gloves for diver; protective helmet for sports; protective face masks for non-medical purposes; diving suit; downloadable electronic music; telescope; camera; thermometer not for medical purpose; sunglasses; metered gasoline pumps; life jackets; luminous or mechanical signaling panels; ear plug for diver; electric doors openers; electrified fence; electrolyser; wet cells batteries; frequency meter; telegraph wire; video telephone; phototelegraphy apparatus; open-wire transmission machine and apparatus; radios incorporating clocks; radar apparatus; blank record disks; pre-recorded magnetic disks featuring music; nose clip for diver and swimmer; downloadable electronic books in the field of science fiction; magnetically encoded credit cards; electronic machines for reading credit cards and recording financial operations; video disks and video tapes with recorded animated cartoons; editing appliances for cinematographic films; cash register; electronic calculator; computers; fire extinguishing apparatus; computer programs for electronic games; computer software for electronic game; electronic computer game cartridges; electronic computer game disks; electronic video game cartridges; computer program for video games; computer software for video game; computer software that permits multiplayer computer games manufactured by others to be played interactively over a global computer network; interactive computer game software

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Cigarettes; snuff; cigarette holders, not of precious metal; ashtrays for smokers, not of precious metal; matches; lighters for smokers; long tobacco pipes of precious metal, cigarette case of precious metal

International Classes 34 - Primary Classes **US Classes** 2, 8, 9, 17 **International Class Title** Smokers' Articles

For Training shoes; sandals; slippers; children's clothing and infants' clothing, namely, underwear; t-shirts; underpants; socks and headwear; cyclists' jerseys; riding boots; money belts; anoraks for exercises; masquerade costumes; nightgowns; mittens; sun visors; raincoats; leather belts

International Classes 25 - Primary Classes **US Classes** 22, 39 **International Class Title** Clothing

For Collectible statues and statuary of non-precious metal; gold ores; metal nameplates; commemorative statuary cups made of non-precious metal; traps for wild animals; metal bird baths in the nature of structures; metal chains for dogs; money boxes of metal; money clips of metal; tin cans sold empty; metal boxes; bottle caps of metal; safety cashboxes; door scrapers of metal; metal pinwheels for garden decoration; metal locks other than electric; anvils; filings of metal; balls of steel; silver solders; door knockers of metal; telephone booths of metal; wind vanes of metal; loading pallets of metal; anchors; metal keys for locks; metal piton for mountaineering; spurs; buckles of common metal; wire gauzes; wire rope; and sculptures of bronze

International Classes 6 - Primary Classes **US Classes** 2, 12, 13, 14, 23, 25, 50 **International Class Title** Metal Goods

For providing canteen services; tourist restaurants; restaurants; buffet restaurants; restaurant chain service; general bar services; cafes; Korean restaurants; providing temporary accommodation; self-service restaurants; snack-bars

International Classes 43 - Primary Classes **US Classes** 100, 101 **International Class Title** Hotel and restaurant services

For Vegetable juices; hops extracts for making beer; non-alcoholic fruit extracts used in the preparation of beverages; drinking water; stout

International Classes 32 - Primary Classes **US Classes** 45, 46, 48 **International Class Title** Light Beverages

GOODS AND SERVICES INFORMATION

For Colours, namely, colorants for use in the textile, leather and paper industry; varnishes, lacquers; preservative wood coatings; pigments and pigmented preparations for use in the manufacture of industrial products; dye-stuffs and agents used for dyeing chemicals, namely, textile, leather and paper dyes; printing inks; printing toners for photocopying machines; organic, non-organic and synthetic colouring agents, namely, cartenoid pigment, non-nutritional feed additives and preparations; textile, leather and paper dyes made using colouring agents consisting of pigments and chemical additives; colouring agents for food and beverage, namely, colorants for use in the manufacture of beverages and food, colouring agents for cosmetic preparations, namely, colouring agents for use in the manufacture of cosmetics; anti-rust preparations and coatings, namely, anti-rust greases and lacquers to protect metals against tarnish and corrosive agents; natural dyes for laundry use; wood preserving agents; mordants for use in the wood and metal industry; raw natural resins; priming paints, namely, primers; protective agents for metals, namely, anti-tarnishing preparations for coating metals; leaf metals and metallic powders for painters, decorators, printers and artists; aluminum oxide coatings, namely, synthetic and natural oxides used as colorants

International Classes 2 - Primary Classes **US Classes** 6, 11, 16 **International Class Title** Paints

For Cleaning agents, laundry detergents, active washing substances, namely, active washing substances for industrial and commercial laundry and dish detergents, preparations for bleaching industrial and commercial laundry and dishes, cleaning, polishing, scouring and abrasive preparations, abrasives made of corundum, and soaps for industrial technical application; colour and colorant removing preparations for use in the textile, plastic, detergent, paint, coating, leather, paper

and adhesive industry; perfumery; essential oils; body products, namely, cosmetic body care preparations; non-medical hair care preparations, namely, hair spray, hair gel, shampoo, hair rinse; dental preparations, namely, non-medicated dental rinse, tooth paste; cosmetic suncare products, namely, sunscreen cream and lotion; cosmetics; hair dyes

International Classes 3 - Primary Classes **US Classes** 1, 4, 6, 50, 51, 52 **International Class Title** Cosmetics and Cleaning Preparations

For Chemicals for use in industry, science and photography; chemical preparations for use in agriculture, horticulture and forestry, namely, unprocessed artificial resins, unprocessed plastics, manure for agriculture, fire-extinguishing compositions, flame retarding substances; tempering and soldering preparations; chemical substances for preserving foodstuffs; antioxidants for use in industry, namely, chemical preparations capable of slowing or preventing the oxidation in food and industrial products; tanning substances, namely, tanning agents for use in the textile, leather and paper industry; adhesives for use in industry; chemical agents for preserving bricks, cement, concrete and masonry, excluding paints and coating oils; brake fluids; chemical additives for fuel treatment; antifreeze; de-icing agents for use on roads and other surfaces exposed to open air, namely, airplanes, automobiles, trains and subway systems; chemicals for preparing colouring agents, namely, chemical agents for manufacturing dyestuffs; degreasing preparations for use in manufacturing processes for textiles, leather and paper; synthetic polymer compositions used in the manufacture of commercial, industrial, pharmaceutical and medical goods

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Design and development of computer programs; software consultancy; installation, integration and maintenance of computer software; services in the field of technology and development services related thereto, namely, scientific research and development; industrial analyses, namely, in the field of colorants for plastics and textiles; technical, scientific and configuration services in the area of chemistry and chemical engineering, namely, consultancy relating to the implementation of production processes in technical installations; services provided by chemists, industrial chemists and chemical laboratories; technical consultancy in the field of chemistry and chemical engineering, namely, advice on implementing manufacturing processes in technical installations; advice in the chemical and technical field, namely, consultancy relating to the implementation of production processes in technical installations, in the area of analysis, coordination of colouring agents and standardization; scientific advice and scientific research services on the industrial use of paints, dyes, pigments and colouring agents; technical advice on refining textiles, namely, consultation, examination and research services in the area textile manufacturing, finishing and applications; providing technical knowledge namely, consultation, examination and research services in the area of chemistry; creating, installing, maintaining and updating client-specific computer programs in the area of the industrial use of chemicals, paints, dyes, pigments and colouring agents; research in the area of environmental protection; advice on the environmental effects of manufacturing processes and of chemicals and paints used in manufacturing processes; advice on energy saving issues, namely, consultation, examination and research services in the area of efficient chemical processes and products; development of new products

For [Carpets, rugs, mats and matting, linoleum for covering existing floors; non-textile wall hangings; carpet underlays]

International Classes 27 - Primary Classes **US Classes** 19, 20, 37, 42, 50 **International Class Title** Floor Coverings

For [Transport apparatus, namely, motor cars for transport on land, transport trucks, namely, dollies, pick-up trucks]

International Classes 12 - Primary Classes **US Classes** 19, 21, 23, 31, 35, 44 **International Class Title** Vehicles

For [Printed matter for craft trades and industry, namely, accounting forms, blank forms, bookkeeping forms, non-magnetically encoded customer loyalty cards; stencils; rollers, namely, ink rollers for office machines, gel roller pens, paint applicator rollers]

International Classes 16 - Primary Classes **US Classes** 2, 5, 22, 23, 29, 37, 38, 50 **International Class Title** Paper Goods and Printed Matter

For Machines for treating floors and walls in buildings and for removing floor coverings, namely, grinding machines for the preparation of sub surfaces, floor scrubbing machines, floor washing machines, floor polishing machines, wall scrubbing machines, wall washing machines, wall polishing machines; machines for applying adhesives to floor and wall coverings; machines for the removal of old floor coverings and for leveling down and off sub-floors in and on buildings; stripping machines; cutting machines, electric welding machines, gas welding machines, laser welding machines, notch milling machines and polishing machines for use on floors and walls; wood sawing machines in particular door saws and mitre-box saws; cleaning machines for dry and wet cleaning of floors and walls; milling machines for the preparation of floors and floor coverings; transport apparatus for moving, loading and unloading of building materials, namely, power operated lift to transport and place portable storage containers; lifting apparatus, namely, power operated fork lifts; automatic electric tools and implements for treating floors and walls in and on buildings, for removing floor coverings and laying floors, parquets, tiles, concrete and screed, namely, circular saws, tile saws, drills, hand-held drills, hammers, hand-held hammers, drill hammers; automatic electric tools and implements for treating floors and floor coverings, in particular electric knives, power driven hand grinders, electric scrapers, gas operated soldering irons; electric glue guns

International Classes 7 - Primary Classes **US Classes** 13, 19, 21, 23, 31, 34, 35 **International Class Title** Machinery

For [Arranging and conducting educational seminars and workshops in the field of construction, construction machinery, chemicals used in the construction industry, adhesives for general industrial use; providing of training services in the field of computers; staff development through training, namely, providing workshops in the field of customer service, personal awareness; providing online publications in the nature of books in the field of customer loyalty schemes]

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Cleaning, polishing, scouring and abrasive preparations; preparations for cleaning upholstery, floor cleaning preparations, carpet cleaning preparations; floor care preparations, namely, floor finishing preparations, floor stripping preparations, floor cleaning preparations; leather care preparations, namely, cleaning preparations for leather; stain removing preparations

International Classes 3 - Primary Classes **US Classes** 1, 4, 6, 50, 51, 52 **International Class Title** Cosmetics and Cleaning Preparations

For Chemicals used in industry; chemicals for use in the construction industry, namely, adhesives for the application of floor, wall and ceiling coverings; unprocessed artificial resins, in particular for the construction industry; unprocessed plastics, in particular for the construction industry; adhesives for general industrial use, in particular for the construction industry, namely, epoxy resin dispersion, epoxy resins and polyurethane based adhesives; resoluble adhesives and glue for applying floor and wall coverings; chemical binding agents for industrial use in the construction industry; chemical binding agents for use in adhesives; chemical preservatives for use in the production of a wide variety of chemicals

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For [Advertising services; direct mail advertising, namely, attracting new customers and client care by means of mail shots; planning and designing advertising strategies; dissemination of advertising matter; development of advertising and marketing concepts; marketing, namely, business marketing, conducting marketing studies, creative marketing design services; market research; marketing using incentives and reward schemes, namely, conducting contests and incentive award programs to promote the sale of products and services of others; sales promotion for goods and services, in particular by means of loyalty reward schemes; commercial information agencies; business management and organization consultancy, in particular with respect to customer loyalty schemes in the field of bonus and reward schemes; professional business consultancy; business management assistance to industrial or craft industry companies; business consultancy and management; presentation of companies on the Internet and in other media, namely, promoting the goods of others by means of on-line real time presentation for inspection, viewing or showing of construction equipment and materials; preparing audio-visual presentations for use in advertising; arranging contacts for commercial transactions, including via the Internet, namely, providing an on-line searchable database featuring employment and business contact information for the construction industry; Procuring of contracts for others for the provision of services; database management for customer loyalty schemes; organization, implementation, monitoring and management of reward, bonus and loyalty schemes for promotional or advertising purposes; coordination and support of customer loyalty schemes, in particular reward schemes for promotional or advertising purposes; arrangement and organization of trade fairs and exhibitions for commercial or advertising purposes; technical business consultancy for customer loyalty schemes, in particular in the area of reward schemes; creative marketing design services, namely, design of customer loyalty schemes, in particular of reward schemes]

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For [Installation, maintenance and repair of wood, tile, concrete floors and floor coverings, namely, protective coatings for floors, carpet; Cleaning of carpets and floors; Consultancy with respect to the aforesaid services including use of adhesives for floor installation]

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For [Measuring and checking devices, in particular for floor, parquet, tile and screed laying, namely, Calcium Carbide Method measuring instruments, namely, moisture indicators, thermo-hygrometers, compact hygrometers, universal moisture testers, non-destructive sensors for detection of building moisture, electrodes for moisture measurement, sheer resistance measuring instruments, measuring instruments for floor deformations, measuring wedges, graduated metal rulers, graduated door rulers, templates for measuring wall profiles, mitre-box templates for measuring joints, outline gauges for measuring length, roughness; stair bevels, profile gauges, line markers; measuring devices to measure the resistance to shearing of floors, walls and screed; humidity measuring instruments, namely, wireless remote temperature and humidity monitors for building maintenance; ground temperature measuring apparatus; levelers, namely, level indicators, surveyors' levels, carpenter's levels, level gauges, filling level detectors; smoothness checking devices, namely, measuring instruments for floor deformations, measuring wedges; adhesive strength testers, surface roughness testers, layer thickness measurers, namely, length measuring gauges, cross beam depth gauges; computer software for use in the construction industry, namely, software designed for secure legal and technical order management and order processing in the construction industry; copper conducting strips for floors; clothing for protection against accidents, irradiation and fire; gloves for protection against accidents; shoes for protection against accidents and fire; headgear for protection against accidents; magnetically encoded customer loyalty cards]

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For [Industrial oils and greases, in particular oils and waxes for use in the manufacture of sealing for floors and for the treatment of wood flooring surfaces]

International Classes 4 - Primary Classes **US Classes** 1, 6, 15 **International Class Title** Lubricants and Fuels

For [Rubber sealant for caulking and adhesive purposes, gutta-percha gum, asbestos, mica for use in the construction industry; plastics in extruded form for general industrial use; packing materials, namely, packing foam in sheet form, rubber packing for shipping containers; stopping materials, namely, adhesive sealants for general use, door stops of rubber; insulating material for use in insulating and building installations, namely, fiberglass insulation for buildings, insulating tiles, electrical insulating materials, insulating paint, polyurethane film for use in sealing and insulating buildings; sealant compounds for joints, namely, sealants for pavements joints, pipe joint tape, jointing material for masonry; flexible pipes, not of metal; * all the before-mentioned goods for floors * sealants for floors, walls and ceilings, namely, silicon-based sealants and adhesives for construction particularly for use in glazing, siding and trim, aerosol foam sealant for use in connection with residential and commercial construction projects; leveling or screeding materials, namely, caulking, stopping and filling joints for floors and walls, namely, drywall joint tape, fillers for expansion joints for pavement; seals,

namely, non-metal seals for use in buildings and bridges; rings of rubber for use as pipe connection seals, elastomeric expansion and contraction joint seals for use in buildings, bridges; insulating materials and elastic decoupling sheets, namely, non-woven fibre split sheet, polypropylene sheet; caulking compounds for caulking wall, ceiling and floor coverings]

International Classes 17 - Primary Classes **US Classes** 1, 5, 12, 13, 35, 50 **International Class Title** Rubber Goods

For [Clothing, namely, shirts, pants, t-shirts, sweat-shirts, jackets; footwear, headgear, namely, hats and caps]

International Classes 25 - Primary Classes **US Classes** 22, 39 **International Class Title** Clothing

For [Hand-operated tools and implements for treating floors and walls in and on buildings, for removing floor coverings and laying floors, parquets, tiles, concrete and screed, namely, applicator guns for adhesives, paste applicator guns and scraper rollers, hand held blade and paddle agitators for mixing, rakes, foundry ladles; hand-operated tools and implements for treating floor and floor coverings, in particular knives, hand grinders, scrapers, trowels, doctor blades, scribers, marking tools, namely, chalk line reels, chisels for use in marking stone, spatulas for spreading adhesives, pastes, waxes; carpet stretchers, grooving and jointing planes; hand tools and implements in particular, blades for hand saws, shears, carpet knives, scaling knives, trowels and spatulas for applying leveling compounds, primers and adhesives on floors, walls and ceilings]

International Classes 8 - Primary Classes **US Classes** 23, 28, 44 **International Class Title** Hand Tools

For [Industrial analysis, namely, chemical analysis; research services in the field of chemical research, mechanical engineering, research on machines, apparatus and instruments: architectural design services; quality control, namely, quality control for others; surveying; material testing; technical consultancy, in particular for new projects and renovation, restoration and subsurface preparatory work for interiors and exteriors of buildings; technical project studies, namely, conducting of feasibility studies, scientific research; material testing; maintenance of standards, namely, developing voluntary standards for technology, project management and financing; creation and maintenance of Internet pages and software for the Internet, in particular homepages for third parties; development of user software for others, in particular software for craftsmen; designing databases for customer loyalty schemes]

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

For [Metal building materials, namely, metal trim, soffits, screed clamps]

International Classes 6 - Primary Classes **US Classes** 2, 12, 13, 14, 23, 25, 50 **International Class Title** Metal Goods

GOODS AND SERVICES INFORMATION

For Pipes for building purposes and their accessories, namely, equalizing pipes, bridges for pipes, namely, building materials, namely, non-metal plastic pipe supports; all the above goods of Swiss origin

International Classes 19 - Primary Classes **US Classes** 1, 12, 33, 50 **International Class Title** Non-metallic Building Materials

For Couplings, fastenings, supports and connecting parts not of metal for cables, namely, notch-type joints, cable clamps and fastening strips of synthetic material, namely, non-metal clips for holding cable, fastening strips, namely, non-metal fastening strips for holding cable; all the above goods of Swiss origin

International Classes 20 - Primary Classes **US Classes** 2, 13, 22, 25, 32, 50 **International Class Title** Furniture and Articles Not Otherwise Classified

For Pipes being parts of sanitary facilities, namely, pipes for heating boilers and for heating systems, for water distribution installations and for water purification installations; pipes for fuels and pipes for fuel gases being parts of installations for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating; all the above goods of Swiss origin

International Classes 11 - Primary Classes **US Classes** 13, 21, 23, 31, 34 **International Class Title** Environmental Control Apparatus

For Providing of training and teaching in the fields of cables, cable installations, piping systems and cordage of wires as well as of water and energy saving ducting and measurement techniques, namely, teaching regarding making and assembling cables, cable laying, piping systems and of cordage of wires; teaching in the field of design and building of cable installations, cable laying, piping systems and of cordage of wires; arranging and conducting of seminars in the fields of cables, cable installations, piping systems and cordage of wires as well in water and energy saving ducting and measurement techniques

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Installation of cables, assembly of piping systems and of conductor systems for the supply of water, gas and electricity and for waste water drainage; installation of cordage of wires; consulting in the field of installation and laying of cables, piping systems and cordage of wires

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Cables, namely, electric cables, glass-fiber optic cables; hybrid cables, namely, combined electric-optic-glass-fiber-cables; adapter plugs and plug connectors for cables; connectors and connector parts, namely, electrical plugs and sockets and electrical distribution boxes for electric cables and electric conductors; identification coverings and identification electric wires for cables, namely, cable jackets and cable sheaths as well as wires for sheathing cables that can also be used to identify cables; junction cases and junction boxes for electric cables, glass-fiber optic cables and hybrid cables; measuring equipment, namely, fiber-optic sensing cables for temperature survey of power cables, transformers, gas pipelines, oil pipelines, elevator systems brakes and motor-blocks of trains, conveyor belts and conveyor belt castors, refrigeration systems, water in drainage tubes and drainage chambers, as well as in geothermal drillings; controlling apparatus, namely, pressure control boxes for oil-filled cables; control installations for power stations, namely, electrical controllers for use in power stations; distribution installations, namely, distribution transformers; all the above goods of Swiss origin

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For [Consulting in the field of cutting of cable to size]

International Classes 40 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Material Treatment

For [Non-metallic ropes; all the above goods of Swiss origin]

International Classes 22 - Primary Classes **US Classes** 1, 2, 7, 19, 22, 42, 50 **International Class Title** Cordage and Fibers

For Insulators for electrical cables, glass fiber-optic cables and hybrid cables, for electric conductors and for connection plugs; insulating materials made of rubber, gutta-percha, asbestos, mica or plastic, namely, materials for insulation of electrical cables, glass fiber-optic cables and hybrid cables, for electric conductors and for connection plugs; sleeves of non metal synthetic material, namely, rubber sleeves for fastening, holding, protecting and insulating cable; accessories for cables and their assembly, namely, accessories made of rubber, gutta percha, asbestos, mica or plastic, namely, clips and fastening strips for holding electric cables, glass-fiber optic cables and hybrid cables, cable wireways, namely, sleeves for fastening and holding electric cables, glass-fiber optic cables and hybrid cables; accessories for pipes and for building construction, namely, non metal pipe couplings and joints; non metal pipe collars, non metal pipe flanges, non metal stoppers for pipe ends; insulating materials made of rubber, gutta-percha, asbestos, mica or plastic, namely, materials for insulation of pipes; junctions and branching tubes not of metal for pipes for use in heating circuits, in heat and cold exchangers, in transport of hazardous and/or flammable products, in gas stations, namely, for transport of fuels and fuel gases, in gas plants; all the above goods of Swiss origin

International Classes 17 - Primary Classes **US Classes** 1, 5, 12, 13, 35, 50 **International Class Title** Rubber Goods

For Technical consulting in the field of cable technical safety; technical computer programming in cable laying, piping systems laying and cordage of wires laying, as well as in the laying of installations for water and energy saving ducting and measurement; technical research and development services in cable installations, piping systems and cordage of wires as well as in water and energy saving ducting and measurement techniques; engineering services in the fields of cables, cable installations, piping systems and cordage of wires as well as in water and energy saving ducting and measurement techniques; design and development of computer programs for third parties

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

For Wire ropes; networks of cordage of wires, namely, systems comprised of netting and mesh, protecting from natural hazards, such as rockfall, unstable slopes, landslides, snow avalanches and mudflow, systems comprised of netting and mesh for jailbreak and burglary protection, dynamic penetration protection against vehicle and boat attacks, falling protection, as well as protection against explosion and blasts, netting and mesh for architectural applications; pipes of metal; pipe systems comprised primarily of metal pipes for heating circuits, for heat and cold exchangers, for transport of hazardous and/or flammable products, for use in gas stations, namely, for transport of fuels and fuel gases, pipe systems for gas plants; branching tubes of metal for pipelines; couplings, namely, metal couplings for use with all aforementioned pipe systems; pipe flanges of metal fastenings and holders of metal for cables, namely, metal connection plugs, metal clips for holding cable; sleeves, namely, metal sleeves for fastening and holding cable; fastening strips, namely, metal fastening strips for holding cable; spiral metal wires for fastening cable; all the above goods of Swiss origin

GOODS AND SERVICES INFORMATION

For Non-metallic building materials, namely, marble, sand, building stone, soffits, fascia, semi-worked woods, concrete blocks, glass blocks for building, paving blocks, wood blocks, bricks, posts, slabs, panels, logs, asphalt, pitch and bitumen; ceramic tiles; natural stone for use in the construction industry; resin-bonded polyester fiberboard, synthetic bases, namely, synthetic flooring materials and wall-claddings; synthetic fiber woven scrim being a component of floor covering constructions, fiberglass panels and fiberglass boards for use in the building industry, bases with a cork-foam-granule base for use as insulating boards, polyester bases for use in the building industry, latex foam bases for use in the building industry, splittable non-woven and polypropylene boards for use in the building industry; mortar; grout; filling and leveling materials with a dispersion, epoxy resin, cement and polyurethane base for preparation of floors, walls and ceilings for tile and natural stone laying; materials for repairing floors, ceilings and partitions, namely, concrete sealers containing resins, cements, mineral fillers, polymeric and copolymeric substances and combinations thereof; materials for grouting wall, ceiling and floor coverings, in particular jointing mortar, dehydrating agents, in particular for the hardening and moisture-proofing of jointing mortar; uncoupling pads, being, building materials for discharging voltage in floors and walls; insulating and renovation nonwovens being system components for flooring structures

International Classes 19 - Primary Classes **US Classes** 1, 12, 33, 50 **International Class Title** Non-metallic Building Materials

For Paints, varnishes, lacquers; colorants; raw natural resins; preservatives against rust and against deterioration of wood; mordants for use in the parquet industry; primers and sealers, namely, carbon-primers, multipurpose primers, 2-component epoxy primer-sealers, liquid sealers, flexible sealing compounds, reactive sealants for use in the construction industry for preparing floors, ceilings and walls to be painted or coated; thinners for use in the construction industry, namely, paint thinners, adhesive thinners, cleaning thinners for primers and sealants

International Classes 2 - Primary Classes **US Classes** 6, 11, 16 **International Class Title** Paints

For Mixing buckets and water buckets, sponges and cleaning pads for the construction industry

International Classes 21 - Primary Classes **US Classes** 2, 13, 23, 29, 30, 33, 40, 50 **International Class Title** Housewares and Glass

For [Transportation devices, namely, double-wheeled transporters for transport on land and transport trucks]

International Classes 12 - Primary Classes **US Classes** 19, 21, 23, 31, 35, 44 **International Class Title** Vehicles

For [Arranging and conducting seminars and workshops in the field of construction trade, construction machines, chemicals used in the construction industry, adhesives for general industrial use; training in the field of personnel development, namely, staff development by providing workshops in the field of customer service and personal awareness; providing online non-downloadable publications, namely, books and newsletters in the field of customer loyalty systems; * all the before-mentioned services in connection with the laying as well as the processing of all types of floor coverings, wood flooring, tiling and natural stone *]

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Chemicals used in industry, in particular in the building industry, in particular for applying floor, wall and ceiling coverings; unprocessed artificial resins, in particular for the construction industry; unprocessed plastics, in particular for the construction industry; adhesives used in industry, in particular in the construction industry, in particular adhesives with a dispersion, epoxy resin and polyurethane base; strippable adhesives and glue for applying floor and wall coverings; chemical binding agents for use in industrial adhesives; thinners, in particular for adhesives; chemical preservatives for use in the production of a wide variety of chemicals

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For [Laying, maintenance, cleaning and repair of floors and floor coverings; consultancy with regard to floor laying and adhesives for floor laying; laying of ceramic tiles and natural stone on floors, ceilings and walls]

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Clothing, footwear, headgear, all being protective work clothing; downloadable electronic publications, namely, books and newsletters, in the field of construction

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Rubber sealant for caulking and adhesive purposes, gutta-percha gum, asbestos, mica for use in the construction industry; plastics in extruded form for use in manufacture; packing materials, namely, packing foam in sheet form, rubber packing for shipping containers; stopping materials, namely, adhesive sealants for general use; insulating material for use in insulating and building installations, namely, fiberglass insulation for buildings, insulating tiles, electrical insulating materials, insulating paint, polyurethane film for use in sealing and insulating buildings; sealant compounds for joints; flexible pipes, not of metal; leveling agents, in particular sealants for filling and leveling floors and walls; coating plastics, in particular for the on-site manufacture of floors; seals, namely, non-metal seals for use in buildings and bridges, for use as pipe connection seals and elastomeric expansion and contraction joint seals; insulating materials

International Classes 17 - Primary Classes **US Classes** 1, 5, 12, 13, 35, 50 **International Class Title** Rubber Goods

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of a rectangle with a blue border divided into two smaller rectangles by a thick dark blue horizontal band with gold stripes on the top and bottom. The dark blue horizontal band is located one third of the way from the top of the bordered rectangle and in its center contains the word "BASIC" in white with a dark blue outline. Each of the smaller rectangles features a taupe mottled pattern on a cream background. The top rectangle contains the words "SMOOTH RICH TASTE" in gold and flanked by a small gold circle on each side, all above a brown leaf design in the center. The lower rectangle contains the words "20 CLASS A CIGARETTES" in gold located at the bottom of the rectangle, and a seal design located on the right-hand side of the rectangle. The seal design consists of a taupe inner circular outline around the taupe letter "A" and a taupe stylized outer circle containing the taupe letters "ACCO" and the taupe words "CLASS A CIGARETTES." A small taupe circle appears on each side of "CLASS A CIGARETTES" in the seal design.The broken black lines are intended to show the position of the mark on the goods and are not part of the mark. **Color Drawing** Yes **Color Claimed** The color(s) blue, dark blue, gold, white, taupe, cream, and brown is/are claimed as a feature of the mark. **Disclaimer** "SMOOTH RICH TASTE," "20 CLASS A CIGARETTES," "A," AND "CLASS A CIGARETTES"

GOODS AND SERVICES INFORMATION

For Aesthetic massage apparatus for industrial purposes; biochemical analyzer for medical purpose; MRI, Ultrasound, X-Ray and X-Ray tomography diagnostic apparatus; nuclear medical diagnostic apparatus for imaging radioisotopes in human body; stethoscopes; life saving apparatus and equipment, namely, automated external defibrillator; endoscopes for medical purposes; diagnostic imaging apparatus for medical purpose; ultrasonic therapy machines and apparatus; radiation therapy apparatus and instruments; X-ray CT systems for medical purpose; other medical machines and apparatus, namely, medical machines and apparatus for the cardiovascular treatment, medical machines and apparatus for the treatment of deafness; oxygen resuscitation apparatus; cardiopulmonary resuscitation apparatus; cardiac resuscitation apparatus; arterial blood pressure measuring apparatus; apparatus for artificial respiration; radiological apparatus for medical purposes; cardiac pacemaker; inhalers for medical purposes; apparatus for medical urine analysis; apparatus for medical analysis of blood; apparatus for medical breath, namely, anesthesia masks; apparatus for medical breath analysis; electric massage apparatus for household use

International Classes 10 - Primary Classes **US Classes** 26, 39, 44 **International Class Title** Medical Apparatus

For Electric welding machines; electric arc welding machines; metal cutting machines, namely, gas operated cutting torches, hand-held electric drills; laser welding machines; electric welding apparatus; vending machines; hand-held electric drills; power-driven hand-held tools, namely, drills, hammers, grinders, sanders, cutters; moulds and dies for metal-forming for use with machines; metalworking machines, namely, machining centers and electric spot welding machines and metalworking machine tools; construction machines, namely, concrete construction machines, slack lines, truck cranes, power shovels, rooters, excavators, earth augers, pile-drivers, pile-extractors, grout pumps, graders, earth scrapers, tamping machines, bulldozers, rammers and road rollers, derricks, asphalt paving machines, earth scrapers, jack hammers, winches, and agitating machines used for construction; elevators; escalators; moving walkways in the nature of escalators; loading-unloading machines; machines and apparatus for capturing and storing carbon dioxide emitted from power plants; machines and apparatus for capturing and storing valuable resource in wastewater; filtering machines for chemical processing; chemical processing machines, namely, calcining and granulating machines; lumbering band saws; woodworking machines, namely, circular saws and sanding machines; veneer and plywood clipping, drying, finishing and gluing machines; semiconductor manufacturing machines; blades for hydraulic turbines; hydraulic turbines runners;

hydraulic turbines and their fittings; blades for wind turbines; wind turbines and their fittings; other turbines not for land vehicles; drive motors not for land vehicles; non-electric prime movers not for land vehicles, namely, internal combustion engines not for land vehicles, jet engines not for land vehicles, rocket engines not for land vehicles; electric compressors for machines; electric pumps for domestic use; internal pumps, namely, pumps used to circulate water in nuclear reactors; other pumps, namely, electric well pump, circulating pumps, vacuum pumps, air pumps, water pumps; other pneumatic or hydraulic machines and instruments, namely, wind-powered electricity generators, blowers, centrifugal blowers, rotary blowers, axial flow blowers, turbo blowers, lifting pumps used in pumped storage hydroelectric plant; automatic stamping machines; dish washing machines for household use; dish washing machines for industrial use; electric wax-polishing machines for domestic use; washing machines for household use; washing machines for industrial use; vacuum cleaners; electric food blenders; electric can openers; electric juice extracting machines; electric coffee mills; electric coffee blenders; automated coffee mills and coffee blenders; electric knife sharpener machines; electric polishers for floorings for household use; electric polishers for floorings for industrial use; electric food processors for household use; electric food processors for industrial use; mechanical parking systems comprised of power operated lifts for parking land vehicles; ball bearings being parts of machines; other machine elements not for land vehicles, namely, blades holders being parts of machines, joints being parts of machines, brushes being parts of machines, cowlings being parts of machines, cranks being parts of machines, drill chucks being parts of machines, drums being parts of machines, filters being parts of machines, feeders being parts of machines, guards being part of machines; lawnmowers; waste compacting machines and apparatus; waste crushing machines; starters for motors and engines; electric AC motors and DC motors for machines; solar AC generators and alternators; AC generators and alternators; solar DC generators; DC generators

International Classes 7 - Primary Classes **US Classes** 13, 19, 21, 23, 31, 34, 35 **International Class Title** Machinery

For Industrial furnaces; nuclear reactors; atomic piles; solar furnaces; industrial boilers; air-conditioning apparatus for industrial purposes; heat pumps; freezers; refrigerating or freezing showcases; refrigerating machines; ice machines; other freezing machines and apparatus, namely, gas refrigerators, ice machines, refrigerating machines, cooling evaporators, cooling domes, freezers and refrigerating or freezing showcases; cooking equipment for industrial purposes, namely, microwave ovens and industrial cooking ovens; industrial dish drying machines; dish disinfectant apparatus for industrial purposes; waste water treatment tanks for industrial purposes; septic tanks for industrial purposes; solar water heaters; water purifying apparatus; lamp reflectors; infrared lamps, other than for medical use; incandescent lamps; halogen lamps; neon lamps; sealed beam lamps; beam lamps; fluorescent lamps; projector lamps; xenon lamps; iodine lamps; metal halide lamps; LED lamps; miniature lamps; pocket lights; car lights; filaments for electric lamps; electric torches for lighting; glow starters for fluorescent lamps; fittings for incandescent lamps; other electric lamps and other lighting apparatus, namely, electric lamps and spotlights, ceiling lights, chandeliers, light bulbs, safety lamps, fairy lights for festive decoration, lanterns, standard lamps, street lamps, Chinese lanterns, electric lights for Christmas trees; electric radiant heaters for household purposes; Japanese electric leg-warming apparatus for household purposes; Japanese electric warming pans for beds; electric hot air heaters for household purposes; hand-held electric hair dryers; room air conditioners for household purposes; electric fans; electric room air purifiers; electric ventilating fans; electric humidifiers; electric dehumidifiers; electric blankets; water heaters for household purposes; storage water heaters for household purposes;

electric cooking ovens for household purposes; microwave ovens; electric toasters; immersion heaters; electric refrigerators for household purposes; electric freezers for household purposes; automatic rice cookers; electric hot plates for cooking; automatic steam cookers; baking ovens for household purposes; electric pots; electric pans; electric coffee percolators; electric egg cookers for household purposes; electric popcorn cookers for household purposes; electric hamburger cookers for household purposes; electric waffle cookers for household purposes; electric ice cream makers for household purposes; electric rice-cake making machines for household purposes; electric yogurt makers for household purposes; electric grilling apparatus for household purposes; electric pressure cookers; electric water coolers for household purposes; electric driers for clothing for household purposes; ionizers for treatment of air for household purposes; electric foot warmers; other household electrothermic appliances, namely, oil space heaters for household purpose, gas space heaters for household purpose, vacuum defreezer for food, wine cellar refrigerating showcases, electrothermic bottles, electric fish roasters, wine warmers, electric warming tray, electric oil filter for foods, smoke filtering machines for air conditioning; gas lighters; gas ovens; gas tables; other non-electric cooking heaters, namely, gas cooktops; kitchen worktops, namely, electric cooktops; kitchen sinks; household tap-water filters; toilet stool units with a washing water squirter

International Classes 11 - Primary Classes **US Classes** 13, 21, 23, 31, 34 **International Class Title** Environmental Control Apparatus

For Building construction and repair; plumbing services; installation of medical machines and apparatus; machinery installation, namely, installation of generating equipment of electricity for industrial purposes, electrical equipment, namely, switchboards, air conditioning apparatus, elevators, escalators, computer hardware, electric appliance, namely, electrical power distribution panels, electrical distribution boxes, electrical distribution consoles, electrical transformers, furnaces, power plants, office machines and equipment, namely, printers, copying machines, facsimile machines, telephones, and vending machines; telecommunication wiring; demolition of buildings; other construction, namely, demolition of buildings and other constructions; installation, repair and maintenance of photovoltaic power generators; construction consultancy; check and maintenance of building equipment; repair and maintenance of bicycles; repair and maintenance of automobiles; repair and maintenance of railway rolling stock; repair and maintenance of two-wheeled motor vehicles; repair and maintenance of cinematographic machines and apparatus; repair and maintenance of optical machines and instruments; repair and maintenance of photographic machines and apparatus; repair and maintenance of elevators; repair and maintenance of escalators; repair and maintenance of other loading-unloading machines and apparatus; repair and maintenance of fire alarms; repair and maintenance of office machines and apparatus; repair and maintenance of air-conditioning apparatus for industrial purposes; repair and maintenance of boilers; pump repair and maintenance; repair and maintenance of freezing machines and apparatus; repair and maintenance of prime movers; repair and maintenance of computers; repair and maintenance of other electronic machines and apparatus; repair and maintenance of telecommunication machines and apparatus; repair and maintenance of construction machines and apparatus; repair and maintenance of consumer electric appliances; repair and maintenance of electric lighting apparatus; repair and maintenance of power distribution or control machines and apparatus; repair and maintenance of power generators; repair and maintenance of electric motors; repair and maintenance of laboratory apparatus and instruments; repair and maintenance of measuring and testing machines and instruments; repair and maintenance of medical machines and apparatus; repair and maintenance of printing or bookbinding machines and apparatus; repair and maintenance of chemical processing machines

and apparatus; repair and maintenance of metal working machines and tools; repair and maintenance of industrial furnaces; repair and maintenance of nuclear reactors and atomic piles; repair and maintenance of solar furnaces; repair and maintenance of integrated circuits manufacturing machines and systems; repair and maintenance of semiconductor manufacturing machines and systems; repair and maintenance of machines and apparatus for lumbering, woodworking, or veneer and plywood making; repair and maintenance of battery charging station equipment; repair and maintenance of gasoline station equipment; repair and maintenance of mechanical parking systems; repair and maintenance of industrial dish washing machines; repair and maintenance of cooking apparatus for industrial purposes; repair and maintenance of vending machines; repair and maintenance of power-driven floor cleaning machines; repair and maintenance of machines and apparatus for use in beauty salons or barbers' shops; repair and maintenance of water purifying apparatus; repair and maintenance of waste compacting machines and apparatus; repair and maintenance of waste crushing machines and apparatus; repair and maintenance of nuclear power plants; repair and maintenance of chemical plants; repair and maintenance of non-electric cooking heaters; repair of toys and dolls; repair of toilet stool units with a washing water squirter; repair of spectacles; sterilization of medical machines and apparatus

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Ozonisers; ozonators; electrolysers; electrolytic cells; electronic engine control apparatus for automobiles; cash registers; coin counting or sorting machines; automated teller machines; voting machines; automatic billing machines; battery charging station equipment, namely, chargers, cables; gasoline station equipment, namely, metered gasoline pumps; fire alarms; gas alarms; DNA chips; DNA testing apparatus, namely, electronic apparatus consisting of hardware, microchips, and software for examining, studying, and researching genes and genetic material; other laboratory apparatus and instruments, namely, microscopes, centrifuges, air-gas producers, constant temperature incubators, constant humidity incubators, glassware for scientific experiments in laboratories, porcelain ware for scientific experiments in laboratories, furnaces for laboratory experiments, animal specimens and plant models; focusing mirror; flash guns for photographic purposes; flash lamps for photographic purposes; cameras; other photographic machines and apparatus, namely, flashbulbs and filters; cinematographic machines and apparatus, namely, cinematographic cameras; magnifying glasses and other optical apparatus and instruments, namely, microscopes and telescopes; telemetering equipment; water quality measuring apparatus, namely, water quality measurement instruments; biochemical analyzers; electronic weighing scales; testing equipment for semiconductors; X-ray or gamma-ray thickness gauges; gamma-ray level gauges; electromagnetic flow meters; smart meters, in the nature of electric quantity meters, including watt meters, watt-hour meters, gas meters, water meters, voltmeters, ammeters, all having one-way and two way communication functions; electricity meters; other measuring testing machines and apparatus, namely, vibration meters, acoustic meters; chargers for electric batteries; electrical sockets; electrical receptacles; electrical plugs; transformers; inverters; induction voltage regulators; condensers and capacitors; circuit breakers; electrical switches; plug boards; lighting arresters; electric relays; converters; electrical connectors; rectifiers; fuses; electrical resistors; static power capacitors; leakage circuit breakers; switch boxes; electric voltage ballasts; vacuum circuit breakers; lighting and electrical power distribution blocks; other power distribution or control machines and apparatus, namely, electrical controllers, remote control starters for vehicles, lighting and electrical power distribution blocks, automatic device for power station, distribution consoles electricity; rotary converters; electronic

phase modifiers; photovoltaic panels; power conditioners; photovoltaic power generators and their parts; dry cells; accumulators; photovoltaic cells; re-chargeable cells; solar cells; fuel cells; lithium-ion batteries; electrical batteries and cells; watt hour meters; electric leakage detectors; oscilloscopes and other electric or magnetic meters and testers, namely, electric vibration meters and magnetic wall stud finders; electric wires and cables; electric flat irons; electric hair-curlers; electric buzzers; telephone sets; mobile phones; battery chargers for mobile phones; video-phones; automatic telephone exchangers; intercoms; transceivers; AC adaptors; television receivers; TV sets; television transmitters; television cameras; closed circuit television cameras; closed circuit television monitors; closed circuits television equipment; radio receivers with clocks; car radios; radio receivers; radio transmitters; broadcasting machines and apparatus; radio communication machines and apparatus; radio application machines and apparatus; facsimile machines and apparatus and their parts and accessories, namely, platen cover, reversing automatic document feeder (RADF/ADF), paper feed pedestal, drawer module, work tray, finisher, multi position staple finisher, saddle stitch finisher, hole punch unit, inserter, large capacity feeder (LCF), printer kit, printer/scanner kit, scanner kit, main/page memory module, EFI controller, FAX board, FAX 2nd line board, wireless module kit, personal area network module, antenna kit, PCI slot, parallel I/F kit, card reader, data overwrite kit for facsimile machines; tape recorders; radio cassette tape recorders; stereo tuners, audio stereo tuners, tuners for television receivers; tuners for HDD and DVD recorders; record players; sound recording machines and apparatus; digital audio players; DVD players; DVD recorders; DVD drives; video cameras; video tape recorders; video disc players; digital video disc recorders; digital photo frames; surveillance cameras; digital cameras; digital video cameras; blank magnetic tapes for tape recorders; blank magnetic tapes for video tape recorders; blank video discs for video disc players; needles for phonographs; electrical phonograph record turntable cartridges; noise reduction filters for audio equipment; audio amplifiers; microphones; headphones; graphic equalizers; antennas; public-address systems and instruments; other parts and accessories for electric communication machines and apparatus, namely, telegraphs, circuit boards for electric communication machines and apparatus, switches for electric communication machines and apparatus; transmitters of telecommunication signals; other electric communication machines and apparatus, namely, walkie-talkies; radar machines and apparatus; loran navigation machines and apparatus; electrostatic copying machines; image scanners; multi-function peripherals having function of copying machines, printers, image scanners and facsimile machines; personal computers; computers; universal serial bus (USB) memories; printers for use with computers; magnetic tape and discs units for computers; card readers for use with computers; displays for computers; display monitors for computers; keyboards for computers; mice for computers; word processors; integrated circuit memory card readers and/or writers; smart phones; personal digital assistance having function of internet connection, the sending and receiving of e-mail, and video and data information; personal digital assistants; printers for digital cameras; hard disc drives; parts and accessories for electrostatic copying machines and printers, namely, printer cables, printer carrying cases, drums, heat rollers, cleaning rollers and blades; computer servers; machines and apparatus for POS (point-of-sale) systems and their parts and accessories, namely, terminals, barcode readers, optical readers, displays, namely, liquid crystal displays and electric luminescent display panels, keyboards, printers, scanners all for POS Systems; barcode readers; barcode printers; radio frequency identification (RFID) readers and/or writers; X-ray non-destructive testing units not for medical purposes; diagnostic ultrasound non-destructive testing units other than for medical use; electric and/or electronic large size display apparatus, namely, LCD large screen displays; X-ray tubes; X-ray image intensifiers; electron tubes; radiation detectors; other electron tubes; semiconductors; integrated circuits; printed circuit boards; solid state drive (SSD); integrated circuit memory cards; other electronic circuits;

computer programs recorded on tapes or discs for web browsers, for anti hackers, for language translation, for use as a spreadsheet, for word processing, for adding and repartitioning a hard disk drive, for integrating clusters consisting of plural PC servers to prevent system downtime, for optical character readers, for the transfer of institutional business knowledge between employees and for the education of children; software for operating medical diagnostic apparatus, namely, MRI diagnostic apparatus, ultrasound apparatus, X-ray apparatus, X-ray tomography apparatus and nuclear medicine diagnostic imaging apparatus; software for managing patient information in hospitals; accounting and database management software for use in hospitals; electronic medical image archiving apparatus for receiving and sending diagnostic images; picture archiving and communication system composed of computer hardware and software for use in capturing, receiving, storing, organizing and transmitting digital medical images; computer programs and computer software, namely, accounting and database management software for use in hospitals, computer software for enabling multiple operating systems to run concurrently on a single computer, computer software for using, monitoring and managing multiple operating systems, computer software for creating, optimizing, administrating and managing user software environments including operating systems and applications, computer software for distributing and deploying software environments to client computers, computer software for administrating data in client computers and managing access to data in client computers; software for personal computers namely, application software installed in personal computers to transfer music data from personal computers to HDD (Hard Disc Drive) audio players, software for personal computers which store, compile and play music tracks stored on personal computers, computer discs or HDD (Hard Disc Drive) audio players, software to transfer music tracks from compact discs or personal computers to HDD (Hard Disc Drive) audio players; computer software for multivision processors, computer software for multivision processors, recorded on central processing units, electronic circuits/magnetic discs/magnetic tapes/optical disks/optical magnetic discs recorded with computer programs, computer software (recorded), namely software used in notebook computers for data security, system protection and wired and wireless connectivity, computer software, namely, computer programs and software for having viewing, editing and merging function used in multi-functional machines with photocopying, scanning, printing, and facsimile functions, computer software, namely, computer software programs for controlling the viewing, editing and merging functions of the aforesaid printers, computer software for controlling the operation of variable speed drives, computer software managing print and capture related jobs on computer network, computer software for computer screen saver, computer software for point of sales systems, used for tracking inventory, processing payments, accounting, categorizing merchandise, creating reports, managing employees, and creating customer accounts, in the hospitality and retail industries, computer operating system software to operate personal computers, computer software application program that allows the user to maintain a PLU (Price Look Up) and Ingredient Item file; software for medical diagnostic and therapy apparatus, software programs for personal information management, package software for project management, computer software for use in connection with electronic machines to provide copying, faxing, printing and/or scanning functionality, computer programs to provide copying, faxing, printing and/or scanning functionality, computer software and computer programs for generating, analyzing, displaying and transmitting video or audio and digital data signals for medical imaging, computer software comprising a special supervisory and process control system, designed primarily for plant management, computer software used to control touch screen displays, software application for notebook computers allowing the building of custom images on hard disk drive and allowing the restoration of images in

the event of system crash, computer operating system software to operate personal computers; light emitting diode (LED) displays; liquid crystal displays; liquid crystal display (LCD) projectors; other electronic machines, apparatus and their parts, namely, computer docking stations, electronic card readers, kiosk terminal, digital signage; communication satellites, other rockets, namely, observation rockets; spectacles; eyeglasses; safety goggles; consumer video games, namely, video game machines for use with televisions, consumer video game cartridges and software; hand-held units for playing games; electronic circuits and computer video software recorded on CD-ROMs for use with hand-held games with liquid crystal displays; electronic circuits and computer software recorded on CD-ROMs for use in operating recorded automatic performance programs for electronic musical instruments; pre-recorded video discs and video tapes featuring movies and music; downloadable electronic publications recorded on computer media featuring information in the field of business, sports, music and movies, namely, books, magazines and manuals; endoscopes for non-medical use; electric bulb sockets

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Computer software design, computer programming, and maintenance of computer software; technical advice relating to performance and operation of computers, automobiles and other machines that require high levels of personal knowledge, skill or experience of the operators to meet the required accuracy in operating them; rental of computers; providing on-line non-downloadable computer programs for medical use in capturing, receiving, storing, organizing and transmitting digital medical images, for integrating clusters, for Optical Character Readers, for web browsers, for translation, for the creation of firewalls, for encryption, for use in creating spreadsheets, and for word processing; providing temporary use of on-line non-downloadable computer programs or computer software for web browsers, for anti hackers, for certification, for translation, for use in database management, for use as a spreadsheet, for word processing, for adding and repartitioning a hard disk drive, for integrating cluster, for optical character readers, for knowledge succeed and for the education of children
