CASE IDENTIFIERS

Serial Number 86705147 **Application Filing Date** Jul. 27, 2015 **Register** Principal **Mark Type** Trademark **Publication Date** Jul. 05, 2016

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 2 - AN ILLUSTRATION DRAWING WITHOUT ANY WORDS(S)/ LETTER(S) **Description of the Mark** The mark consists of a smiling robot predominantly red in color with white striping running across the face, torso, arms and legs. The undersides of the robot's arms are black, and red bolts attach the legs. The head of the robot is square-shaped, with a round gray circle varying in shade of gray outlined in red resembling a light centered at the top. The head is red with two white stripes in the middle that create a chevron like design. The robot has black oval-shaped pupils with a white fleck at the upper left of each pupil inside teal oval-shaped eyes that vary in shade of teal contained in large white rectangular shapes outlined in brown. Each eye has hood-like eyelids that are red and vary in shade of red. The robot's upper torso is white with a red handle at the center and two smaller white handles to the left and right of the red handle. The bottom portion of the torso is red with a rectangular piece in the center with two white smaller rectangles to the left and right inside of it. There are two rectangular black elements to the left and the right of the rectangle, and six rectangular black elements below the rectangle. A small gray circle varying in shade of gray and outlined in red resembling a light appears on both the left and right side of the red, lower torso. The legs are rectangular in nature, with a gray bolt enclosed in a red half circle connecting the upper part of the legs to the lower part of the legs. The half circle of the bolt is visible on the left and right of each leg, but the bolt is only visible on the inner part of each leg. The middle part of the leg is red, varies in shade of red, rectangular, larger than the upper part of the legs that connects to the torso, and has a white stripe at the bottom where the feet connect. The feet are square-like in nature, and overall are a red that varies in shade with a white stripe that runs horizontally across the middle of each foot. Each foot has a front square design and two side designs that get darker in shade of red and white towards the back of each design. There is a thin black outline between the front part and the side parts of the foot. The inner side design is square-like, and the outer side design resembles a thin rectangle. Each front has a small, thin black rectangle at the bottom center of the foot, followed by a red, slightly circular red base of the foot that varies in shade of red and has two prongs at the bottom of each foot. The robot's hand has four fingers with black striping at the joints and white tips. Each top of the hand

is red with two white stripes towards the fingers. The robot is standing with its right arm bent and its hand on its hip. The left arm is lifted in a wave. The inner part of the arm connecting the left arm and the hand is gray, and the wrist is black. While the mark appears three-dimensional in nature, a configuration of the mark is not claimed. **Color Drawing** Yes **Color Claimed** The color(s) red, white, teal, black, brown and gray is/are claimed as a feature of the mark.

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 2 - AN ILLUSTRATION DRAWING WITHOUT ANY WORDS(S)/ LETTER(S) **Description of the Mark** The mark consists of a smiling robot predominantly gold, yellow and red in color. The upper portion of the robot is shaped like a tugboat with the robot's face resembling a duck with the bottom portion protruding forward like the bill of a duck. The upper portion of the robot's face is gold in color and varies in shade of gold, resembling wood, with yellow sides, yellow trim, and a green top. A round light gray circle that varies in shade of light gray, outlined in green, resembling a light is centered at the top of the robot's head with a yellow and dark yellow upper shield and two gray bolts at the bottom of the circle. The robot has black oval-shaped pupils with a white fleck at the upper left of each pupil inside green oval-shaped eyes that vary in shade of green. The whites of the robot's eyes are separated by a yellow mask with yellow arches at the top and a yellow center piece. The white of the robot's left eye is larger than the right, and the eyelids of the robot are dark yellow with the left eyelid being longer than the right. The lower portion of the robot's face or bill is yellow with three gold shapes varying in shade of gold and resembling wood on the top of the bill. The mouth is open and trimmed in white with the inside of the robot's mouth being brown with a red tongue. The underside of the robot's head is red with two light red stripes proceeding from the left and right of the edge of the underside, and the torso is a yellow grill with seven brown rectangular-shaped cutouts. The robot's upper legs are black affixed to red oversized feet with yellow bottoms. The left bottom of the robot's leg has a ridge at the top of it that is outlined in dark yellow. Two rectangular elements that are gold in color and vary in shade of gold appear as fronts on the top of each red foot with brown U-shaped designs that vary in shade of brown at the top. The inner part of the U-shaped design is gold in color and varies in shade of gold. The entire U-shaped design resembles wood for each respective color. A brown rectangular shape outlined in red appears on the inside of the robot's left foot. The robot's arms are black with an interior gray stripe. Each arm has a red attachment near the wrist that has three light red vertical stripes and that is also attached to the robot with red pieces at shoulder level. On top of each red attachment is a yellow attachment affixed with a green bolt with two horizontal lines running the length of the attachment from front to back, and the attachment fades

from yellow to dark yellow from top to bottom. The yellow attachment on the robot's left arm resembles a fan with a green rim and yellow blades and dark green on the inside of the fan. The center of the fan is green with a black dot. At the end of the yellow attachment on the robot's right arm is a circular shape containing five black circles with a green cover at the top and sides. There are red handles at the bottom of each yellow attachment. The robot's hands and four fingers are yellow with black joints with a red stripe near each wrist. The robot is standing on its left foot, with its right foot raised at an angle towards the back, and with its arms lifted and elbows bent forward. While the mark appears three-dimensional in nature, a configuration of the mark is not claimed. **Color Drawing** Yes **Color Claimed** The color(s) gold, yellow, dark yellow, red, light red, green, dark green, brown, white, black, light gray and gray is/are claimed as a feature of the mark.

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 2 - AN ILLUSTRATION DRAWING WITHOUT ANY WORDS(S)/ LETTER(S) **Description of the Mark** The mark consists of a robot predominantly navy blue and white in color. The face of the robot is white and navy blue, with a gray line representing a smile appearing on a white section of the mask. The robot has black oval-shaped pupils with a white fleck at the upper left of each pupil inside blue oval-shaped eyes that vary in shade to a dark blue at the top and is wearing a protective navy blue helmet over its head. A yellow rectangular piece runs down the center of the top of the helmet, held in place by two rectangular red straps outlined in black running horizontally across the top. There is a light gray rectangular shape that varies in shade of light gray and is outlined in black resembling a light on either side of the helmet, and a white mask with gray dots appears over the robot's eyes with a blue eyelid-like rectangular element above each eye under the mask that has a pale blue triangular-shaped piece at the edge closest to the eye. The bottom of the helmet is navy blue, with the white section where the mask appears dipping to the center bottom of the helmet, and with a light gray square shape that varies in shade of gray resembling a light on each side and a red circle that varies in shade of red outlined in blue appearing underneath each square. The robot's torso is white, with a light gray edge at the top and left side, with black upper legs, the right of which varies in shade to gray, extending into navy blue block-shaped legs with a yellow cube that appears three-dimensional in nature with a navy blue center appearing on each leg where the upper and lower portions meet. The robot has black wheels with yellow trim for feet, with a navy blue base to each foot that varies in shade of navy blue, followed by gray attachments that vary in shade of gray above each foot and a yellow stripe at the back end of each attachment. Each gray attachment has a black line that runs vertically from the light to the yellow stripe. A light gray rectangular shape that varies in shade of light gray, outlined in light blue, and resembling a light appears at the front of each gray attachment. The robot's upper arms are light gray on the top side and gray on the underside with a black line running down the middle of each underside. Each of the upper arms has the outline of a red triangle appearing near each shoulder. A navy blue piece that varies in shade of navy blue having a gray underside is attached at shoulder level above each red triangle. The bottom portion of

each arm has a navy blue attachment that varies in shade of navy blue with yellow striping appearing on the arm above and below the navy blue attachment along with gray small bolts appearing at the corners of the inner sides of the attachment. A black circular shape outlined in gray with a light gray center piece appears below the navy blue attachment on the robot's right arm. A gray stripe runs down the remaining portion of the robot's right arm and hand, surrounded by navy blue and outlined in light gray forming a cuff-like element on the right hand of the robot, connecting with gray fingers with black joints. The robot is standing with its arms at its sides and its right leg out at a slight angle. While the mark appears three-dimensional in nature, a configuration of the mark is not claimed. **Color Drawing** Yes **Color Claimed** The color(s) navy blue, blue, light blue, pale blue, dark blue, white, gray, light gray, yellow, black and red is/are claimed as a feature of the mark.

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 2 - AN ILLUSTRATION DRAWING WITHOUT ANY WORDS(S)/ LETTER(S) **Description of the Mark** The mark consists of a robot predominantly pink, gray and white in color. The head of the robot is toast-shaped, with the upper portion being white and the lower portion being pink. The robot has black oval-shaped pupils with a white fleck at the upper left of each pupil inside green oval-shaped eyes that vary in shade of green from top to bottom and is wearing yellow toast-shaped glasses connected at the top by a yellow arc. The very top of the robot's head is pink with three black horizontal lines running across the top and two brown heart shapes outlined in pink affixed to the head by two pink straps. There is a pink rectangular-shaped piece outlined in yellow attached to the left and right sides of the pink top. The bottom portion of the robot's face is pink, with a ridge-like design that varies in shade of pink at the top of the pink portion, and with a small black line representing the mouth. The legs of the robot are gray and the feet are pink and vary in shade of pink. On the feet, there is a half circle design element at the top of each foot, and a rectangular design element with a concentric rectangle inside the design element towards the bottom of each foot. The segments making up the arms of the robot are black, gray, and pink, with the fingers being gray and the joints of the fingers are black. The pink and gray portions of the arms vary in shade of pink and gray respectively. The upper portion of each arm is gray, the forearm is pink in the front and gray in the back, and the hand is pink in the front and gray in the back. The remaining portions of the arm - the elbows, wrists, and shoulders - are black. There is a gray rectangular-shaped element with a black underside protruding from each side of the robot near the top, along with two gray handles that vary in shade of gray sticking out from each side of the robot's head with a large gray oval shaped element in the middle of each handle. The robot is standing with each arm hanging down, elbows slightly bent and fingers curled under. While the mark appears three-dimensional in nature, a configuration of the mark is not claimed. **Color Drawing** Yes **Color Claimed** The color(s) pink, gray, white, black, green, yellow and brown is/are claimed as a feature of the mark.

GOODS AND SERVICES INFORMATION

For Training in the use and operation of computer software and hardware all for use in the fields of assessment and compliance audits for antiterrorism threat and vulnerability risk assessments, transportation infrastructure, power, water and food supply, and security systems; Training in the fields of environmental management and pollution control, waste management and remediation engineering, process engineering and design and corporate reporting; training in the field of aircraft flight

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Consulting in the field of sustainable business organizational design; Cost analyses; consultancy relating to demographics for marketing purposes; marketing studies; business economic feasibility studies; Business management and business consulting services in the fields of transportation, infrastructure, environment, energy and aviation; Project management services for others for business purposes in the fields of architecture, interior design, and urban planning design; value engineering, namely, cost analysis; Advisory services for others for business purposes in the fields of architecture, interior design and urban planning design; Business efficiency experts; Business management analysis, namely, providing cost estimates for contracted work; Business management and business consulting services in the field of transportation and aviation; Professional business consulting; Economic consulting and information for architectural, engineering and design projects; Economic consulting and information for economic development, urban revitalization, real estate, tourism and culture, and sustainable development; Business consulting and advisory services in the fields of

energy efficiency, renewable energy, logistics and mining; Consultancy services regarding business strategies in the field of wastewater liquids and solids treatment, specifically related to the commercial, industrial and municipal uses; Business management services, namely, managing logistics, reverse logistics, supply chain services, supply chain visibility and synchronization, supply and demand forecasting and product distribution processes for others; Business services, namely, procuring qualified and credentialed third-party experts, professionals and other qualified personnel, and documentation and information all on behalf of others; Business services, namely, providing information regarding the purchase and sale of a wide variety of products and services of others via computer databases; Business services, namely, registering, screening, verifying the credentials of, and organizing third-party vendors, suppliers, and contractors, and procuring documentation and information on behalf of others; Compilation and systemization of information into computer databases; Computerized database management; Database management; business services, namely, integrated tracking and management and carrying out of commercial transactions on a global computer network; Inventory control; Inventory control in the field of database management; Inventory management; Inventory management in the field of database management; Management and compilation of computerized databases; Records management services, namely, document indexing for others; Business administration services, namely, management of human resources and office and facility equipment, and materials; Business management services, namely, management of military equipment and materials; Business advisory and consultancy services in relation to defense systems and facilities management and commercial assistance relating to system implementation and system integration in the field of analysis of anti-terrorism protection, base alignment and closure, emergency preparedness, environmental restoration, global threat reduction, installations management, logistics management, military aviation and ground systems, military facilities design, military flight training, nuclear, chemical and biological weapons demilitarization, and weapons systems development and modernization, computer technology implementation, computer systems modification, installation of new computer systems and computer peripheral equipment, and the design and manufacture of computer hardware and software and equipment and integrated logistics support for aviation and ground defense systems; Business services, namely, business management of facilities in the field of aviation, corporate operations, government, energy, industrial and manufacturing facilities, office buildings, research and development facilities, and transportation facilities managing consultants, costs and scheduling monitoring, construction and renovation monitoring, technical operations, interior design; Business management of industrial installations and configurations, namely, operation services in the field of manufacturing, processing and assembly plants, processing and refining facilities, distribution centers, power plants, transportation infrastructure, and mining operations; Business consulting services in the field of applicable statutes, regulations, directives and instructions, due diligence, environmental assessments, safety and health assessments, asset management, acquisition planning, technology assessment, licensing and permitting, and risk management; Business consulting services in the field of internal process optimization and on the job process hazards analysis; Business acquisition and merger consultation; Corporate governance consulting services, namely, economic and strategic planning, budgeting, contingency planning, social risk assessment and developing sustainable work systems; Human resource management, namely, project staffing; Business management and business management in the nature of control over secure information distribution on global computer information networks and on local computer networks; Business project management services for construction projects, namely, cost and schedule control, document control, utility coordination, contract administration, contractor coordination and change order control; graphic and multimedia design of advertising materials for the purpose of promoting the goods and services of others

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Community planning, namely, planning and laying out of residential and/or commercial communities; Urban redevelopment and regeneration planning, namely, planning and laying out of residential and/or commercial communities; Construction planning project management services; Consulting in the field of sustainable community planning, namely, Planning and laying out of residential and/or commercial communities; Construction supervision services for the energy, transportation, pollution, abatement, water resources and health care industries; Building construction supervision; Construction management of tunnels and underground structures; Construction consultancy; Construction management; Construction services, namely, custom construction of commercial buildings; Construction supervision; Consulting in the field of building construction and building construction supervision; Consulting in the field of hospital construction; Inspection services in the course of construction of airports, highways and bridges; Residential and building construction consulting; Residential and commercial building construction; Technical consultation in the field of building construction; Technical consultation in the field of building materials, namely, cementitious materials, asphalt and aggregates; House, building and public or industrial structure demolition services; Building construction services; Building construction, remodeling, inspection, maintenance, reinforcing, restoration and repair; Construction of tunnels and underground structures; Construction and renovation of buildings; Construction grading services; Construction of airports, buildings, medical establishments, roads, underground utilities, housing pads, highways and bridges; Construction, maintenance and renovation of property; Consulting services for repair and restoration of historic buildings and structures; Electrical contracting, namely, installation of electrical systems, installation of electrical machinery, repair of electrical systems, and comprehensive preventative maintenance service for electrical systems; Erecting of commercial centers, housing areas and manufacturing plants; Pipeline construction, maintenance, installation and repair; Providing information on repair services in the aviation sector; Refurbishment of buildings; Renovation and restoration of buildings; Repair of buildings; Repair work on buildings; Road construction; construction of steel structures; Steel structure construction works; Street construction; Construction services in the field of construction of entertainment, commercial, sports, data centers, disaster recovery, government, healthcare, education, hospitality, transportation, residential and retail facilities; Construction project management services in the field of construction of oil and gas facilities; Technical consulting related to the installation of oil and gas facilities; Construction of aquatics facilities; Construction of water treatment facilities; Consulting services for the construction of water treatment and purification plants, solid waste treatment plants and other municipal infrastructure facilities; Marine construction; Pump repair and maintenance; Repair or maintenance of water pollution control equipment and water purifying apparatus; construction consultancy relating to sanitation facilities; Underwater building, construction, dredging, and repair; Industrial construction services, namely, construction of manufacturing plants, bulk storage facilities and specialized structures, and installation of industrial equipment for use in the mining, forestry, food processing, power generation, petrochemical, manufacturing and materials handling industries; Construction supervision services, namely, construction project management, construction program management and construction management, all for creation, demolition, and decommissioning of facilities and sites; Construction management services, namely, construction consultation, and construction of government, commercial and industrial properties, and inspections during building construction; Construction program management and construction management

services and maintenance services for large and complex engineering projects to build, maintain and improve healthcare complexes, k-12 schools, colleges and universities, public buildings, power plants, commercial, industrial and manufacturing facilities, and federal, state and municipal infrastructure, namely, bridges, highways, interchanges, tunnels, intelligent transportation systems (ITS), mass transit systems, airports, port and harbor facilities, and water supply, and water and waste treatment and distribution systems; maintenance and improvement in the nature of repair of public buildings, commercial, industrial and manufacturing facilities, and federal, state and municipal infrastructure, namely, bridges, highways, mass transit systems, and airports

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Software program for developing parametric cost estimates for environmental site investigation, engineering design, remedial action, operation and maintenance, long-term monitoring, close out for contaminated sites and facility construction and renovation projects and associated site work; Automated systems, namely, software, hardware and communications devices for planning, scheduling, controlling, monitoring and providing information on transportation assets and parts thereof; Computer software for application and database integration; Computer software for creating searchable databases of information and data; Computer software for providing an on-line database in the field of transaction processing to upload transactional data, provide statistical analysis, and produce notifications and reports; Computer software for the databasing, visualization, manipulation, virtual reality immersion and integration of geographic information with on-line member communities; Computer software for use in database management; Computer software that provides real-time, integrated business management intelligence by combining information from various databases and presenting it in an easy-to-understand user interface; Computer software that provides web-based access to applications and services through a web operating system or portal interface; Computer software, namely, an application allowing sales and field service employees to update and receive data stored in an enterprise's computer databases in real time, using a mobile device, with full telephony integration with the telephone and/or software features of the mobile device; Database management software for use in Accounting/Financial Management, Deployment/Personnel Management, Property/Inventory Control Management, Production Control Management, Quality/Safety/Environmental Management, Supply Chain Management, Planning and Schedule Management, Document Management and Earned Value Management; Enterprise software in the nature of a database for non-transactional data and a search engine for database content

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Reviewing standards and practices to assure compliance with environmental zoning laws and regulations; reviewing standards and practices to assure compliance with environmental and radiological laws and regulations; Reviewing inspections and verification of the quality and quantity of raw materials, commodities, manufactured, semi-manufactured and transformed goods or goods of any other nature, for regulatory compliance; Advice and consultancy on environmental regulatory matters; Consulting services in the field of national security

International Classes 45 - Primary Classes **US Classes** 100, 101 **International Class Title** Personal and legal services

For Providing access to databases; Providing multiple user access to global computer information networks for the transfer and dissemination of a wide range of information; Providing multiple user access to proprietary collections of information by means of global computer information networks; Providing multiple-user access to a global computer information network; Providing private and secure real time electronic communication over a computer network; Providing user access to a global computer network

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Logistics services for governmental defense and energy entities or their agents or contractors, namely, warehousing services, namely, storage, distribution, and packing for shipment of materials in storage, namely, equipment, apparatus, supplies, ammunition, raw materials, and other associated materials for others; all of the above excluding logistics and distribution services for governmental defense and energy entities or their agents or contractors in the nature of commercial document and package shipping and delivery, warehousing related to the aforementioned excluded logistics and distribution services, and commercial freight forwarding services

International Classes 39 - Primary Classes **US Classes** 100, 105 **International Class Title** Transportation and Storage

For Environmental remediation services, namely, treatment of waste; Providing technical information in the field of waste management; Waste management services; Emissions control services for the reduction of mercury emissions for coal-fired power plants; Environmental remediation services, namely, soil, waste and/or water treatment services; environmental pollution control services, namely, air, water, groundwater, waste water, soil treatment, and environmental remediation services, namely, decontamination of unexploded ordinance and hazardous, toxic and radioactive materials cleanup

International Classes 40 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Material Treatment

For Providing temporary use of on-line non-downloadable software for use in business and industrial facility planning and management, namely, for performing predictive cost analysis of physical space and infrastructure requirements of a facility based on projected staff and equipment requirements, and online instructional manuals provided therewith as a unit; Engineering and architectural analysis, planning and design services for the energy, transportation, pollution abatement, water resources and health care industries; Architectural and engineering services; Architectural consultancy; Architectural design; Civil engineering; Conducting engineering surveys; Conducting of technical feasibility studies; Consulting in the field of structural engineering; Consulting in the fields of engineering and architecture; Design for others in the field of engineering; Design of tunnels and underground structures; Drawing up of plans and engineering drawings; Engineering services for building and property condition assessment, facility management, repair and restoration, building instrumentation and monitoring, and environmental consulting; Engineering services for the construction of water treatment and purification plants, solid waste treatment plants and other municipal infrastructure facilities; Engineering services in the field of environmental compliance; Engineering services, namely, engineering for the construction of airports, highways and bridges; Land use planning services; Landscape architectural design; Planning and layout design for the interior space of retail business establishments; Planning of buildings and infrastructure systems for buildings;

Providing quality assurance services in the field of engineering; Quality control for others; Structural engineering design services; Urban planning; Architectural research; Civil engineering for the design of airports, highways and bridges; Computer aided design for others; Conducting chemical surveys, namely, strength and chemical testing of cementitious materials, asphalt and aggregates; Construction drafting; Consulting services in the field of architectural design; Building and construction drafting; Drafting of construction plans for recreation premises; Engineering; Graphic illustration and drawing services, namely, providing graphic illustrations and drawings of commercial and industrial building designs, and converting building designs or markups to electronic CAD drawings; Monitoring inspections, verification of the quality and quantity of raw materials, commodities, manufactured, semi-manufactured and transformed goods or goods of any other nature, for quality control purposes; Quality control in the nature of inspections of airports, highways and bridges; Marine, aerial and land surveying; Materials testing, analysis and evaluation; Mechanical engineering and research relating to mechanical engineering; Monitoring of commercial and industrial sites for detection of volatile and non-volatile organic compounds; Monitoring of erosion and sedimentation; Pipeline inspection services; Planning and layout design services for cleanroom environments; Product development and engineering services for others; Providing design services for others in the field of theme parks, museums, and miniature golf courses; Research and development and consultation related thereto in the field of civil engineering; Research and development of technology in the field of civil engineering; Research on building construction or city planning; Research relating to mechanical engineering; Research, development, engineering and testing services in the fields of welding and material joining; Survey design and research; Surveying and engineering; Technical consultancy regarding the field of road cutting machinery technology; Technical surveying; Testing or research on civil engineering; Testing, analysis and evaluation of the goods and services of others for the purpose of certification; Testing, analyzing and evaluating the structural properties of masonry and concrete structures; Architectural consultation; Civil engineering relating to water irrigation; Engineering and hydrological design of restoration of stream channels, marshes, estuaries, and wetlands; Engineering services in the field of reduction of operating costs, fuel blending, waste handling, quality performance of co-products and by-products, and chemical distribution; Environmental services, namely, technical consultation in the field of environmental science, engineering services, design for others in the field of energy engineering, designing and testing of energy products for others; Environmental services, namely, technical consultation in the field of environmental science, engineering services, namely, design for others in the field of environmental engineering, designing and testing of new environmentally friendly products for others; Hydraulic engineering and design; Hydrologic and engineering modeling and design of measures to protect areas likely to be inundated by storm-water and flood-waters; architectural design services in the fields of civic, corporate, education, healthcare, justice, leisure, sports venues, transportation, government, and utilities; Engineering design services; Planning of buildings and infrastructure for buildings, namely, spatial planning for buildings; Climate and resource planning for buildings namely, planning of buildings and infrastructure systems for buildings; Infrastructure and public facilities planning, namely, planning of buildings and infrastructure systems for buildings; Providing policy analysis for the energy, transportation, pollution abatement, water resources and health care industries; Computer planning project management; Consulting in the field of sustainable community planning and sustainable business design; Engineering services in the field of reduction of operating costs; Application service provider (ASP) featuring software for use in Accounting/Financial Management, Deployment/Personnel Management, Property/Inventory Control Management, Production Control Management, Quality/Safety/Environmental Management, Supply Chain Management, Planning and Schedule Management, Document

Management and Earned Value Management; Application service provider featuring software for providing an on-line database in the field of transaction processing to upload transactional data, provide statistical analysis, and produce notifications and reports; Application service provider, namely, providing, hosting, managing, developing, and maintaining applications, software, web sites, and databases in the fields of personal productivity, wireless communication, mobile information access, and remote data management for wireless delivery of content to handheld computers, laptops and mobile electronic devices; Application service provider, namely, providing, hosting, managing, developing, researching, analyzing, reporting, and maintaining applications, software, web sites, and databases of others in the fields of healthcare, benefits programs, employee productivity, risk management; application service provider for hosting computer application software in the field of knowledge management relating to creating searchable databases of information and data to allow users to perform, on-line, the collecting and analyzing of different types of opinion surveys; application service provider for hosting computer application software in the field of knowledge management relating to creating searchable databases of information and data; application service provider for hosting computer application software in the field of knowledge management relating to searching and retrieving information from databases and computer networks; Computer services, namely, hosting a web-based system and online portal for customers to remotely manage, administer, modify and control their end user computer devices, data and software applications; Computer systems integration services; Database development services; Integration of computer systems and networks; IT integration services; Hosting a secured-access website that gives registered Internet networked institutions to upload, view, copy, print, download and share documents and images for the purposes of conducting consumer- driven transactions; Software as a service (SAAS) services featuring database management; Software as a service (SAAS) services, namely, hosting software for use by others for use in use in Accounting/Financial Management, Deployment/Personnel Management, Property/Inventory Control Management, Production Control Management, Quality/Safety/Environmental Management, Supply Chain Management, Planning and Schedule Management, Document Management and Earned Value Management; Analysis of stream water quality; Bacteriological consultation, research and testing; Calculating and simulating flood flows, modeling of areas likely to be inundated, and preparing related reports and technical documentation; Chemical, biochemical, biological and bacteriological research and analysis; Civil engineering for the design of wastewater treatment facilities; Civil engineering relating to water irrigation; Computer-aided engineering services for others; Consultation services in the field of hydrological research; Consulting services in the field of environmental assessment, compliance and planning; technological consultancy in the field of water distribution systems and wastewater systems; Environmental services, namely, detection of contaminants in water; Environmental testing and inspection services; Hydrologic and hydraulic modeling and design of storm drainage infrastructure; Hydrologic study of surface and ground water; Hydrological calculations and simulations of flood flows in streams, marshes, and wetlands; Hydrological research; Inspections of water treatment facilities; Mapping services; Marine, aerial and land surveying; Materials testing, analyzing, and evaluation; Mechanical engineering and research; Monitoring of stream water quality; Planning and designing aquatics facilities; Environmental and technical design and implementation services, namely, evaluation, control design, installation, updating and maintenance of environmentally friendly automation systems; Providing quality assurance services in the field of wastewater treatment; Providing reagent sample testing and diagnostic services for others in the fields of science and research related thereto; Providing technological and scientific information about environmentally-conscious and green

innovations; Research in the field of hydrogeology; Scientific research and development; Sewer overflow monitoring services; Sewer system monitoring services; Technical consultancy in the field of environmental science; Technical monitoring services for conditions of water; Technology consultation and research in the field of water resources; Technology supervision and inspection in the field of water resources; Testing of filters; Testing of raw materials; Underwater structural inspection services; Water quality control services; Consultation and engineering services in the areas of industrial engineering, mining, land surveys, mapping and geographic information services, transportation, water resources and irrigation, environmental engineering, urban economic and development planning, urban development engineering, and municipal engineering; Engineering and architectural design, namely, creating plans, specification and preliminary and final designs for others for large and complex engineering projects to build, maintain and improve healthcare complexes, k-12 schools, colleges and universities, public buildings, power plants, energy facilities, commercial, industrial and manufacturing facilities, and federal, state and municipal infrastructure, namely, bridges, highways, mass transit systems, port and harbor facilities, airports, water supply, and water and waste treatment and distribution systems; Systems engineering for large and complex engineering projects to build, maintain and improve public buildings, power plants, industrial and manufacturing facilities, and federal, state and municipal infrastructure, namely, bridges, mass transit systems, port and harbor facilities, airports, water supply, and water and waste treatment and distribution systems; Technical engineering assistance in the establishment and operation of large and complex engineering projects to build, maintain and improve healthcare complexes, public buildings, commercial, industrial and manufacturing facilities, power plants, and federal, state and municipal infrastructure, namely, highways, mass transit systems, port and harbor facilities, airports, water supply, and water and waste treatment and distribution systems; Engineering services, namely, technical planning and design services for others in the field of engineering for general building, transportation facilities and infrastructure, manufacturing, sewer waste, power, industrial processes, petroleum, telecommunications, hazardous waste for the energy, defense and security, education, retail, government, manufacturing, industrial, commercial, transportation, transportation security, pollution abatement, air, water, and soil resources and health care industries; Design services for others in the field of defense systems, namely, engineering for development of aviation and ground systems, vehicles, shelters and ground support equipment; Design services for others in the field of engineering for air emission control, and flood control; Civil and environmental engineering services, namely, preparing environmental impact assessment, preparing environmental impact assessment in the fields of climate change and bio- diversity, biological, ecological, energy management, and earthquake studies, and compliance reports; Computer consultation in the field of computer security; computer security service, namely, restricting access to and by computer networks to and of undesired web sites, media and individuals and facilities; design and development of computer networks; Engineering services with respect to government, commercial and industrial properties; Design of government, commercial and industrial properties for others; Computer and computer network design and engineering, in the fields of geographic information services combining software and information technology to produce visual representations of topographies; Computer application software development for others for simulation and imaging services, Integration of computer systems and networks; Updating and maintenance of database systems; Updating and maintenance of software and database systems; Engineering in the field of network and database design and development; Engineering services for large and complex engineering projects to build, maintain and improve healthcare complexes, k-12 schools, colleges and universities, public buildings, power plants, commercial, industrial and manufacturing facilities, and federal, state and municipal infrastructure, namely, bridges, highways, mass

transit systems, airports, port and harbor facilities, water supply, and water and waste treatment and distribution systems; Operations for computer systems and computer networks in the nature of computer and network design and engineering, computer application development, computer application integration, development, updating, and maintenance of database systems, computer network integration, and computer systems integration for large and complex engineering projects; planning and laying out of commercial buildings; construction planning; planning and laying out of factory buildings and production facilities; Hosting computer databases via the secured-access internet through which documents and images can be viewed, copied, and printed for purposes of conducting corporate transactions; Hosting an on-line computer database in the field of locating products, describing products, rating products, pricing products and comparing prices of products

GOODS AND SERVICES INFORMATION

For Non-metallic building products, namely, non-metallic reinforcements for concrete and wood building construction, namely, plates, rods and bars; Non-metallic building products, namely, Non-metallic minerals for building or construction; Non-metallic drainage pipes; Non-metallic rigid pipes for construction purposes

International Classes 19 - Primary Classes **US Classes** 1, 12, 33, 50 **International Class Title** Non-metallic Building Materials

For Coloring agent, namely, a cartenoid pigment non-nutritional feed additive; food coloring; Dyestuffs, Colorants, Pigments, Varnish, Agglutinants for paint, Dyes for use on plastics, Printing ink, Toners; Anti-corrosive preparations in the nature of a coating; Raw natural resins; Coatings in the nature of industrial sealants for waterproofing and surface hardening; Inks for skin dressing; Coating substances used for furniture finishing

International Classes 2 - Primary Classes **US Classes** 6, 11, 16 **International Class Title** Paints

For Shining preparations; Chemical cleaning preparations directed to the pharmaceutical industry, chemical industry, plastics and rubber production, processing and distribution industry, and for general industrial use; Cosmetics; Oils and greases for cosmetic purposes; Nail hardeners; hair dressing substances; leather dressing substances; rubber dressing substances; tire dressing substances; Sun-tanning preparations; Hair coloring preparations; Essential oils for industrial use for pharmaceutical industry, chemical industry, plastics and rubber production, processing and distribution industry, and for general manufacture

International Classes 3 - Primary Classes **US Classes** 1, 4, 6, 50, 51, 52 **International Class Title** Cosmetics and Cleaning Preparations

For Chemicals used in industry, science and photography as well as in technology and agriculture, namely, for producing, processing, treating and finishing in the rubber, cable and plastics industries, and for producing, processing and treating natural rubber and synthetic rubber; Chemicals being used as separating agents and mould spreading and mould spraying preparations and compositions for use in the rubber processing and plastics processing industries; Chemical light stabilizers being additives for plastics and rubbers; Chemical flame retardants for rubber and plastics; Unprocessed plastics in the form of solutions, emulsions and pastes; Chemicals used in industry, science and photography, as well as in agriculture, horticulture and forestry for producing cleaning preparations, washing preparations, scouring preparations, anti-corrosion preparations, water treatment preparations, manures, cosmetics and pharmaceutical preparations; Chemicals for use in toners, dispersants, preparations for reducing freezing points, complexing agents, material preservatives, viscosity reducers, preparations for delaying curing, preparations for altering crystal growth, desiccants, bleach stabilizers, galvanic stabilizers, emollients for industrial purposes, scale inhibitors, growth promoters, unprocessed artificial resins, unprocessed plastics; Manures; Fire extinguishing compositions; Chemical preparations for use in brazing; chemical substances for preserving foodstuffs; sizing substances for finishing and priming; tanning substances, namely, agents for use in the manufacture of leather; Adhesives used in industry; Chemicals in the nature of propellants for natural or artificial rubber and plastics processing applications; Chemical preparations for improving adhesion between metal and rubber; activated carbon for general industrial use; Chemical fillers for producing rubber mixtures and/or plastic mixtures, chemical filler reinforcers, chemical filling compounds, chemical filler dispersants and propellants for producing porous rubber compounds; Chemicals for the mineral oil industry, namely, additives for improving flowability, filterability and partially reducing the pour point of lubricating oils and propellants, additives for lubricants, namely, pour point improvers, antioxidants and lubricity improvers; Anti-corrosive preparations in the nature of chemical solutions; chemical preparations for cleaning purposes in the food and food processing industries; Regenerates, namely, raw materials of uncrosslinked elastomers, plastics, vulcanized natural or synthetic rubber, silicone rubber, elastomers and thermoplastics containing chlorine or fluorine in unprocessed form; Unprocessed plastics based on curable and thermoplastic raw materials in the form of powder or granules; factice in the nature of catalysts for use in the manufacture of synthetics, rubbers and polymers; cleaning agents for use in industrial processes or in manufacturing

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Hardened oils for industrial use; Linseed oil for use in the further manufacture of other items in the field of general manufacture; Chemically synthesized oil for manufacturing rubber goods; Oils and greases for use in the manufacture of cosmetic products; factice in the nature of vulcanized unsaturated vegetable or animal oil, used as a processing aid and property modifier in rubber; chemically synthesized oil for insulating purposes, being a substitute for lubricating oils

International Classes 4 - Primary Classes **US Classes** 1, 6, 15 **International Class Title** Lubricants and Fuels

For Rubber and rubber substitutes, namely, elastomer plastics and synthetic rubbers; factice-based synthetic rubber; Regenerates, namely, raw materials of uncrosslinked elastomers, plastics, vulcanized natural or synthetic rubber, silicone rubber, elastomers and thermoplastics containing chlorine or fluorine in semi-processed form for general industrial use; semi-worked foamed plastic compositions; foamed plastic compositions for use in the manufacture of windows, doors, facade glazings, and partition walls for use as building materials for heat-insulating applications; Plastic composite material based on curable and thermoplastic raw materials in powder and granule form for use in manufacturing; Plastic foams used for arts and crafts; Semi-worked synthetic plastic as a semi-finished product in form of foams; Packing and insulating material; rubber stoppers for industrial packaging containers; Non-metallic flexible pipes; plastics in extruded form for use in manufacture

International Classes 17 - Primary Classes **US Classes** 1, 5, 12, 13, 35, 50 **International Class Title** Rubber Goods

CASE IDENTIFIERS

Serial Number 86721581 **Application Filing Date** Aug. 11, 2015 **Register** Principal **Mark Type** Service Mark **Publication Date** Jul. 05, 2016

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of the words "ALKEMIST LABS", in all capital letters. Immediately above the words, an image appears consisting of a hexagon frame with an image in the center of the frame. The frame is centered above the words, and is the same width as the words. The image in the center of the frame is a stylized version of the capital letter "A". The top point of the letter "A" does not connect, and instead creates the image of a conical laboratory flask within the triangular portion of the letter. Within the image of the laboratory flask, there are three separate solid circular bubbles, varying in size. The largest bubble is in the middle of the laboratory flask and below the other two bubbles. The next largest bubble is in the neck of the laboratory flask, and the smallest bubble is just above the neck of the laboratory flask. **Color Claimed** Color is not claimed as a feature of the mark. **Disclaimer** "ALKEMIST LABS" **Translation** The English translation of "alkemist" in the mark is "alchemist".

CASE IDENTIFIERS

Serial Number 86780203 **Application Filing Date** Oct. 07, 2015 **Register** Principal **Mark Type** Trademark **Publication Date** Jul. 05, 2016

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of the words "TREASURE OF TUT". All words are written in upper case letters using a linear, Antiqua font with slight serifs, which resembles ancient Egyptian temple forms. The font itself is textured with a pevel, with gradients of orange and yellow, with a red and black double outline, a light glow-effect in the upper part and a shadow beneath it, which darkens the image in the background. The background consists of blue wings, with feathers, that also have a glow effect as well as a white and gold outline, mounted to a blue and gold plate. The inner part of the plate has red gems with gold outlines on it. **Color Drawing** Yes **Color Claimed** The color(s) blue, gold, yellow, red, orange, black and white is/are claimed as a feature of the mark.

CASE IDENTIFIERS

Serial Number 86819746 **Application Filing Date** Nov. 13, 2015 **Register** Principal **Mark Type** Trademark **Publication Date** Jul. 05, 2016

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of the word "Hempistry" where the letters are in black font outlined in yellow and the letter "i" is formed as a black test tube where the top of the test tube is in yellow and the graduations on the right side of the tube are in yellow. The bottom of the test tube "i" is parallel to the bottom of the adjacent letter "p" and the top of the test tube "i" is parallel to the top of the capitalized letter "H" beginning the word "Hempistry". The letter "i" also has a yellow line parallel to the top of the letter "p". Beneath the word "Hempistry" is a rectangular box in yellow with radiuses at each corner. Within the yellow box at the top center is the numeral "1" in black font outlined in yellow. In the center of the yellow box are the letters "Hy" also in black font outlined in yellow in a larger font. In the same size font as the numeral "1" above are the characters "+/- 00.00" again in black font outlined in yellow inside the of the yellow box at the bottom center. Directly behind the letters "Hy" is a circle filled with white color. Outboard of the white circle is a yellow annulus gradually fading from yellow to green. To the left and parallel to the word "Hempistry" is a raised push button surrounded by a droplet of a spilled chemical with shadows formed by a light source above and the right of the button. The text on the button is in smaller black font where the characters run at a 30 degree angle from lower left to upper right. The text on the button says "EST.2014" in black font. The center of the button is white fading to gray as it approaches a thin yellow circle, followed by a green annulus, followed by a black annulus, followed by a green annulus, followed by a yellow annulus fading to green at the outskirts of the irregular shapes representing a drop of spilled chemical. The color green appears in the background. The color black appearing at the top and bottom of the mark represents background and is not a part of the mark. **Color Drawing** Yes **Color Claimed** The color(s) Green, White, Yellow, Black, and Gray is/are claimed as a feature of the mark. **Disclaimer** "EST. 2014"
