MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of a series of seven circles, which are in a straight line from left to right spaced equidistant from each other. The tops and bottoms of all the circles are in line with each other. A line begins at the mid-point of the circle on the far left and goes around the bottom of that circle to its midpoint on the other side. There is a small break in the line, which then continues around the top of the second circle from the left to its midpoint on the other side where there is another small break. The line continues around the bottom of the third circle from the left to its midpoint on the other side where there is another small break. This pattern repeats itself with the line going around the top of the next circle and the bottom of the circle after that and so on until the line ends at the midpoint on the right side of the last circle. The line is equidistant from the edges of all the circles around which it goes. After a small break, a thicker line continues back around to the middle of the top of this last circle on the right. This thicker line ends in an arrow point, the bottom of which arrow melds into the midpoint of the top of the circle. Each of the seven circles has something inside them. The first and last circles have two overlapping cartoon voice balloons in them, both of which are in the shape of a rectangle. The rectangle on the top is on the left and appears to be larger than the rectangle underneath it, which is slightly below the top and bottom of the rectangle on the top. The second circle from the left contains an image of a magnifying glass with a handle. The third circle from the left contains the images of two overlapping squares. The square on the left is on top of the other square and covers the lower left hand quarter of the other square, which is above and to the right of the top square. The fourth square from the left contains a check mark, which has a space inside the outside lines of the check mark. The longer side of the check mark is on the right. The fifth circle from the left contains a rectangle with horizontal lines down its center. The top right had corner of this rectangle is folded over to the left and covers a portion of the top line. The sixth circle from the left contains an image of the head and upper torso of a person. The head is in the form of a circle. Underneath each circle are words separated by a space from the bottom of each circle. The words are centered underneath each circle. The tops and bottoms of these words are all in line with each other and the letters of all the words are in upper case. Underneath the first circle on the left are the words "Let's Talk" on the same plane. Underneath the second circle from the left are the words "Explore Options", with the word "Explore" on top of the word "Options." Underneath the third circle from the left are the words "Review Choices", with the word

"Review" on top of the word "Choices." Underneath the fourth circle from the left is the word 'Decide." Underneath the fifth circle from the left are the words "Bind Coverage", with the word "Bind" on top of the word "Coverage." Underneath the sixth circle from the left are the words "Superior Service", with the word "Superior" on top of the word "Service." Underneath the last circle from the left are the words "Check In/ Repeat", with the words and backslash "Check In/" on top of the word "Repeat". **Color Claimed** Color is not claimed as a feature of the mark. **Disclaimer** "LET'S TALK EXPLORE OPTIONS REVIEW CHOICES DECIDE BIND COVERAGE SUPERIOR SERVICE CHECK IN/ REPEAT"
