MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of a silhouette profile of a human head looking to the left. On the forehead of the silhouette are four, horizontal, white lines starting at the front of the forehead and extending back towards the middle of the head. The lines increase in length and width, starting from the bottom line. At the base of the neck of the silhouette are three, white, vertical lines extending from the base towards the middle of the head. Starting from the line on the left, these lines increase in length but decrease in width as you move right. In the center of the head is a shape ,which is formed by 42, white, interlocking triangles radiating out from the central point. Additionally, as if they are emanating from the back of the silhouette's head, there are approximately 50, black triangles of varying sizes starting at the back of the head and extending out towards the northeast corner of the logo. As the "trail" of triangles extends northeast, the triangles become smaller in size and the "trail" reduces in width until it fades completely. Under the silhouette's head, in all capitalized letters is "MASSIVE IDEAS". The horizontal lines in the two letter As are removed, and the top horizontal lines of the two letter Es are disconnected from the rest of the letter. The letter D is not fully connected and there is a small gap on the top left side of the letter. **Color Claimed** Color is not claimed as a feature of the mark.
