For Power drill bits; blades as machine parts; gas burners for metal cutting; slotting machines; glass-working diamond pointed cutting tools; manual woodworking machines, namely, sanding machines; 3d printers; welding device electrodes; milling machines; gas operated power generators; power drills; threading machines; hydraulic motors and turbines, other than for land vehicles; flap valves for pumps; pulleys being parts of machines; gas and electric soldering apparatus; machine parts, namely, bearings; electric mixers; electric blenders; mechanical hydraulic hammers; electric knives; blades for electric devices for cutting polystyrene boards; electric knife sharpeners; electrical equipment for mixing paints and mortars; electric devices for cutting polystyrene boards; painting sprayers; painting spray guns; internal combustion engine parts, namely, airless piston pumps; saws being machine parts; chain saws; pneumatic blow guns for use in a manufacturing process to blow dust off parts, workstations or wherever necessary; compressed air guns for extrusion of sealing compound and pu foam; electric glue dosing guns; power operated spray guns; power operated plastering guns; pneumatic oil guns; power operated nail guns; power operated sandblasting guns; mechanical power jacks; pumps for machines; machine lifting power jacks; cutters, namely, tree stump cutters, electric chaff-cutters, milling cutters, gear cutters, rechargeable hedge cutters; earthmoving machinery; tarring machines; electric arc welders; electric compressors; combustion engine fuel nozzles; gas operated resistance soldering apparatus; gas operated transformer soldering tools; soldering stations, namely, electric soldering apparatus; electric soldering apparatus tips; bulldozers; electric food grinders; mechanical air drills; electric turning lathes; mechanical kneading machines for industrial purposes; road rollers; electric drills; cranes for lifting and hoisting; concrete mixers; mechanical concrete cutting machines; asphalt cutting machines; power tools, namely, hammer drills; air-operated power tools, namely, impact hammers;

air-operated power tools, namely, impact and rotary hammers; demolition air hammers; non-impact air drills; impact air drills; angular power drills; bench air drills; cordless power drill-drivers; cordless power operated screwdrivers; cord power operated screwdrivers; pneumatic drills; impact wrenches; cord electric screwdrivers for plasterboard; electric mortar mixers; electric jigsaws; cordless electric jigsaws; cord electric jigsaws; bench electric jigsaws; circular saw blades; mini circular saws; plunge band saws; electric chainsaws; electric sawing machines with outreach; cordless sawing machines; miter saw machines; circular bench saws for wood; metal working machines, namely, cutters; saber saws; electric plate shears; power operated angle grinders; belt grinders being power tools; oscillatory grinders being power tools; multi-function grinders being power tools; cordless multi-function grinders being power tools; bench grinders being power tools; eccentric grinders being power tools; gypsum grinders being power tools; polishing machines; straight grinders being power tools; workshop vacuum cleaners; industrial vacuum cleaners; universal vacuum cleaners; simple mobile electric power generators; inverter mobile electric power generators; electric chip extracting machines; wood lathes; metal lathes; power column jacks; power trapeze jacks; hydraulic jacks; electric hoists; oil compressors; oil-free electric compressors; spray guns for painting; hot melt glue guns; lubrication machines; pneumatic hammers; pneumatic wrenches; pneumatic blow guns for use in a manufacturing process to blow dust off parts, workstations or wherever necessary; pneumatically operated tire inflation machine; pneumatic tool grinding machines; pressure hoses being parts of machines; pressure regulators being parts of machines; servo-valves; fuel filters; electric inverter welding machines; multi-function electric welding machines; electric welding machines; semi-automatic electric arc welders; electric pumps; circular saws; mechanically driven discs in the nature of machine tools for crushing concrete; electric tile removing machines; tile cutting machines; metal and wood sawing machines; pneumatic jacks; reciprocating compressors; electric wheel pumps; mechanical garden tilling machines; friction disks, namely, anti-friction pads for machines; drill chucks for power drills; grinding tools for grinding machines; electric staple guns; thermal electric knives; electric glue gun applicator tips; machine tools for forming, riveting of metal and plastics; welding electrodes; motorized cultivators; electric sweepers; belt pulleys being parts of machines; washers; vacuum cleaners and shredders; vehicle oil filters; timing belts for machines and for engines for land vehicles; oil filters; wire brushes for use in machines; desoldering pumps in the nature of suction pumps

International Classes 7 - Primary Classes **US Classes** 13, 19, 21, 23, 31, 34, 35 **International Class Title** Machinery

For Chemical preparations for soldering; crystalline silicones; adhesives for industrial purposes; chemical agents for impregnating wood and concrete for waterproofing; adhesives for wall tiles; adhesives for wallpapering; adhesives for repair and assembly for industrial use; thermo-fusible adhesives for industrial use; unprocessed acrylic resins; renovating chemicals for silicone for industrial use; grout renovation chemicals for industrial use; adhesives for applying tiles and terracotta, gres and clinker tiles, marble, stones, gypsum plasterboards, cement boards, gypsum-fiber boards, perlite boards, thermal insulations, mineral wool, expanded polystyrene and facades; assembly glues for industrial and commercial use; adhesive primers for gypsum plasters, cement plasters, gypsum-carton boards, perlite boards, floors and facades; epoxy glue for general bonding and repair; solvents for paints; bonding agents in the nature of glue for heat gun welding for commercial and industrial use; gypsum-based adhesives for use in the construction industry; adhesives for grouting, masking, bracing, reinforcing and joining non-metal boards for the construction industry; glaziers' putties for used for construction work; solder paste; soldering flux; soft soldering pastes; glue for PVC for use in the construction industry; chemical cleaning solvents for PVC; asphalt glue; assembly glues for industrial use; gap-filling adhesives for use on walls, floors, ceilings; chemicals for impregnating wood and

concrete for waterproofing purposes; chemical agents, namely, chemical agents for removing acid in industrial manufacturing applications; chemical fuel performance additives; chemical agents for impregnating wood for waterproofing

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Telemarketing; procurement of contracts for others relating to the sale of goods; import-export agencies; advertising agencies; market analyses; market research; marketing; sales promotion for third parties; advertising via computer networks, radio, television, newspapers; organization of fairs for commercial and advertising purposes; copywriting; providing an on-line marketplace for buyers and sellers of goods and services; order fulfillment services; business advisory services; operating on-line marketplaces for sellers of goods and services, mail order sales services for chemical preparations for soldering, silicones, adhesives for industrial purposes, chemical agents for impregnating wood and concrete, adhesives for wall tiles, adhesives for wallpapering, adhesives for repair and assembly, thermo-fusible adhesives, acrylics, renovating chemicals for silicone, epoxy grouts, decorative grouts, cement grouts, grout renovation chemicals, adhesives for tiles and terracotta, adhesives for gres and clinker tiles, adhesives for marble, adhesives for stones, adhesives for gypsum plasterboards, adhesives for cement boards, adhesives for gypsum-fiber boards, adhesives for perlite boards, adhesives for thermal insulations, adhesives for mineral wool, adhesives for expanded polystyrene, adhesives for facades, assembly glues, assembly mortars, roofing sealants, fireplace sealants, polyurethane sealants, primers for gypsum plaster, primers for cement plaster, primers for gypsum plasterboards, perlite boards, primers for floors and facades, dual-component hydro-insulating agents, single-component hydro-insulating agents, epoxy primers, epoxy bonding agents, resins in tubes, paints, spray paints, wood stains, varnishes, impregnates for wood and concrete, solvents for paints, coloring concentrates for paints, impregnates, interior acrylic and latex paints, interior water hydrophobic paints, primer paints, facade paints, roof paints, fire protection paints, solvents for paints, varnishes, varnish-stains and thin layer stains for wood, paint and varnish testers, pigments, mixed paints, epoxy paints, cleaning and washing agents used in industry, emery paper, polishing paper, liquids and powders for surface scrubbing and cleaning of surface from mortar, oil and concrete, car cosmetics, car scents, wood briquettes, briquetted coal, coal, heavy oil, coke, lighting gas, biomass fuel, firelighters, industrial lubricants, peat, automotive oils, automotive lubricants, fuel performance additives, metal construction materials, metal structural elements, metal girders, metal ladders, aluminum ladders, metal connectors for wooden structures, metal connectors for plastic structures, metal ceilings, metal beams, ceiling beams, sheet metal, metal paneling, metal plates for construction industry, metal roof coverings, metal wire, barbed wire, tension wire, metal screws, metal screws for dry walls, metal doors, metal foils, nails, angle steel, metal structures for construction industry, trussing, metal chains, metal chimney-pots, metal door frames, metal trim, metal fittings, metal window frames, metal transport pallets, metal rings, threaded rings, metal connectors, metal floor panels, metal containers for packaging, metal gangways, metal rods, metal water conduits, metal ceiling sections, metal hangers, metal ceiling connectors, metal sections for walls and metal door frames, angle bars for door frame sections, aluminum corners, metal sections for thermal insulations, metal corners with mesh for thermal insulations, metal corners for plastering, flush-mounted metal battens, plastering mesh, reinforcing mesh for thermal insulations, hatches, inspection frames and doors, external metal blinds, metal pipelines, metal pipes, metal scaffoldings, aluminum scaffoldings, metal construction extension cords, metal and aluminum renovation sawhorses, drum construction extension cords, metal fence posts, steel, metal rails, metal signboards, metal wall paneling, strip steel, metal locks and closures, metal sections, aluminum sections, metal gutters, rods, structure reinforcing and strengthening frames, metal construction fittings, carpentry hardware, steel lines and ropes, chain links, metal hinges, latches, padlocks, metal locks, metal supports, metal inspection doors, metal connecting angle bars, metal supports, metal connectors, metal inspection doors,

metal connecting angle bars, metal supports, steel and steel products, metal door accessories, metal window accessories, agricultural and forest wire mesh, garden wire mesh, galvanized wire mesh, metal wire, metal gates and wickets, metal toolboxes, metal containers for small construction equipment, electric or mechanical tools and machines, drill bits, blades as machine parts, gas burners for cutting, slotting machines, glass-working diamonds, manual woodworking machines, 3d printers, welding device electrodes, milling machines, power generators, drills, threaders, hydraulic motors and turbines, flap valves, pulleys, cranks, electric and IC powered mowers, gas and electric soldering tools, bearings, electric mixers, electric blenders, mechanical hammers, electric knives, blades for electric devices for cutting polystyrene, boards, electric sharpeners, electrical equipment for mixing paints and mortars, electric devices for cutting polystyrene boards, painting units, painting guns, airless piston pumps, saws, machine parts, chain saws, blowguns, guns for extrusion of sealing compound and PU, foam glue dosing guns, spray guns, plastering guns, pneumatic oil guns, nail guns, sandblasting guns, mechanical jacks, pumps as machines, machine lifting jacks, cutters, tools with other than manual drive, earthmoving machinery, tarring machines, arc and electric welders, compressors, nozzles, resistance soldering tools, transformer soldering tools, soldering stations, soldering tool tips, bulldozers, electric grinders, mechanical drills, electric turning lathes, mechanical kneaders, road rollers, electric drills, cranes for lifting and hoisting, concrete mixers, thickeners, mechanical concrete cutters, asphalt cutters, hammer drills, impact hammers, impact and rotary hammers, demolition hammers, non-impact drills, impact drills, angular drills, bench drills, cordless drill-drivers, cordless screwdrivers, cord screwdrivers, pneumatic drills, impact wrenches, cord screwdrivers for plasterboard, electric mortar mixers, electric jigsaws, cordless jigsaws, cord jigsaws, bench jigsaws, circular saw blades, mini circular saws, plunge saws, electric chainsaws, electric sawing machines with outreach, cordless sawing machines, miter saws, bench saws for wood, multifunction devices for wood, bench cutters for metal, IC powered chain saws, saber saws, electric plate shears, angle grinders, belt grinders, oscillatory grinders, multi-function grinders, cordless multi-function grinders, bench grinders, eccentric grinders, gypsum grinders, polishing machines, planes, bench planes, milling machines, straight grinders, workshop vacuum cleaners, industrial vacuum cleaners, universal vacuum cleaners, simple power generators, inverter power generators, electric chip extractors, wood lathes, metal lathes, column jacks, trapeze jacks, hydraulic jacks, manual hoists, electric hoists, rectifiers, jump leads, oil compressors, oil-free compressors, spray guns for painting, hot glue guns, lubricators, pneumatic drills, pneumatic hammers, pneumatic wrenches, blow-through guns, inflation guns, pneumatic grinders, pressure hoses, pressure regulators, valves, filters, inverter welding machines, multi-function welders, welding machines, semi-automatic welders, electric pumps and hydrophones, circular saws, tool for execution of construction works, mechanically driven discs for cutting metal and concrete, electric tiling tools, tile cutting machines, electric and IC powered mowers, sawing machines, pneumatic jacks, compressors, wheel pumps, IC and electric powered garden machines, spare parts and accessories for garden equipment, manual tools, manual drills, metal toolboxes, portable toolboxes, tool organizers, tool racks, wire cutters, blades-tool parts, friction disks, chisels, chisels and point chisels, bevelers for wood and metal, milling cutters, stirrers, drill bit sharpeners, drill bit sets, drill chucks and adapters, abrasive disk mounts, grinding tools and coarse files, glass-working diamonds as tool parts, milling cutters, plastic expansion anchors with screw, plastic expansion anchors, anchors for hammering, special purpose anchors, steel anchors with screw, steel anchors, screws, bolts, washers, nuts, mounting brackets for conduits, mounting brackets for pipes, worm drive clamps, nylon clamps, carpentry connectors, levers, rakes, threaders, bench vices, adjustable wrenches, socket wrench set, socket wrench set with ratchet, socket wrench set with ratchet in a toolbox, socket adapters, reducers for socket wrenches, knobs for socket wrenches, extensions for sockets, extensions for bits, extensions for sockets with ball joint, ratchets, open-end wrenches, box-end wrenches, combination open-end and box-end wrenches, wrench sets, eye wrench sets, angled box-end wrenches, sets of angled and bilaterally angled box-end, wrenches,

combination open-end and socket wrenches, adjustable wrenches, adjustable wrench set, six point sockets, universal sockets, Spline sockets, long sockets, Torx bits on socket, Spline bits on socket, six point bits on socket, Allen bits on socket, socket set, Torx socket set, female Torx socket set, Spline socket set, Allen socket set, socket and wrench set, torque wrenches, L-Hex Allen wrenches, Torx wrenches, Torx wrench set, oil filter wrench, hexagonal wrenches, lug wrenches, spider lug wrenches, universal wrenches, cabinet keys, open end eye wrenches, spark plug wrenches, short mandrel wrenches, long mandrel wrenches, L-type pierced socket wrench, tap insert keys, adjustable pipe wrenches, hydraulic fittings wenches, adjustable pipe wrenches, hook wrenches, bearing pullers, manual mowers, manual hammers, rubber hammers, locksmith's hammers, stonemason's hammers, tiling hammers, woodworking hammers, bricklayer's hammers, tinner's hammers, recoilless hammers, carpenter's hammers, welding hammers, wooden hammers, hammer set, hammer stocks, ring wedges for handles, wedges for handles, wedge sets for handles, tool trays, snow shovels, ratchet screwdrivers with various bits, screwdriver sets, screwdrivers with bits, front cutter pliers, elongated straight pliers, bent pliers, insulation pliers, pipe pliers, snap pliers, universal pliers, side pliers, long pliers, clamping pliers, welding pliers, front cutter pliers, plasterer's pliers, slip-joint pliers, pliers for sheet metal, phone terminal pliers, insulation removers, copper cable cutters, rivet pliers, straight sheet metal benders, cambered sheet metal benders, panel guillotines, side riveters, 2in1 riveters, nail setters, pin punches, pin punch sets, punches for leather, distance meters, rulers, slide calipers, electronic slide calipers, angle bars, woodworker's protractors, steel protractors, bevels, roof angle plates, micrometers, folding measures, tape measures, measuring tapes, feeler gages, levels, electronic levels, laser levels, cross laser levels, plane lasers, cross lasers, rotary lasers, laser detector, thermo-detector, laser equipment stands, optical levels, hygrometers, manual scales, inspection cameras, inspection endoscopes, flat chisels for wood, rounded chisels for wood, chisel set, sculptor's chisel set, chisel sharpening kit, hand scrapers, hand planes, scraper blades, plane blades, carpenter's spring clamps, carpenter's screw clamps, C-type spring clamps, F-type clamps, carpenter's corner clamps, band clamps, door frame spreaders, door frame spreaders set, panel pulling ledges, C-type clamp set, F-type clamp set, upholsterer's manual staplers, electric staple guns, upholsterer's staple removers, upholstery staples, thermal knives, bonding agents for heat gun welding, heat gun nozzles, pipe wrenches, copper pipe cutters, PVC pipe cutters, knives, trapezoidal blade knives, brake-off blade knives, trapezoidal blades, hook blades, brake off blades, special carpet knives with set square, for stencils, round blade wallpaper knives, round blade carpet knives, windowpane knives, round blades, multi shears, shears, scissors, plate shears, bar cutter, straight shears, right extended straight shears, left extended straight shears, fitter's shears, multi-purpose knives, knives for mineral wool, pincers, carpenter's pincers, fitter's bolt pincers, plug clamps, whetstones, hand blades, manual spray paint guns, pumping guns, painting sets, hand saws, garden shears, axes, miter boxes, planes, manual grinding tools, drills as tools, grinding discs, diamond discs, stone cutting discs, metal cutting discs, stainless steel cutting discs, drill bits and hole saws set, hole saw bits for wood set, tungsten hole saw bits for concrete set, drill bits for metal, drill bits for concrete, grinding stones, hatchets, compactors, drill bits, clamps, mounting dowels, metal sections, nails, bolts, dowels, wrenches, hammers, screwdrivers, saws, jigsaws, hacksaws, wet wood saws, taps and dies, individually and in sets, riveting machines, soldering tools, chisels, wood files, metal files, file sets, carpenter's clamps, whetstones for sharpening, welding electrodes, welding wires, wire terminals, electrode handles, earth terminals, drill bits, drill bits for gres, tiles and glass, electric tiling tools, trowels, silicone squeezers, stirrers, spirit levels, tile cutting knives, paint rollers, painter's trays, painter's scrapers, rakes, spades, shovels, pitchforks, slants, garden shears, cultivators, wallpaper pasting machine, rasp for polystyrene foam, miter boxes for cutting at an angle, saw plus miter box set, angular saw, PU foam metering guns, glue metering guns, glue cartridges for glue gun, pincers for clamping sections for gypsum, plasterboards, pincers, pliers, side pliers, flat-head screwdrivers, cross-

head screwdrivers, screwdriver with bits sets, screwdriver bits, handle for bits, screwdrivers for electrical work, various purpose steel hammers, rubber hammers, files of various type and purpose, file sets, handles with suction cup, taps and dies, threading dies, manual drills, jigsaw blades, saber saw blades, stands and guides, working heads for power tools, hex wrench sets, bricklayer's tool sets, securing belts in sets, re-bar tying tools, reinforcement bar tiers, nail remover bars, steel punchers, bench vices, axes, ax handles, pickax handles, rakes, rake handles, spades with handle, spade handle, shovels with handle, shovel handle, ice irons, sweepers, shovels, small tools - shears, rakes, hoes, trowels, garden hand saws, crowbars, traps, garden shears, saws for gypsum plasterboards, tools for cutting holes in gypsum plasterboards, manual metal cutting saws, metal cutting saw frames, metal cutting saw blade, wood cutting hand saw, bow saw, ceramics cutting saws, hand saws, frame metal cutting saws, general purpose hand saws, backsaws, frame saws, gypsum-carton cutting saws, jigsaws, miter boxes, miter boxes with saws, concrete blocks cutting saws, Japanese saws, miter saws, saw blades, blades with handle, hex wrench sets, bricklayer's tool sets, securing belts in sets, re-bar tying tools, reinforcement bar tiers, nail remover bars, steel punchers, bench vices, axes, ax handles, pickax handles, rakes, rake handles, spades with handle, spade handle, shovels with handle, shovel handle, ice irons, sweepers, shovels, small tools-shears, rakes, hoes, trowels, garden hand saws, crowbars, traps, garden shears, saws for gypsum plasterboards, tools for cutting holes in gypsum plasterboards, manual metal cutting saws, metal cutting saw frames, metal cutting saw blade, wood cutting hand saw, bow saw, ceramics cutting saws, hand saws, frame metal cutting saws, general purpose hand saws, backsaws, frame saws, gypsum-carton cutting saws, jigsaws, miter boxes, miter boxes with saws, concrete blocks cutting saws, Japanese saws, miter saws, saw blades, blades with handle, bow saw blades, planes, handles for carrying plasterboards, hole saws-sets, pincers for setting dowels in plasterboards, tool kits for flooring panels installation, caulk guns, mixing attachments, mesh sleeves, pins for chemical anchors, threaded rods, hole cleaning rods, pumps for blowing out bore dust, turnbuckles, hooks, snap-hooks, pulleys, rings, thimbles, clamps, buckles, connectors, shackles, tensioners, cotter pins, swivels, metal tie bands, roofing sheet, lightning protection system, metal gutter pipes, alarms, intruder alarms, fire alarms, antennas, fuses, gas pressure sensors, gas leak detectors, laser distance meters, scales, water levels, water level tubes, electric wires, drum extension cords, electrical measuring equipment, fire extinguishers, electrical installations, electrical cables, electrical switches, electrical sockets, frames for electrical sockets, electrical socket sets, electrical switch sets, back-lighting LEDs, dimmers, dimmer badges, motion sensors, socket badges, switch badges, socket covers, switch covers, solar collectors, electrified fences, traffic cones, electrical distribution cabinets, electrical wiring terminals, electric locks, electrical connectors, protective clothing, face shields, protective gloves, safety harness, harness for work in suspension, welding helmets, protective overalls, protective goggles, fire extinguishers, extension cables and sockets, car radios, car players, rectifiers, sunglasses, high visibility jackets, electrical probes, illuminated signboards, painter's protective clothing, high visibility jackets, protective helmets, protective earmuffs, protective glasses and goggles, breathing masks, dust masks, painter's masks, knee pads, rechargeable batteries, garden extension cords, washers, vacuum cleaners and shredders, lighting lamps, ordinary bulbs, halogen bulbs, LED bulbs, balcony, terrace and garden lighting, construction lamps - halogens, construction lamps with stand - halogens, construction lamps - fluorescent tubes, construction lamps with stand - fluorescent tubes, cooling apparatus and equipment, fittings for central heating boilers, boilers, central heating installations and radiators, cooling apparatus and equipment, heat exchangers, water distribution installations, fittings, gas conduits and gas installations safety devices, heaters, shower cabins, flues, climate control equipment and installations, WC bowls, chimney extractors, heating boilers, taps, lighting lamps, lavatory bowls, lavatory flushers, air heaters, toilets, bathtubs, ventilation extractors, water supply installations, heat accumulators, steam accumulators, lighting fixtures, batteries, flashlights, barbecue grills and accessories, car bulbs, irrigation automation equipment, electric heat guns, wheelbarrows, transport trolleys, power

trucks, wheel for industrial trucks, metal furniture legs, car windshield wipers, car seat covers, car wheel bags, child seats, car cigarette lighters, tires, rims, on-board video recorders, car racks, car fuses, car fitter's wrenches, emergency triangles, license plate frames, steering wheel covers, towing cables, ramps, vehicle oil filters, accessory belts, timing belts, brake discs, pads and shoes, wheel covers, oil filters, air filters, paper tapes, packing tapes, adhesive tapes, garbage bags, paper towels, corrugated cardboard, corrugated cardboard in rolls, stretch film in rolls, plastic packaging or wrapping material which contains encapsulated air cells, car window stickers, paint rollers, paint rollers with handle, special paint rollers for corners, pipes, stripes and windows, painting kit, tray plus roller with handle plus spare, painting kit, tray plus roller with handle, special paint rollers, leather, daisy-wheel, spiked, with drip cap, paint tray sets, special painting sets with tray for painting corners, edges and pipes, mini painting sets, handles for paint rollers, painting sets: stick plus handle plus roller, painting sets: tray plus roller with handle plus, masking tape, painting sets: tray plus roller with handle plus, masking tape, painting sets: tray plus roller with handle plus brush, painting sets: tray plus two rollers and brush, painting sets: tray plus handle plus three rollers plus, stirrer, paint brushes, paint brush sets, handles for paint rollers, pencils, crayons, painter's films, metal and insulating foils, plastic foils not for packaging, insulating tapes, insulating paper, adhesive tapes for use in construction industry, self-adhesive tapes for use in construction industry, adhesive and self-adhesive tapes not for home, medical or office use, sealing strips for windows and doors, non-metallic warning tapes, non-metallic packing tapes, masking tapes, specialized tapes, various purpose painter's tapes, foam tapes for sound and other insulation, foam tapes used for dry walls, plastic bags for use in construction works, waste bags, rubble bags, plasters for acoustic and heat insulation, masking tapes, sealing tapes, foam tapes, insulating fluids, insulating foils, protective films, protective plastic tarpaulins, insulating tapes, wool for thermal insulation in construction, gardening hoses for watering, window mesh against insects, window seals in roll and cut, waste containers, non-metal construction materials, non-metal connecting angle bars, non-metal angle bars for external and internal, corners wrapped in the form of a roll, angle bars for external and internal corners, dowels for installation of polystyrene boards, facade mesh, non-metal brackets, non-metal connectors, building glass, bituminous products for the construction industry, non-metal structural elements, construction scoops with handle, bricklayer's hammers, locksmith's hammers, carpenter's hammers, tinner's hammers, hammer handles, non-metal girders, non-metal scaffolding, non-metal ceilings, non-metal walls, non-metal reinforcements for the construction industry, non-metal building boards, plaster, lime, non-metal roof finishing elements, non-metal roof structural elements, non-metal construction trim, non-metal floors and wall coverings, non-metallic covers and coatings for the construction industry, non-metal strips, strips for trimming wallpaper, brushes for wallpapering, pressure rollers with handle for wallpapering, putty knives for wallpapering, plumb lines, chalk lines, chalk line with chalk, chalk for lines, bricklayer's line, bricklayer's strand, felt for construction, binding materials for briquette production, bituminous paste, bituminous primer, coating pastes, wood impregnants, protective and coloring insulating membranes for construction purposes, prefabricated partition panels, gypsum cups, gypsum-based adhesives, adhesives for grouting, masking, bracing, reinforcing and joining non-metal boards for the construction industry, putties for use for construction work, ready to use gypsum pastes, construction stirrers, manual stirrers, containers for construction purposes, brick trowels, corner trowels, grout trowels, floats, serrated floats, scoops, putties and finishing coats for mixing, ready to use putties and finishing coats, dispersive pastes, roofing pastes-putty knives, formulations for roof renovation, roof protective coatings, roof renovation putties, putties and finishing coats for gypsum and gypsum, and calcareous plasters, putties and finishing coats for plasterboard, for perlite boards, building plaster, gypsum finish, wooden measuring sticks, tape measures, measuring tapes, slide calipers, water levels with hose, spirit levels, construction squares, adjustable squares, traversing rules,

grouts for filling space between tiles, non-metal, construction panels, plasterboards and plaster-carton boards, sliding pastes, thread pastes, sanitary lute, non-stick tapes, flax-tow, fire-resistant seal, sealing kits for water and gas, sealing tapes for water and gas, sealing threads, kits for soldering copper tubes, anaerobic pastes, soft solder, solder paste, flux, fire resistant lines, soft soldering pastes, hard solder, reinforcing tapes in the form of a strip of paper, reinforcement material, plastic bands used in construction works, Polyvinyl chloride (PVC) bands used for construction work, plastic, natural or mixed bands for grouting, gypsum-cardboard boards, plastic, natural and mixed tapes and sheets for construction applications, tapes and sheets of non-woven polypropylene fabric, tapes and sheets of non-woven fabric, sliding pastes for PVC, glue for PVC, cleaning fluid for PVC, glass fiber tapes and sheets for construction work, cellulose, viscose, interlining and cotton tapes and sheets used for construction work, acrylate and resin bands designed for embedding in, putty, plaster, in gypsum mortars, gypsum and calcareous mortars, in bricklaying mortars, masking tapes, warning tapes, insulating tapes, joining tapes for gypsum-carton boards, corner tapes for gypsum-carton plasterboards, sealing-dampening tapes, acoustic tapes, sliding tapes, dilation tapes, separation tapes, floor sealing-tapes, tapes with aluminum, metal, plastic insert, lead tapes for dry walls, roofing tapes, mesh, nonwoven mulching fabric foils, construction tapes and foils in rolls, construction foils in sheets, protective felt in rolls, insulating building board, window self-adhesive foil in rolls, reinforced gypsum plaster pastes, fire retardant gypsum plasters, manual and machine-applied internal gypsum, plasters, manual and machine-applied internal cement and calcareous plasters, internal mosaic plasters, external acrylic plasters, external mineral plasters, external mosaic plasters, external silicate plasters, external silicone plasters, external siloxane plasters, prefabricated non-metal components, reinforced paper, sandpaper in sheets, sandpaper in rolls, sanding mesh in sheets, abrasive float, abrasive pads, abrasive blocks, hook and loop type fastener sanding discs, abrasive discs with fiber, abrasive meshes-sanding discs, polishing felt, abrasive discs, abrasive sponges, grinding pads, abrasive felt, steel wool, steel brooms, plastics used in construction, asphalt roofing paper, gypsum boards, plaster-carton boards, plaster-nonwoven boards, plasterboards reinforced with fibers, cement boards, perlite building boards, internal wall and ceiling panels, external wall and ceiling panels, floor boards, waterproof boards, fire retardant boards, heavy duty building boards, flexible boards, acoustic boards, X-ray panels, special boards, ceiling boards, sealing tapes, non-metal terrace sections, non-metal tapes for joining building boards, plaster, plaster-carton and ceiling boards, non-metal meshes and tapes for the construction industry, tapes for grouting ceramic tiles and plaster and plaster-carton boards, composite foils and tapes, and cottons used in construction, plastic and composite foils and tapes used in construction, composite and plastic tapes, coated with textiles, textile or cotton or viscose fleece, for use in the construction industry, non-metal protective tapes for construction, non-metal decorative tapes applied in the construction industry, paper and plastic protective tapes used in construction, priming pastes, putties, gypsum, copper pipe cutters, copper cleaner, shears for plastic pipes, guillotines for cutting tiles, spare wheels for guillotine cutter, styluses, tongs for tiles, hammers for tiles, hole saws for tiles plus file as a set, jigsaws for tiles, tungsten saw for tiles, suction cup for tiles, grouting floats, tiling sponges, rubber tiling hammer, float for silicone grouting, grout scraper, grouting level, tile grouting float, cross tile spacers, wedge tile spacers, magnets and magnetic holders for mounting tiles, distance profiles for clinker bricks, water wipers, wall inspection covers, spiked roller with handle for screeds, tiling sets: bucket, rolls, trowel, float with rubber, serrated float, stirrer, grating, bucket wheels, tube squeezers, open squeezers, wire brushes, scrapers, scrapers, floor scrapers with handle, brush drill attachments, gypsum-carton boards, polystyrene boards, foam boards, anti-corrosion coatings, elastic coats for roofs, chimneys, fireplaces and chimney liners, chimney and fireplace pipes, coatings for windows and doors, protective coatings for radiators, floors and furniture, protective coatings for floors and concrete, chloro-rubber coats, mortars and putties for concrete repairs, polystyrene floats, polystyrene floats with sponge, plastic floats, floats with sponge, natural rubber, felt or rubber, lining, floats with rasp, floats with hydro-

sponge lining, spares for floats with linings, grouting floats, plastic gutters, polyurethane foams, painter's films, insulating and noise-damping mats, expanded polystyrene, roofing paper, asphalt glue, bricks, concrete blocks, wooden boards and wooden slats used in construction, non-metal mosquito nets, silicone bricks, chamotte bricks, solid bricks, structural clay tiles, air bricks, chimney concrete blocks, concrete masonry units, cellular concrete blocks, Ytong blocks, chamotte tiles, fireplace tiles, lintels, cellular concrete insulation boards, cement, ready mortar, lime, sand, lightweight expanded clay aggregate, facade expanded polystyrene, floor expanded polystyrene, foundation expanded polystyrene, water-resistant expanded polystyrene, mineral wool, plaster mesh, thermal insulation dowels, flanges for dowels, window slats and sections, adhesive mortar for expanded polystyrene and mesh, assembly glues, gap-filling adhesives, surface putties, facade putties, painter's putty knives, serrated painter's putty knives, serrated putty knives for glue, multi-purpose putty knives, anhydrite and cement screeds, repair-leveling screeds, self-leveling screeds, epoxy floors, aluminum scrapers for gypsum-carton boards, upholsterer's staplers and staples, non-metal ceiling sections, section hangers, non-metal ceiling connectors, non-metal sections for walls and door frames, non-metal angle bars for door frame sections, non-metal sections for thermal insulations, non-metal corners with mesh for thermal insulations, rosin, binder, desoldering pumps, reinforcement prefabricated units, priming roofing paper, surface roofing paper, bituminous shingle in roll, bituminous shingle flat tile, bituminous boards, polycarbonate boards, PVC boards, clay roofing tile, roof membranes, crests, roofing brackets, downspouts, plastic, gutters, intakes, straight joints, elbows, tees, gutter corners and settling tanks, gutter plugs and connectors, gutter mountings and stabilizers, drainage channels, drainage wells, grates, lids, well covers, plastic mesh, repair putties for use in construction industry, wooden ladders, plastic ladders, non-metal furniture connectors, furniture accessories, wall hangers, shelving, wooden supports, tables, chairs, garden umbrellas, wallpapering tables, wooden terraces, wooden pathways, wooden driveways, boards, terrace boards, landings, garden sheds, umbrella roofs, canopies, mats, shields ad covers, fences, pergolas, wooden lattice, umbrellas, garden pavilions, garden furniture, patio furniture, doghouses, bird feeders, wooden entrance doors, wooden shed doors, fire doors, door frames, masking bands, PVC windows, wooden windows, roof windows, skylights, external sills, internal sills, plastic expansion anchors with screw, plastic expansion anchors, wooden anchors for hammering, non-metal dowels, wooden crates, brushes, cleaning brushes for pipes of various diameters, container inserts, vacuum bags, vacuum bags with pump, covers for clothes, sweeping brushes, mops, buckets, watering cans, water tanks, scoops, shovels, water wipers, flowerpots, sprinklers for crops and lawn watering, sprinkler connectors, floor mats, waste bins, drainage grating, telescopic sticks for house chores and painting, trays, buckets, buckets with rollers, plastic crates, cardboard boxes, file boxes, textile boxes, baskets of various sizes, collapsible containers, crates, lids, brooms, industrial brushes and brooms, home use brooms, brush plus dust tray sets, scrubbing brushes, wooden broomsticks, wooden, plastic and metal sticks with thread for brooms, floor cloths, sponge stamp sets for painting work, ropes, cables, electrical cables, electrical tape, hook and loop type fasteners, cords, strings, agricultural strings, household monofilament lines, straps, rubber ropes, rubber rope binders, shipping straps, cargo lashing straps, felt pads, non-metal connectors, protective footwear, protective caps, rubber-soled felt insulated boots, rubber boots, insoles for working boots, socks

GOODS AND SERVICES INFORMATION

For Accordion doors, not of metal; advertisement columns, not of metal; agglomerated bagasses of cane as building material; agglomerated cork for building; alabaster; alabaster glass; angle irons, not of metal; aquaria building structures; aquarium gravel; aquarium sand; arbours structures, not of metal; armored doors, not of metal; armour-plating, not of metal; artificial stone; asbestos cement; asbestos mortar, asphalt; asphalt paving; aviaries structures, not of metal; balustrades, not of metal; beacons, not of metal, non-luminous; beams, not of metal; bicycle parking installations, not of metal; binding agents for making briquettes; binding material for road repair; bird baths structures, not of metal; bitumen; bitumen paper for building; bituminous coatings for roofing, bituminous products for building; brackets, not of metal, for building; branching pipes, not of metal; bricks; building glass; building materials, not of metal; building panels, not of metal; building paper; buildings, not of metal; building stone; buildings, transportable, not of metal; building timber; burial vaults, not of metal; busts of stone, concrete or marble; cabanas, not of metal; caissons for construction work under water; calcareous marl; casement windows, not of metal; cask wood; ceilings, not of metal; cement; cement for blast furnaces; cement for furnaces; cement posts; cement slabs; chicken-houses, not of metal; chimney cowls, not of metal; chimney pots, not of metal; chimney shafts, not of metal; chimneys, not of metal; cladding, not of metal, for building; clay; clinker ballast; clinker stone; coal tar; building materials as coatings, namely, bituminous coatings for roofing; concrete; concrete building elements; cornices, not of metal; crash barriers, not of metal, for roads; diving boards, not of metal; door frames, not of metal; door panels, not of metal; doors, not of metal; drain pipes, not of metal; drain traps as valves, not of metal or plastic; duckboards, not of metal; ducts, not of metal, for ventilating and air-conditioning installations; earth for bricks; enamelled glass, for building; fair huts; felt for building; fences, not of metal; figurines of stone, concrete or marble; firebricks; fireplace mantles, not of metal; fireproof cement coatings;

flagpoles structures, not of metal; flashing, not of metal, for building; floating docks, not of metal, for mooring boats; floors, not of metal; floor tiles, not of metal; folding doors, not of metal; foundry molds, not of metal; framework, not of metal, for building; furrings of wood; gates, not of metal; geotextiles; glass granules for road marking; granite; gravel; grave slabs, not of metal; gravestones; greenhouse frames, not of metal; greenhouses, transportable, not of metal; grog, namely, fired refractory material, not of metal; gutter pipes, not of metal; gypsum for use as building material; hips for roofing; huts; insect screens, not of metal; insulating glass for building; jalousies, not of metal; joists, not of metal; laths, not of metal; lengthening pieces, not of metal, for chimneys; letter boxes of masonry; lime; limestone; linings, not of metal, for building; lintels, not of metal; luminous paving blocks; macadam; magnesia cement; manhole covers, not of metal; manufactured timber, marble; masts as poles, not of metal for power lines; materials for making and coating roads; memorial plaques, not of metal; moldable wood; moldings, not of metal, for building; moldings, not of metal, for cornices; monuments, not of metal; mooring bollards, not of metal; mortar for building; mosaics for building; non-luminous and non-mechanical signs, not of metal; olivine for building; outdoor blinds, not of metal and not of textile; paint spraying booths, not of metal; palisading, not of metal; pantiles, not of metal; paperboard for building; parquet floor boards; parquet flooring; partitions, not of metal; paving blocks, not of metal; paving slabs, not of metal; penstock pipes, not of metal; perches; pigsties, not of metal; pillars, not of metal, for building; pitch; planks of wood for building; plaster; plastic landscape edgings; plate glass windows for building; platforms, prefabricated, not of metal; plywood; poles, not of metal, for power lines; porches structures, not of metal; porphyry stone; posts, not of metal; potters' clay; prefabricated houses [kits], not of metal; props, not of metal; quartz; railway sleepers, not of metal; raw chalk; reeds for building; refractory construction materials, not of metal; reinforcing materials, not of metal, for building; rigid pipes, not of metal, for building; road coating materials; road marking sheets and strips of synthetic material; road signs, non-luminous and non-mechanical, not of metal; rock crystal; rocket launching platforms, not of metal; roof coverings, not of metal; roof flashing, not of metal; roof gutters, not of metal; roofing, not of metal; roofing, not of metal, incorporating photovoltaic cells; roofing shingles; roofing slates; roofing tiles, not of metal; rubber bearings for seismic isolation of buildings; rubble; safety glass; sand, except foundry sand; sandstone for building; sandstone pipes, sawn timber; scaffolding, not of metal; scantlings for carpentry; schists; sheet piles, not of metal; shuttering, not of metal, for concrete; shutters, not of metal; signalling panels, non-luminous and non-mechanical, not of metal; silica quartz; sills, not of metal; silos, not of metal; silver sand; skating rinks structures, not of metal; slabs, not of metal, for building; slag building material; slate; slate powder; stables, not of metal; stained-glass windows; staircases, not of metal; stair-treads for steps, not of metal; statues of stone, concrete or marble; stone; street gutters, not of metal; stringers as parts of staircases, not of metal; swimming pools structures, not of metal; swing doors, not of metal; tanks of masonry; tar; tarred strips for building; telegraph posts, not of metal; telephone booths, not of metal; terra-cotta as building material; tile floorings, not of metal; tiles, not of metal, for building; tomb or grave enclosures, not of metal; tombs monuments, not of metal; tombs, not of metal; tombstone plaques, not of metal; tombstone stelae, not of metal; trellises, not of metal; tufa; turnstiles, not of metal; veneer wood, vinyl siding; wainscotting, not of metal; wall claddings, not of metal, for building; wall linings, not of metal, for building; wall tiles, not of metal; water-pipes, not of metal; water-pipe valves, not of metal or plastic; window frames, not of metal; window glass for building; window glass, other than vehicle window glass; windows, not of metal; wooden floor boards; wood for making household utensils; wood panelling; wood paving; wood pulp board for building; wood, semi-worked; wood veneers; works of art of stone, concrete or marble; works of stonemasonry; non-metal construction materials, namely, xylolith

International Classes 19 - Primary Classes **US Classes** 1, 12, 33, 50 **International Class Title** Non-metallic Building Materials

For Acetate of cellulose, unprocessed; acetates as chemicals; acetic anhydride; acetone; acetylene; acetylene tetrachloride; acid proof chemical compositions; acids; acidulated water for recharging accumulators; acrylic resins, unprocessed; actinium; activated carbon; additives, chemical, to drilling muds; additives, chemical, to fungicides; additives, chemical, to insecticides; additives, chemical, to motor fuel; adhesive preparations for surgical bandages; adhesives for billposting; adhesives for industrial purposes; adhesives for wallpaper; adhesives for wall tiles; adjuvants, other than for medical or veterinary purposes; agar-agar; agglutinants for concrete; agricultural chemicals, except fungicides, herbicides, insecticides and parasiticides; albumenized paper; albumin animal or vegetable, raw material for industrial purposes; alcohol for industrial purposes; aldehydes, alginates for industrial purposes; alginates for the food industry; alkalies; alkaline-earth metals; alkaline iodides for industrial purposes; alkaline metals; alkaloids; alum; alumina; aluminium acetate; aluminium alum; aluminium chloride; aluminium hydrate; aluminium iodide; aluminium silicate; americium; ammonia; ammonia alum; ammoniacal salts; ammonia volatile alkali for industrial purposes; ammonium aldehyde, ammonium nitrate; ammonium salts; amyl acetate; amyl alcohol; anhydrides; anhydrous ammonia; animal albumen raw material; animal carbon; animal carbon preparations; animal charcoal; animal manure; anthranilic acid; anti-boil preparations for engine coolants; antifreeze; anti-frothing solutions for accumulators; anti-incrustants; anti-knock substances for internal combustion engines; antimony; antimony oxide; antimony sulfide; antioxidants for use in manufacture; antioxidants for use in the manufacture of cosmetics, antioxidants for use in the manufacture of food supplements; antioxidants for use in the manufacture of pharmaceuticals; anti-sprouting preparations for vegetables; antistatic preparations, other than for household purposes; anti-tarnishing chemicals for windows; argon; arsenic; arsenious acid; chemical preparations, namely, artificial sweeteners; astatine; auxiliary fluids for use with abrasives; bacterial preparations, other than for medical and veterinary use; bacteriological preparations for acetification; bacteriological preparations, other than for medical and veterinary use; barium, barium compounds; chemical preparations, namely, barium sulfate, baryta, baryta paper, barytes, chemical preparations, namely, bases; basic gallate of bismuth; bate for dressing skins; bauxite; beer-clarifying and preserving agents; beer preserving agents; bentonite; benzene; benzene-based acids; benzene derivatives; benzoic acid; benzoic sulfimide; benzol; berkelium; bicarbonate of soda for chemical purposes; bichloride of tin; bichromate of potassium; bichromate of soda; biochemical catalysts; biological preparations, other than for medical or veterinary purposes; biological tissue cultures, other than for medical or veterinary purposes; birdlime; bismuth; bismuth subnitrate for chemical purposes; bleaching preparations in the nature of decolorants for industrial purposes; blood charcoal; blueprint cloth; blueprint paper, blue vitriol; bone charcoal; borax; boric acid for industrial purposes; brake fluid; brazing fluxes; brazing preparations; brickwork preservatives, except paints and oils; bromine for chemical purposes; by-products of the processing of cereals for industrial purposes; caesium; calcined soda; calcium carbide; calcium cyanamide as fertilizer; calcium salts; californium; calomel (mercurous chloride); camphor, for industrial purposes; carbide; carbolineum for the protection of plants, carbon; carbonates, carbon black for industrial purposes; carbon disulfide; carbon for filters; carbonic acid; carbonic hydrates; carbon tetrachloride; casein for industrial purposes; casein for the food industry; catalysts; catechu; caustic alkali; caustics for industrial purposes; caustic soda for industrial purposes; cellulose; cellulose derivatives as chemicals; cellulose esters for industrial purposes; cellulose ethers for industrial purposes; cement for footwear, cement for mending broken articles; cement metallurgy; cement preservatives, except paints and oils; cement-waterproofing chemicals, except paints; granules and powders, namely, ceramic compositions for sintering; ceramic glazings; ceramic materials in

particulate form, for use as filtering media; cerium; chemical additives for oils; chemical coatings for ophthalmic lenses; chemical condensation preparations; chemical intensifiers for paper; chemical intensifiers for rubber; chemical preparations for facilitating the alloying of metals, chemical preparations for scientific purposes, other than for medical or veterinary use; chemical preparations for smoking meat; chemical preparations for use in photography; chemical preparations to prevent diseases affecting cereal plants; chemical preparations to prevent diseases affecting vine plants; chemical preparations to prevent mildew; chemical preparations to prevent wheat smut; chemical reagents, other than for medical or veterinary purposes; chemicals, except pigments, for the manufacture of enamel; chemicals for the manufacture of paints; chemicals for the manufacture of pigments; chemicals for use in forestry, except fungicides, herbicides, insecticides and parasiticides; chemical substances for analyses in laboratories, other than for medical or veterinary purposes; chemical substances for preserving foodstuffs; chimney cleaners, chemical; chlorates, chlorides; chlorine; cholic acid; chromates; chrome alum; chrome salts; chromic acid; chromic salts; chromium oxide; cinematographic films, sensitized but not exposed; citric acid for industrial purposes; coal saving preparations; cobalt oxide for industrial purposes; collagen for industrial purposes; collodion; color-brightening chemicals for industrial purposes; combusting preparations, namely, chemical additives for enhancing the performance of internal combustion engine fuels; compositions for repairing inner tubes of tires; compositions for repairing tires; compositions for the manufacture of phonograph records; compositions for the manufacture of technical ceramics; compositions for threading; compost; concrete-aeration chemicals; concrete preservatives, except paints and oils; condensation-preventing chemicals; coolants for vehicle engines, corrosive preparations; cream of tartar for chemical purposes, cream of tartar for industrial purposes; cream of tartar for the food industry; creosote for chemical purposes; crotonic aldehyde; cryogenic preparations; cultures of microorganisms, other than for medical and veterinary use; curium; currying preparations for leather; currying preparations for skins; prussiates, namely, cyanides; cymene; damp-proofing chemicals, except paints, for masonry; defoliants; degreasing preparations for use in manufacturing processes; degumming preparations; dehydrating preparations for industrial purposes; dendrimer-based polymers for use in the manufacture of capsules for pharmaceuticals; descaling preparations, other than for household purposes; detergent additives to petrol; detergents for use in manufacturing processes; dextrin size; diagnostic preparations, other than for medical or veterinary purposes; diastase for industrial purposes; diatomaceous earth; diazo paper; disincrustants; dispersions of plastics; distilled water; dolomite for industrial purposes; drilling muds; carbon dioxide dry ice; dysprosium; electrophoresis gels, emollients for industrial purposes; emulsifiers; enamel-staining chemicals; engine-decarbonising chemicals; enzyme preparations for industrial purposes; enzyme preparations for the food industry; enzymes for industrial purposes; enzymes for the food industry; epoxy resins, unprocessed; erbium; esters; ethane; ethers; ethyl alcohol; ethyl ether, europium; substrate, namely, expanded clay for hydroponic plant growing; fat-bleaching chemicals; fatty acids; ferments for chemical purposes; fermium; ferrocyanides; ferrotype plates, namely, photographic dry plates; fertilizers; fertilizing preparations; filtering materials of chemical substances; filtering materials of mineral substances; filtering materials of unprocessed plastics; filtering materials of vegetable substances, filtering preparations for the beverages industry, finishing preparations for use in the manufacture of steel; fire extinguishing compositions; fireproofing preparations; fish meal fertilizers; fissionable chemical elements; fissionable material for nuclear energy; fixing baths for photography; fixing solutions for photography; flashlight preparations; flavonoids, phenolic compounds for industrial purposes; flocculants; flour for industrial purposes; flower preservatives; flowers of sulfur for chemical purposes, fluids for hydraulic circuits; fluorine, fluorspar compounds, formic acid; formic aldehyde for chemical purposes; foundry binding substances; foundry molding preparations; foundry sand; francium; fuel for nuclear reactors; fuel-saving preparations; fuller's earth for use in the textile industry; fulling preparations; fulling preparations for use in the textile

industry; gadolinium; gallic acid for the manufacture of ink; gallium; gallnuts; gallotannic acid; galvanizing baths; galvanizing preparations; gambier, gas purifying preparations; gelatine for industrial purposes; gelatine for photographic purposes; genes of seeds for agricultural production; getters as chemically active substances; glass-frosting chemicals, glass-staining chemicals; glaziers' putty; glucose for industrial purposes; glucose for the food industry; glucosides; glue for industrial purposes; glutamic acid for industrial purposes; gluten for industrial purposes; gluten for the food industry; glue, namely, gluten, other than for stationery or household purposes for the food industry; glutinous tree-grafting preparations; glycerides; glycerine for industrial purposes; glycol; glycol ether; gold salts; grafting mastic for trees; grafting wax for trees; graphene; graphite for industrial purposes; guano; gum arabic for industrial purposes, gums as adhesives for industrial purposes; gum tragacanth for industrial purposes; gurjun balsam for use in the manufacture of varnish; gypsum for use as a fertilizer; heavy water, helium; holmium; hormones for hastening the ripening of fruit; horticultural chemicals, except fungicides, herbicides, insecticides and parasiticides; humus; humus top dressing; hydrates; hydrazine; hydrochlorates; hydrochloric acid; hydrofluoric acid; hydrogen; hydrogen peroxide for industrial purposes; hypochlorite of soda; hyposulfites; industrial chemicals; iodic acid; iodine for chemical purposes; iodine for industrial purposes; iodised albumen; iodised salts; ion exchangers [chemicals]; iron salts; isinglass, other than for stationery, household or alimentary purposes; isotopes for industrial purposes; kainite; kaolin, ketones, kieselgur, krypton; lactic acid, lactose for industrial purposes; lactose for the food industry; lactose as raw material; lamp black for industrial purposes, lanthanum; lead acetate; lead arsenate; lead oxide; leather-dressing chemicals; leather glues; leather-impregnating chemicals; leather-renovating chemicals; leather-waterproofing chemicals; lecithin for industrial purposes; lecithin for the food industry; lecithin as raw material; lime acetate; lime carbonate; lime chloride; limestone hardening substances; liquids for removing sulfates from accumulators; lithium oxide, namely, lithia; lithium; litmus paper, loam, lutetium in the nature of cassiopium; magnesite, magnesium carbonate; magnesium chloride; magnetic fluid for industrial purposes; malt albumen; manganate; manganese dioxide; mangrove bark for industrial purposes; masonry preservatives, except paints and oils; mastic for leather, mastic for tires, meat tenderizers for industrial purposes; mercuric oxide; mercury; mercury salts, metal annealing preparations; metal hardening preparations; metalloids; metal tempering preparations; methane; methyl benzene; methyl benzol; methyl ether, milk ferments for chemical purposes; milk ferments for industrial purposes; milk ferments for the food industry; mineral acids, moderating materials for nuclear reactors, moistening wetting preparations for use in bleaching; moistening wetting preparations for use in dyeing, moistening wetting preparations for use in the textile industry, mold-release preparations; mordants for metals; must-fining preparations; nanopowders for industrial purposes; naphthalene; neodymium; neon; neptunium; nitrate paper; nitrates; nitric acid; nitrogen; nitrogenous fertilizers; nitrous oxide; chemical preparations for use in wine making, namely, oenological bactericides; oil-bleaching chemicals; oil cement putty; oil dispersants; oil-purifying chemicals; oil-separating chemicals; oils for currying leather; oils for preparing leather in the course of manufacture; oils for tanning leather, oils for the preservation of food; oleic acid; olivine as silicate mineral; opacifiers for enamel, opacifiers for glass; organic digestate fertilizer; oxalates; oxalic acid; oxygen for industrial purposes; palladium chloride; paper pulp; paste fillers for automobile body repair; peat fertilizer; peat pots for horticulture; pectin for industrial purposes; pectin for the food industry; pectin for photography; perborate of soda, percarbonates; perchlorates, persulfates; persulfuric acid, petroleum dispersants, phenol for industrial purposes, phosphates fertilizers, phosphatides; phosphoric acid, phosphorus; photographic developers, photographic emulsions; photographic paper; photographic sensitizers; photometric paper; photosensitive plates, picric acid; plant growth regulating preparations, plasticizers; plastics, unprocessed; plastisols, plutonium; polish removing substances; polonium; polymer resins, unprocessed; potash; potash water, potassium; potassium

dioxalate; potato flour for industrial purposes, potting soil; power steering fluid; praseodymium; chemical preparations for preventing the tarnishing of glass; chemical preparations for preventing the tarnishing of lenses, chemical preparations for stimulating cooking for industrial purposes; chemical preparations for the separation of greases; chemical preparations of microorganisms, other than for medical and veterinary use; chemical preparations of the distillation of wood alcohol; chemical preparations of trace elements for plants; chemical preservatives for tiles, except paints and oils; chemical preservatives for use in the pharmaceutical industry; promethium; propellant gases for aerosols; protactinium; protective gases for welding; protein in raw material form for scientific and medical research; proteins for the food industry; proteins for use in manufacture; proteins for use in the manufacture of food supplements; purification preparations, pyrogallic acid; quebracho for industrial purposes; radiator flushing chemicals; radioactive elements for scientific purposes; radium for scientific purposes, radon; rare earths; reagent paper, other than for medical or veterinary purposes; reducing agents for use in photography; refrigerants; renovating preparations for phonograph records, rhenium; rock salt; rubber preservatives, rubidium; saccharin, sal ammoniac; sal ammoniac spirits; salicylic acid; salt for preserving, other than for foodstuffs; saltpeter; salt, raw; salts as chemical preparations; salts as fertilizers; salts for coloring metal; salts for galvanic cells; salts for industrial purposes; salts from rare earth metals; salts of alkaline metals, salts of precious metals for industrial purposes, samarium; sauce for preparing tobacco; scandium; seawater for industrial purposes, seaweeds as fertilizers; sebacic acid; seed preserving substances, selenium; self-toning paper for photography; sensitized cloth for photography; sensitized films, unexposed; sensitized paper; sensitized photographic plates; sensitized plates for offset printing; separating and unsticking ungluing preparations, silicates, silicon for use in building industry; silicon carbide as raw material; silicones; silver nitrate; silver salt solutions for silvering; size for finishing and priming; size for use in the textile industry; sizing preparations; slag as fertilizers; metallic soap for industrial purposes; soda ash; sodium; chemical compounds, namely, sodium salts; soil conditioning preparations, soil for growing; soldering fluxes; solidified gases for industrial purposes; solutions for cyanotyping; solvents for varnishes; soot for industrial or agricultural purposes; sorrel salt; spinel as oxide mineral; spirits of salt, dilute acetic acid as spirits of vinegar; stain-preventing chemicals for use on fabrics; starch for industrial purposes; starch-liquifying chemicals as ungluing agents; starch paste adhesive, other than for stationery or household purposes; stearic acid; stem cells, other than for medical or veterinary purposes; strontium; substances for preventing runs in stockings; substrates for soil-free growing in agriculture; sulfates; sulfides; sulfonic acids; sulfur; sulfuric acid; sulfuric ether; sulfurous acid; sumac for use in tanning; superphosphates as fertilizers; surface-active chemical agents, synthetic materials for absorbing oil; synthetic resins, unprocessed; talc in the nature of magnesium silicate; tan agents for use in the manufacture of leather, tannic acid; tannin; tanning agents for use in the manufacture of leather; agents for use in the manufacture of leather, namely, tan-wood; tapioca flour for industrial purposes; tartaric acid; tartar, other than for pharmaceutical purposes; tea extracts for the food industry; tea extracts for use in the manufacture of cosmetics; tea extracts for use in the manufacture of pharmaceuticals; technetium; tellurium; terbium; test paper, chemical; tetrachlorides; textile-brightening chemicals; textile-impregnating chemicals; textile-waterproofing chemicals; thallium; thiocarbanilide; thorium; thulium, thymol for industrial purposes; titanite; titanium dioxide for industrial purposes; toluene; toning baths for photography; toning salts for photography; topsoil; toxic gas neutralizers; transmission fluid; transmission oil; adhesives for use as tree cavity fillers for forestry; tungstic acid; uranium; uranium nitrate; uranium oxide; vinic alcohol; viscose; vitamins for the food industry; vitamins for use in the manufacture of cosmetics; vitamins for use in the manufacture of food supplements; vitamins for use in the manufacture of pharmaceuticals; vulcanization accelerators; vulcanizing preparations; wallpaper removing preparations; water glass in the nature of soluble glass; water-purifying chemicals; water-softening preparations; wax-bleaching chemicals; welding chemicals; wine finings; witherite; wood alcohol;

wood pulp; wood vinegar, namely, pyroligneous acid; xenon; X-ray films, sensitized but not exposed; xylene; xylol; ytterbium; yttrium; zirconia

GOODS AND SERVICES INFORMATION

For vehicles in the nature of aircraft, automobiles, bicycles, motorcycles, rolling stock for railways, ships; helicopters; rotorcraft; drones; vehicles, namely, military vehicles, for transport; side cars; pick-up trucks; land vehicles and side cars for signal and radio surveillance, location; jamming and surveillance land vehicles; space vehicles in the nature of lunar rovers, shuttles, rockets; space transport systems, consisting primarily of space vehicles in the nature of lunar rovers, shuttles, rockets; masts for ships; roof boxes for vehicles

International Classes 12 - Primary Classes **US Classes** 19, 21, 23, 31, 35, 44 **International Class Title** Vehicles

For ammunition and projectiles; explosives; fireworks; firearms, small arms, guns, and replacement parts for the aforesaid goods; directional infrared (IR) and laser devices for defending against missile attacks on airborne platforms, namely, airborne directional infrared countermeasures (DIRCM) systems comprised mainly of sensors, infrared signal transmitters, lasers, directional aiming devices and associated computer processing systems for threat assessment, missile tracking and directing energy from such infrared sensors and lasers onto attacking missiles to neutralize the threat; firing control installations in the nature of sighting devices, other than telescopic sights, for firearms; smoke projectiles; guns, weapons for self-defense; target devices in the nature of automatic fire control for artillery weapons and sights, other than telescopic sights, for artillery weapons; target devices in the nature of sights, other than telescopic sights, for firearms; storage bags and cases for the aforesaid goods; daytime and night-time sights and related attachments for firearms

International Classes 13 - Primary Classes **US Classes** 2, 9 **International Class Title** Firearms

For providing training regarding the handling of control stations for mission preparation, mission execution and mission follow-up for manned and unmanned air vehicles; information about educational or entertainment events; film production; digital imaging; publication of books; arranging and conducting of colloquiums in the field of the use of satellite data and products derived there from; arranging and conducting of conferences in the field of the use of satellite data and products derived there from; arranging and conducting of educational meetings in the field of the use of satellite data and products derived there from; arranging and conducting of educational seminars in the field of the use of satellite data and products derived there from; photography; organization of exhibitions for cultural or educational purposes; photographic reporting; publication of texts, other than for advertising purposes, in the field of the use of satellite data and products derived there from; electronic publication of books and periodicals in the field of the use of satellite data and products derived there from; rental of books; rental of motion pictures; rental of sound recordings; online publication of books and magazines; desktop publishing for others; instruction, providing of training and training information in connection with satellite communications and telecommunications; electronic desktop publishing; consultancy and information in connection with the aforesaid services; information in connection with sporting events; providing of training regarding the handling of control stations

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For building construction; installation, repair and maintenance of control stations for mission preparation, mission execution and mission follow-up for manned and unmanned air vehicles; installation and maintenance of data processing apparatus and computer hardware; consultancy in connection with all the aforesaid services; adjustment, repair and maintenance for the restoration of electro-optical apparatus; maintenance and repair of electro-optical apparatus and installations for others; rental of hand and power tools, namely, specialist tools, handling apparatus, transport and storage containers and workshop equipment; installation, cleaning, repair and maintenance of apparatus for electronic warfare and for radar systems; installation and maintenance of radar systems on vehicles, ships and fixed installations; installation, cleaning, repair and maintenance of apparatus for electronic warfare and for radar systems; repair, maintenance and installation in connection with all of the following goods: optical instruments and enhancers, microscopes, magnifying glasses and reading glasses, telescopes, spotting scopes, binoculars and spyglasses, spectacles and loupes, safety eyewear, spectacle lenses, thermal imaging apparatus, night-vision apparatus, thermal image recorders for night-vision purposes, night-vision goggles, telescopes, sighting telescopes, interference and polarization filters, photographic recording, projecting and magnifying lenses, image intensifiers, image intensifier tubes, lens hoods, condensers, mirrors, prisms, objective and ocular lenses, observation eyepieces, photogrammetric cameras, digital cameras, digital cameras with an integrated laser rangefinder and a ballistics information system, measuring instruments, measuring apparatus and parts therefor, in particular for geodetic and nautical purposes, rangefinders, laser rangefinders, optical sights for firearms and astronomical telescopes, reflex sights, daytime and night-time sights, precision gauges, optical parts for headlights

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For apparatus for recording, transmission or reproduction of sound or images; mechanisms for coin-operated apparatus; cash registers; calculating machines; data processing equipment; computers; fire-extinguishing apparatus; microscopes; magnifying glasses and reading glasses; telescopes; spotting scopes; binoculars and spyglasses; spectacles; safety eyewear; spectacle lenses; thermal imaging camera; day and night vision systems primarily comprising day and night sensors, day and night cameras, power sources, communication means, monitors and operating software; thermal image recorders for night-vision purposes; night-vision goggles; telescopes; interference and polarization filters; photographic recording, projecting and magnifying lenses; image intensifiers; image intensifier tubes; lens hoods; condensers; scientific and technical apparatus, namely, optical mirrors; prisms; objective and ocular lenses; observation eyepieces; photogrammetric cameras; digital cameras; digital cameras with an integrated laser rangefinder; measuring instruments; measuring apparatus and parts therefor, in particular for geodetic and nautical purposes; rangefinders; laser rangefinders; optical lens sights for firearms and astronomical telescopes; reflex sights for firearms; daytime and night-time lens sights; apparatus for adjusting headlights; apparatus, instruments and equipment for electronic warfare, namely, sensors, receivers, computer hardware and computer software for sensing, receiving, monitoring, decoding and decrypting electromagnetic signals used by an adversary for carrying out military communication, command and control (CCC) functions, navigation, position location, intelligence gathering, surveillance, weapon targeting, weapon aiming, weapon guidance and weapon targeting; apparatus, instruments and equipment for electronic warfare, namely, radar jamming devices for interfering with or preventing the transmission and reception of radar signals; apparatus, instruments and equipment for electronic warfare, namely, sensors, receivers, computer hardware and computer software for apparatus, instruments and equipment for electronic warfare, namely, electronic jamming devices for interfering with or preventing the transmission and reception of electromagnetic signals; apparatus, instruments and equipment for electronic warfare, namely, electronic devices for preventing the detonation of explosives and munitions; apparatus, instruments and equipment for electronic warfare, namely, computer hardware and software for attacking and interfering with, disrupting, disabling, denying functional access to, seizing control of and destroying computers, computer networks, computer software and computer network resources of an adversary; apparatus, instruments and equipment for electronic warfare, namely, receivers, transmitters and computer hardware and software for attacking and interfering with, disrupting, disabling, denying functional access to, seizing control of command, control and communications (CCC) networks and CCC network resources of an adversary; apparatus, instruments and equipment for electronic warfare, namely, receivers, transmitters and computer hardware and software for detecting and analyzing presence, location, motion and nature of vehicles, aircraft, tanks, marine vessels, weapons platforms and personnel of an adversary; laser warning sensors for use on airborne military platform; electric warning lights; warning bells; optoelectronic measuring devices for creating touch or gesture-sensitive surfaces that interact with computer and other technology systems; apparatus for recording, transmission, processing and reproduction of sound, images or data; central processing units for processing information, data, sound or images; automatic altitude indicators, speed indicators, level indicators, temperature indicators, optoelectronic receivers, optoelectronic transducers; sensors for the determination of temperatures, positions and distances; optical sensors, image intensifiers, electronic amplifiers; power supply connectors and adaptors for use with portable electronic devices; power supplies for lights, sirens and public address systems, electrical power supplies; indicator lights for telecommunication apparatus, lighting control panels, lighting control apparatus, electric warning light systems; apparatus for storing, converting, processing and transmitting data, information and signals; telecommunications terminals; pagers; electronic apparatus for satellite telecommunications; remote controls, video recorders, cassette recorders, computer monitor frames, voice display monitors, television monitors, radio receivers and monitors for

reproduction of sound and signals, radios, portable camcorders with integrated video recorders or DVD burners, cameras; television sets; keyboards, mice, calculators, printers; computers; computer memories, modems, computer peripheral devices; screens; computer network interface devices and microprocessors, for accessing multimedia databases; database servers; printed circuits; on-board wireless and satellite data networks, namely, signaling apparatus in the nature of transmitters of electrical signals; extension systems comprised of hardware and software used for external airframe equipment; electronic media, namely, blank universal serial bus (USB) flash drives, blank sound recording discs, blank video discs and blank CD-ROMs, audio, video and sound recording discs; compact discs, optical discs and digital video discs (DVD)s containing navigation and flight instructions for helicopters, rotorcraft and drones; electrical and electronic control instruments for radiolocation and radio navigation; navigation apparatus for use at sea, on land, in the air and in space; guidance and navigation systems, namely, Global Positioning Systems (GPS); checking apparatus for flight parameters, namely, software for assisting with the navigation and control of helicopters, rotorcraft and drones; communications equipment, namely, radio and television transmission installations for recording, displaying and transmitting all properties and flight parameters of helicopters, rotorcraft and drones, for developing, manufacturing, controlling, flying, steering, navigating, monitoring and securing the aforesaid helicopters, rotorcraft and drones; altitude and speed measuring stations; adaptable software for locating air vehicles with the aid of inertia values; systems for creating electric commands and electric signals, namely, electric signal transmitters; computers, flight phase analyzers; electronic equipment and systems, namely, computer hardware and software for directing combat operations; software for the bringing together of elementary digital objects depicted in the form of real, moving objects on the basis of cartographic data and algorithms of the examined movements of the aforesaid objects; software for the bringing together of representative data from moving objects; transmitters of radio waves, ultrasound, sound or infrasound waves; optical or infrared transmitters, tuners, radio transmitters and receivers, encoders and decoders, digital sound and image data transmission apparatus, remote controls; software for recording and processing data for controlling, flying, steering, navigating, monitoring and securing air vehicles, rotorcraft and drones, character and alarm generators; software for displaying flight logs, ground stations for processing flight, steering, navigation and monitoring data from aircraft, rotorcraft and drones, remote transmitters for the transmission of information between air vehicles, rotorcraft or drones and at least one ground station; computers and electronic card readers; computer software for calculating, reading and applying cartographic data; electronic communications, navigation, collision warning and pilot assistance systems for manned and unmanned land or air vehicles, namely, systems comprised of wireless communications radios, transponders, antennae, radar devices, electronic navigational and positioning apparatus and instruments, navigational instruments for vehicles on-board computers, visual displays, audio warning devices, airspeed sensors, altitude sensors, angle-of-attack sensors, avionic sensor systems, namely, aircraft altitude indicators, avionic sensor systems, namely, aircraft altitude indicators, aerodynamic stall indicators, computer hardware and software for detecting, predicting and warning of malfunctions and abnormal or unsafe operating conditions; avionic sensor systems, namely, aircraft altitude indicators; electronic mission systems comprised of hardware and software for land or air vehicles for assisting crew with regard to executing their mission, namely, for displaying the current state of the mission, said current state being ascertained through communications systems and recorded information and being displayed; electronic map display systems comprised of hardware and software for land or air vehicles for graphically displaying the position of the vehicle; electronic recording systems comprised of hardware and software for land or air vehicles for recording vehicle data and mission data; sensor-assisted, namely, electro-optical radar systems comprised of hardware and software for air or land vehicles for recording environmental data, in the nature of topographical altitude data, distance data and obstacle data, in the air and on the ground; electric and electronic control stations comprising application-

specific computer software, computer hardware and communications apparatus for mission preparation, mission execution and mission follow-up for manned and unmanned air vehicles; radar machines and apparatus; speed detectors, location detectors for determining the azimuth, distance and elevation of an object and motion detectors; transmitters of electronic signals; antennae; signal generators; satellite receivers for satellite communication; software for planning and managing requests with regard to intelligence gathering; hardware and software for surveillance and monitoring of military forces and military and non-military services and agencies; radio transmitters and receivers; on-board electronic systems consisting of equipment for satellites and space vehicles, namely, electronic navigational and positioning apparatus and instruments, navigational instruments for vehicles on-board computers, satellite-aided navigation systems and avionic sensor systems, namely, navigation systems; ground systems comprised of hardware and software for operating and controlling satellites; radio-electric transceivers and radios; data processing apparatus and computers; blank optical data carriers; blank magnetic data carriers; telecommunication transmitters, electric wires, fiber-optic cables; blank electronic storage media; coding or decoding apparatus, digital sound and image data transmitters; radar antennae, satellite transmitters and receivers, power converters and transponders; fixed or portable computers; computer servers, servers and data storage apparatus, computer workstations, and modems; hardware and software for determining the position, observation and monitoring of specific geographical locations; storage media for data and user terminals for position determination, navigation, for navigation databases, for radar or satellite navigation, radio navigation; hardware and software used for mapping information; hardware and software for providing telecommunications and radio networks through wire, cable, optical fiber, radio or satellite; software programs for secure communications and for facilitating the authentication, examination, recording and analysis of business relations and transactions using a system of controlled access rights and notifications; software for communications and radio communications networks for the transmission of data through wire, cable, optical fiber, radio or satellite; software for encryption and decryption; servers for modeling, simulating, testing and experiments in connection with civil and military operations; software for planning, capturing, processing and disseminating intelligence information and data, solely in the fields of secret service information and geography, for defense and security purposes; software for providing access to an electronic messaging service; transmission security software for intranet and internet data terminals, operating stations and terminals for presenting information in graphic and text form; computer software for examining and identifying space segments in two or three dimensions; industrial geoproduction systems, consisting of software and hardware for a digital process chain for generating satellite, aerial or terrestrial images and 3D data; software for the field of satellite imaging and data; data processing equipment, namely, using satellites; computer software for processing and analyzing photographs, namely, aerial and satellite photographs; computer software for stereographic projections, digital terrain models, orthophotos and thematic maps; database management software for stereographic reproduction, for storing, preparing, processing and analyzing drawings, depictions, photographs, maps, aerial and satellite images and surface models; computer database management software for storing and managing data in the nature of drawings, depictions, photographs, maps, aerial and satellite images and surface models; computer software for storing, preparing, processing, analyzing and stereographically reproducing drawings, depictions, photographs, maps, aerial and satellite images and surface models; computers and computer software for industrial purposes, namely, for the fire service and the government, in connection with operational systems, client management, installation management systems, geographical information systems, computer-aided design (CAD) systems, real-time display systems and mobile systems, and the configuration thereof, for use with suitable computer hardware; database management software, for stereographic reproduction, for storing, creating, processing and analyzing

drawings, images, photographs, graphic representations, aerial and satellite images and surface models; data carriers for computer software, computer files and software packages, for stereographic reproduction and for storing, creating, processing and analyzing surface models, images and photographs; satellites; satellite navigation systems, namely, global positioning systems; satellites for scientific purposes, namely, satellites for terrestrial observation and radar satellites; aerial imaging sensors; radio transmission installations; databases containing digital topographical models; software packages for processing and evaluating photographs, namely, aerial and satellite images; software for stereographic reproduction, for creating digital terrain models, orthophotos and thematic maps; computer files and software used for featuring geographical, geological, cartographic and topographical content; computer files and software used for featuring terrain representations and digital maps; terminals for satellite communications; communications apparatus and instruments; telephone apparatus; data processing and transmission apparatus and instruments in the nature of magnetic encoders and decoders; computer terminals and keyboards, computer screens; printers; antennae; computer software and peripheral devices for providing and managing news, information about weather, sporting events and the internet; systems consisting of computer hardware and software, for facilitating real-time communications between users and providers via the internet; computer software for facilitating and for operating business systems, namely, business systems via the internet and the world wide web; computer software for simulating and analyzing satellite communications systems; computer software programs for operating and managing satellite communications systems; apparatus and instruments for broadcasting, transmitting, receiving, disseminating, duplicating, encoding and decoding of digital and satellite signals, namely, antennae, satellite dishes, signal transmitters, exciters, signal receivers, analog filters, digital filters, transceivers, encoders, decoders, transcoders, routers, hubs, switches, satellite uplinks, satellite downlinks and satellite earth stations; computer hardware and software for target recognition, target identification and target tracking and for fire control and ballistic correction; electro-optical surveillance and observation cameras and computer software, in particular evaluation and display software for use on land, on water, in the air and in space; periscope systems for use in air, water and land vehicles, namely, periscope systems comprised of periscope masts, periscopic viewing optics, cameras, video cameras, infrared cameras, short wave infrared cameras, high definition video cameras, range finders, operator control and viewing stations, periscopic viewing optics, antenna mounts and combat system interface modules; optoelectronic mast systems comprised of optoelectronic periscopic viewers, periscope masts, cameras, night-vision cameras, video cameras, night vision video cameras, range finders, operator control and viewing stations, antenna mounts and combat system interface modules; optoelectronic mast systems for submarines, comprised of control consoles, and software, namely, image processing software; apparatus in the nature of electromechanical stabilizers for stabilizing the line of sight direction of an optical device based on regulating signals from mechanical, optical or fiber-optic gyroscopes, accelerometers or based on image evaluation algorithms; periscopes with direction-stabilized line of sight for use on land, on water and in the air; gyroscopically and inertially stabilized or scene-based stabilized commander's periscopes and electro-optical observation, for armored vehicles; optoelectronic sensors for air defense systems featuring TV assemblies, thermal imaging apparatus, laser range finding apparatus and laser target illuminators; laser altimeters for use in space; electro-optical surveillance cameras and vision equipment in the nature of electro-optical periscopes, electro-optical periscopes, electro-optical sights for firearms, electro-optical sights for guns and artillery, electro-optical firearm sights with integrated laser rangefinders and ballistics information displays, electro-optical gun and artillery sights with integrated rangefinders and ballistics information displays, electro-optical binoculars, electro-optical spotting scopes, electro-optical night vision cameras, electro-optical range finders, electro-optical periscopes, electro-optical reflex sights for firearms, electro-optical cameras with integrated rangefinders and ballistics information displays, electro-optical missile trackers for detecting tracking missiles in flight and stabilized multi-sensor

platforms for manned and unmanned air vehicles, land vehicles and water vehicles; missile warning sensors for use on water, on land and in the air; submarine periscopes with integrated laser range finding, laser target illuminators and integrated line of sight direction stabilization, with an integrated image processing platform and high-level algorithms, namely, image fusion and tracking; sensors for position regulation and orbit control, namely, for satellites, optical instruments for terrestrial observation and for observing other natural or technical objects in space, star and solar sensors; rendezvous and docking sensors for aerospace, multispectral imaging apparatus; inertial and gyro sensors; apparatus for recording, transmission, processing or reproduction of sound or images, and software therefor for controlling, recording, transmission, processing and image processing or data; machine-readable data carriers; microwave switches, DC converters, laser transmitters and receivers, electronic amplifiers, power amplifiers; satellite transmitters and receivers for analogue and digital signals; data processing apparatus and computers, and peripheral devices, disk drives, scanners and screens therefor, and installations consisting of data processing apparatus and computers; keyboards and printers; computer programs for providing real-time, multimedia, multi-sensor and multi-user communications via computer networks; blank magnetic data carriers; hardware and software for sensor data fusion, namely, databases and the object world; hardware and software for augmented reality and virtual reality applications, namely, presentation media, monitors, tablets and data glasses; hardware and software for displaying maps and geographical positions; jammers, namely, radar jamming apparatus; signal generators; direction finding and position finding apparatus for ships, land vehicles, aircraft, helicopters and drones, namely, electronic navigational and positioning apparatus and instruments, navigational instruments for vehicles on-board computers, satellite-aided navigation systems and avionic sensor systems, namely, navigation systems; electromagnetic, ultraviolet and infrared-based self-defense systems for defending ships, land vehicles, aircraft and helicopters against attack, namely, systems comprised mainly of sensors, electromagnetic signal transmitters, lasers, directional aiming devices and associated computer processing systems for threat detection, threat assessment, missile tracking and directing energy from such sensors and lasers onto attacking munitions to neutralize the threat; directional infrared countermeasure (DIRCM) systems for defending against missile attacks, namely, DIRCM systems comprised mainly of sensors, infrared signal transmitters, lasers, directional aiming devices and associated computer processing systems for threat detection, threat assessment, missile tracking and directing energy from such infrared sensors and lasers onto attacking missiles to neutralize the threat; directional infrared transmitters and lasers for defending against missile attacks on airborne platforms; Identification Friend or Foe (IFF) receivers on airborne platforms; Identification Friend or Foe (IFF) query systems comprised mainly of transponders, optical sensors, electro-optical sensors, infrared sensors, transmitters, receivers, radar transmitters, radar receivers, radar antennae, computer hardware and computer software, all for use on ships and land-based platforms for the detection, identification, tracking and reporting the presence, location, motion and nature of vehicles, aircraft, tanks, marine vessels, weapons platforms and personnel; antennae, transmitters and receivers for wide-band data transmission; hardware and software for mission planning and evaluation for airborne platforms; hardware and software for capturing maintenance and diagnostic data from airborne platforms; binoculars, spyglasses, telescopes, photographic filters, photovoltaic cells, global positioning systems (GPS), directional compasses, correcting optical lenses, lasers not for medical purposes, close-up lenses not for medical purposes, surveyors' levels, optical lenses, eyepieces, periscopes, prisms, transmitters of electronic signals, stands for photographic apparatus and cameras, telescopes, sighting telescopes; electronic and optical spy holes for doors and peepholes in the nature of magnifying lenses for doors; helmet target tracking systems comprised of head-up displays for use in military and commercial air vehicles, land vehicles and water vehicles, namely, helmet mounted transparent electronic displays for providing vehicle crew members with target tracking information; landing control apparatus

for helicopters; laser target illumination for combat aircraft; sensor platforms for military air vehicles equipped with electro-optical and radar sensors; laser rangefinders; apparatus for target marking in the nature of targeting pods; uncooled modules being night vision attachments, namely, map/position display; electronic encryption apparatus in the nature of downloadable computer software for use in the encryption and decryption of digital files, including audio, video, text, binary, still images, graphics and multimedia files; electronic encryption units

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Delivery of messages by electronic transmission; computer transmission of communications, images and sounds; transmission of information and data via the internet for the compilation, delivery and dissemination of messages; rental of telecommunications apparatus; information in the field of telecommunications; communications by computer terminals; providing of access to connections to a global data network via telecommunications services; providing of access to electronic databases for drawings, images, photographs, graphic representations, aerial and satellite images and surface models; communications in connection with data transmission on computer networks; providing of access to databases via the internet; computerized transmission of data and images for the internet and intranet; providing of user access to service providers on a global computer network; computerized transmission of messages and images, in the nature of high and ultra-high resolution images, and geographical information; satellite-assisted transmission of messages and images, in the nature of high and ultra-high resolution images, and geographical information; providing of access to databases, in the nature of databases containing images generated with the aid of satellites or antennae, transmission of data sets containing global digital topographical models and geographical information; providing of access to databases, for aerial and satellite images, geographical, geological, cartographic and topographical data, terrain displays and digital maps; satellite communications; speech and data transmission; broadcasting of maritime radio via radio satellite; remote transmission of Website information, computer programs and other data; communications and transmission via the internet; communications for facilitating real-time online communications between internet users and content providers; broadcasting and transmission of data, images, sound, graphics and other information; computerized message and image transmission; services in the field of electronic mail; digital and satellite transmission; information services in connection with telecommunications and satellite communications; on-board wireless and satellite data networks, namely, transmission of data between linked computer systems; communications by computer networks; information in connection with the providing of access to electronic messaging systems; providing of access and leasing of access time to computers

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Design and development of computer hardware and software; technical consultancy in the field of electro-optical apparatus; technical design of electro-optical apparatus; technical design of electro-optical range-finders; technical design of electro-optical sights for guns and firearms; technical design of electro-optical sights for artillery weapons; technical design of electro-optical viewing devices in the nature observation cameras for use on aircraft, helicopters, unmanned aerial vehicles and satellites; technical design of electro-optical periscopes for aircraft, land vehicles, tanks, personnel carriers, marine vessels and submarines; technical design of electro-optical viewing devices in the nature of thermal cameras; technical design of electro-optical viewing devices in the nature of infrared and short wave infrared cameras; technical design of electro-optical viewing devices in the nature of night vision cameras; technical design of electro-optical viewing devices in the nature ultraviolet cameras; technical design of electro-optical viewing devices in the nature of thermal cameras; technical design of electro-

optical weapon sights in the nature of night vision sights for guns and firearms; technical design of inertial stabilizers for electro-optical viewing devices; technical design of gyroscopic stabilizers for electro-optical viewing devices; technical design of image stabilizers for electro-optical viewing devices; technical design of helmet mounted electro-optical viewing devices for use by military and law enforcement personnel; technical design of electro-optical head-up displays for use by drivers, pilots and crew of aircraft, tanks, personnel carriers, land vehicles and marine vessels; technical design of electro-optical targeting devices for use on vehicles, airborne platforms, land vehicles, tanks, personnel carriers, marine vessels and submarines for detecting and tracking targets; technical design of electro-optical automatic aiming devices for automatically aiming guns, firearms and artillery weapons at targets; technical design of electro-optical viewing devices in the nature of surveillance cameras for use in the field of military and law enforcement situational awareness; technical design of electro-optical surveillance cameras for targeting devices for detecting and tracking targets; technical design of electro-optical fire controllers for automatically controlling firing of weapons based on information from an electro-optical camera; technical design of mounts and supports for electro-optical viewing cameras; technical design of articulating mounts for supporting electro-optical viewing nature of cameras; technical design of ballistic information systems; technical consultancy in the field of optical instruments; technical consultancy in the field of optical image enhancers; technical consultancy in the field of microscopes; technical consultancy in the field of magnifying glasses; technical consultancy in the field of reading glasses; technical consultancy in the field of telescopes; technical consultancy in the field of optical and electro-optical spotting scopes; technical consultancy in the field of optical and electro-optical binoculars and spyglasses; technical consultancy in the field of spectacles and loupes; technical consultancy in the field of safety eyewear; technical consultancy in the field of spectacle lenses; technical consultancy in the field of thermal imaging apparatus; technical consultancy in the field of night-vision apparatus; technical consultancy in the field of thermal image recorders for night-vision purposes; technical consultancy in the field of night-vision goggles; technical consultancy in the field of telescopes; technical consultancy in the field of optical and electro-optical sighting telescopes; technical consultancy in the field of optical interference and polarization filters; technical consultancy in the field of optical projecting lenses; technical consultancy in the field of optical magnifying lenses; technical consultancy in the field of image intensifiers; technical consultancy in the field of image intensifier tubes; technical consultancy in the field of hoods for optical lenses; technical consultancy in the field of optical condensers; technical consultancy in the field of optical mirrors of the type used in scientific and technical apparatus; technical consultancy in the field of optical prisms; technical consultancy in the field of optical objective lenses; technical consultancy in the field of ocular lenses; technical consultancy in the field of optical observation eyepieces; technical consultancy in the field of photogrammetric cameras; technical consultancy in the field of digital cameras; technical consultancy in the field of digital cameras of the type having an integrated laser rangefinder and ballistics information system; technical consultancy in the field of optical and electro-optical measuring instruments, namely, rangefinders and laser rangefinders; technical consultancy in the field of optical sights for firearms; technical consultancy in the field of astronomical telescopes; technical consultancy in the field of reflex sights for firearms; technical consultancy in the field of daytime and night-time sights for firearms; technical consultancy in the field of precision optical gauges; technical consultancy in the field of optical parts for headlights; testing, checking, analysis and monitoring of signals in connection with vehicles, apparatus for locomotion by land, air or water, in particular helicopters, rotorcraft and drones; development, optimization, checking and trialing of the performance capability of methods, algorithms, processing and software modules for the computerized processing of signals in connection with vehicles, apparatus for locomotion by land, air or water, in particular helicopters, rotorcraft and drones; testing, trialing, analysis and monitoring of algorithms for data generation systems; engineering in the field of monitoring and checking performance parameters in connection with vehicles,

apparatus for locomotion by land, air or water, in particular helicopters, rotorcraft and drones; engineering in the field of signal testing; engineering in the field of developing algorithms and methods for the computerized processing of signals; scientific appraisal and assessment services, namely scientific research, analysis and testing in the field of engineering and product development presented on the form of research reports, graphs, tables and charts; scientific and technological services and research and design relating thereto provided by engineers in the fields of data processing, data analysis and data conversion; development, design and updating of computer programs for computer bases; research and development and adaptation of telecommunications networks and radio communications networks in connection with vehicles, apparatus for locomotion by land, air or water, in particular helicopters, rotorcraft and drones; design, development and updating for others of software for managing, administering, designing, configuring and securing local or remote communications networks for the transmission of speech, images, data or multimedia data in connection with vehicles, apparatus for locomotion by land, air or water, in particular helicopters, rotorcraft and drones; design, development and updating for others of software for designing, preparing, managing and securing access to computer networks and internet protocol networks; design and development of control stations, comprising application-specific computer software, computer hardware and communications apparatus for mission preparation, mission execution and mission follow-up for manned and unmanned air vehicles; design and development of application-specific computer software and computer hardware for use in control stations for mission preparation, mission execution and mission follow-up for manned and unmanned air vehicles; design and development of computer hardware and software for radar apparatus; computerized services regarding the evaluation of monochromatic and multispectral aerial or satellite images; physics research; engineering in connection with computerized services regarding the processing of monochromatic and multispectral aerial or satellite images; development of databases of global digital topographical models; scientific and technological services, namely, providing of terrestrial observation data generated with the aid of satellites, precise relief measurement, precise weather measurements, measurement physics in the nature of characterization of objects observed on the ground as a function of their spectral signatures, atmospheric influence, geometric and radiometric model depictions using on-board cameras; scientific and technological services, namely, development of digital topographical models and validation of geodata used for digital topographical models; research and design in the field of satellite images, and exploitation of corresponding data, namely, development of methods for processing corresponding data, namely, development of methods for processing data from observation satellites, preparation of processing protocols for using satellite data to generate geographical information, and engineering in the field of programming aerial images from a network of observation satellites; industrial analysis and research services in the fields of displaying images through satellite and using the data in connection therewith; industrial analysis and research services based on digital topographical models for applications in the field of processing and orthorectification of other geodata; industrial analysis and research services in the field of mapping; industrial analysis and research services in the field of creation of models of geophysical processes on earth; industrial analysis and research services in the field of telecommunications, namely, calculation of the electromagnetic wave propagation of wireless telecommunication signals; industrial analysis and research services in the field of logistics and safety of aerospace transport vehicles and vehicles for transport by land, air or water; design and development of computers and software; recovery of computer databases; environmental protection consultancy; technical consultancy regarding the planning of crisis interventions in the field of electronic data processing; technical consultancy regarding defense and security policy operations in the field of electronic data processing; conversion, other than physical conversion, of data; conversion, other than physical conversion, of computer programs; design of computer software; technical project studies, namely, conducting scientific

feasibility studies in the field of locating and extracting oil and natural gas resources; field measurement of oil well and gas wells, namely, well logging; surveying of oil fields; geological surveys; geological research; analysis for crude oil and natural gas production; land surveying; conducting of exploratory drilling for crude oil; urban planning; computer programming; creation and maintenance of websites for others; geological prospecting; research services in the field of cartographic products, land coverage maps and land registries; engineering and technical research services in the field of generating and presenting images generated with the aid of satellites, in particular images in the nature of geographical images, geographical maps and topographical base maps; engineering design and development of computer software in the field of cartography; technical consultancy in the field of cartography; scientific and technological services, namely, processing and monochromatic and multispectral evaluation of aerial images and satellite images for others; creation of maps and terrain sections, propagation localization of electromagnetic waves, in digital form; processing and analysis in connection with stereoscopic images; computer programming for industrial purposes, namely, for the fire service, the police and the government, in connection with operational systems, client management, installation management systems, geographical information systems, computer-aided design systems, real-time display systems and mobile systems, and the configuration thereof, for use with suitable computer hardware; design and development of systems, apparatus and instruments for providing satellite communications and telecommunications; design and development of computer software and systems, computer infrastructures for operating satellite communications and telecommunications equipment, and for managing satellite communications and telecommunications; design and development of computer software, computer systems, computer infrastructures, communications and transmission apparatus, instruments, systems and infrastructures, all for use in connection with news, information about weather, sporting events, business services and other information applications and internet applications; design and development of databases and user interfaces for managing interactive content; technical project management for information and internet applications; technical support, namely, consultancy in connection with the operation and management of satellite communications apparatus and systems and telecommunications apparatus and systems; technical support, namely, consultancy in connection with the maintenance of computer software used in satellite communications apparatus and systems and telecommunications apparatus and systems; technical support, namely, consultancy in connection with the operation and management of information and internet application systems; technical support, namely, consultancy in connection with the maintenance of computer software used in information and internet application systems; technical support in connection with computer software for information and internet applications; computer software programming; rental of computer hardware, computer software and computer peripheral devices; maintenance and updating of computer software; creation and maintenance of websites; weather information services; encryption, decryption and authentication of information, messages and data; computer programming; updating and maintenance of computer software, namely, computerized database software; hosting of databases for others; rental of access time to and operation of databases, and compilation and delivery of data, messages and information; rental of data processing equipment and computers; technical design and technical planning of telecommunications equipment, information technology services for apparatus for electronic warfare and for radar systems; rental of measuring apparatus for testing the environment; rental of apparatus for making measuring electromagnetic compatibility measurements; digital imaging information technology services, namely, enhancement of digital images, correction of digital images, orthorectification of digital images, filtering of digital images, unification of multiple digital images into unified digital images, georectification of digital images, extraction of topographical data from digital images, extraction of map data from digital images, conversion of digital images into maps, conversion of digital images into geo-models, conversion of digital images into digital elevation models, conversion of digital images into digital terrain models,

conversion of digital images into digital surface models
