

*Are You a K-12 Student with a Great Idea for an App?*

**Join Us @ Silicon Valley**  
**U.S. Patent and Trademark Office (USPTO)**  
For a Resource Program on  
**IP and App Development**  
in Support of the  
**2017 Congressional App Challenge (CAC)**

**Wednesday, September 27, 2017**

**6 PM – 7:30 PM**  
**Silicon Valley USPTO**  
**26 South Fourth Street**  
**San Jose, CA 95113**

**What is IP?** Intellectual Property is an invention or creative work that can be protected through patents, trademarks, copyright, or trade secrets.

**What is the CAC?** The 4th annual **Congressional App Challenge** runs through November 1, 2017 and encourages K-12 students to create their own apps. The competition is sponsored by the Internet Education Foundation, executing the Challenge on behalf of the U.S. House of Representatives.
