Response to Office Action for Post-Registration Matters

TEAS - Version 7.6

GENERAL FORM INFORMATION:

- **TIMEOUT WARNING:** You're required to log back in after 30 minutes of [inactivity](#). This ensures the USPTO complies with [mandatory federal information security standards](#) and protects user information. After 25 minutes of inactivity, you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all of your information ready before you start.
- **DO NOT USE YOUR BROWSER BACK/FORWARD BUTTONS:** Use only the navigation buttons at the bottom of each page.
- **REQUIRED FIELDS:** All have an **ASTERISK (*)**, and the form will not validate if these fields are not filled-out.
- **SUPPORTED BROWSERS:** Internet Explorer and Edge are not supported browsers for use with this form. Customers must use an alternative browser such as Google Chrome, Firefox or Safari when accessing the Response to Office Action for Post-Registration Matters form.

FOLLOW THE STEPS TO ACCESS THE RESPONSE FORM:

STEP 1: CONFIRM STATUS. To use this form, the "Current Status" of your registration must be "A Post Registration Action has been mailed." Confirm the "Status" on the STATUS tab of the [Trademark Status & Document Retrieval \(TSDR\) system](#) before proceeding. If the registration is not in the correct status, you must wait until the status is updated (usually 48-72 hours after receiving an email notice that a Post Registration Office action has issued).

STEP 2: ENTER REGISTRATION NUMBER BELOW OR ACCESS PREVIOUSLY FILLED-OUT/SAVED FORM.

* [Registration Number:](#)

(Do not enter registration number if you are accessing your saved form.)

OR

To upload a previously saved form file, first review the [TEAS Help instructions for accessing previously saved data](#) and then use the "Browse/Choose File..." button below to access the form file saved on your computer. **WARNING:** Failure to follow the TEAS Help instructions will result in the inability to edit your data.

Do **NOT** upload or attach any other file(s) (for example, a specimen) using the button below. You must upload other attachments within the proper section of the actual form, after answering "Yes" to the appropriate wizard question(s) on the next page.

IMPORTANT: After this response is submitted, the USPTO will send a filing receipt to the email address of either (A) the appointed attorney, if any, otherwise (B) the trademark owner/holder.

CONTACT:

For **general trademark information or help navigating the forms**, email TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199 (press 1).

If you need help resolving **technical glitches**, email TEAS@uspto.gov. Please include in your email your phone number, serial or registration number, and a screenshot of any error message you may have received.

STATUS CHECKS: The status of the filing is available in the [Trademark Status & Document Retrieval System \(TSDR\)](#) 72 hours after filing.

Instructions

To file the response form, please complete the following steps:

1. Fill out all fields for which information is known. Fields with a * symbol are mandatory for filing purposes and must be completed.
2. Sign the response form on the Signature Page. If the desired signatory is not available to sign the response, there are three options available:
 - o To electronically forward the Signature Page to the signatory, use the Text Form option on the Signature Page for an electronic signature.
 - o To mail or fax to the signatory, use the Handwritten pen-and-ink signature option on the Signature Page for the traditional "pen-and-ink" signature.
 - o To electronically save the form, use the Save Form option on the Validation Page.
3. Validate the form by selecting the "Continue" button on the Signature Page.
4. On the Validation Page, it is critical to confirm that all information is displayed properly immediately before filing, regardless of the appearance of the data at any point earlier in the process. If any previously-entered argument text or image files (e.g., evidence) are now missing, you must re-enter or re-attach before final submission. Otherwise, the USPTO will not receive a complete response. For example, if you initially pasted text into the argument field, but the argument section is now blank, you must paste it in again after final validation but before actual submission of the response, or the USPTO will not receive that text at all.
5. Click on the Pay/Submit button at the bottom of the Validation Page. If a fee payment is required, this will allow you to choose from 3 different [payment methods](#): credit card, automated deposit account, or electronic funds transfer. Access the proper screen for payment, and make the appropriate entries. If your transmission is successful, you will see SUCCESS! on the screen that follows.
6. An email acknowledging receipt of the submission (a filing receipt) will be sent to the Primary Email Address for Correspondence.

***STEP 3: SELECT A RADIO BUTTON. What form did you file that resulted in the Office action you are now responding to?**

- Combined Declaration of Use and Incontestability under Sections 8 & 15
- Declaration of Use and/or Excusable Nonuse under Section 8
- Combined Declaration of Use and/or Excusable Nonuse/Application for Renewal under Sections 8 & 9
- Declaration of Incontestability under Section 15
- Section 7 Request for Amendment or Correction of Registration Certificate
- Surrender of Registration for Cancellation
- Request to Divide Registration

STEP 4: ANSWER ALL WIZARD QUESTIONS.

Review the Office action and then answer "Yes" to any question that directly relates to a requirement and/or refusal raised in the Office action. You must respond explicitly to each refusal and/or requirement and enter the responses in the proper place in the form. At least one answer to the questions below must be "Yes."

A RESPONSE WITH ONLY YOUR SIGNATURE IS NOT ACCEPTABLE. Merely providing a response with a signature and no other information, or authorizing the post registration examiner to make any necessary changes to the filing/record *without specifying the exact changes*, is not a proper response to the post registration action (except if the only issue raised was that the original filing was unsigned, improperly signed, or lacked the required declaration language).

1. Do you need to respond to a refusal to accept/acknowledge/grant your post-registration filing for any of the following reasons (but not limited to):

- **Ownership of the registration/chain of title**
- **Submitting arguments in support of accepting specimen(s) already of record***
- **Use of the mark**
- **Listing of goods/services**
- **Submitting arguments in support of accepting proof of use already of record****
- **The goods/services/the nature of the collective membership organization covered by your Section 15 declaration**
- **Decision or proceeding involving rights in the mark**
- **Declaration and signature (filing unsigned, date of execution omitted, date of execution early/late)**
- **Additional fees**

NOTES:

- (1) If ownership has changed and you would like Office records updated to reflect the change in ownership, you must record appropriate documents with the Assignment Recordation Branch. Otherwise, you may provide a detailed explanation of the change and supporting documents with your response.
- (2) To correct a mistake in the maintenance filing, you must explain the nature of the mistake. A post registration examiner will review your response to determine if the mistake can be corrected.
- (3) To correct a mistake in the current owner's information, you must file a Section 7 request.

*NOTE: To submit a "substitute specimen" to overcome a refusal, also answer "Yes" to #2.
**NOTE: To submit "proof of use" in response to a Proof of Use Audit, also answer "Yes" to #3.

Yes No

2. Do you need to do any of the following:

- [Delete goods, services, or an existing class](#)*
- [Modify the identification of goods/services/the nature of the collective membership organization](#) **
- [Submit new or substitute specimen or verify a previously submitted specimen](#)***

*NOTE: To change an existing class number, you must file a [Section 7 Request](#).

NOTE: Only modifications to correct obvious typographical errors or to delete goods/services/classes in the identification of goods/services/the nature of the collective membership organization are permitted without a Section 7 Request. Other changes, including to clarify or limit the goods/services/the nature of the collective membership organization, require a [Section 7 Request](#). Adding to or broadening the scope of the goods/services/nature of the collective membership organization is **not permitted.

***NOTE: This is for the submission of substitute specimens. You should not select this if you are responding to a Proof of Use Audit unless you also need to submit a new or substitute specimen. If you are responding to a Proof of Use Audit, answer "Yes" to #3.

Yes No

3. Do you need to respond to a [Proof of Use Audit](#)?

Yes No

4. Do you need to submit an additional statement(s)?

- **Additional statements for Certification, Collective, and Collective Membership Marks (if applicable)***
- **Miscellaneous statement****

*NOTE: You may only access the Certification, Collective, and Collective Membership mark statements if your registration is for one of those mark types.

NOTE: The miscellaneous statement field includes the ability to attach a file. Do **not use this section for attachments where a specific different section for the purpose already exists, for example, submission of a substitute specimen in #2, above.

Yes No

5. Do you need to update the owner's/holder's mailing address, email address, phone or fax number(s)?

NOTE: The email address of the trademark owner/holder is the **Primary Email Address for Correspondence** if an attorney is NOT appointed. **Secondary Email Address(es)** for courtesy copies can be provided.

NOTE: The **mailing address** is presumed to be the owner's/holder's **domicile address**. To provide a domicile address that is NOT the same as the mailing address, use the [Change Address or Representation form](#).

Yes No

6. Is a [newly appearing U.S.-licensed attorney](#) filing this form or do you need to update the bar information, email address, street address, phone or fax number for an already appointed attorney?

NOTE: The USPTO considers powers of attorney to end upon: (1) the date of registration; or (2) the final acceptance or denial of a post-registration maintenance filing. Therefore, if you answer YES to this question and file this form, the USPTO will presume that you are the owner's/holder's attorney. This filing will automatically update the "Attorney of Record" and the "Correspondence Address" data fields in the USPTO's [Trademark Status & Document Retrieval \(TSDR\)](#) system. After submission of this form, it is not necessary to file a separate [Change Address or Representation \(CAR\)](#) form if the owner/holder was previously unrepresented. Once the USPTO recognizes an attorney with respect to the submission of a post-registration maintenance filing, such as an affidavit/declaration under Section 8, an application for renewal under Section 9, etc., the USPTO will recognize only that attorney for [all submissions related to that filing](#), such as responses to Office actions, petitions, etc., unless and until the owner/holder revokes and appoints a new power of attorney or the filing is completely resolved (e.g., by acceptance, renewal, or abandonment).

[Foreign-domiciled owners/holders](#) must have a U.S.-licensed attorney represent them before the USPTO in any application or registration-related filing. [Information about hiring a U.S.-licensed attorney](#) can be found on the USPTO website.

Yes No

7. Do you need to submit a fee for: (1) an existing class of goods/services/a collective membership organization; (2) a deficient declaration; (3) a grace period surcharge; and/or (4) processing a payment that has been [refused or charged back](#)?

Yes No

STEP 5: ACCESS ACTUAL RESPONSE FORM.

Click on the "Continue" button below to access the response form for entering your information.

ARGUMENT(S)

Should you wish to present your argument as a PDF attachment rather than as direct text entry, you may do so within the "Evidence Section," *below*.

Enter argument as direct text entry here:

Response to Office Action for Post-Registration Matters

Entering your argument(s)

1. In the free-text area below, enter your argument(s). You may either type directly into the box, or cut-and-paste from another document into this box.
2. If your browser version supports the enhanced functionality of this section, you can format your entry, using the various editing keys displayed above the text entry area (for font, size, color, bold, italics, etc.). Do NOT include any html or other programming code or language that may create links within the argument section.
3. If no editing keys are displayed above the text entry box, then your current browser version does not support the enhanced text-editing functionality. You may wish to upgrade to a higher browser level. You may still use the box for entry of your argument(s), but no formatting beyond conventional spacing will be possible. Again, do NOT include any html or other programming code or language that may create links within the argument section.
4. When you have completed entry of your entire argument(s), click on the "Save and Return to Form" button, above the text entry box. Do not use the "X" button within the browser to close the window, as this may delete all entered information. The form will retain any formatting you have used, viewable through the icons on the Validation page upon completion and validation of this form.
5. At the point of final validation, it is critical to confirm that all information is displayed properly immediately before filing, *regardless* of the appearance of the data at any point earlier in the process. If any previously-entered argument text or files (e.g., evidence) are now missing, you must re-enter or re-attach before final submission. Otherwise, the USPTO will not receive a complete response, e.g., if you initially pasted text into the argument field, but the argument section is now blank, you must paste it in again after final validation but before actual submission of the response, or the USPTO will not receive that text at all.

When you have completed entry of your entire argument(s) below, click on this button. Do not use the "X" button within the browser to close the window, as this may delete all entered information.

EVIDENCE

Click on the 'Click here to Attach Evidence' button below to select the file from your computer. Visit the USPTO's website for [information on acceptable file sizes and formats](#).

Instructions: Attach **ONLY** supporting evidence or argument(s) here, **not specimens, proof of use, or the entire response to Office action**. Each portion of this form services a specific purpose for data processing reasons. Failure to follow this instruction will cause significant delays in process and review of your filing.

CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

Use this form to: (1) delete goods and services; (2) delete an entire class; or (3) correct obvious typographical errors; but never to add to or broaden the goods/services/nature of the collective membership organization.

Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. Lack of use on **all** goods/services for which use is claimed in a post-registration filing with the USPTO could jeopardize the validity of the registration and result in its cancellation.

CURRENT IDENTIFICATION:

The **current identification** of goods/services/nature of the collective membership organization is displayed below. If modifying the identification to delete goods or services or to correct obvious typographical errors, edit the identification in the "MODIFY IDENTIFICATION" section of this page.

Key to Symbols Appearing in the Identification:

- Brackets [..] indicate previously deleted goods/services;
- Double parenthesis ((..)) identify any goods/services previously not claimed in Section 15 affidavit of incontestability; and
- Asterisks *.* identify previously added wording in the goods/services.

MODIFY IDENTIFICATION:

Any item deleted from the listing of goods/services/nature of the collective membership organization will be **PERMANENTLY DELETED** from the registration and may NOT be reinserted. **Do NOT add or broaden** goods or services or otherwise amend the goods/services/nature of the collective membership organization beyond the scope of the current identification.

A specimen is required **ONLY** if the mark is also being amended **and** a specimen has not been provided previously to support the added class(es).

Changes to the classification of goods/services/collective membership organizations must be consistent with how the USPTO currently classifies those goods/services/collective membership organizations pursuant to the latest version of the Nice Agreement.

See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration.

Internal Address

* Mailing Address
(Entered address is publicly viewable in the USPTO's [TSDR](#) database. This address must be capable of receiving mail and may be your street address, a P.O. box, or a "care of" address.)

NOTE: You must limit your entry here, and for all remaining fields within this overall section, to no more than 40 characters (the storage limit for the USPTO database). You may need to abbreviate some words, e.g., St. instead of Street. Failure to do so may result in an undeliverable address, due to truncation at the 40 character limit.

* City

NOTE: You must limit your entry here to no more than 22 characters.

* State
(Required for U.S. addresses only)

Select State

NOTE: You must include as part of the "City" entry any information related to geographical regions (e.g., provinces) not found in the dropdown lists for "States" or "Countries." Enter the city and then the geographical region, separated by a comma (e.g., Toronto, Ontario). In most cases, a P.O. box, "care of" address, or similar variation is not acceptable as a domicile address.)

Indicate place you reside and intend to be your principal home (for individual) or your principal place of business (for entity).

Confirm that the email address is correct before continuing. The owner email address is not publicly viewable in the USPTO's [TSDR](#) database.

The owner/holder is required to provide an email address and keep that address current with the USPTO. If the owner/holder is represented by a U.S.-licensed attorney, only the attorney's email address will be used for correspondence by the USPTO.

NOTE: The owner/holder or the owner's/holder's attorney acknowledges that he or she is solely responsible for receiving USPTO emails. Additionally, the owner/holder or the owner's/holder's attorney is responsible for periodically checking the status of the application/registration using the [Trademark Status & Document Retrieval \(TSDR\)](#) system. USPTO notices and office actions issued in this application/registration can be viewed online using [TSDR](#). The USPTO is not responsible for any failure to receive a USPTO-issued email due to the receiver's security or anti-spam software, or any problems with the receiver's email system.
