Education and Outreach Updates

Cara Duckworth

Acting Chief Communications Officer

March 10, 2022

Patent Public Advisory Committee public meeting

UNITED STATES
PATENT AND TRADEMARK OFFICE

OCCO updates

- National partnerships
 - Renewed joint project agreement (JPA) with National Inventors Hall of Fame. Camp Invention numbers growing for both traditional school program and in-home kits.
 - New JPA with National Academy of Inventors now in place. New agreement with Smithsonian in the works.

Updates

- Education

- Scaling through contracting when appropriate.
- New online portal coming in April to deliver lessons teachers and parents can use with young people.
- Virtual National Summer Teacher Institute (NSTI) July 26-29, 2022. Applications now open.

Updates

- Innovation outreach
 - Women's Entrepreneurship Symposium under way.
 - Black Innovation and Entrepreneurship Program - more than 600 participants.
 - Invention-Con independent inventor conference coming in August. Plans to take on the road in 2023 for the first time in five years.

Thank you!
