

## A61P

### SPECIFIC THERAPEUTIC ACTIVITY OF CHEMICAL COMPOUNDS OR MEDICINAL PREPARATIONS

#### Definition statement

*This place covers:*

Therapeutic activity of chemical compounds or medicinal preparations.

#### Relationships with other classification places

For medicinal, dental or cosmetic preparations to be appropriate for this subclass, it must also be appropriate for one of the following: subclasses [A61K](#) or [C12N](#), or classes [C01](#), [C07](#), and [C08](#).

[A61Q](#) covers the specific use of cosmetic or similar toilet preparations that are already classified as such in main group [A61K 8/00](#).

There is no classification in [C01](#), [C07](#), [C08](#), and [C12N](#) as additional information in CPC if the chemical structure, compound, mixture or composition or any individual ingredient of a mixture or composition is known and classification is made in both subclass [A61K](#) and subclass [A61P](#) as invention information.

#### References

##### Informative references

*Attention is drawn to the following places, which may be of interest for search:*

Preparations brought into direct contact with the skin for affording protection against external influences, e.g. sunlight, X-rays or other harmful rays, corrosive materials, bacteria or insect stings	<a href="#">A61Q 17/00</a>
--	----------------------------

#### Special rules of classification

In this subclass, all of the different therapeutic activities stated in the claims and also significantly disclosed as examples in the disclosure are classified in all appropriate places.

The classification symbols of this subclass are not listed first when assigned to patent documents.

#### Glossary of terms

*In this place, the following terms or expressions are used with the meaning indicated:*

Drug(s)	Includes chemical compounds or compositions with therapeutic activity, i.e. having the ability to cause a physiological, pharmacological or biological effect.

## A61P 1/00

### Drugs for disorders of the alimentary tract or the digestive system

#### Definition statement

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat disorders of the alimentary tract or the digestive system.

## **A61P 3/00**

### **Drugs for disorders of the metabolism (of the blood or the extracellular fluid [A61P 7/00](#))**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat metabolic disorders.

## **A61P 5/00**

### **Drugs for disorders of the endocrine system**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat disorders of the endocrine system.

## **A61P 7/00**

### **Drugs for disorders of the blood or the extracellular fluid**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat disorders of the blood or the extracellular fluid.

## **A61P 9/00**

### **Drugs for disorders of the cardiovascular system**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat disorders of the cardiovascular system.

## **A61P 11/00**

### **Drugs for disorders of the respiratory system**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat disorders of the respiratory system.

## **A61P 13/00**

### **Drugs for disorders of the urinary system**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat disorders of the urinary system.

## **A61P 15/00**

### **Drugs for genital or sexual disorders (for disorders of sex hormones [A61P 5/24](#)); Contraceptives**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat genital or sexual disorders. This group also covers contraceptives.

## **A61P 17/00**

### **Drugs for dermatological disorders**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat dermatological disorders.

## **A61P 19/00**

### **Drugs for skeletal disorders**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat skeletal disorders.

## **A61P 21/00**

### **Drugs for disorders of the muscular or neuromuscular system**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat disorders of the muscular or neuromuscular system.

## **A61P 23/00**

### **Anaesthetics**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having anaesthetic activity.

## **A61P 25/00**

### **Drugs for disorders of the nervous system**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat disorders of the nervous system.

## **A61P 27/00**

### **Drugs for disorders of the senses**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat disorders of the senses.

## **A61P 29/00**

### **Non-central analgesic, antipyretic or antiinflammatory agents, e.g. antirheumatic agents; Non-steroidal antiinflammatory drugs [NSAID]**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having non-central analgesic, antipyretic, anti-inflammatory, or antirheumatic activity. This group also includes non-steroidal anti-inflammatory drugs (NSAIDS)

## **A61P 31/00**

### **Antiinfectives, i.e. antibiotics, antiseptics, chemotherapeutics**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is anti-infective, antibiotic, or antiseptic. This group also covers chemotherapeutics.

## **A61P 33/00**

### **Antiparasitic agents**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having antiparasitic activity.

## **A61P 35/00**

### **Antineoplastic agents**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having antineoplastic activity.

## **A61P 37/00**

### **Drugs for immunological or allergic disorders**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used to treat immunological or allergic disorders.

## **A61P 39/00**

### **General protective or antinoxious agents**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having general protective or antinoxious activity.

## **A61P 41/00**

### **Drugs used in surgical methods, e.g. surgery adjuvants for preventing adhesion or for vitreum substitution**

#### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity wherein such activity is used in surgical processes.

## **A61P 43/00**

**Drugs for specific purposes, not provided for in groups [A61P 1/00](#)-[A61P 41/00](#)**

### **Definition statement**

*This place covers:*

Drugs, including chemical compounds, compositions, or medicinal preparations having therapeutic activity or purpose not provided for in groups [A61P 1/00](#) - [A61P 41/00](#).
