

C10F

DRYING OR WORKING-UP OF PEAT

Definition statement

This place covers:

Drying, dewatering or working up of peat, including drying using presses, band-presses, rolls, centrifuges etc., including drying or dewatering in the field.

Drying or dewatering of peat combined with a carbonisation step for producing turfcoal.

Working-up of peat concerns peat processing processes and apparatus therefor, e.g. involving disintegration, moulding, briquetting, solubilizing and oxidising peat, etc.
