FIRST USE 10-10-2019; IN COMMERCE 10-10-2019

The mark consists of a symmetrical design featuring a vertical rod with a rounded top. Two small circles are attached near the top of the rod, one on each side of the rod. Below those two circles are two slightly larger circles, one attached to each side of the rod. Below the second set of circles is a design similar to an open pair of scissors with circular finger holes, split in half by the vertical rod. Below the open set of scissors is a shaded diamond split in half by the vertical rod. The bottom of the vertical rod comes to a point. Reaching upward from the bottom point of the vertical rod are two diagonal lines with circles at the ends, one on each side of the vertical rod. These bottommost diagonal lines overlap the bottom half of the scissors and form a diamond outline around the shaded diamond on the vertical rod.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO.
