Trademark/Service Mark Allegation of Use

(Statement of Use/Amendment to Allegation of Use)

(15 U.S.C. §1051(c) or (d))

TEAS - Version 5.3: 01/17/2015

You may file an Allegation of Use ONLY before the application to register the mark has been approved for publication OR after a Notice of Allowance for the application has been issued.

NOTE: To delete a Section 1(b) filing basis entirely from an application, or as a basis for an entire class, you must use the specific Request To Delete Section 1(B) Basis, Intent To Use form.

WARNING: Unlike with an Amendment to Allegation of Use filed before an application has been approved for publication, the applicant may not withdraw a Statement of Use (SOU) filed after a Notice of Allowance has been issued if the SOU fails to meet the statutory requirements. 37 C.F.R. §2.88(g), TMEP §1108.17. However, the applicant may file one “insurance” extension request with the SOU, or afterwards, in the limited situation where there remains in the existing six-month period in which the SOU was filed. This would provide additional time to comply with the statutory requirements for filing the SOU. 37 C.F.R. §2.89(l). See TMEP §1108.03 and 1109.16(c).

NOTE: You must complete any field preceded by the symbol **.

WARNING: This form has a session time limit of 60 minutes. Your “session” began as soon as you accessed this initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, extend the time limit. You should always try to have all information required to complete the form prior to starting any session.

(required only if completing the Trademark/Service Mark Allegation of Use form; otherwise, access saved form, below)

OR

Access previously saved data using the “Browse/Choose File” button below to access the file from your local drive. NOTE: For specific instructions, please click here. FAILURE TO FOLLOW THESE INSTRUCTIONS WILL RESULT IN THE DISPLAY OF YOUR DATA IN AN XML FORMAT THAT CANNOT BE EDITED. NOTE: Do NOT attempt to use the button below to upload an image file (for example, a specimen). You must use the button that will be presented for that purpose within the proper section of the actual form.

Owner Information
☐ Check this box to modify the owner name that appears below if the name does not identify the current owner of the application.  
Note: If this change relates to a change in the correspondence address or e-mail, please use the Change of Correspondence Address Form.

WARNING: if the name appearing immediately above is not the name of the current owner of the application, you must change the owner information prior to transmission of this form. Please explain any change you make in the "Miscellaneous Statement" field to avoid the possibility of an Office action being issued. 1. Transfer of Mark
If there has been a transfer of ownership after filing the application, you should record this transfer with the Assignment Services Branch. This can be filed through the USPTO website at http://teas.uspto.gov. In the alternative, you may submit evidence of the change in ownership without recording it, by either submitting a copy of the document transferring ownership, or an explanation of the transfer, supported by an affidavit or declaration under 37 C.F.R. §2.20. However, the USPTO records will not be updated and the registration will not issue in the correct owner name unless you record the transfer with the Assignment Branch.

2. Mistake in owner name
If there is a minor clerical error in the owners name or a non-existent legal entity was improperly identified as the owner, this mistake may be corrected on the form with an explanation. NOTE: You may not add a different owner or designate another legal entity as the applicant. For examples of other correctable errors, see TMEP 1201.02(c).

To enter the change in the owner name:
(1) check the box above (box) that appears to the left of the words "Check here to modify the owner name;",
(2) delete the name that appears immediately above,
(3) type in the name of the current owner of the application, and
(4) explain why you are changing the owner in the "Miscellaneous Statement" field.

The lack of a bona fide intention to use the mark with all goods and/or services included in an application, or the lack of use on all goods and/or services for which you claim use, could jeopardize the validity of the registration and result in its cancellation.
