ORDER REMANDING TO EXAMINER

---

Before STONER, Chief Administrative Patent Judge; HARKCOM, Vice Chief Administrative Patent Judge; and WILLIAM F. SMITH, Administrative Patent Judge.

PER CURIAM

The Office of the Deputy Commissioner for Patent Examination Policy has requested that this application be remanded to the jurisdiction of the patent examiner so that

Appeal No. 2002-0884  
Application 08/852,507

issues raised in this appeal can be reconsidered. Accordingly, we remand.

A. Findings of Fact:

On April 8, 1999, appellants filed a Notice of Appeal (Paper No. 9) and on June 7, 1999, filed an Appeal Brief (Paper No. 8). On August 2, 1999, the examiner mailed an Examiner's Answer (Paper No. 10). Appellants filed a Reply Brief on September 28, 1999 (Paper No. 11). On November 22, 1999, the examiner mailed an Office communication (Paper No. 12) which included a rebuttal of the position set forth in the Reply Brief.

On December 1, 1997, the rule pertaining to the Examiner's Answer and Reply Brief, 37 CFR § 1.193, was amended to read as follows:

§ 1.193 Examiner's answer and reply brief.

. . .

(b) (1) Appellant may file a reply brief to an examiner's answer within two months from the date of such examiner's answer. . . . The primary examiner must either acknowledge receipt and entry of the reply brief or withdraw the final rejection and reopen prosecution to respond to the reply brief.

Appeal No. 2002-0884  
Application 08/852,507

A supplemental examiner's answer is not permitted, unless the application has been remanded by the Board of Patent Appeals and Interferences for such purpose.

(2) Where prosecution is reopened by the primary examiner after an appeal or reply brief has been filed, appellant must exercise one of the following two options to avoid abandonment of the application:

(i) File a reply under § 1.111, if the Office action is not final, or a reply under § 1.113, if the Office action is final; or

(ii) Request reinstatement of the appeal. If reinstatement of the appeal is requested, such request must be accompanied by a supplemental appeal brief, but no new amendments, affidavits (§§ 1.130, 1.131 or 1.132) or other evidence are permitted.

B. Conclusion

In view of the changes to 37 CFR § 1.193(b)(1), the entry of the examiner's Office communication mailed November 22, 1999 (Paper No. 12), is inappropriate.

Apprised of these problems, the Office of the Deputy Commissioner for Patent Examination Policy has requested this remand.

Appeal No. 2002-0884  
Application 08/852,507

The Board must be informed promptly of any action affecting the appeal in this case, including reopening of prosecution, allowance and/or abandonment of the application.
