Subject: Comments on E-Reference Feature

Matters could be simplified greatly if copies of all U.S. Patent Documents could simply be downloaded as a single PDF file via the USPTO website, rather than on a page-by-page basis. This would eliminate the need for providing paper copies of U.S. Patent Documents, as well as the need for the E-Patent Reference Feature altogether.

Sincerely,

Scott Rand; Reg. No. 40,359
