

LIST OF DECISIONS

A Law Library is maintained in the Patent Office, containing the leading texts on Patents and Trade Marks. All of the "Commissioner's Decisions" are found there, all of the volumes to date of the Journal of the Patent Office Society and the decisions of the Court of Customs and Patent Appeals. The U. S. Statutes, the U. S. Patents Quarterly, the Federal Reporter and the U. S. Reports are complete and there is the American Digest of all reported court cases.

Typical Listing:

In re Beck, 1946 C.D. 398, 590 O.G. 357; 33 C.C.P.A. 1060;
115 F(2d) 398; 69 U.S.P.Q. 520 10-13-1

The final copy of the Manual will contain an alphabetical list of decisions found in the text. Reversed titles will be given as well. There will also be citations to other reports such as the Fed., Fed (2d) and U.S.P.Q. Since the Manual is not intended as a casebook on substantive law, it is proposed to omit the Typical Index of Cases, and supply instead the list of cases given to Examiners taking the Advanced Lecture Course. These cases have all been approved by the Supervisory Examiners and presented at various Board meetings.
