YAMATO HOLDINGS CO., LTD. (JAPAN limited company (ltd.))
2-16-10 Ginza, Chuo-ku
Tokyo, JAPAN .

CLASS 9: Downloadable computer programs for data processing; data carriers containing recorded computer programs for data processing, managing transportation systems, and word processing; downloadable computer software program, namely, downloadable software for managing transportation systems, and downloadable software for cargo tracking; Downloadable software in the nature of a mobile application for use in database management, for use as a spreadsheet, for word processing; electronic application machine and parts thereof, namely, computer hardware with pre-recorded software applications integrated into the hardware for cargo tracking, sold as a unit; electrical communication machines and instruments, namely, cell phones and fax machines; cell phones; Personal digital assistants; smartphones; Image files that can be received and stored through Internet, namely, downloadable image files containing images of cargo transportation; Recorded CD-ROMs and video tapes, namely, pre-recorded CDs and video tapes featuring videos about cargo transportation; Alarm devices that detect signals from various sensors and automatically notify the supervisor, namely, alarm installations and alarms; Electronic locks; Work recorders, namely, event recorders for tracking work; Electronic publications, namely, downloadable magazines in the field of cargo transportation; downloadable computer graphics; computerized electronic personal organizers; slip recording apparatus, namely, serial line internet protocol cameras; Photocopy machines; scales; reflective articles for wear, for the prevention of accidents; signaling panels being road signs, luminous or mechanical; navigation apparatus for vehicles; cell phone straps; audio- and video-receivers; Camera; Camera cases; speedometers; surveying instruments; apparatus for recording distance; kilometer recorders for vehicles; speed indicators; mathematical instruments, namely, measuring rulers, dividers for measuring, and protractors; simulators for driving or control of vehicles; optical glasses; Electronic chips for the manufacture of integrated circuits; Electrical switches; Temperature sensors; video screens; remote control apparatus and instruments, namely, electronic key fobs; heat

Katherine Kelly Vidal

Director of the United States
Patent and Trademark Office

regulating apparatus being thermostats; lightning arresters; fire extinguishers; protective helmets; asbestos gloves for protection against accidents; alarm installations; Accumulators and batteries; Exposed cinematographic film; ozonisers; egg-candlers; life-saving apparatus and equipment, namely, capsules for natural disasters; Breathing apparatus and machines for divers, namely, buoyancy bladders, compressed air bailout units, rebreathers, soda lime cartridges; downloadable computer programs for video games for work; electronic sports training simulators; physical and Chemical vapor deposition apparatus and machine for use in research; electronic physical and chemical apparatus and machine for use in the treatment of aqueous systems, namely, for analysis of the system conditions for the purpose of applying the appropriate chemical treatment; laboratory apparatus and instruments, namely, pre-packed columns for use in chemical and physical synthesis; electric or magnetic meters and testers for outlets; conductors, electric; electrodes; signaling buoys; satellites for scientific purposes; respirators for filtering air for the prevention of accident or injury; clothing for protection against fire; eyeglasses; Downloadable computer game software for personal computers and home video game consoles; protective helmets for sports; weight belts for scuba diving; weight belts for divers; amplifiers for musical instruments; downloadable photographs; non-metal pressure relief valves for containers; automatic non-metal valves for containers; labels carrying electronically recorded or encoded information; Downloadable printable shipping labels; downloadable cloud-computing software for use in logistics system management

CLASS 16: Paperboard boxes, for industrial packaging; Paper bags; cardboard; cardboard cartons; fiberboard boxes; Cardboard packaging; bags of plastics for packaging, envelopes of plastics for packaging; paper; prints [in the nature of] in the nature of photographs, lithographs; art prints; paper and cardboard; stationery; wrapping paper; pastes and other adhesives for stationery or household purposes; sealing wax; addressing machines; marking templates; Food wrapping plastic film for household use; garbage bags of paper; printed paper patterns for making clothes; paper bunting; Hand towels of paper; Paintings and calligraphic works; printed photographs; photograph stands; Printers' galleys; decorators' paintbrushes; graphic prints; wet erase paper labels; printed shipping labels; paper labels

CLASS 20: Containers for transport, not of metal; transport pallets, not of metal; containers, not of metal for storage; handling pallets, not of metal; transport and handling pallets boxes, not of metal; industrial packaging containers of wood; industrial packaging containers of Bamboo; Ladders, not of metal; letter boxes, not of metal or masonry; non-metallic tool boxes, sold empty; boxes of plastic; packaging containers of plastic; locks, other than electric, not of metal; cushions; furniture; yellow amber, raw or partly worked; beehives; hairdresser's chairs for beauty salons; Non-metal valves for containers, other than parts of machines; Non-metal plastic fasteners, [, namely,], namely, bolts, nails, rivets, screws; embroidery frames; nameplates and blank plastic adhesive labels, not of metal; hand-held flagpoles, not of metal; hand-held flat fans; stakes, not of metal, for plants or trees; hat stands, not of metal; water tanks for household purposes, not of metal or masonry; keyboards for hanging keys; fixed towel dispensers, not of metal; wind chimes; screens; benches; upright signboards of wood or plastics; imitation foods for display made of plastic materials; caskets; pet caskets; pocket mirrors; shoe dowels, not of metal; cradles; mannequins; picture frames; sculptures made of plaster; bamboo pillows; bamboo poles; bamboo furniture; bamboo curtains; works of art of bamboo and straw; straw plaits; straw mattresses; work of art of straw [; coral]

CLASS 35: advertising and publicity services; Promoting the goods and services of others through the administration of sales and promotional incentive schemes involving trading stamps; advice and information concerning commercial business management; analysis of market research; providing information concerning commercial sales; procurement of contracts for the purchase and sale of goods; administration of business affairs of franchises, foreign businesses, payroll of others; business management and operation of the sale of goods through computer communications; business management

and operation of telephone call centers for others; Transportation logistics services, namely, arranging the transportation of goods for others; customer relationship management; product merchandising for others; marketing services; sales promotion for others; goods import-export agencies; negotiation and conclusion of commercial transactions for third parties via telecommunication systems; Conference event management services, namely, transcription of audio communications for conference calls; credit card purchase mediation and conclusion of commercial transactions for others; business invoicing services; providing office functions; management of telephone call centers for others; Organization for a third party of telephone welcoming services and of telephone receptionist services; providing commercial information and advice for consumers in the choice of products and services; providing and rental of advertising space on websites; provision of advertising space by electronic means and global information networks; systematization of data in computer databases; compilation of business data into computer databases; updating and maintenance of data in computer databases; job placement; auctioneering; arranging subscriptions to newspapers; shorthand services; business management services, namely, managing office functions in the nature of copying documents; business operating services relating to computers, typewriters, teletypewriters or other office equipment; rental of typewriters, photocopiers and word processors; provision of employment information in the field of job resources; providing business information of articles from newspapers; rental of vending machines; agencies for accountant's business; wholesale store services featuring clothing, food and beverage, and daily supplies; retail store services featuring clothing, food and beverage, and daily supplies; wholesale store services featuring clothing; retail store services featuring clothing; wholesale store services featuring personal items; retail store services featuring personal items; wholesale store services featuring food and beverage; retail store services featuring food and beverage; wholesale store services featuring vegetables and fruits; retail store services featuring vegetables and fruits; wholesale store services featuring rice grains; retail store services featuring rice grains; wholesale store services featuring processed food; retail store services featuring processed food; wholesale store services featuring cars; retail store services featuring cars; wholesale store services featuring bicycles; retail store services featuring bicycles; wholesale store services featuring furniture; retail store services featuring furniture; wholesale store services featuring funerary tools; retail store services featuring funerary tools; wholesale store services featuring electrical machinery and equipment; retail store services featuring electrical machinery and equipment; wholesale store services featuring kitchen utensils and Cleaning equipment; retail store services featuring kitchen utensils and Cleaning equipment; wholesale store services featuring cosmetics and Toothpaste; retail store services featuring cosmetics and Toothpaste; wholesale store services featuring farming supplies; retail store services featuring farming supplies; wholesale store services featuring fuel; retail store services featuring fuel; wholesale store services featuring paper and stationary; retail store services featuring paper and stationary; wholesale store services featuring toys, dolls and recreational equipment supplies; retail store services featuring toys, dolls and recreational equipment supplies; wholesale store services featuring musical instruments and records; retail store services featuring musical instruments and records; wholesale store services featuring photographic equipment and materials; retail store services featuring photographic equipment and materials; wholesale store services featuring clock and glasses; retail store services featuring clock and glasses; wholesale store services featuring gas lighters; retail store services featuring gas lighters; wholesale store services featuring building materials; retail store services featuring building materials; wholesale store services featuring jewels or its imitation; retail store services featuring jewels or its imitation; wholesale store services featuring supplies for pet animals; retail store services featuring supplies for pet animals

CLASS 36: electronic processing of payments, namely, electronic debit card transaction processing; electronic credit card transaction processing; electronic funds transfer services; electronic funds transfer services for electronic transactions users; business liquidation services of payments on behalf of the product purchasers; business liquidation services of payments on behalf of credit card and debit card and e-money

users and by means of telecommunications and installment sales users; banking services, namely, agencies for depositing electronic money into the card held by the electronic money user; provision of financial information on settlement of payments relating to credit card and debit card and e-money users and by means of telecommunications and installment sales users; provision of financial information on settlement of payments relating to commercial transaction by means of mobile phone and telecommunications; issuing of credit cards, namely, arranging contracts relating to credit card issuance; banking services, namely, agencies for settlement of payments relating to commercial transaction by means of mobile phone and telecommunications; arranging of loans; factoring agency services; collection of debts; provision of information on brokerage agency of collection of debts; safe deposit box services, namely, deposits of valuables; issuing of letters of credit; brokerage services for credit card purchase; issue of tokens of value; collection agencies for collecting gas or electric power utility payments; collection agencies for collecting goods payments; collection of payments for goods and services; life insurance brokerage; non-life insurance brokerage in the field of home insurance and vehicle insurance; brokerage of non-life insurance; claim adjustment for non-life insurance; casualty insurance underwriting; insurance premium rate computing in the field of life, health, accident, and fire; agencies of administrative procedures for insurance claims; insurance brokerage services; insurance information; insurance consultancy; insurance underwriting in the field of life, health, accident, and fire; business credit reporting services; rental of paper money and coin counting machines; rental of cash dispensers or automated teller machines; financial customs brokerage agency services; capital investment; Providing stock market information; management of buildings; real estate management services relating to land; providing real estate information; appraisal of second-hand automobiles; providing financial information via a web site; charitable fundraising; brokerage trustee services relating to futures exchange; antique appraisal

CLASS 39: freight and transport, namely, freighting and local interstate, and international moving services; rental of containers for transport and storage of goods; storage of containers for transport and storage of goods, [, namely,], namely, furniture and furs; delivery of goods by mail order; traffic information services; supply chain logistics and reverse logistics services, namely, storage, transportation and delivery of goods for others by air, rail, train, ship or truck based on the membership programs; transport reservations services in the nature of locating and arranging for reservations for storage space for others; railway transport; vehicles transport, namely, transport by man-powered vehicles; vehicles transport, namely, transportation of cars and trucks via rail, ferry, boat, and air plane; vessel transport; air transport; transport by drones and provision of information relating thereto; cargo unloading via drones and provision of information relating thereto; rental of drones, other than toy drones and provision of information relating thereto; packing of freight; packing of gift baskets with selected items regarding a particular occasion or theme; packing and storage of goods for transportation; providing information about freight storage services; freight and transport brokerage; freight and transport brokerage provided online; provision of information regarding courier agency services; Freight services, namely, loading and unloading of goods; storage of goods in warehouses; Storage of goods, namely, temporary safekeeping of personal belongings; temporary storage of deliveries; warehousing; Supply chain logistics and reverse logistics services, namely, storage, transportation and delivery of goods for others by air, rail, ship or truck; loaning and rental of airplanes; transport of valuables; junk removal services; physical storage of physical goods; parking lot services; management of parking places, namely, reservation of parking spaces; provision of information relating to toll roads; Providing vessel mooring facilities; rental of containers for warehousing and storage; rental of loading-unloading machines and apparatus, namely, pallet lifts, fork lifts, and packaging equipment; lighterage services; carting being transportation services by carts; courier services for messages and merchandise; flower delivery; freight relating to shipping of goods, namely, freighting services via ship, train, boat, cars and air plane; transportation of luggage; garage rental; truck hauling; marine transport; message delivery; parcels delivery; Transport by vehicle, namely, transportation by rail, ferry, boat, and airplane;

river transport by boat; ship unloading; storage of goods; physical storage of electronically stored data or documents; Transport of goods; transport and storage of trash; transportation of furniture of others; providing information relating to traffic and traffic congestion; chauffeur services; rental, booking of travel tickets and providing of ships; electricity supply services relating to electric vehicles, namely, electricity distribution for electric cars and electric bicycles; providing information relating to the distribution of gas; providing information relating to the distribution of Water; providing information relating to the distribution of heat; Air transport services, namely, provision of airfields; rental of automobiles; rental of crane for unloading purposes; rental, booking of travel tickets and providing of water transport, namely, rental of ships, marine towing boats for waterway guidance businesses; marine towing; piloting; agency services for bicycle rental; provision of information relating to loaning and rental of airplanes; rental of mechanical parking systems; rental of packing and wrapping machines and apparatus; providing information relating to the rental of freezing machines and apparatus; rental of wheelchairs; rental of freezing machines and apparatus; sightseeing tour transportation services; escorting of travelers on travel tours; agency and brokerage for negotiating travel contracts other than accommodations, namely, transportation travel contracts; rental of aircraft engines; rental of storage equipment for gas stations not relating to car repair or maintenance, namely, rental of propane cylinders for the storage of fuel for fuel delivery services; Courier services; provision of information relating to freight transport; rental of coin lockers; agency services for rental of courier goods lockers; provision of information relating to the rental of courier goods lockers; tour services, namely, arranging of transportation for travel tours; travel guide services, namely, escorting of travelers; Travel agency services, namely, making reservations and bookings for transportation for tourists; providing tourist travel information, namely, transportation information, via a website; travel booking, namely, bookings for transportation provided online; franking of mail

CLASS 42: Consultancy and information services relating to the design, programming and maintenance of computer software; design and development of computer software for logistics; Developing computer software; monitoring of computer systems concerning logistics management in the field of cargo transport by remote access; consultancy in the field of computer hardware and computer software design and development; building and maintaining websites; consultancy relating to the creation and design of web sites; computer system design; Upgrading of computer software; computer and Internet security consultancy and data encryption services; computer hardware specification design; development of motor vehicles; providing scientific information relating to performance and operation of car; rental of web servers; Rental of computers; software as a service (SaaS) featuring software for use in logistics systems management; providing temporary use of non-downloadable computer program for use in logistics system management via communications networks; provision of online, nondownloadable computer software using artificial intelligence (AI) for scientific and technical analysis of databases; Rental of a database server to third parties; leasing of a database server to third parties; providing temporary use of on-line non-downloadable cloud computing software featuring software for use in logistics system management; web site hosting services; server hosting; leasing of computer software; electronic data storage and data back-up services; design services of apparatus and instruments for logistics system; development of apparatus and instruments for logistics system; provision of information, advice and consultancy in relation to design and development of apparatus and instruments for logistics system; consultancy in the field of product development, product design and development in the field of apparatus and instruments for logistic system; architectural consultancy; product quality testing services; rental of laboratory apparatus; surveying; meteorological information; Conducting geological surveys; leasing of measuring apparatus; rental of technical drawing instruments

The color(s) black and yellow is/are claimed as a feature of the mark.

PRIORITY CLAIMED UNDER SEC. 44(D) ON JAPAN APPLICATION NO. 2020-

136726, FILED 11-05-2020, REG. NO. 6478441, DATED 11-30-2021, EXPIRES 11-30-2031

The mark consists of a stylized image of two cats' heads in black, without any facial features, against a yellow square background. The larger cat head is slightly to the right with the smaller cat head overlapping the larger cat head towards the bottom left of the yellow square. Only one ear can be seen on the smaller cat head.

SER. NO. 90-390,490, FILED 12-17-2020

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
