Subject: New Fee Proposal of \$100 For Filing A LOP
Date: Friday, September 27, 2019 6:41:26 PM

I am a small business owner that sells clothing, mugs, books, and other kinds of merchandise. There has been a lot of problems with people that file for a trademark that isn't really a trade mark. Then they go after people who use common words as trademark infringements. There really should not be a fee of any kind to file a letter of protest. We are turning in the bad guys. We are reporting people that have broken your own laws on what a trademark is suppose to be used for.

Here is a very partial list of some of the trademarks that shouldn't be approved. Dogs is one. Really - Dogs!
