Subject: Clarksville, Tennessee

Dear Sir/Madam:

Thank you for receiving our comments regarding the establishment of an additional satellite office for the USPTO. I wish to offer for your consideration Clarksville, Tennessee, a growing suburban community of 172,000 population according to the 2010 census. We are adjacent to Fort Campbell, KY, which is the home of the 101st Airborne Division (Air Assault), the United States Army's premier installation.

Clarksville is also home to Hemlock Semiconductor Corporation, the world's leading polycrystalline manufacturer and industry leader in solar power. It is a joint venture between Dow Corning and Hemlock Semiconductor Corporation, and is sure to attract world class talent in this emerging technology industry.

I trust you will give our request full and earnest consideration.

Sincerely,

Representative Joe Pitts  
House District 67  
(Clarksville-Montgomery County)
