CLASS 9: Apparatus for recording, transmission or reproduction of sound or images; [blank magnetic data carriers; blank record discs; blank compact discs, DVDs and other digital recording media, namely, video cassettes, digital video discs, digital versatile discs, downloadable audio and video recordings; data processing equipment; computers;] computer software for [use in apparatus, instruments and devices for telecommunication,] teleconference and video conferencing; [data storage apparatus, namely, external computer hard drives;] apparatus for recording, transmission and reproduction of data, documents and videos; [telecommunications apparatus, namely, microphones, fuses, and electrical transformers for use with digital and analog signals; electrical and electronic control apparatus and instruments for conference and videoconference devices;] telecommunications apparatus and instruments, namely, telecommunications devices, hardware and software for conferences and videoconferences; [telecommunication devices, namely, telecommunication exchangers, transmitters, cables and switches; multimedia apparatus and instruments; computer peripheral apparatus; computer apparatus, namely, technological apparatus for conferences and videoconferences; apparatus and instruments for storing sound and images, namely, external computer hard drives; data processing apparatus; radios; telephone apparatus; downloadable computer software applications for hosting, video display, and scheduling used in telecommunications, teleconferences and videoconferences; instruments and devices for telecommunication, teleconferences and videoconferences, namely, microphones, fuses, and electrical transformers;] computer hardware and firmware for conferences and videoconferences; computer hardware for data communication; computer networking hardware; computer network hubs; [interfaces for computers; hands-free kits for telephones; video monitors;] laptop docking stations; computer programs for connecting remotely to computers or computer networks; [downloadable computer programs for use in apparatus, instruments and devices for telecommunication, teleconference and video conference;] computer programs for connecting to remote computers and computer networks; audio- and video-receivers; [software for hosting, video displaying, and arranging conferences and videoconferences;] * computer * software for communication and telecommunication including video software; [sound recording carriers; television cameras; telecommunications transmitters; computer central processing units; loudspeaker units; computer peripheral devices; camcorders; webcams] * none of the above products related to online work spaces hosted on websites. *

CLASS 38: Providing access to databases; information about telecommunication; rental of telecommunication equipment; rental of telecommunications equipment, namely, message sending apparatus; wireless broadcasting; telecommunications routing and junction services; internet broadcasting services * ; none of the above services related to

Katherine Kelly Vidal

Director of the United States
Patent and Trademark Office

online work spaces hosted on websites *

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

PRIORITY DATE OF 02-22-2017 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1389495 DATED 08-11-2017, EXPIRES 08-11-2027

No claim is made to the exclusive right to use the following apart from the mark as shown: "HUB"

SER. NO. 79-227,017, FILED 08-11-2017

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
