Section 7 Request

TEAS - Version 7.6

For more information regarding any of the following questions or topics, either go to [HELP](#) or click on the underlined word. You may use the following Section 7 Request form *only* to request:

- Correction of an immaterial error in a registration that was the fault of the USPTO, or which occurred in good faith through the owner/holder of the registration;
- Amendment "for good cause" of a registration; or
- A new registration certificate if a new owner/holder exists.

WARNING: You may **not** request, using this form, the correction of a USPTO error that would result in a material change to the registration. See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration. Also, if the original filing basis was Section 66(a), you may **not** use this form to amend any owner/holder information. Changes in ownership must be directed to the International Bureau.

NOTE: Because original and certified copies of certificates of registration are not required for Section 7 requests, owners/holders may use this electronic form without separate submissions. All original and certified copies are scanned into the USPTO database *and then discarded*; accordingly, owners/holders are advised not to submit them.

Please answer all of the questions below to create a Section 7 Request form showing only sections relevant to you. **You must answer each question carefully, since** the displayed form will correspond directly to the information provided.

TIMEOUT WARNING: You're required to log back in after 30 minutes of [inactivity](#). This ensures the USPTO complies with [mandatory federal information security standards](#) and protects user information. After 25 minutes of inactivity, you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all of your information ready before you start.

Required fields are indicated with an asterisk (*).

STEP 1: You may only use this form if the [USPTO system](#) shows that the mark is registered and the registration is currently "active."

STEP 2: Enter registration number or access saved form:

* [Registration Number](#):

(required only if preparing a Section 7 Request for the first time; if you have already saved a form, use the option below)

WARNING: Be sure you are entering a registration number and NOT a serial number.

OR

To upload a previously saved form file, first review the [TEAS Help instructions for accessing previously saved data](#) and then use the "Browse..." button below to access the form file saved on your computer. **WARNING:** Failure to follow the TEAS Help instructions will result in the inability to edit your data.

A correction or amendment under Section 7 of the Trademark Act only affects information appearing on the certificate of registration. If the information being corrected or amended is not on the certificate, it is not processed as a correction or amendment under this section.

A request to correct a registration may be submitted to correct immaterial errors on the certificate, whether caused by the owner/holder or the USPTO. A request to amend a registration may be submitted to request immaterial changes to the mark and/or other information on the registration certificate.

NOTE: The correction of a USPTO error that would result in a material change to the registration may not be requested through this form. See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration.

To satisfy legal requirements, the declaration at the end of the Section 7 request form must be signed by the owner/holder of the registration or someone who is properly authorized to sign on the owner's/holder's behalf.

CONTACT:

For **general trademark information or help navigating the forms**, email TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199 (press 1).

Status Check:

The status of the filing is available in the [Trademark Status & Document Retrieval System \(TSDR\)](#) 72 hours after filing.

Instructions:

To file the Section 7 Request form electronically, please complete the following steps:

1. Fill out all fields for which information is known. Fields with a * symbol are mandatory for filing purposes and must be completed.
2. Sign the response form on the Signature Page. If the desired signatory is not available to sign the application, there are three options available:
 1. To electronically forward the Signature Page to the signatory, use the Text Form option on the Signature Page for an electronic signature.
 2. To mail or fax to the signatory, use the Handwritten pen-and-ink signature option on the Signature Page for the traditional "pen-and-ink" signature.
 3. To electronically save the form, use the Save Form option on the Validation Page.
3. Validate the form by selecting the "Continue" button on the Signature Page.
4. On the Validation Page, it is critical to confirm that all information is displayed properly immediately before filing, regardless of the appearance of the data at any point earlier in the process.
5. Click on the Pay/Submit button at the bottom of the Validation Page. If a fee payment is required, this will allow you to choose from 3 different [payment methods](#): credit card, automated deposit account, or electronic funds transfer. Access the proper screen for payment, and make the appropriate entries. If your transmission is successful, you will receive a SUCCESS! Page.
6. An email acknowledging receipt of the submission (a filing receipt) will be sent to the Primary Email Address for Correspondence.

Secondary Email Address(es) (Courtesy Copies)	

Updates to the owner's/holder's and appointed attorney's address(es) can be made within this form. If no attorney is appointed, the owner's/holder's email address is the Primary Email Address for Correspondence.

STEP 3: If preparing a new request form, carefully answer each question below to build the appropriate form.

1. Do you want to [amend your mark](#)?

NOTE: While minor changes in the mark are sometimes permitted, any [material alteration](#) will NOT be permitted and will result in a refusal being issued on that ground. If submitting a new mark image, it must be in the JPG format (whereas other image attachments may be in either the JPG or PDF format).

NOTE: Effective June 21, 2012, where an amendment involves a change in the mark, a new specimen must be provided for each class of goods/services/collective membership organization in a multiple class registration.

WARNING: If you are proposing an amendment to your mark, you must also consider whether you should request [conforming amendments](#) to any other information in the registration affected by the proposed amendment, by answering Question #2, below, as YES.

Yes No

2. Do you want to correct or change any [additional statement\(s\)](#) about the mark that appear(s) on the registration certificate, e.g., a disclaimer, translation, or claim of a prior registration? [Click link to view full range of possible statements available within this section.]

NOTE: If you wish for any reason to attach a file within this form, you must do so within the "miscellaneous statement" portion of the additional statement section, which allows for both free-entry of text and/or a jpg/pdf attachment.

NOTE: You may use this form to correct a mistake(s) in a registration due to an error by the USPTO or the owner/holder of the registration that does not result in a change that would require republication; e.g., a correction to add a statement that published correctly, but was then inadvertently omitted from the registration certificate, or correction of a typographical error in a statement printed on the registration. See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration.

Yes No

3. Do you need to [correct/change an existing classification number](#); [correct/delete items in the identification goods/services/the nature of the collective membership organization](#); [delete a class entirely](#); and/or [correct/modify dates of use](#)?

Yes No

4. Do you need to [correct information pertaining to the basis for filing/registration of the mark](#)?

Yes No

STEP 4: If you have confirmed that the answers to the above questions are correct, click on the "Continue" button.

EXPLANATION OF FILING

NOTE: You must include as part of this filing the background information and detailed facts explaining the reason for this request, namely: (1) whether the request is for a **correction**, an **amendment**, or a **new certificate** due to new ownership; and (2) the exact nature of the requested change, even if data related to that change is provided elsewhere within the form. **NOTE:** If requesting a correction, within the detailed facts you must either specifically: (1) allege USPTO error; or (2) acknowledge owner/holder error and explain how the error occurred in good faith. The declaration that will appear at the end of this form must be signed if you are requesting an amendment or a correction due to owner/holder error. If requesting a **new certificate**, you must explain the new ownership.

[TSDR](#) database. This address must be capable of receiving mail and may be your street address, a P.O. box, or a "care of" address.)

NOTE: You must limit your entry here, and for all remaining fields within this overall section, to no more than 40 characters (the storage limit for the USPTO database). You may need to abbreviate some words, e.g., St. instead of Street. Failure to do so may result in an undeliverable address, due to truncation at the 40 character limit.

(Required for U.S. owners/holders only)

NOTE: You must include as part of the "City" entry any information related to geographical regions (e.g., provinces) not found in the dropdown lists for "States" or "Countries." The owner/holder is required to provide an email address and keep that address current with the USPTO. If the owner/holder is represented by a U.S.-licensed attorney, only the attorney's email address will be used for correspondence by the USPTO.

NOTE: The owner/holder or the owner's/holder's attorney acknowledges that he or she is solely responsible for receiving USPTO emails. Additionally, the owner/holder or the owner's/holder's attorney is responsible for periodically checking the status of the application/registration using the [Trademark Status & Document Retrieval \(TSDR\)](#) system. USPTO notices and office actions issued in this application/registration can be viewed online using [TSDR](#). The USPTO is not responsible for any failure to receive a USPTO-issued email due to the receiver's security or anti-spam software, or any problems with the receiver's email system

Mark Information

NOTE: While minor changes in the mark are *sometimes* permitted under Section 7, any [material alteration of the mark](#) will NOT be permitted and will result in the denial of the request on that ground.

If you have read and understood the above notice, you must check this box before you enter the proposed amended mark.

* Click the appropriate circle to indicate the Mark type: [Standard Characters](#) [Special Form \(Stylized and/or Design\)](#) [Sound Mark](#)

Use this section if you wish to modify a word(s), letter(s), punctuation, and/or number(s) with **no** design element **and** without claim to any particular font style, size or color.

Add/Modify the [Standard Characters](#) mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof.)

NOTE: After previewing the USPTO-generated image, if you object to the display of the mark, then you must use "**Special Form (Stylized and/or Design)**" option. Therein, you could attach your own image file and check a box to claim standard characters. However, the appropriateness of the standard character claim would later be determined as part of the examination of the application. For how the USPTO determines what the display of the entered mark will be, click [here](#).

Click the appropriate circle to indicate the Mark type: [Standard Characters](#) [Special Form \(Stylized and/or Design\)](#) [Sound Mark](#)

Click on the "Browse/Choose File" button to select a [properly-sized JPG image file](#) (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you **must** submit a color image; otherwise, the image must be clear [black and white](#). After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

WARNING: The image size cannot exceed 5 megabytes per attachment.

Enter any word(s), letter(s), punctuation, and/or number(s) that appear in your mark here:

NOTE: Do **NOT** enter any word(s), letter(s), punctuation, and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file **must** include **all** elements of the mark; i.e., if your mark consists of a design and word(s), letter(s), punctuation, and/or number(s), the image file must include all of these elements. Any entry in the [literal element](#) field that is not found in the attached image file will **not** be considered part of the mark.

* If claiming color as a feature of the mark, list the colors below, including black, gray and/or white if actual "colors" within the mark (e.g., enter red, white, and blue). Begin the entry with a lower-case, **NOT** an upper-case, letter. (Entry required for color marks only.)

The color(s) is/are claimed as a feature of the mark.

If other than a mark in standard characters and you are NOT claiming color as a feature of the mark, you must: (1) check this box; and (2) remove all data that may appear in the color(s) claimed field, above, even if a statement therein is factually correct; under this scenario, the field must be completely blank. **NOTE: Check the box *only* if you believe your image is black, and white, yet you received after clicking the "CONTINUE" button an ERROR about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do **not** check this box, because the attached image was automatically accepted as black and white.**

*** Enter a complete and accurate [description](#) of the entire mark below, being sure to include ALL [literal elements](#) and/or design elements that are found in the attached mark image, but NOT including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black, gray and white, and also state the location thereof in the mark image (reference any wording in mark and/or design element(s)), and if a color mark, also include the nature and location of the color; i.e., you should specifically state where each color is located within the mark.**

The mark consists of: (do NOT repeat this language)

. (end period is automatic)

NOTE: A description of the mark is required for **ALL** marks that are in a special form (i.e., for **any** mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, e.g., "the letter C." The description must be for the complete mark, and not simply of any design element; i.e., if the mark includes a literal element, that must be referenced here, even if already separately stated in the "literal element" field, above. Also, for any color mark, the description of the mark **must** include the nature and location of the color; i.e., you must specifically state where each color is located within the mark, e.g., "a bird with a red body, blue wings, and yellow beak."

NOTE: Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.

Click the appropriate circle to indicate the Mark type: Standard Characters Special Form (*Stylized and/or Design*) Sound Mark

Click on the "Browse/Choose File" button to select the sound file (.WAV, .WMA, .MP3, or .AVI file) from your local drive.

Enter any word(s), letter(s), punctuation, and/or number(s) that appear in your mark here:

NOTE: Do **NOT** enter any word(s), letter(s), and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file **must** include **all** elements of the mark; i.e., if your mark consists of a design and word(s), letter(s), and/or number(s), the image file must include all of these elements. Any entry in the [literal element](#) field that is not found in the attached image file will **not** be considered part of the mark.

NOTE: A description of the mark is required for **ALL** marks that are in a special form (i.e., for **any** mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, e.g., "the letter C." The description must be for the complete mark, and not simply of any design element; i.e., if the mark includes a literal element, that must be referenced here, even if already separately stated in the "literal element" field, *above*. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.

[*Specimen File](#)

The owner/holder of the registration **must** submit a specimen showing use of the proposed mark, as amended, **for each class** in the registration. A specimen is required even if the mark originally registered under Section 44(e), based on a foreign registration. The following statement must be made of record by checking the box:

The attached specimen was in use in commerce on or before the filing date of this request. The declaration under 37 C.F.R. § 2.20 at the end of this request supporting this use will be signed by the owner/holder or a person properly authorized to sign on behalf of the owner/holder.

Click on the 'Attach' button to select the file in JPG/PDF format (not exceeding 5 megabytes per attachment) or .WAV, .WMV, .WMA, .MP3, .MPG, or .AVI format (not exceeding 5 megabytes for sound files or 30 megabytes for motion files).

WARNING: Submission of an overall request as a PDF file is NOT permissible; i.e., do not use this section, or any other section, of the form to attach a multiple-page document consisting of arguments, evidence, revised identifications of goods/services/the collective membership organization, additional statements, etc. For complete requirements concerning PDF files, click [here](#).

Check this box if you are mailing a [non-traditional specimen](#) using USPS because it meets the qualifications explained in the hyperlink. Sound and motion specimens are not non-traditional and MUST be submitted using this form. Failure to submit a required specimen through TEAS may result in processing delays and additional fees.

ADDITIONAL STATEMENT(S)

NOTE: You may use this section to request changes to correct a mistake in a registration due to either USPTO error or owner/holder error if the correction does not result in a change that would require republication. For example, the following may be permitted: a correction to add a statement that appeared as part of the mark at the time of publication but that was inadvertently omitted from the registration certificate or a correction to a typographical error in a statement printed on the registration certificate. See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration.

An amendment to add any statement that did not appear when the mark published is permissible only if the amendment would not materially alter the mark or significant information related to the mark. If republication would be required, the amendment is a material alteration and will not be permitted. To select a statement, enter any required information specific to your mark (or, if no information must be entered, check the box in front of the existing statement to select it). **NOTE:** Although a declaration will automatically appear at the end of this form, you must sign the declaration only if you are requesting an amendment *or a correction due to owner/holder error*.

CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

NOTE: You may use this form to request changes to the listing of the goods/services/collective membership organization to: (1) restrict the identification; (2) delete a class entirely; (3) correct obvious typographical errors; or (4) otherwise change the registration in a way that would not require republication of the mark, but never to add to or broaden the goods/services/nature of the collective membership organization in a registration by amendment or correction. Any request to amend or correct the classification must coincide with the current version of the *Nice Agreement Concerning the International Classification of Goods and Services for the Purposes of the Registration of Marks*. See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an owner's/holder's lack of use on **all** goods/services for which use is claimed in a post-registration filing with the USPTO could jeopardize the validity of the registration and result in its cancellation.

NOTE: If the mark published with the correct basis, but the information did not appear on the registration certificate, the omitted basis(es) may be added under Section 7. In all other cases, only minor corrections are permissible; e.g., to correct the foreign registration number or the country that issued the registration, if supported by the record. Where the omission of a basis at publication is due to USPTO error, and is supported by the record, the omitted basis may be added, but not by using this form. Instead, the registration must be restored to pendency and published with the correct information.

Enter the city and then the geographical region, separated by a comma (e.g., Toronto, Ontario). In most instances, you will then also have to select the country within which the region is found, below.

The appointed attorney's email address must be provided and kept current with the USPTO.

* [Email Address](#) **NOTE:** The owner/holder or the owner's/holder's attorney acknowledges that he or she is solely responsible for receiving USPTO emails. Additionally, the owner/holder or the owner's/holder's attorney is responsible for periodically checking the status of the application/registration using the [Trademark Status & Document Retrieval \(TSDR\)](#) system. USPTO notices and office actions issued in this application/registration can be viewed online using [TSDR](#). [NEW CORRESPONDENCE INFORMATION](#)

To make changes to the **Primary Email Address for Correspondence** below, either

[Email Address](#)

Enter up to 4 addresses, separated by either a **semicolon** or a **comma**.

Only the Primary Email Address for Correspondence is used for official communication by the USPTO. If an attorney has been appointed, the USPTO will correspond **ONLY** with the appointed attorney; otherwise the USPTO will correspond with the owner/holder. The owner/holder or the appointed attorney must keep this email address current with the USPTO.
NOTE: I understand that (1) a valid email address must be maintained by the owner/holder and the applicant owner's/holder's attorney, if appointed, for correspondence and (2) all official trademark correspondence must be submitted via the Trademark Electronic Application System (TEAS).

FEE INFORMATION

The fee to amend or correct a registration due to a mistake by the owner/holder of the registration is \$100 per registration.

Number of Classes x \$250 (per class) for deleting goods and/or services, and/or classes after submission and prior to acceptance of a section 8 affidavit = \$

Amount **TOTAL AMOUNT = \$**

I hereby elect *not* to submit any fee. I believe no fee is required because I am seeking to correct an immaterial, e.g., clerical, error that was the fault of the USPTO, rather than the fault of the owner/holder. I understand that the USPTO may, upon later review, require a fee payment.
