	:

This is a decision on the petition captioned, "PETITION UNDER 37
C.F.R. § 1.181(a)(3) TO INVOKE THE SUPERVISORY AUTHORITY OF THE
DIRECTOR," filed on July 26, 2012, requesting that the Director
review the Decision on Application for Reconsideration of Patent
Term Adjustment mailed on May 30, 2012, which is also considered
as a renewed request that the patent term adjustment indicated on
the face of the Letters of Patent be corrected from four hundred
twenty-eight (428) days to five hundred sixty-eight (568) days.

The petition for supervisory review by the Director is a request
for reconsideration and as such both petitions are treated by
this decision. The request for review and reconsideration are
granted to the extent that the decision has been reconsidered. No
error having been found in the previous decision, however, both
are **DENIED** with respect to making any change in the patent
adjustment determination under 35 U.S.C. 154(b) of 428 days.
This decision may be viewed as a final agency action within the
meaning of 5 U.S.C. 704 and for purposes of seeking judicial
review. See MPEP 1002.02.

The Office acknowledges the previous submission of the $200.00
fee set forth in 37 CFR 1.18(e). As this request pertains only
to the over 3-year delay issue previously raised in the
application for patent term adjustment, no additional fees are
required.

The patent term adjustment remains 428 days, as indicated in the decision mailed on May 30, 2012.
