# SERKO

GmbH

**Reg. No. 7,077,379**

**Registered Jun. 13, 2023**

**Corrected Oct. 03, 2023**

**Int. Cl.: 7, 9, 11, 12, 40, 42**

**Service Mark**

**Trademark**

**Principal Register**

Serdar Plastik Sanayi ve ticaret A.S. (TURKEY Joint-stock company )

1. OSB Türkmenistan Cd. No:3,

Sincan

TURKEY

CLASS 7: construction machines and robotic mechanisms for use in construction, namely, bulldozers, diggers, excavators, road construction and road paving machines; drilling machines; rock drills; road sweeping machines; lifting, loading and transmission machines and robotic mechanisms for lifting, loading and transmission purposes, namely, cranes; machines and robotic mechanisms for use in agriculture and animal breeding, namely, tilling machines for agriculture; electric kitchen machines for chopping, grinding, crushing, mixing and mincing foodstuff; washing machines for clothes; laundry washing machines; dishwashers; spin driers, not heated; electric cleaning machines for cleaning floors, carpets or floorings; vacuum cleaners and parts thereof

CLASS 9: Measurement apparatus and equipment including those for scientific, nautical, topographic, meteorologic, industrial and laboratory' purposes, namely, flow sensors; apparatus and instruments for conducting electricity; electric plugs; electric junction boxes; electric switches; luminous or mechanical signs for traffic use \* ; parts and accessories for all the aforesaid goods \*

CLASS 11: Lighting installations; lights for vehicles and interior-exterior spaces; heat exchangers, other than parts of machines; installations for air-conditioning and ventilating; cooling installations and freezers; electric and gas-powered devices, installations and apparatus for drying and boiling, namely, cookers, electric cooking pots, electric water heaters; electric laundry driers; hair driers and hand drying apparatus; sanitary installations; taps being faucets; shower installations; wash-hand basins being parts of sanitary installations; washers for water taps; valves for taps being parts for sanitary installations; water softening apparatus; water purification installations; waste water purification installations; electric bed warmers and electric blankets, not for medical use; electric pillow warmers; industrial type installations for drying and cooling purposes consisting of heating boiler components and/or fans, involving the use of pipes, flow-sensors, o-rings, gaskets, joints, propellers, and springs, namely, pressure relieve valves for use with water heaters, and water filling valves \* ; parts and accessories for all aforesaid goods and services \*

CLASS 12: Safety belts for vehicle seats

CLASS 40: Custom manufacture of construction machines and robotic mechanisms for use in construction, namely, bulldozers, power-operated trenching machines for digging trenches, hydraulic excavators, asphalt road paving machines, concrete road paving

*Katherine Kelly Vidal*

Director of the United States  
Patent and Trademark Office

machines, drilling machines, rock drills, road sweeping machines and power-operated lifting, loading and transmission machines; custom manufacture of robotic mechanisms for lifting, loading and transmission purposes, namely, cranes; custom manufacture of machines and robotic mechanisms for use in agriculture and animal breeding, machines and robotic mechanisms for processing cereals, fruits, vegetables and food; custom manufacture of machines for preparing and processing beverages; custom manufacture of washing machines, laundry washing machines, dishwashers, spin driers, not heated, electric cleaning machines for cleaning floors, carpets or floorings and vacuum cleaners; custom manufacture of electric sockets, lights for vehicles and interior- exterior spaces, heat exchangers, not parts of machines, installations for air-conditioning and ventilating, cooling installations and freezers, electric and gas- powered devices installations and apparatus for drying and boiling, namely, cookers, electric cooking pots, electric water heaters, electric laundry driers, hair driers and hand drying apparatus, sanitary installations, taps being faucets, shower installations, washers for water taps, valves in the nature of taps being parts for sanitary installations, water softening apparatus, industrial type installations for drying and cooling purposes consisting of heating boiler components and/or fans, involving the use of pipes, flow-sensors, o- rings, gaskets, joints, propellers, and springs, parts and accessories for all aforesaid goods; custom manufacture of molds for use in industry; custom assembling of materials for others; custom manufacture of molded components for others; processing of unprocessed artificial resin and plastic products for others; material treatment, namely, injection molding of plastics and mold making for others

CLASS 42: Product research and development services for others; development of industrial machinery for others; consultancy services in the field of technological development for others; engineering services; product research and development services relating to injection molding technology; technical consultancy relating to injection molding technology; engineering services relating to injection molding machines; technical consultancy in the planning, development, construction, fabrication and application of plastic products and of fabrication devices therefor; chemistry services; technical consultancy relating to plastics technology

The color(s) black, red, grey and white are claimed as a feature of the mark.

The mark consists of the words "SERKO" in black, with a red "K", and "GMBH" in white on a grey line.

PRIORITY DATE OF 01-25-2019 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1515857 DATED 07-25-2019, EXPIRES 07-25-2029

No claim is made to the exclusive right to use the following apart from the mark as shown: "GMBH"

SER. NO. 79-279,290, FILED 07-25-2019

## **REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### **Requirements in the First Ten Years\***

#### **What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### **Requirements in Successive Ten-Year Periods\***

#### **What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### **Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
