**Subject:** Objection to \$100 trademark Letter of protest fee  
**Date:** Monday, September 23, 2019 11:16:53 AM

---

The LOP (letter of protest is one of the only tools I have to protect my designs from frivolous trademarks. sellers to let them know to NOT approve frivolous trademarks (something that us print on demand sellers deal with EVERY day). I am an Amazon seller of t-shirts and apparel that could never adored this fee when one of my t-shirts is copied then registered. Please help me stay in business.
