

Section B – Supplies or Services and Prices/Costs

B.1 Schedule of Services

(a) The Government expects to award multiple contracts as a result of this competition. The Government has not pre-determined the number of contract awards; however, it will be a sufficient number to maintain competition on task orders. It is the Government's intention to award at least one small business. This acquisition will be conducted using full and open competition procedures. The small business award is not considered a small business set-aside. The Government will allocate the work through managed competition between the contractors, in accordance with Section G.

(b) The Period of Performance will be as follows:

Base Period	September 1, 2008 - August 31, 2009
Option 1	September 1, 2009 - August 31, 2010
Option 2	September 1, 2010 - August 31, 2011
Option 3	September 1, 2011 - August 31, 2012
Option 4	September 1, 2012 - August 31, 2013

(c) Maximum Contract Limitation

The maximum cumulative dollar ceiling value of all contracts in this multiple award procurement is established at \$95 million.

B.3 Contract Type (52.216.70) (Mar 2000)

The Government contemplates award of multiple Labor Hour contracts resulting from this solicitation. Each contract will consist of a base period (effective date of award for one year) and four (4) one-year options.

B.4 Task Order Structure

(a) Work to be performed under the terms of this contract will be awarded to the contractor through task orders. All contractors are expected to be able to perform all aspects of the work in Section C. These task orders will be Labor Hour type. The IDEAI contract will issue two types of task orders: discrete task orders for development efforts and level-of-effort task orders for maintenance efforts.

(b) Task orders issued under the contracts will be performance-based and will contain the performance metrics when issued.

(c) Discrete task orders issued will be subject to Earned Value Management (EVM) reporting. See Section B.7 for specific details.

(d) The Government reserves the right to require or otherwise provide preference on Contractor solutions that include specific models of desktop computers, notebooks and monitors,
