## Request To Delete Section 1(B) Basis, Intent To Use (15 U.S.C. § 1051(b))

TEAS - Version 5.4 : 07/11/2015

### Use this form **only**

- To delete the Section 1(b) **basis** for an **entire application or an entire class** of goods/services/a collective membership organization, and to rely on an alternative basis for registration that is already of record for that class. **You cannot use this form to delete a class from the application.** For example, if one class is based on Section 1(a) and another class is based on Section 1(b), this form should not be used. You would need to use the [Voluntary Amendment](#) form or [Post-Publication Amendment](#) form to delete the Section 1(b) class and proceed with only the Section 1(a) class.

### Do **not** use this form for any of the following:

- To delete the Section 1(b) basis when Section 1(b) is the **only** basis currently stated in the application;
- To delete the Section 1(b) basis **after publication** where the only remaining basis for a given class would be Section 44(d); permissible only where the remaining basis for all classes in the application would be Section 1(a) and/or Section 44(e);
- To delete the Section 1(b) **basis** for only **some** of the goods/services within a class or to delete a class that is based on Section 1(b) where other classes have another basis for registration. See [Voluntary Amendment](#) form or [Post-Publication Amendment](#) form;
- To delete goods/services/a collective membership organization, and/or class(es) from an application. See [Voluntary Amendment](#) form or [Post-Publication Amendment](#) form;
- To file a request to divide. (You must currently file a paper request unless the request is being filed with a TEAS allegation of use form, wherein request to divide functionality specifically exists).

**NOTE:** You must complete any field preceded by the symbol "\*".

**WARNING:** This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed this initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, [extend the time limit](#). You should always try to have all information required to complete the form prior to starting any session.
