Petition To Revive Abandoned Application - Failure To Respond Timely To Office Action

TEAS - Version 5.4 : 07/11/2015

GENERAL FORM INFORMATION:

- **60 MINUTE TIME LIMIT:** This form "times-out" 60 minutes after accessing this page unless you [extend the time limit](#) when the time-out warning appears on screen. To avoid timing out, please have all information ready before starting your session.
- **DO NOT USE YOUR BROWSER BACK/FORWARD BUTTONS:** Use only the navigation buttons at the bottom of each page.
- **REQUIRED FIELDS:** All have an **ASTERISK (*)**, and the form will not validate if these fields are not filled-out.

NOTE:

The United States Patent And Trademark Office (USPTO) "abandons" a trademark application whenever the USPTO does not receive a timely-filed response to an examining attorney's office action. "Abandoned" means that the application is no longer pending, and, therefore, cannot mature into a registration. You may file a petition to revive an abandoned application and request that the USPTO return the application to active ("pending") status only if the applicant's delay in responding to the office action was unintentional. **NOTE:** Do **not** use this form if your application has been abandoned due to the submission of an *incomplete response*. You must file a petition to the Director to reverse the holding, under 37 C.F.R. §2.146 (no electronic form exists for this purpose).

You must file the petition to revive no later than two (2) months from the mailing date of the notice of abandonment. Otherwise, the petition will be untimely, and the application will remain abandoned. You may file a new application through the [Trademark Electronic Application System \(TEAS\)](#). If you never received the notice of abandonment, the petition must be filed within two (2) months of actual knowledge of the abandonment, and you must have been diligent in checking the status of the application every six (6) months.

If you never received the notice of abandonment and you can establish that you were diligent in checking the status of the application every six (6) months, contact the Office of the Commissioner for Trademarks for further information on filing the petition by mail.

WARNING: You must maintain an accurate correspondence address with the USPTO. All changes must be made in writing, or through the electronic [Change of Correspondence Address Form](#).

FOLLOW THE 4 STEPS TO ACCESS THE PETITION OR PETITION WITH RESPONSE FORM:

STEP 1: CHECK STATUS.

To use this form, the "Current Status" of your application must be "Abandonment - Failure To Respond Or Late Response." [Click here](#) to confirm the status before proceeding. If the application is not in the correct status, you must wait until the status is updated. Otherwise, you will receive an error message when you click the "Continue" button at Step 4.

STEP 2: ENTER APPLICATION SERIAL NUMBER BELOW OR ACCESS PREVIOUSLY FILLED-OUT/SAVED FORM.

* **Serial Number:**

(Do not enter serial number if you are accessing your saved form.)

OR

To access **previously-saved data**, use the "Browse/Choose File" button below to access the file from your local drive, and then click the "Continue" button at Step 4. You cannot change your answers to the form wizard questions at Step 3; however, you *can* change data within an existing section(s) of a saved form. To introduce a completely new section, you must start a new form. For further instructions for retrieving your saved data, click [here](#). You must follow these instructions to ensure that you can view your data in the expected editable format.

no file selected

NOTE: This button should **not** be used to attempt to upload or attach any other file, for example, a specimen image or a foreign registration certificate. For these or any other types of attachments, after answering "Yes" to the appropriate wizard question(s), you can then attach the

file within the specific part of the form relating to that issue.

STEP 3: ANSWER ALL WIZARD QUESTIONS.

You must answer all wizard questions appearing directly below, now currently set on "No" as a default (unless you are accessing a previously filled-out/saved form, then see STEP 2, *above*). At least one answer must be "Yes" or your response will be completely blank. You should review the Office action and then answer "Yes" to any question that directly relates to a requirement and/or refusal raised in the Office action. You must respond explicitly to **each** refusal and/or requirement; that is, if the examining attorney requires specific wording, you must enter that wording in the proper place in the form.

1. Did you receive the [Original Office Action](#)?

To submit a response to the Office Action with your Petition to Revive, please answer the additional questions below, to create a response form showing sections relevant to you. Then, click on the Continue button.

NOTE: If the answer to Question #1 is "Yes," a response that addresses each issue raised in the Office Action **must** accompany this petition. Once the petition is granted, the application will be revived and the assigned examining attorney will consider the response to determine if it meets all outstanding requirements.

NOTE: If the answer to Question #1 is "No" and you are filing the petition but **not** submitting the response at this time, skip directly to the Continue button at the bottom of this page. The Office action will be re-mailed to you, and you will have a new six (6) month period in which to respond.

NOTE: If the Office Action was a [Final Refusal](#), the only proper response is an appeal or a response that fully complies with all outstanding requirements (or a petition, if permitted under [37 C.F.R. §2.63\(b\)\(2\)](#)). Therefore, you should also file separately a Notice of Appeal with the [Trademark Trial and Appeal Board](#). If filing a Notice of Appeal, you should respond to the Office Action by stating that an appeal is being filed. This should be stated in the area of the response form designated for presenting arguments related to a substantive refusal. If you do not file the appeal on the same day as the petition, you may not file an appeal later. For further information, see [TMEP §715 et seq.](#)

Yes No

If no, are you nonetheless now filing a response with your Petition to Revive?

Yes No

NOTE: If you did NOT receive the original office action, please check whether all of your correspondence information is correct in the [USPTO database](#). If it is incorrect, you must submit a change in writing, or through the electronic [Change of Correspondence Address Form](#).

A RESPONSE WITH ONLY YOUR SIGNATURE IS NOT ACCEPTABLE. Merely providing a response with a signature and no other information, or authorizing the examining attorney to make any necessary changes to the application *without specifying the exact changes*, is not a proper response to the Office action (except if the *only* issue raised was that the original filing was unsigned, improperly signed, or lacked the required declaration language).

STEP 4: ACCESS ACTUAL PETITION OR PETITION WITH RESPONSE FORM.

Click on the "Continue" button below to access the petition or petition with response form for entering your information.

CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

Amending the Original Class(es) in the Application

Enter information for the Original Class

Check here to delete the following class of goods/services/collective membership organization from your application. If checked, it is not necessary to modify the current class below.

Check here to modify the current classification number; listing of goods/services/the nature of the collective membership organization; dates of use; and/or filing basis; or to submit a substitute specimen, foreign registration certificate, or proof of renewal of the foreign registration. If not checked, the changes will be ignored.

Original International Class : 000

*International Class: 025 (Enter class number 001- 045, A, B and 200)

*Listing of Goods/Services/Collective Membership Organization

[NOTE: Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/recitation of services/description of the collective membership organization]. For more information about acceptable language for the goods/services, see the USPTO's on-line [Goods and/or Services Manual](#). If entering multiple listings of goods/services, please separate with a semi-colon (;), NOT a comma.

WARNING: Your entry may NOT exceed the scope of your current identification. While you may modify the current listing to clarify, limit, or remove goods/services/the collective membership organization, you may NOT at this point ADD or BROADEN goods or services or otherwise amend the goods/services/nature of the collective membership organization beyond the scope of that in the current identification. A new filing would be required to cover any new goods/services/or broadening the nature of the collective membership organization not within the scope of the current identification.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an applicant's lack of a bona fide intention to use the mark with **all** goods/services included in an application, or the lack of use on **all** goods/services for which use is claimed, could jeopardize the validity of the resulting registration.

Filing Basis Section 1(a), Use in Commerce: *For all applications:* The mark is in use in commerce and was in use in commerce as of the application filing date. The provided specimen shows the mark in use in commerce (see specimen statement below). *For a collective trademark, collective service mark, collective membership mark, or certification mark application:* The applicant is exercising legitimate control over the use of the mark in commerce and was exercising legitimate control over the use of the mark in commerce as of the application filing date. *For a certification mark application:* The applicant is not engaged in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant. **WARNING:** If you filed your original application under Section 1(b), Intent to Use, do **not** use this form to submit dates of use and a specimen, unless responding to a specimen issue created by an already filed Allegation of Use. Otherwise, you must file the specific [Allegation of Use form](#) (Statement of Use/Amendment to Allege Use). Filing an Allegation of Use is not a proper response to an Office action.

*** CLICK BOX BELOW IF SPECIMENS ARE BEING SUBMITTED OR WERE UNVERIFIED IN THE INITIAL APPLICATION:** If additional or new specimen(s) is/are being submitted, or the originally-submitted specimen(s) was unverified, check the statement immediately below to support the submission (the required declaration will automatically appear at the end of the form).

WARNING: You must select the specimen statement below for the substitute, new, or originally submitted unverified specimen to be acceptable.

"The substitute (or new, or originally submitted, if appropriate) specimen(s) was/were in use in commerce at least as early as the filing date of the application" [for an application based on Section 1(a), Use in Commerce] OR "The substitute (or new, or originally submitted, if appropriate) specimen(s) was/were in use in commerce prior either to the filing of the Amendment to Allege Use or expiration of the filing deadline for filing a Statement of Use" [for an application based on Section 1(b) Intent-to-Use]. OR "The attached specimen is a true copy of the specimen that was originally submitted with the application, amendment to allege use, or statement of use" [for an illegible specimen]. WARNING: If your goods/services/collective membership organization for this class is/are already based on Section 1(a), use in commerce, do not also check this basis for the identical goods/services/collective membership organization.

WARNING: If you select this option, additional filing(s) and fee(s) will be required after you begin the required use of the mark in commerce prior to registration. For more information, [click here](#) (see first and second forms on linked page).

Mark Information

Note: While minor changes in the mark are *sometimes* permitted, any [material alteration](#) will NOT be permitted and will result in a refusal being issued on that ground.

If you have read and understood the above notice, you must check this box before you enter the proposed amended mark.

* **Click the appropriate circle to indicate the Mark type:** [Standard Characters](#) [Special Form \(Stylized and/or Design\)](#) [Sound Mark](#)

Click on the "Browse/Choose File" button to select a [properly-sized JPG image file](#) (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you **must** submit a color image; otherwise, the image must be clear [black and white](#). After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

WARNING: The image size cannot exceed 5 megabytes per attachment.

no file selected

Enter any word(s), letter(s), punctuation, and/or number(s) that appear in your mark here:

NOTE: Do **NOT** enter any word(s), letter(s), punctuation, and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file **must** include **all** elements of the mark; i.e., if your mark consists of a design and word(s), letter(s), punctuation, and/or number(s), the image file must include all of these elements. Any entry in the [literal element](#) field that is not found in the attached image file will **not** be considered part of the mark.

* If claiming color as a feature of the mark, list the colors below, including black, gray, and/or white if actual "colors" within the mark (e.g., enter red, white, and blue). Begin the entry with a lower-case, **NOT** an upper-case, letter. (Entry required for color marks only.)

The color(s) _____ is/are claimed as a feature of the mark.

If other than a mark in standard characters and you are NOT claiming color as a feature of the mark, you must: (1) check this box; and (2) remove all data that may appear in the color(s) claimed field, above, even if a statement therein is factually correct; under this scenario, the field must be completely blank. **NOTE: Check the box *only* if you believe your image is black and white, yet you received after clicking the "CONTINUE" button an ERROR about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do **not** check this box, because the attached image was automatically accepted as black and white.**

Enter a complete and accurate [description](#) of the entire mark below, being sure to include **ALL** [literal elements](#) and/or design elements that are found in the attached mark image, but **NOT** including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black, gray, and white, and also state the location thereof in the mark image (reference any wording in mark and/or design element(s)), and if a color mark, also include the nature and location of the color; i.e., you should specifically state where each color is located within the mark.

The mark consists of: (do NOT repeat this language)

. (end period is automatic)

NOTE: A description of the mark is required for **ALL** marks that are in a special form (i.e., for *any* mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, e.g., "the letter C." The description must be for the complete mark, and not simply of any design element; i.e., if the

mark includes a literal element, that must be referenced here, even if already separately stated in the "literal element" field, *above*. Also, for any color mark, the description of the mark **must** include the nature and location of the color; i.e., you must specifically state where each color is located within the mark, e.g., "a bird with a red body, blue wings, and yellow beak."

NOTE: Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.

CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

Adding the New Class(es) in the Application

Enter information for the New Class

*International Class: (Enter class number 001- 045, A, B and 200)

* Listing of Goods/Services/Collective Membership Organization [NOTE: Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/recitation of services/description of the collective membership organization]. For more information about acceptable language for the goods/services, see the USPTO's on-line [Goods and/or Services Manual](#). If entering multiple listings of goods/services, please separate with a semi-colon (:), NOT a comma.

WARNING: Your entry may NOT exceed the scope of your current identification. While you may modify the current listing to clarify or limit the goods/services/nature of the collective membership organization or to remove goods/services, you may NOT at this point ADD to, or BROADEN, the goods/services/nature of the collective membership organization. A new filing would be required to cover any new goods/services or broadening of the nature of the collective membership organization not within the scope of the current identification.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an applicant's lack of a bona fide intention to use the mark with **all** goods/services included in an application, or the lack of use on **all** goods/services for which use is claimed, could jeopardize the validity of the resulting registration.

Filing Basis Section 1(a), Use in Commerce: *For all applications:* The mark is in use in commerce and was in use in commerce as of the application filing date. The provided specimen shows the mark in use in commerce (see specimen statement below). ***For a collective trademark, collective service mark, collective membership mark, or certification mark application:*** The applicant is exercising legitimate control over the use of the mark in commerce and was exercising legitimate control over the use of the mark in commerce as of the application filing date. ***For a certification mark application:*** The applicant is not engaged in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant. **WARNING: If you filed your original application under Section 1(b), Intent to Use, and you now want to assert use, do not use this form to submit dates of use and a specimen, unless responding to a specimen issue created by an already filed Allegation of Use. Otherwise, you must file the specific Allegation of Use form (Statement of Use/Amendment to Allege Use). Filing an Allegation of Use is not a proper response to an Office action.**

On _____ you completed all mandatory fields and successfully validated the form. It has NOT been filed to the USPTO at this point. Please complete all steps below to submit the form.

■ **STEP 1:** Review the Petition/Response data, available below in various formats, by clicking on any of the phrases listed under Petition/Response Data. Use the print function within your browser to print these pages for your own records.

NOTE: At the point of final validation, it is critical to confirm that **all** information is displayed properly immediately before filing, *regardless* of the appearance of the data at any point earlier in the process. If any previously-entered argument text or image files (e.g., evidence) are now missing, you must re-enter or re-attach before final submission. Otherwise, the USPTO will not receive a complete Response. E.g., if you initially pasted text into the argument field, but the argument section is now blank, you must paste it in again after final validation but before actual submission of the Response, or the USPTO will not receive that text at all. For information about the "track change" feature used when an identification of goods/services/the collective membership organization is modified, click [here](#).**New**

Note: If you are using the e-signature approach or the handwritten pen-and-ink signature approach, you must click on the final link to access the specific "text form" for that purpose.
