## Voluntary Amendment Form

TEAS - Version 5.4 : 07/11/2015

### GENERAL FORM INFORMATION:

- **60 MINUTE TIME LIMIT:** This form "times-out" 60 minutes after accessing this page unless you [extend the time limit](#) when the time-out warning appears on screen. To avoid timing out, please have all information ready before starting your session.
- **DO NOT USE YOUR BROWSER BACK/FORWARD BUTTONS:** Use only the navigation buttons at the bottom of each page.
- **REQUIRED FIELDS:** All have an **ASTERISK (\*)**, and the form will not validate if these fields are not filled-out.

### FOLLOW THE 4 STEPS TO ACCESS THE AMENDMENT FORM:

**STEP 1:** To use this form, you must wait approximately 7-10 days after your original submission. Please first ensure that all of the original application data has been fully loaded into the USPTO's [TSDR system](#) before attempting to use this form.

**WARNING:** While you may successfully submit a Voluntary Amendment, the filing will **NOT** result in any information being automatically uploaded into the USPTO's databases. An examining attorney must review the amendment to determine whether the proposed change(s) is acceptable. Also, you may submit a Voluntary Amendment for an application filed under the Madrid Protocol (Section 66(a)) only for [limited purposes](#).

If making additional information part of the record for a registration where no change would result to either the Trademark Database or the registration certificate (e.g., providing information concerning use by a related party or specifying the dates of use for specific goods/services within a class), the USPTO will neither examine nor act on such submissions. Otherwise, if you wish to correct or amend information that is on the registration certificate, do **not** use this form; instead, you must file a Section 7 Request for Amendment or Correction of Registration Certificate.

**STEP 2: ENTER APPLICATION SERIAL NUMBER/REGISTRATION NUMBER BELOW OR ACCESS PREVIOUSLY FILLED-OUT/SAVED FORM.**

\* [Serial/Registration Number:](#)

*(Do not enter serial/registration number if you are accessing your saved form.)*

OR

To access **previously-saved data**, use the "Browse/Choose File" button below to access the file from your local drive, and then click the "Continue" button at Step 4. You cannot change your answers to the form wizard questions at Step 3; however, you *can* change data within an existing section(s) of a saved form. To introduce a completely new section, you must start a new form. For further instructions for retrieving your saved data, click [here](#). You must follow these instructions to ensure that you can view your data in the expected editable format.

no file selected

NOTE: This button should **not** be used to attempt to upload or attach any other file, for example, a specimen image or a foreign registration certificate. For these or any other types of attachments, after answering "Yes" to the appropriate wizard question(s), you can then attach the file within the specific part of the form relating to that issue.

Under the Paperwork Reduction Act of 1995 no persons are required to respond to a collection of information unless it displays a valid OMB control number.

For **status** information on an application that has an assigned serial number, use <http://tsdr.uspto.gov>.

**NOTE ABOUT STATUS CHECKS:** Do NOT attempt to check the status of a filing until at least 72 hours after submission of the filing, to allow sufficient time for our databases to be updated.

To file the voluntary amendment form electronically, please complete the following steps:

1. Fill out all fields for which information is known. Fields with a \* symbol are mandatory for filing purposes and must be completed.
2. Sign the voluntary amendment form on the Signature Page. If the desired signatory is not available to sign the application, there are three options available:
  1. To electronically forward the Signature Page to the signatory, use the Text Form option on the Signature Page for an electronic signature.
  2. To mail or fax to the signatory, use the Handwritten pen-and-ink signature option on the Signature Page for the traditional "pen-and-ink" signature.
  3. To electronically save the form, use the Download Portable Data option on the Validation Page.

<b>Serial Number</b>	<a href="#">NNNNNNNN</a>
<b>Mark</b>	
<b>Currently Authorized Correspondence E-mail Address</b>	<b>Primary Email Address:</b> <b>Secondary Email Address(es):</b>

**NOTE:** If the correspondence information above includes an e-mail address that is no longer correct or contains a typographical error, please use this form to update or correct the e-mail address AND reauthorize the USPTO to communicate with you by e-mail. If the correspondence information above does NOT include an e-mail address, you are encouraged to use this form to enter an e-mail address and provide authorization for the USPTO to communicate with you by e-mail, which would enable you to be notified immediately when an Office action or official notice issues. It is important that you maintain a current e-mail address with the USPTO so that you are able to receive critical correspondence. For assistance in resolving any technical issues with this process, please contact [TEAS@uspto.gov](mailto:TEAS@uspto.gov).

**WARNING:** For an application filed under TEAS Plus or TEAS RF, the failure to maintain a correct and authorized e-mail address for ongoing e-mail communication will result in the loss of TEAS Plus or TEAS RF status and a requirement to pay a processing fee of \$50 per class.

TEAS - Version 5.4 : 07/11/2015

### CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

#### Adding the New Class(es) in the Application

#### Enter information for the New Class

\*International Class: (Enter class number 001- 045, A, B and 200)

\* Listing of Goods/Services/Collective Membership Organization [NOTE: Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/recitation of services/description of the collective membership organization]. For more information about acceptable language for the goods/services, see the USPTO's on-line [Goods and/or Services Manual](#). If entering multiple listings of goods/services, please separate with a semi-colon (;), NOT a comma.

**WARNING:** Your entry may NOT exceed the scope of your current identification. While you may modify the current listing to clarify or limit the goods/services/nature of the collective membership organization or to remove goods/services, you may NOT at this point ADD to, or BROADEN, the goods/services/nature of the collective membership organization. A new filing would be required to cover any new goods/services or broadening of the nature of the collective membership organization not within the scope of the current identification.

**WARNING: Registration Subject to Cancellation for Fraudulent Statements**

You must ensure that statements made in filings to the USPTO are accurate, as inaccuracies may result in the cancellation of a trademark registration. The lack of a bona fide intention to use the mark with **all** goods/**all** services/the collective membership organization included in an application, or the lack of use on **all** goods/**all** services/the collective membership organization for which you claim use, could jeopardize the validity of the registration and result in its cancellation.

**Filing Basis Section 1(a), Use in Commerce: For all applications:** The mark is in use in commerce and was in use in commerce as of the application filing date. The provided specimen shows the mark in use in commerce (see specimen statement below). **For a collective trademark, collective service mark, collective membership mark, or certification mark application:** The applicant is exercising legitimate control over the use of the mark in commerce and was exercising legitimate control over the use of the mark in commerce as of the application filing date. **For a certification mark application:** The applicant is not engaged in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

**WARNING: If you filed your original application under Section 1(b), Intent to Use, and you now want to assert use, do not use this form to submit dates of use and a specimen, unless responding to a specimen issue created by an already filed Allegation of Use. Otherwise, you must file the specific Allegation of Use form (Statement of Use/Amendment to Allege Use). Filing an Allegation of Use is not a proper response to an Office action.**
