OMB No. 0651-0050 (Exp. 07/31/2017)

Response to Suspension Inquiry or Letter of Suspension

TEAS - Version 5.4 : 07/11/2015

Please enter the **serial number** of the pending application for which you wish to respond to a Suspension Inquiry or Letter of Suspension. Then, click on the **NEXT** button, *below*. **NOTE:** You **must** respond to a Suspension Inquiry within six (6) months from the issue/ mailing date of the Suspension Inquiry. If the issue/ mailing date of the Suspension Inquiry is not known, please access the USPTO website at [TSDR System](#), insert the application serial number, and view the applicable prosecution history event.

Although not required, you *may* use this form to respond to an actual Letter of Suspension, to present arguments in favor of removal of the application from suspension. The Applicant's election not to present argument during suspension will not affect the applicant's right to present argument later should a refusal, in fact, issue at a later point. If a refusal does issue, the applicant will be afforded six (6) months from the mailing or e-mailing date of that Office action to submit a response. **Within this form, you may also enter additional data to satisfy an existing requirement(s) or other matter if appropriate, for example, to amend the listing of goods/services/the nature of the collective membership organization or enter a disclaimer.**

NOTE: This form has a session time limit of 60 minutes. A session begins once you create and enter the form via the Form Wizard. If you exceed the 60 minute time limit, the form will not validate and you must begin the entire process again; however, you can [extend the time limit](#). You are encouraged to have all information required to complete the form available prior to starting your session.

Required fields are indicated with an asterisk (*).

FOLLOW THE 5 STEPS TO ACCESS THE RESPONSE FORM:

STEP 1: CHECK STATUS.

To use this form, the "Current Status" of your application must be either "An Office action suspending further action on the application has been sent (issued) to the applicant" or "A suspension inquiry has been sent (issued) to the applicant." [Click here](#) to confirm the status before proceeding. If the application is not in the correct status, you must wait until the status is updated (usually 48-72 hours after receiving an e-mail notice that a letter of suspension or suspension inquiry has been sent (issued)). Otherwise, you will receive an error message when you click the "Continue" button at Step 5.

STEP 2: ENTER APPLICATION SERIAL NUMBER BELOW OR ACCESS PREVIOUSLY FILLED-OUT/SAVED FORM.

* [Serial Number:](#)

To access **previously-saved data**, use the "Browse/Choose File" button below to access the file from your local drive, and then click the "Continue" button at Step 4. You cannot change your answers to the form wizard questions at Step 3; however, you *can* change data within an existing section(s) of a saved form. To introduce a completely new section, you must start a new form. For further instructions for retrieving your saved data, click [here](#). You must follow these instructions to ensure that you can view your data in the expected editable format.

NOTE: This button should **not** be used to attempt to upload or attach any other file, for example, a specimen file or a foreign registration certificate. For these or any other types of attachments, after answering "Yes" to the appropriate wizard question(s), you can then attach the file within the specific part of the form relating to that issue.

 1. To electronically forward the Signature Page to the signatory, use the Text Form option on the Signature Page for an electronic signature.
 2. To mail or fax to the signatory, use the Handwritten pen-and-ink signature option on the Signature Page for the traditional "pen-and-ink" signature.

NOTE: If the correspondence information above includes an e-mail address that is no longer correct or contains a typographical error, please use this form to update or correct the e-mail address AND reauthorize the USPTO to communicate with you by e-mail. If the correspondence information above does NOT include an e-mail address, you are encouraged to use this form to enter an e-mail address and provide authorization for the USPTO to communicate with you by e-mail, which would enable you to be notified immediately when an Office action or official notice issues. It is important that you maintain a current e-mail address with the USPTO so that you are able to receive critical correspondence. For assistance in resolving any technical issues with this process, please contact TEAS@uspto.gov.

WARNING: For an application filed under TEAS Plus or TEAS RF, the failure to maintain a correct and authorized e-mail address for ongoing e-mail communication will result in the loss of TEAS Plus or TEAS RF status and a requirement to pay a processing fee of \$50 per class.

***STEP 3: To provide information about any of the following, check the appropriate box(es):**

- Pending Serial Number(s)
- Cancellation Proceeding(s)
- Opposition Proceeding(s)
- Civil Action Proceeding(s)
- Concurrent Use Proceeding(s)
- Foreign application(s)
- Foreign registration
- Assignment
- Registration maintenance document(s)

STEP 4: TO ADDRESS ANY OTHER ISSUE, ANSWER "YES" TO THE APPROPRIATE WIZARD QUESTION.

NOTE: IF NO OTHER ISSUE MUST BE ADDRESSED, SKIP TO STEP 5

You should review the action and then answer "Yes" to any question that directly relates to a requirement raised in the action. You must respond explicitly to **each** requirement; that is, if the examining attorney requires specific wording, you must enter that wording in the proper place in the form.

A RESPONSE WITH ONLY YOUR SIGNATURE IS NOT ACCEPTABLE. Merely providing a response with a signature and no other information, or authorizing the examining attorney to make any necessary

changes to the application *without specifying the exact changes*, is not a proper response to the Office action (except if the *only* issue raised was that the original filing was unsigned, improperly signed, or lacked the required declaration language).

1. Do you need to do any of the following:

- [change/delete an existing class number](#)*
- [modify the identification of goods/services/the nature of the collective membership organization](#) **
- [change filing basis](#)
- [add/modify dates of use](#)
- [submit a new or substitute specimen](#)
- [submit a foreign registration certificate or proof of renewal of the foreign registration](#)

*NOTE: To ADD a new class, answer "Yes" to #5, and to pay fee(s) for additional class(es), answer "Yes" to #6.

NOTE: You may only modify the identification of goods/services/the nature of the collective membership organization to clarify or limit them; adding to or broadening the scope of the goods/services/nature of the collective membership organization is **not permitted.

Yes No

2. Do you need to add or delete (withdraw) any of the following:

NOTE: ALL of the below will display within the "Additional Statement(s)" section of the form, *even when only one is appropriate and should be selected.*

- Disclaimer
- Colors claimed as feature of the mark
- Description of the mark (including nature and location of color(s)), if appropriate*
- Stippling statement
- Claim of prior registration(s)
- Translation/Transliteration
- Meaning and/or significance of wording, letter(s), and/or numeral(s) in the mark
- Section 2(f) claim
- Consent to register name(s), likeness(es), signature(s) of individual(s)
- Supplemental Register amendment
- Concurrent use claim
- Miscellaneous statement**

*NOTE: Do **not** use this section if you are also answering "Yes" to Question #3, *below*, which will then provide this field. Use this **only** if adding or modifying an existing description *but not attaching a new mark image*.

NOTE: The miscellaneous statement field includes the ability to attach a file, for example, to provide requested product literature. Do **not use this section for attachments where a specific different section for the purpose already exists, for example, submission of a substitute specimen in #1, *above*. This field may also be used to request **DELETION (WITHDRAWAL)** of an additional statement currently of record, for example, a disclaimer (see specific instructions within form).

Yes No

3. Do you need to submit a new drawing of the mark, either to [change the mark](#) itself or [submit a better quality image](#)?

NOTE: A material change to your mark is never permissible. Only minor changes in the mark are *sometimes* permitted. A drawing must be in JPG format.

Yes No

4. Do you need to correct or change the [applicant's name or entity information](#) or provide missing applicant or entity information?

Yes No

5. Do you need to [add a new class\(es\) of goods/services/a collective membership organization](#) ?

NOTE: You may **not** add class(es)/goods/services, or any descriptive language in an identification that would result in a broadening of the scope of the current identification of goods/services/the collective membership organization.

NOTE: To pay the fee(s) for adding class(es), answer "Yes" to #6. To change an existing classification number or delete goods/services, answer "Yes" to #1.

Yes No

If the answer is Yes, enter the number of classes: 1

6. Do you need to submit a fee for: (1) an existing or additional class of goods/services/a collective membership organization; (2) [failing to satisfy the requirements of TEAS Plus or TEAS RF](#); and/or (3) processing a payment that has been [refused or charged back](#)?

Yes No

7. Is a [newly appearing attorney](#) filing (*i.e.*, a person not the subject of an applicant-signed appointment filed prior to this submission) this form?

WARNING: Answer YES to this question **only** if one of the three requirements set forth in the underlying help text for "newly appearing attorney" has been satisfied. Failure to satisfy one of the three requirements may result in a later determination that this submission is incomplete and/or not in compliance with the minimum filing requirements.

Yes No

8. Do you need to change [correspondence address](#) (includes e-mail address)?

Yes No

9. Do you need to submit a [Signed Declaration](#) to verify an application?

NOTE: Answer "Yes" to this question if the application was unsigned, improperly signed, or lacked the required declaration language.

Yes No

* PENDING SERIAL NUMBER(S)

Serial number(s) should not be used as a citation(s) under Section 2(d), in the event that said serial number(s) mature(s) into a registration(s). I hereby request removal of this application from suspension, based on the following arguments. If the examining attorney is not persuaded by these arguments, I hereby request that this application be returned to suspended status, awaiting ultimate disposition of the referenced serial number(s).

Serial number(s) should not be used as a citation(s) under Section 2(d) because the applicant herein claims ownership of the referenced serial number(s), supported by a declaration. I hereby request removal of this application from suspension. If the examining attorney is not persuaded by this ownership claim, I hereby request that this application be returned to suspended status, awaiting ultimate disposition of the referenced serial number(s). You may only use this option if, under oath, you are able to attest to the ownership, based on facts that clearly support your claim of ownership. A declaration at the end of the form will specifically be provided for this purpose.

NOTE: You are not required to submit arguments at this time, and you may choose to have this application remain in a suspended status, until disposition of the referenced serial number(s); however, you may present arguments, if you believe the examining attorney will be convinced to remove the application from suspended status and continue prosecution (i.e., you do not want to wait for the prior-filed application(s) to register before determining whether a Section 2(d) refusal is warranted).

The applicant's election not to present arguments during suspension will not affect the applicant's right to present arguments later should a refusal in fact issue. If an Office action with a refusal does ultimately issue, the applicant will be afforded 6 months from the issue/ mailing date of the Office action to submit a response.

Use the options below to submit statements and argument(s) related specifically to the pending serial number(s).

*Listing of Goods/Services/Collective Membership Organization

Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/recitation of services/description of the collective membership organization]. For more information about acceptable language for the goods and/or services, see the USPTO's on-line [Goods and/or Services Manual](#). If entering multiple listings of goods/services, please separate with a semi-colon (;), NOT a comma.

WARNING: Your entry may NOT exceed the scope of your current identification. While you may modify the current listing to clarify or limit the goods/services/nature of the collective membership organization or to remove goods/services, you may NOT at this point ADD to, or BROADEN, the goods/services/nature of the collective membership organization. A new filing would be required to cover any new goods/services or broadening of the nature of the collective membership organization not within the scope of the current identification.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an applicant's lack of a bona fide intention to use the mark with **all** goods/services included in an application, or the lack of use on **all** goods/services for which use is claimed, could jeopardize the validity of the resulting registration.

Filing Basis Section 1(a), Use in Commerce: *For all applications:* The mark is in use in commerce and was in use in commerce as of the application filing date. [SUPPLEMENTAL REGISTER:](#) The applicant seeks registration of the mark on the Supplemental Register (i.e., a change of the words 'Principal Register' to 'Supplemental Register').

The applicant has separately filed an Allegation of Use, to change the basis of this application from Section 1(b), intent-to-use, to Section 1(a), use in commerce, making conversion to the Supplemental Register permissible.

[CONCURRENT USE:](#) Enter the [appropriate concurrent use information](#) in the text box immediately below.

WARNING: To assert concurrent use, you **must:** (1) have assigned a Section 1(a) filing basis, which indicates you are using, or, if appropriate, exercising legitimate control over the use of, the mark in commerce; AND (2) (i) intend to initiate a legal proceeding before the Trademark Trial and Appeal Board or have obtained a Board determination from a prior proceeding establishing that you are entitled to a concurrent registration; or (ii) have obtained a final court determination establishing your concurrent right to use the same or similar mark in commerce in a limited geographic area.

[MISCELLANEOUS STATEMENT:](#)

For collective trademark/service mark/membership applications based on Section 1(a), use of the mark in commerce: If you have not previously submitted an acceptable statement indicating your method of control for all identified classes, use the text box below to indicate your method of control (the following format is suggested: "the applicant controls the members' use of the mark [indicate method of control, e.g., as specified in the applicant's bylaws or other written provisions, etc.]").

For certification mark applications based on Section 1(a), use of the mark in commerce: If you have not previously submitted an acceptable copy of the applicable certification standards, click on the grey bar below labeled "Click here to Attach/Remove Miscellaneous" to attach a copy of the standards that you use to determine whether particular goods or services will, in fact, be certified; and/or (as applicable).

For all certification mark applications: If you have not previously submitted an acceptable statement of the characteristic(s), standard(s), or feature(s) that is (or will be) certified by the mark for all identified classes, use the text box below to enter a statement of the characteristic(s), standard(s), or other feature(s) that you are (or will be) certifying about the identified goods/services. The following format is suggested: "The certification mark, as used or intended to be used by persons authorized by the certifier, certifies or is intended to certify that the goods and/or services provided have [specify]."

NOTE: Check the box *only* if you believe your image is black and white, yet you received after clicking the "CONTINUE" button an ERROR about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do **not** check this box, because the attached image was automatically accepted as black and white.

Enter a complete and accurate **description** of the entire mark below, being sure to include **ALL literal elements** and/or design elements that are found in the attached mark image, but **NOT** including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black, grey, and white, and also state the location thereof in the mark image (reference any wording in mark and/or design element(s)), and if a color mark, also include the nature and location of the color; i.e., you should specifically state where each color is located within the mark.

The mark consists of: (do NOT repeat this language)

. (end period is

automatic)

NOTE: A description of the mark is required for **ALL** marks that are in a special form (i.e., for *any* mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, e.g., "the letter C." The description must be for the complete mark, and not simply of any design element; i.e., if the mark includes a literal element, that must be referenced here, even if already separately stated in the "literal element" field, *above*. Also, for any color mark, the description of the mark **must** include the nature and location of the color; i.e., you must specifically state where each color is located within the mark, *e.g.*, "a bird with a red body, blue wings, and yellow beak."

NOTE: Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.

You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/recitation of services/description of the collective membership organization]. For more information about acceptable language for the goods/services, see the USPTO's on-line [Goods and/or Services Manual](#). If entering multiple listings of goods/services, please separate with a semi-colon (;), NOT a comma.

While you may modify the current listing to clarify or limit the goods/services/nature of the collective membership organization or to remove goods/services, you may NOT at this point ADD to, or BROADEN, the goods/services/nature of the collective membership organization. A new filing would be required to cover any new goods/services or broadening of the nature of the collective membership organization not within the scope of the current identification.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an applicant's lack of a bona fide intention to use the mark with **all** goods/services included in an application, or the lack of use on **all** goods/services for which use is claimed, could jeopardize the validity of the resulting registration.

Filing Basis Section 1(a), Use in Commerce: *For all applications:* The mark is in use in commerce and was in use in commerce as of the application filing date.
