## Section 7 Request

TEAS - Version 5.4 : 07/11/2015

For more information regarding any of the following questions or topics, either go to [HELP](#) or click on the underlined word. You may use the following Section 7 Request form *only* to request:

- Correction of an immaterial error in a registration that was the fault of the USPTO, or which occurred in good faith through the owner/holder of the registration;
- Amendment "for good cause" of a registration; or
- A new registration certificate if a new owner/holder exists.

**WARNING:** You may **not** request, using this form, the correction of a USPTO error that would result in a material change to the registration. See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration. Also, if the original filing basis was Section 66(a), you may **not** use this form to amend any owner/holder information. Changes in ownership must be directed to the International Bureau.

**NOTE:** Because original and certified copies of certificates of registration are not required for Section 7 requests, owners/holders may use this electronic form without separate submissions. All original and certified copies are scanned into the USPTO database *and then discarded*; accordingly, owners/holders are advised not to submit them.

Please answer all of the questions below to create a Section 7 Request form showing only sections relevant to you. **You must answer each question carefully, since** the displayed form will correspond directly to the information provided.

**WARNING:** A session begins once you create and enter the form via the Form Wizard. If you exceed the 60 minute time limit, the form will not validate and you must begin the entire process again; however, you can [extend the time limit](#). You are encouraged to have all information required to complete the form available prior to starting your session.

Required fields are indicated with an asterisk (\*).

**STEP 1:** You may only use this form if the [USPTO system](#) shows that the mark is registered and the registration is currently "active."

**STEP 2:** Enter registration number or access saved form:

\* [Registration Number](#):

*(required only if preparing a Section 7 Request for the first time; if you have already saved a form, use the option below)*

**WARNING: Be sure you are entering a registration number and NOT a serial number.**

OR

To access **previously-saved data**, use the "Browse/Choose File" button below to access the file from your local drive, and then click the "Continue" button at Step 4. You cannot change your answers to the form wizard questions at Step 3; however, you *can* change data within an existing section(s) of a saved form. To introduce a completely new section, you must start a new form. For further instructions for retrieving your saved data, click [here](#). You must follow these instructions to ensure that you can view your data in the expected editable format.

no file selected

**STEP 3:** If preparing a new request form, carefully answer each question below to build the appropriate form.

1. Do you want to [amend your mark](#)?

**NOTE:** While minor changes in the mark are sometimes permitted, any [material alteration](#) will NOT be permitted and will result in a refusal being issued on that ground. If submitting a new mark image, it must be in the JPG format (whereas other image attachments may be in either the JPG or PDF format).

**NOTE:** Effective June 21, 2012, where an amendment involves a change in the mark, a new specimen must be provided for each class of goods/services/collective membership organization in a multiple class registration.

**WARNING:** If you are proposing an amendment to your mark, you must also consider whether you should request [conforming amendments](#) to any other information in the registration affected by the proposed amendment, by answering Question #2, below, as YES.

Yes No

**2. Do you want to correct or change any [additional statement\(s\)](#) about the mark that appear(s) on the registration certificate, e.g., a disclaimer, translation, or claim of a prior registration? [Click link to view full range of possible statements available within this section.]**

**NOTE:** If you wish for any reason to attach a file within this form, you must do so within the "miscellaneous statement" portion of the additional statement section, which allows for both free-entry of text and/or a jpg/pdf attachment.

**NOTE:** You may use this form to correct a mistake(s) in a registration due to an error by the USPTO or the owner/holder of the registration that does not result in a change that would require republication; e.g., a correction to add a statement that published correctly, but was then inadvertently omitted from the registration certificate, or correction of a typographical error in a statement printed on the registration. See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration.

Yes No

**3. Do you need to [correct/change an existing classification number](#); [correct/delete items in the identification goods/services/the nature of the collective membership organization](#); [delete a class entirely](#); and/or [correct/modify dates of use](#)?**

Yes No

**4. Do you need to [correct information pertaining to the basis for filing/registration of the mark](#)?**

Yes No

**5. Is an [attorney](#) filing this form?**

**NOTE:** The USPTO considers powers of attorney to end upon either (1) the date of registration; or (2) the final acceptance or denial of a post-registration filing. Therefore, if you answer YES to this question and file this form, and no other post-registration filing is pending, the USPTO will presume that you are the trademark owner's/holder's attorney. This filing will automatically update the "Attorney of Record" and the "Correspondence Address" data fields in the USPTO's [TSDR](#) system. After submission of this form, it is not necessary to file a separate Appointment of Attorney form or Change of Correspondence Address form. Once the USPTO recognizes an attorney with respect to the submission of a post-registration filing, such as an affidavit under Section 8, an application for renewal under Section 9, etc., the USPTO will recognize only that attorney for [all submissions related to that filing](#), such as responses to Office actions, petitions, etc., unless and until the owner/holder revokes and appoints a new power of attorney or the filing is completely resolved (e.g., by acceptance, renewal, or abandonment).

Yes No

**STEP 4:** If you have confirmed that the answers to the above questions are correct, click on the "Continue" button.

## Section 7 Request

TEAS - Version 5.4 : 07/11/2015

A correction or amendment under Section 7 of the Trademark Act only affects information appearing on the certificate of registration. If the information being corrected or amended is not on the certificate, it is not processed as a correction or amendment under this section.

A request to correct a registration may be submitted to correct immaterial errors on the certificate, whether caused by the owner/holder or the USPTO. A request to amend a registration may be submitted to request immaterial changes to the mark and/or other information on the registration certificate.

**NOTE:** The correction of a USPTO error that would result in a material change to the registration may not be requested through this form. See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration.

To satisfy legal requirements, the declaration at the end of the Section 7 request form must be signed by the owner/holder of the registration or someone who is properly authorized to sign on the owner's/holder's behalf.

**Important:** ONCE A SECTION 7 REQUEST IS SUBMITTED ELECTRONICALLY, THE USPTO WILL IMMEDIATELY PROVIDE THE SENDER WITH AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT. Please contact [teas@uspto.gov](mailto:teas@uspto.gov) within 24 hours of transmission (or by the next business day) if you do not receive this acknowledgment.

### Contact Points:

For **general** trademark information, please e-mail [TrademarkAssistanceCenter@uspto.gov](mailto:TrademarkAssistanceCenter@uspto.gov), or telephone 1-800-786-9199. If you need help in resolving **technical** glitches, please e-mail [teas@uspto.gov](mailto:teas@uspto.gov). Please include your telephone number in your e-mail, so we can talk to you directly, if necessary. For **status** information on an application that has an assigned serial number, use <http://tsdr.uspto.gov>.

**NOTE ABOUT STATUS CHECKS:** Do NOT attempt to check the status of a filing until at least 72 hours after submission of the filing, to allow sufficient time for updating of USPTO databases.

### Instructions:

To file the Section 7 Request form electronically, please complete the following steps:

1. Fill out all fields for which information is known. Fields with a \* symbol are mandatory for filing purposes and must be completed.
2. Sign the response form on the Signature Page. If the desired signatory is not available to sign the application, there are three options available:
  1. To electronically forward the Signature Page to the signatory, use the Text Form option on the Signature Page for an electronic signature.
  2. To mail or fax to the signatory, use the Handwritten pen-and-ink signature option on the Signature Page for the traditional "pen-and-ink" signature.
  3. To electronically save the form, use the Download Portable Data option on the Validation Page.
3. Validate the form by selecting the "Continue" button on the Signature Page.
4. On the Validation Page, it is critical to confirm that all information is displayed properly immediately before filing, regardless of the appearance of the data at any point earlier in the process.
5. Click on the Pay/Submit button at the bottom of the Validation Page. If a fee payment is required, this will allow you to choose from 3 different [payment methods](#): credit card, automated deposit account, or electronic funds transfer. Access the proper screen for payment, and make the appropriate entries. If your transmission is successful, you will receive a SUCCESS! Page.
6. You will receive an e-mail acknowledging receipt of your submission.

### Mark Information

**NOTE:** While minor changes in the mark are *sometimes* permitted under Section 7, any [material alteration of the mark](#) will NOT be permitted and will result in the denial of the request on that ground.

If you have read and understood the above notice, you must check this box before you enter the proposed amended mark.

\* **Click the appropriate circle to indicate the Mark type:**    [Standard Characters](#)    [Special Form \(Stylized and/or Design\)](#)

Use this section if you wish to modify a word(s), letter(s), punctuation, and/or number(s) with **no design element and** without claim to any particular font style, size or color.

Add/Modify the [Standard Characters](#) mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof.)

**NOTE:** After previewing the USPTO-generated image, if you object to the display of the mark, then you must use "**Special Form (Stylized and/or Design)**" option. Therein, you could attach your own image file and check a box to claim standard characters. However, the appropriateness of the standard character claim would later be determined as part of the examination of the application. For how the USPTO determines what the display of the entered mark will be, click [here](#).

### \*[Specimen File](#)

The owner/holder of the registration **must** submit a specimen showing use of the proposed mark, as amended, **for each class** in the registration. A specimen is required even if the mark originally registered under Section 44(e), based on a foreign registration. The following statement must be made of record by checking the box:

The attached specimen was in use in commerce on or before the filing date of this request. The declaration under 37 C.F.R. § 2.20 at the end of this request supporting this use will be signed by the owner/holder or a person properly authorized to sign on behalf of the owner/holder.

Click on the 'Browse' button to select JPG/PDF file that contains the specimen from your local drive.

**WARNING:** Submission of an overall request as a PDF file is NOT permissible; i.e., do not use this section, or any other section, of the form to attach a multiple-page document consisting of arguments, evidence, revised identifications of goods/services/the collective membership organization, additional statements, etc. For complete requirements concerning PDF files, click [here](#).

**WARNING:** The file size cannot exceed 5 megabytes per attachment for JPG or 30 megabytes per attachment for PDF.

### ADDITIONAL STATEMENT(S)

**NOTE:** You may use this section to request changes to correct a mistake in a registration due to either USPTO error or owner/holder error if the correction does not result in a change that would require republication. For example, the following may be permitted: a correction to add a statement that appeared as part of the mark at the time of publication but that was inadvertently omitted from the registration certificate or a correction to a typographical error in a statement printed on the registration certificate. See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration.

An amendment to add any statement that did not appear when the mark published is permissible only if the amendment would not materially alter the mark or significant information related to the mark. If republication would be required, the amendment is a material alteration and will not be permitted. To select a statement, enter any required information specific to your mark (or, if no information must be entered, check the box in front of the existing statement to select it). **NOTE:** Although a declaration will automatically appear at the end of this form, you must sign the declaration only if you are requesting an amendment *or a correction due to owner/holder error*.

### CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

NOTE: You may use this form to request changes to the listing of the goods/services/collective membership organization to: (1) restrict the identification; (2) delete a class entirely; (3) correct obvious typographical errors; or (4) otherwise change the registration in a way that would not require republication of the mark, but never to add to or broaden the goods/services/nature of the collective membership organization in a registration by amendment or correction. Any request to amend or correct the classification must coincide with the current version of the *Nice Agreement Concerning the International Classification of Goods and Services for the Purposes of the Registration of Marks*. See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration.

#### **WARNING: Registration Subject to Cancellation for Fraudulent Statements**

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an owner's/holder's lack of use on **all** goods/services for which use is claimed in a post-registration filing with the USPTO could jeopardize the validity of the registration and result in its cancellation.

#### Enter information for the Class

If you wish to delete the class entirely, then remove all displayed wording, and enter the specific wording "DELETE CLASS ENTIRELY"- do not merely leave the field blank].
