Innovation Expo - June 20-22, 2013

Innovation Expo 2013

USPTO Announces 2013 Innovation Expo

Innovation Expo - Purpose

- Showcase, at the USPTO headquarters, the latest technological developments from America's innovators.
- Demonstrate the vital role America's intellectual property system, and the United States Patent and Trademark Office, play in promoting and protecting innovation

Innovation Expo - Exhibitors

- Seeking Exhibitors
 - affiliated with large corporations, small businesses, academic institutions, government agencies and the independent inventor community
 - a diverse range of technologies
- The application deadline is February 13, 2013. Exhibition slots will be awarded to qualified U.S. patent owners on a rolling basis.

Innovation Expo – Selection Committee

- Exhibitors will be selected by an independent committee of representatives from the National Academy of Inventors, the United Inventors Association of America, Edison Nation, the National Inventors Hall of Fame, the American Intellectual Property Law Association, and the Intellectual Property Owners Association.

Innovation Expo – Nuts and Bolts

- Spearheaded by the USPTO Office of Innovation Development
 - Supported by Agency Team and Team of Technical Advisors
- Visit the Expo web page for application, FAQs and more!
