Virginia Beach, Virginia, 23464

Email: Chris.noyes@aow.gold

Phone: 17575815447

Submitter's Representative: Chris Noyes

Organization: AOW North America

General Comment

It's horrible and very concerning to own 6 patents and have big tech steal patents at will using it's checkbook. America is losing it's competitive advantage because of corruption . Save America and rewrite the patents laws to protect people like me
