Request for Comments on Discretion to Institute Trials Before the Patent Trial and Appeal Board

Comment On: PTO-C-2020-0055-0001

Discretion to Institute Trials Before the Patent Trial and Appeal Board

Document: PTO-C-2020-0055-0320

Comment from Satchel McKee.

Submitter Information

Name: Satchel McKee

Address:

Eldorado, OH, 45321

Submitter's Representative: Warren Davidson

General Comment

I urge you to reconsider rolling back IPR. This will cause a great deal of problems for small business owners who are constantly being taken advantage of by patent trolls. Patent trolls are constantly trying to shake down small business owners for money like they are mobsters. For businesses IPR is crucial for protecting the rights of everyone. Please protect IPR for all our benefit. Thank you.
