Request for Comments on Discretion to Institute Trials Before the Patent Trial and Appeal Board

Comment On: PTO-C-2020-0055-0001

Discretion to Institute Trials Before the Patent Trial and Appeal Board

Document: PTO-C-2020-0055-0542

Comment from David Chapman

Submitter Information

Name: David Chapman

General Comment

Allowing behaviors such as claiming patents that don't pertain to yourself, registering offices that are unoccupied, and dili lawsuits that are clearly fraudulent in nature, should be illegal and prosecuted aggressively. Owners of products should be able to defend them self's easily in instances such as this, without cost.
