Request for Comments on Discretion to Institute Trials Before the Patent Trial and Appeal Board

Comment On: PTO-C-2020-0055-0001

Discretion to Institute Trials Before the Patent Trial and Appeal Board

Document: PTO-C-2020-0055-0563

Comment from Wayne Justinen

Submitter Information

Name: Wayne Justinen

General Comment

There should be no such discretion given to the bureaucracy.

The harm to individuals and businesses that can be expected from such discretionary power would be an outrage.

Inter Partes Review is too often the only means by which the innocent can defend against the ravages of the "patent troll."

The only appropriate fix is to end the haphazard approval of specious patent applications!
