Comment On: PTO-C-2020-0055-0001

Discretion to Institute Trials Before the Patent Trial and Appeal Board

Document: PTO-C-2020-0055-0605

Comment from F Herholdt

Submitter Information

Name: F Herholdt

General Comment

The inter partes review needs to remain or else anyone can claim ideas that did not originate from them to be their own patent.

This kind of thing is becoming a business, these people just run around getting income from suing left right and center. It is a abuse of our legal system for private gain. Go get a job like everyone else.
