Discretion to Institute Trials Before the Patent Trial and Appeal Board

Document: PTO-C-2020-0055-0600

Comment from Mischa Kipping

Submitter Information

Name: Mischa Kipping

General Comment

Dear all,

We have the right to file a patent, we have the right to protect our ownership of such patent, so when that ownership is threatened, why should we fear that we cannot rightfully claim back damages from those who seek to harm us?

Sincerely,

Mischa Kipping.
