In re Application of :
Mitchell R. Swartz :
Application No. 12/802,165 : ON PETITION
Filed: June 1, 2010 :
Title: MACHINE FOR OBTAINING A :
PRODUCT FROM A NANOSTRUCTURED :
MATERIAL :

This is in response to the petition under 37 CFR 1.181(a)(3) filed March 9, 2017, requesting that the Director exercise supervisory authority and review of the decision of February 22, 2017, and yet again requesting that the holding of abandonment in the above-identified application be withdrawn.

As indicated in the decision of February 22, 2017, the decision of June 13, 2012 represents the conclusion of the consideration by the United States Patent and Trademark Office (USPTO) of petitioner's request to withdraw the holding of abandonment in the above-identified application, and no further reconsideration of the decision of June 13, 2012 will be undertaken.

As indicated in the decision of February 22, 2017, petitioner is not precluded from seeking revival of the above-identified application under 37 CFR 1.137.

No further action will be taken by the USPTO in the above-identified application unless and until the above-identified application is restored to pending status under 37 CFR 1.137. Petitioner should expect no further correspondence from the USPTO concerning the above-identified application unless and until petitioner takes appropriate action to seek revival of the above-identified application under 37 CFR 1.137.
